By the time you read this your Commandry will no doubt be on vacation as far as work is concerned. But Remember our Stated Convocations during June, July and August.

Our Drill Corps is to be congratulated on the fine showing they made in competitions at Muncie. They were in the stiffest competition they have been up against yet and made a very fine show on the floor. Although they placed second they are indeed to be congratulated and Fort Wayne Commandery is indeed proud of them.

Another huge success was the offical reception and dinner held in honor of our Right Eminent Grand Commander Samuel S. Geake on Saturday May 21st. Some 500 Sir Knights and Ladies sat down to a very fine five course dinner served by both Scottish Rite, Valley of Fort Wayne and Fort Wayne Commandery No. 4 This event will be long remembered in the annals of Fort Wayne Masonic history.

We would be quite remiss in our duties if we did not also congratulate Fort Wayne Assembly No. 139 Social Order of the Beaucant for the fine manner in which they entertained the visiting ladies to this event.

Saturday June 4th we held our first All Order Day and enjoyed our second annual Ham and Bean dinner. The work was conferred on several candidates and made a nice conclusion to our spring season.

Well Sir Knights enjoy your vacation and come back to a full schedule this fall.

York Rite Association

At our meeting April 13, much progress was made in planning for our Fall Communication. It was decided to start the work on Thursday evening October 27, confer the Mark Master and possibly the Past Master Degrees. Thomas R. Marshall Chapter to open and confer the Mark Master, Fort Wayne Chapter to confer the Past Master.

Friday October 28, 1 P. M., chapter work be resumed by conferring the Most Excellent Master Degree, followed by the Royal Arch Degree. Fort Wayne Council No. 4 will confer the Royal Master and the Select Master Degrees, recess for dinner at 6:30. After dinner the Super Excellent Degree to be conferred.

Saturday October 29, Fort Wayne Commandery No. 4 Knights Templar will cofer the Order of the Commandery. As the Commandery work will have to be planned according to the number of candidates electing to take it, the plans for the Commandery work will be announced latter. However, the work will be planned so as to be completed before the dinner at 6:30 the time after dinner to be reserved for entertainment.

TO THE MEMBERSHIP OF THE VARIOUS YORK RITE BODIES.

You will want to see all of this work, which will be given in the auditorium. Admission will be by ticket or identification badge, plans for which are now being worked out, and will be issued to those in good standing. Attention is called to those who do not have the Council, and particularly, the Super Excellent, which has not been given in Fort Wayne since 1948. There should be a great number of netitions for this wonderful degree.

Give considerable and serious thought to what York Rite Masonry has to offer. It continues, explains and expands on what you already have. The Royal Arch, the final degree in the chapter, is the completement of the Masters Degree. The Select Master in the Council is the third side of an equilateral triangle, which with its three equal sides and equal angles is called the perfect triangle. In Masonry, the Blue Lodge, Chapter, and Council, forms the perfect triangle of your Masonic knowledge and experience. The Super Excellent, an electixe degree in the Council, can be said to be a perpendicular in that triangle, which aids in its solution.

As the Orders in the Commandery culminate in Christianity, those of other religious can still take the work in the Chapter and Council, as these concern themselves solely with Old Testament history.

Prospective petitioners will want to know about the fees and dues in the various York Rite Bodies. You have your choice of membership in either of two Chapters of Royal Arch Masonry, which is the first step; Fort Wayne Chapter No. 19, and Thomas R. Marshall Chapter No. 161 $20.00 Initiation $3.00 per dues. Fort Wayne Council No. 14 Royal and Select Masters $10.00 Initiation, $2.00 per year dues. Super Excellent in Council $3.00 Initiation dues none. Fort Wayne Commandery No. 4 Knights Templar $50.00 Initiation, $5.00 per year dues.

Uniform not compulsory unless you plan to take active part. There is a Commandery Drill Corps, which competes in state and national conclaves. There is a Commandery Band for those who play a band instrument, New members in either of these two orginazations are always welcome.

York Rite Bodies in the Fort Wayne area are invited to take part in the October meetings. Your assistance and your candidates will be welcomed. Help us to make this one of the outstanding Masonic events of the year.

Greetings to all from the east. This term of office is drawing to a close. Its been wonderful working with all of you. Without the wonderful assistance I have received many of the things we have accomplished would have been impossible, and I lay all success at the doorstep of my council, officers and girls.

May 31st proved to be a very exciting evening for it was our election of officers. There was a great amount of tension at the beginning of the evening, but as our meeting progressed it was lightened and I offer my sincerest congratulations to the girls who were elected and hope that you can get as much enjoyment from your terms as officers as I have gotten from mine. There is a great deal of work involved in being an officer but it is a labor of love and always proves to be very gratifying.

To all who contributed and worked on the Rummage sale June 3rd, I give my heartiest thanks. It proved to be a great success by not only raising our morals higher but also padded our treasury a bit.

The meeting on June 7th was cancelled. It seemed best to do this because many of our officers are seniors and it coinsided with plans of graduation.

As we face each day anew, let
us find a purpose true.
Tune us to the purpose, God;
Test and temper every heart,
Let the life of Christ, the Saviour,
Give a keynote for each part.
As thy will in heven is done
Help us here thy will to do;
Each life following thy direction—
To thy touch, responsive, true,

Hi Brothers. We are happy to report that on Tuesday May 10 our Enterend Apprentice Night we were visited by Our Most Worshipful Grand Master Elmer C. Forks. He informed us that this was his last offical visitation. We thank him for that honor and invite him to return often now that he is P. G. M.

On May 5, 1955 Brothers O. A. Dellinger, Tom Wallheiser, Ray Girardot and I made a 50 year award to Brother Ora Goff of 2716 Fairfield Ave., at his home. The presentation was made by brother Dellinger. We congratulate you Brother Goff on being a Mason for 50 years.

Your officers attended Grand Lodge on May 17 and 18 where we opened and closed Grand Lodge at the invitation of our Most Worshipful Grand Master Elmer C. Forks. This is an honor that comes to but few lodges and we appreciate the honor very much. All our regular officers made the trip with but two exceptions. Brother James Farrar acted for our Secretary Wilford Troyer and brother Ralph Roller acted for our Senior Steward Don Stoneman who were unable to go. It was well attended and the best Grand Lodge session that I have attended.

We have been informed that the Tri State Visitation which will be at St. Louis this year will be Oct. 1st. Please contact Brother Ray Girardot our Junior Warden if you intend to go.

During the period of a year several petitions are presented before the Lodge for consideration and many are selected to receive the degrees of Masonry, yet, I wonder how many sponsors of these petitioners follow their program in Masonry. The two Masons who recommended a petitioner have a responsibility that does not end with their signatures on the petition. If you invite a guest to a gathering in your home you make sure that he meets all your other guests and is made welcome and comfortable. Isn't the man whom you recommended to Freemasonery entitled to the same courtesy? As his sponsor is it not your duty to assist him with his work and take an interest in his progress? I really believe it is, and you will also be helping those who are active in conferring the degrees and in coaching. If you recommend a man to Freemasonry satisfy yourself that he is receiving that for which you recommended him. In doing this I know you will be happy for having taken such an interest and you will be helping your Lodge to extend a friendly hand with a personal touch.

Our deepest sympathy is extended to the family of our Brother Raymond Eller Downing who has been called Home by the Supreme Architect of the Universe.

Please do not forget about our Fellowcraft Team, we need help contact Brother Wayne Hutchinson.

Brethren I am happy to report that the contracts for the building of the hospital at the Masonic home have been let and work should have been started by the time this issue reaches you. The building committee reported that although the construction of the hospital will be started there is still need for additional funds to meet the cost of furnishing the building since the amount needed wasn't contributed. To those of you who may want to contribute please send your checks to our secretary D. Good.

June will be another busy month for our lodge. We have two new petitions to vote on at our stated meeting.

I hope you were present at our stated meeting to hear the report on the proceedings of the Grand Lodge of Indiana given by our Senior and Junior Wardens.

Your delegates to the Grand Lodge visited the Masonic Home, but were unable to contact Bro. McDonald who was away at the time. The Supt., Dr. Dill informed us that Bro McDonald was in good health and enjoying himself.

Brethren it will be soon be vacation time so why not come up to lodge and assist the craft in their work, we can use your help. Our fellow craft team is doing a mighty fine job both on the degree team and in the kitchen.

Wayne Lodge and Maumee Lodge held a joint Fellow Craft night. Our lodge conducted the first section and Maumee Lodge presented the second section of the Fellow Craft degree. To the Officers and members of Maumee Lodge we enjoyed your fellowship and hope we can meet together again.

To our sick Brethren we wish you a speedy recovery and hope we can meet again in lodge in the near future.

If you know of a Brother who is ill please contact your officers.

See you in lodge next Thursday.

Brethren—It is wonderful we have this paper as a medium by which your officers and myself can say "Hello" to all of you; and keep you informed of the activity and dates of your lodge program.

I want to again thank all those who took part to make our April 23rd banquet such a success, as well as all those who came to enjoy the fellowship and program of the evening. There were many old aquaintances renewed and many new aquantances made.

We are looking forward to your continued support as we have degree work each lodge night. Next month promises to be a busy month so all those of you who are not on vacation be sure to come to lodge.

I was greatly inspired as I attended our Grand Lodge Mav 17 and 18. Brethren, the Grand Lodge guides the destiny of Masonry in Indiana in an official capacity and I must say the officers did a wonderful job. They have enormous duties to perform and they do everything in a most democratic manner.

By the time this writing reaches you many will be on vacation and many more planning vacations. Let me suggest that you keep in mind your masonry and may the Great Architect bless you with a safe return.

As you read this column many of you are, no doubt, thinking of vacation time or have already moved to the lake for the summer.

The Corps of officers and the committees have been extremely busy getting the various programs under way for the ensuing year. The officers have been practicing diligently to be proficient in their work so the members will be proud of their chapter and to continue the high standards that have been set before them.

The Ways and Means committee with Catherine Robb as chairman and Anita Silkworth as co-chairman have been busy with the projects laid out by the Worthy Matron for the coming year. They have already had a very successful Bake Sale at Wolf & Dessauer. All who participated in making it a huge success have the grateful thanks of this committee. You will hear a great deal from this committee due to the fact that it makes the money for the chapter and the projects they sponsor must have the cooperation of the entire membership to make them a success. A preview of some of the many activities which you will hear more about in the future are listed in the following paragraphs.

Two rummage sales are planned. The first one was listed for June 6th and the second one will be on November 14th. If anyone missed the June 6th sale and have some rummage either save it for the fall sale or call Catherine Robb or Anita Silkworth and they will be happy to pick it up and take care of it.

Another Bake Sale has been arranged for October 15th. This one will also be at Wolf & Dessauer and will be on Saturday. Keep this date in mind. It will be announced frequently from now until then. Many who were unable to participate in the first sale because it was on a working day will be able to assist in this one. Remember the more bake goods we have the more money we make. Plan now to make somethin.

Also in the fall, October 22, a Sauerkraut Supper and Square dance is planned. Now, we know from serving at the Scottish Rite Convocations that sauerkraut is throughly enjoyed by everyone so bring your family to the supper and enjoy the festivities later in the evening. If you do not care to square dance, there will be tables on the balcony to play cards. Plan now to attend this fall event and to enjoy the fellowship that is offered for you. The Social Committee with Louise Wilkerson as chairman and Esther Thunberg as co-chairman are working together on this project to make it a success. We want to extend a welcome to our sister chapters to come also. Tickets will be available in September and may be purchased from the officers, Social or Ways and Means committees. We will have to know approximately how many plan to attend so get your tickets early. The price of the tickets will be $1.00 per person.

The Ways and Means committee also have fancy ribbon for wrapping packages. Remember them if you need any. Bobby socks for women and children are also being sold by this committee. Contact Mary Henninger if you would like some. Mary Wright has charge of the birthday project. When your birthday comes around, you will be hearing from her.

Sometime after the first of the year a Card party is planned. No deatils are available on that as yet.

Sewing and Decorating met at the home of Velma Welch on May 12th with Frances Van Swearingen assisting, The Ways and Means met on May 10 at the home of Reydeen Miller with Betty Clippinger assisting. Cheer Committee met May 2nd at the home of Margaret Hamilton with Ida Mae Scott assisting. The Choir met of May 16 at the home of Mary Lukens. The Social Committee met May 19th at the home of Willodean Todd with Edith Ball assisting. The Program Committee met at the home of Kathy Friechey with Mildred Thomas assisting on May 9th. The Officers Club met at the home of Raydeen Miller on May 23rd with Geneva Ash assisting.

The June schedule for the various committies is as follows:

Program, June13—Francis Van Swearingen, 1221 Delaware, Lola Ceresale, assisting.

Sewing & Decorating, June 9—Ethel Kruse, 1015 Maumee, Vivian Hopkins, assisting.

Social, June 16—Betty Schoenherr, 6924 St. Joe Rd. Rorothy Boger, assisting.

Ways & Means, June 14—Jainice Kemp, 2709 Curdes, Edith Ball, assisting.

Cheer, June 6—Geneva Ash, 2504 Charlotte, Bea Werling, assisting.

Croir, June 20—Louise Wilkerson, 1606 Cresent.

Officers Club, June 27—Doris Thiebolt, 5921 Decatur Rd., Eugenia Wood, assisting.

There will be Initiation with refreshments served by the Social committee after chapter on June 17. After this meeting, Chapter will be dark until September 2. Have a happy and pleasant vacation. Wherever you plan to go—traveling to the lake or even if you stay home be careful and may we see everyone at our first meeting in good health with pleasant memories of the summer and renewed energy for the activities of the chapter in the fall and winter. God bless each and everyone until then.

Members of Ossian Lodge are asked to look forward to work during June and July and help will be needed to put on the degrees. We should have enough work for everyone to have their part and enjoy fellowship along with better exemplification of the degrees.

Our Early Bird Breakfast will be held at Bluffton this year at 4:00 a. m. on Monday, July 4. The Master Mason degree will be conferred by members of Bluffton Lodge on their candidate. All members are urged to attend and enjoy this unusual experience. The breakfast following work usually consists of ham and eggs and there is plenty for all.

Your Worshipful Master made a report June 7th of the sessions of the Grand Lodge meeting that he attended last month. While there he obtained a copy of a book of Masonic plays, one of which we expect to present this fall.

Plans are being made for a Father and Son banquet which will be given sometime in September.

The Lodge will be dark until the stated meeting to be held Tuesday, September 5th. Your officers are especially anxious that you attend this meeting and assist in making plans for the Fall activities of the Lodge. Brethren:

After four long and busy years the temple is nearing completion. Bro. Butler is finishing the masonry on the front steps and as we finish painting on the inside and landscaping on the outside we begin thinking about our dedication. As we plan for this big event we need your attendance and support.

Since I was unable to attend Grand Lodge, our representative was Bro. Derwood Ridgeway who will report at the June stated meeting.

On June 2nd the brethern of Concord Lodge were entertained by the Spencerville Chapter of the O.E.S. After chapter was closed all Master Masons who were not members of the Star were invited to refreshments. An enjoyable evening was spent by all who attended this meeting.

IS IT A GOOD THING TO VISIT SICK MEMBERS?

This is one of the finest things a Mason can do. It not only gives the sick brother a "lift" but it does something inside of the visitor. It is surprising what a binding thing our fraternity is when you visit a sick brother you have never met and find how close you feel to each other through the Masonic tie.

We are pleased to announce that at this time our ritual work program is rounding out nicely for the summer months. We have but two Master Mason Degrees to confer. The date for this work is not yet definite and the date, of course, will depend on the candidates. Therefore, for this work, please watch the local papers.

As this is the last issue of the Square & Compass for the Summer Months, please watch the papers for called meetings and remember that our Stated Meetings are held the Second Tuesday of Each month.

The Lodge will be without the services of our capable Senior Deacon, Brother Raymond Collins, for a short period. Brother Collins is recovering from a painful back injury sustained some time ago.

As you all no doubt know, Decatur Lodge is open 12 months a year. We do not try to schedule too many meetings in the summer months and we have spent several dollars on a ventillating system designed to cool the Lodge rooms during these hot months. Therefore, we urge each Brother to make a special effort to attend the few meetings that we do schedule and to take a somewhat active part in the operation of your lodge.

We would like to mention that the Craft Club is cheduling a vigorous summer program that will embrace activities for not only the Craft Club members, but all members of our lodge as well as their families. Much thought and planning is being done to assure us that a program interesting to young and old will be available. Watch your mail box for further announcement.

Brethren your Master has just returned from the 133rd Annual Meeting of the Indiana Grand Lodge F. & A.M. It has been a very great pleasure, and a wonderful experience to represent Olive Branch Lodge this year. There will be a complete report of the Grand Lodge Meeting given at our next stated meeting on June 9, 1955. It is urged that all be present, as several items of direct concern to Olive Branch Lodge will be discussed.

Brother James L. Aspy has received initiation as an Entered Apprentice and is scheduled to be passed to the Fellow Craft Degree on June 3, 1955. I would like to extend my thanks to the officers of the lodge for the very fine work they have done in the confirming of the degrees, and I am sure, we could all benefit greatly by supporting them with our attendance and attention.

Olive Branch Lodge would like to extend our sincerest and heartiest congratulations to Waynedale Lodge on the granting of their charter. We wish them a long and prosperous life.

JEHOIAKIM

By E. George Lindstorm, P.M.
VII

Jehoiakim, called Eliakim, was the son of Josiah and Zebudah. He changed his name to Jehoiakim in 608 B. C. His reign was short and violence overtook him in the 11th year of power, 589 B. C.

He was advanced to the throne of Judah 608 B. C. as a tributary of Pharoah Necho, King of Egypt, to whom, as a price for his elevation, he gave 500 talants of silver and one talant of gold.

Phophet Jeremiah continually admonished him to walk in the paths of righteousness in Judah, but notwithstanding these admontions he unwittingly elapsed into idolatry and practiced wickedness, scorning the advice and pleadings of Jeremiah. His pride, together with his obstincy, soon brought down upon him the vengeance of the Babylonian King, who with a vast army crossed the frontiers of Judea and besieged Jerusalem, rifled and plundered the Temple and all its sacred and precious vessels and leaving the humiliated and subdued King as his tributary on the throne.

Nebuchadnezzar returned to Babylon carrying the spoils as well as the principal inhabitants of Jerusalem as hostages of Jehoiakim's good faith and promises. The youthful Daniel being among the captives.

Jekoiakin, son of Jehoiakim and Nehushta, was for three months and ten days King of Judah 579 B. C. At that time Jerusalem was weak and defenseless and offered little resistance to the army of Nebuchadnezzar which was later sent to besiege him as he did his father. He and the Queen mother, servants and armed officers surrendered and they were taken to Babylon to join the prisoners who had preceded them.—Masonic Outlook.

Three Campanion Royal Arch Masons received more light in Masonry at our Stated Assembly on May 18th, when they were advanced to the rights and honors of a Royal Master and admitted to the Secret Vault as Select Masters, which just about winds it up for another Council year.

June 15th, 7:30 p. m., is our next Stated Assembly, and the last until our annual Assembly in September, unless a special meeting is called, of which due and timely notice will be given. If you cannot attend, Companion, have an enjoyable Summer, a relaxing vacation, and we'll see you, come September.

MOZART AND MASONRY

Mozart, the great Austrian composer, was a Mason and wrote Masonic Musical works, notably "The Little Masonic Cantatas," the last of his completed works. In his last opera, entitled "The Magic Flute," which is deservedly popular, the Master paid his greatest tribute of his beloved Masonry. The scene of the opera is laid in Egypt and is replete with Masonic symbolisms and allusions. Mozart died in December, 1791, at the age of 35.—Masonic Quarterly.

DONALD B. EVANS

We wish to record the death of one of our most active Masons, Donald B. Evans, a very quiet and unassuming man who will be remembered by his host of friends. As a young man he was associated with his father in the Rhinesmith and Simonsen Company until that firm disolved, when he continued the same kind of work with the Fort Wayne Builders Supply Co.

Don was a Past Master of Sol D. Bayless Lodge; Past High Priest of Fort Wayne chapter; Past Illustrious Master of Fort Wayne Council; Past Eminent Commander of Fort Wayne Commander, a member of Indiana Priory of Knights of the York Cross of Honor and served during the last few years of his life as Tyler of Sol D. Bayless Lodge. He was an honored gentleman about the Masonic Temple.

HERE AND THERE

In New Jersey a unanimous ballot required to restore a member who has been suspended for five or more years for non payment of dues.

Grand Lodge of New Hampshire approved a recommendation assessing every member not in the armed forces fifty cents for the year 1954, the money to be turned over the Masonic Service Association.

The Grand Master of Maryland was instrumental in reorgananizing the blood bank. During the year 1317 pints of blood were donated to hospitals;78 members qualified for the half gallon club by donating four or more pints of blood. One member qualified for the Gallon Club.

According to a recent ruling of Grand Master of Massachusetts lodges and Grand Lodge may now sponsor and cortribute to DeMolay Chapters. This reverses a decision made by Grand Master Dean in 1930.—OKLAHOMA YORK RITE

Here we are in the month of June, which means that Fort Wayne Chapter will be dark for the months of July and August. June 20th will be our last meeting until the third Monday in September.

I want to take this opportunity in wishing all of you a very enjoyable and safe vacation. One thig to remember companions—you will have to keep talking York Rite Masonry so you will have petitions to present at our Stated Meeting in September to make our York Rite days of October 27-28-29 a success.

Try to attend our Stated Convocation in September for that is when we elect the officers for the next year.

RETIRING AT SIXTY

An examination made of the career of some four hundred men, statesman, painters, warriors, poets, writers—shows that the decade of years between 60 and 70 contained 35 per cent of the world's greatest achievements; between 70 and 80 years, 23 per cent; after 80 years, 8 per cent. In other words, 64 per cent of the great achievements have been accomplished by men who have passed their 60th year.

Companions — The ballot being clear in the East at our stated meeting on June 17th, we will confer the work on 3 candidates starting with the Mark Master's degree immediately after stated meeting and then we will finish up with the Past Most Excellent, and Royal Arch degrees on June 24th. We will then be dark during July and Aaugust.

Lets all try and attend the next two Convocations and bring along a Companion, whom you know hasn't attended for quite some time. Our attendance has been good this season, but let's try and do better especially for these last two Convocations. Remember the dates June 17th, and June 24th. We'll be seeing you then.

WARD BAILEY

We were most pleasently surprised to have Ward C. Bailey the first Worshipful Master of Three Rivers Lodge, walk into our office.

He and his good wife had just driven in forty four hours of actual driving from their Tucson, home to Fort Wayne. He is looking very well and enjoys his life in healthful Arizona where the top soil is fifteen feet deep, and they cut eight crops a year of alfalfa and raise three bales of cotton per acre.

Following a long summer vacation which is hoped was enjoyable and beneficial, Scottish Rite activities will get under way on September 22 with a ham, bean and corn bread dinner for our members in the Cathedral. This will be a kick-off for our fall and winter activities. Interesting and enjoyable entertainment will follow the dinner and it is hoped that both banquet rooms will be filled. On October 25 there will be a variety show for our members and their ladies in the Scottish Rite Auditorium on West Berry Street. Then on October 27 our night class will start with the 14th Degree being exemplified by a cast from Milwaukee Lodge of Perfection. This is something that every one of our members should want to witness but inasmuch as our Milwaukee Brethren prefer to do it in the Cathedral Auditorium rather than on stage at the Berry Street Auditorium, our seating capacity will be limited. The Council degrees will be given for the night class on November 3 and the Chapter of Rose Croix will exemplify the 18th degree on November 7th. Then on Thursday, November 10th tne day class will begin, with work on Friday, November 11 and Saturday, November 12. The night class will join the day class for the Consistory degrees which will start on Friday evening, November 11th.

It is our hope that since we have arranged to have the night class for the special accomodation of those men who do not wish to lay off from work to join the day class that you will make special efforts to bring in petitions from such men and that we may have a large class for both the day and night groups. In this very issue of the Square and Compass you will find a Scottish Rite blank petition. If you are already a member please give the petition to that sojourner friend along with your own earnest invitation to him to complete it and give it to you for transmission to the Office.

October 11th will be the last day to present petitions for the night class and October 25th will be the last day to present petitions for the day class.

In the Lodge of Perfection, the 4th, 5th, 6th, 8th and 14th degrees will be exemplified while the others will be communicated, at the day class convocation on November 10th.

The annual Christmas party for children of Scottish Rite Masons will be given at the Scottish Rite Auditorium on West Bery Street on Sunday, December 11th at 1:30 P. M.

The traditional New Year's Day open house at the Scottish Rite which has not been given for several years will be received this year. On January 1, 1956, New Year's Day, the Scottish Rite will hold open house for all Master Masons. This was originally concevied as a strictly stag affair and that is what it will be this year—for Master Masons only.

Announcement of subsequent activities in the late winter and spring will be made at a latter time.

THREE DEATHS

Since the copy was written for the June issue of the Square and Compass Fort Wayne Masonry has lost three exceptionally active Masons.

The first death on May 13th was that of Melvin Drukemiller who was Worshipful Master of Home Lodge in 1921 and President in 1925 of the Actual Past Master Association of Northeastern Indiana for the last twenty-two years before his death he had been Treasurer of Home Lodge.

On July 25th Edward Klomp died from a sudden heart attack. He had served as Illustrious Master of Fort Wayne Council in 1939, as Excellent High Priest of Fort Wayne Chapter in 1940 and Eminent Commander of Fort Wayne Commandery in 1946. At the time of his death he was the Senior Warden of Sol D. Bayless Lodge, Treasurer of Fort Wayne Council and Fort Wayne Commandery and a Trustee of Fort Wayne Council.

Ben F. Bennett died August 6th after an illness that had lasted more than a year. After having been the Worthy Patron of Shiloh Chapter he was elected to be the Grand Patron of the Grand Chapter of Eastern Star of Indiana for years of 1938-39. In 1940 he was the Evcellent High Priest of Thomas R. Marshall Chapter.

These deaths have taken leaders from all the different kinds of bodies meeting in our Masonic Temple. We deplore our loss and sympathize with their loved ones.

SAINT JOHN DAYS HELD SOMEWHAT OF A MISTERY

Masonic Lodges of today are "erected to God and dedicated to the Holy Saints John," and they commemorate Saint John the Baptist on June 24, and Saint John the Evangelist on December 27. These dates anciently were established as Church Festive Days.

Of the Masonic feasts of St. John the Baptist and St. John the Evangelist much has been written, but to little account. The two feasts, coming at the time of the summer and winter solistices, are of course older than Christianity, being reminisences of the old Light Religion, to which some erroneously would have us trace the origin of Freemasonry.

WHY THE CHOICE?

In pre-Christian times the Roman Collegia were wont to adopt pagan deities as patrons. When Christianity came the names of its saints some of them martyrs of the Order of the Builders—were substituted for the old pagan gods. Just why, when, and by whom the two Saints John were chosen as the patron saints of Masonry—instead of St. Thomas, who was the patron saint of architecture—never has been made clear.

Legend has been busy trying to explain, but we cannot be sure of what it tells us. Also many reasons have been given, but they are reasons after the tact. The Gospel of St. John is the most Masonic of the Gospels if only because its central theme is Light. It portrays Jesus as the Light of the World and His Gospel as a Gospel of Light. Lodges were dedicated to 'the Holy Saint John" and Masons were called "Johns Brothers," no doubt for the reason that Masonry is a quest after Light.

SAINT OF THE CRAFT

An old legend tells us that after the destruction of Jerusalem, A.D. 70, the Order (then in decline) besought St. John, then living at Ephesus and over ninety years of age, to become its Grand Master—and that he did so, saying that he had been initiated into the Craft as a young man. It is only legend, to be sure, but the Old Charges speak of St. Jhon the Evangelist as a Saint of the Craft.

St. John the Baptist seems to have come into the Craft after the Reformation, and apparently it was on the day in 1717 that the Grand Lodge of England was organized "according to ancient usage."—Masonic Tidings.

JEREMIAH

By E. George Lindstorm, P.M.

There are eight Jeremiahs mentioned in the Old Testament, the most notable one being Jeremiah the prophet. Jeremiah, 640-586 B. C., was the son of Hilkiah, also a prophet. He had a son named Jaazaniah. He was born or resided at Anathoth, three miles from Jerusalem. He was called to the prophetic office in the 13th year of King Josiah, about 629 or 625. He prophesied in the 11th year of King Zedekiah about 41 years. He was nervous, sensible and gentle.

Under Jehoiakim 607-597 he opposed the Egyptian party and maintained that the only way of safety lay in accepting the rule of the Chaldeans. He was accordingly accused of treachery. In the fourth year of Jehoiakim the battle of Carchemish overthrew the hopes of the Egyptian party and the armies of Nebuchadnezzar drove those who had no defensed cities to take refuge in Jerusalem.

Zedekiah commanded that they should commit Jeremiah into the court of the prison and they gave him daily a piece of bread. The Bible says he was placed in Malchiah's dungeon in which there was mire. Later they gave him old castoff clothes and rotten rags and then drew him out of the dungeon, but he remained in the prison until the day that Jerusalem was taken by the King of the Chaldeas.

As the danger became theatening against Jeremiah, and hotter after the siege, he was carried as far as Ramah with other captives and was set free. Jeremiah was definitely on the Babylonian side and the victor offered him the option of an honorable position in Babylon or permission to remain with his people in his own land. Jeremiah elected to stay. He found that Gedeliah was appointed ruler over Judah. Peace was broken by the murder of Gedeliah by Ishmeal, the prophet Jeremiah escaped massacre and the people turned to him for counsel. He went to Egypt with his people where he later made his escape. Contemporaries say he was put to death there for preaching adultery. Still others say he died in Judea or Babylon.—Masonic Outlook.

THE SUPER EXCELLENT MASTER'S DEGREE

This degree was originally an honorary or side degree conferred by the Inspectors-General of the Ancient and Accepted Scottish Rite at Charleston, S. C. The degree now is a part of the York Rite system and is conferred as the last of the degree of the Criptic Rite. Whence the degree originated, would be difficult to say according to "Masonry Defined." The student of our rite is refered to "Masonry Defined" for a very fine explanation of the origin, history, symbolism and teaching of the degree, and the author of that book completes his description of the degree as follows:

"As to the symbolic design of the degree, it is very evident that its legend and ceremonies are intended to inclucate that important Masonic virtue-fidelity to vows. Zedekiah, the wicked king of Judah, is adopted very appropriately as the symbol of perfidy and the severe and well deserved punishment which was inflicted upon him by the King of Babylon is set forth in the lecture as a great moral lesson whose object to warn the recipient of the degree the fatal affects that will ensue from a violation of sacred obligations." The chief glory in the crown of manhood is "fidelity", and this means in our common day American language "don't double cross" and make your word as good as your bond.

The degree of Super Excellent Master is the most dramatic and spectacular in the York Rite and requires for the best results about fifty to sixty persons, and is conferred as a part of the council without additional financial outlay. Any Royal and Select Master is eligible.

Like many other degrees in Masonry its sublime beauty must be seen to be appreciated. The soul is thrilled when King Nebuchadnezzar is made to say, "The brighest jewel in the diadem of a monarch is fidelity; it may all be true that thou has said, but my bitterest foe hath yet to say that I ever betrayed a trust or was false to a friend." See this degree when, where and if possible.—Oklahoma York Rite.

MASONIC SERVICE

By Rabbi H. Geffen, 32° F.P.S.

Masonic service is but the means to an end. Its purpose is to inspire the Brethern with a more vivid desire to keep rigorously and with a gladsome spirit the ordinances of faith, to fill us with enthusiasm for the great work which our Order has still to perform on earth, to imbue us with a willing spirit to labour in the cause of Education and Charity. Persuaded of this truth, the Craftsman will always exert strenuously to labour for the welfare of the needy. One of the highest prerogatives of man is the capacity of thought-thought wisely controlled, and seriously sustained. And of all subjects which are embraced by human meditation none is grander, nor worthier of man, than the thought of goodness and benevolence, to share with the needy our prosperity which Almighty had handed to us, to Whom we awe also our being and preservation. every breth we draw away, pulsation of our heart, every idea that flashes through our brain. We Masons are demonstrating it in our Masonic Services, manifesting the history and the emanational, development of the Craft in our little lives daily, hourly, momentarily. We are appreciative of those Divine loving kindness shed upon us, of that Masonic Light which shines upon our heads, when we bask in the sunside of prosperity.

We pray to Almighty to avoid trials and tribulations in the Totalitarian lands, where Free masonry and Masons are perseucted. Thus, some deeper spiritual insight is needed in order to detect the mercy that lies hidden.

The place more appropriate to such thoughts is the Masonic Temple, where we meet in cloustering throngs, so that we may be braced for the burden and toil of life, so that the bond of Brotherhood which unites us with our fellow-Masons, may be strengthened, without discrimination of race, creed and nationality. We all have kneeled at the same Holy Altar, taking the solomn and binding obligations.

Masonry will benefit you if you honcstly try to benefit Masonry. It is not honest to tr to get something for nothing.

The summer and the happy vacations are now in the past. We are again resuming our labors for the good of Trinity Chapter and for the many activities planned by the different committees for the enjoyment of our members and members of the Order of the Eastern Star. The motto of the Worthy Matron for this year—"Love Thy Neighbor"—is one each and everyone should strive to follow, not only in the Chapter but with all whom we come in contact with. The goodwill, the courteies and the many acts of kindness we show to others reflect the teachings of our beautiful order.

As we look forward for the fall and winter meetings, let us pause for a moment and recall the activities and projects your Worthy Matron has planned and will need the cooperation of all members to make a success.

The Ways and Means committee carries the burden of making the money for the Chapter and they have planned many projects. On October 15th a Bake Sale will be held at Wolf & Dessauer. Anyone who can donate anything for the success of this sale, be sure to contact Catherine Robb, Anita Silkworth or Marjorie Miller. They will be most happy to pick it up if you cannot take it down to W &D on that day. Cookies, pies, cakes, cupcakes, nut bread, upside down cakes, rolls, etc., are welcome items for this sale.

On October 22nd is the Sauerkraut Supper and Square Dance. For those who do not square dance, there will be cards on the balcony so you can spend an enjoyable evening. These tickets are available from any officer of the Chapter, members of the Ways and Means or from your Worthy Matron. The price of the ticket is $1.00 per person. Pick up your tickets early, so the committee will know how many to plan for.

On November 14th another Rummage Sale will be held. If you have any rummage the committee will be glad to pick it up in time for the sale. Notify anyone on the committee or Catherine Robb and they will take care of it. Remember the more rummage the better the sale.

The Cheer committee has been very busy during the summer. Flowers and cards were sent and calls were made to our members who have been ill throughout the summer. We were sorry to hear of the illness of our members but happy to report all we either well again or on the road to recovery.

For the Chapter's meetings in September, programs have been planned. On September 2nd, a program honoring the Star Points was given. On September 16th a Potluck will be held at 6:30 followed by the stated meeting and a Master Mason program.

The time and plac for the committee meetings for the month of September are as follows:

IF THERE WERE NO MASTER MASONS THERE WOULD BE NO SHRINERS

By Herbert M. Poteat, Past Imperal Potentate

The article with which a man covers his head is the most significant and distinctive garment he can put on. Professional rank or station, vocation and avocation are symbolished by unnumbered varieties of hats, caps, birettas, berts, tiaras, crowns, turbans. Now, then, what does the Fez mean, Noble, when it sits jauntly upon the upper end of your spinal column?

Well, it means many things to many men but one thing it must mean to all men is that he who weas it also wears the white lambskin apron of a Mason. It seems to me a great pity andshame that so many shriners forget their duties to the old Mother Lodge and go around looking down their silly noses at brethren who are "only Master Masons."

We ought never to forget that if there were no Master Masons there would be no Shriners. The very best insurance policy, therefore, on the future of the Order is the alert and active interest and participation of our members in the work of the Blue Lodge. But there is another and weightier reason for loyalty to the Square and Compass: the great fudamentals of belief in God, duties to one's fellows, and the sublime hope of immortality are and must always be our guiding lights, our inspirations, our strength and our salavation. Thus, Noble, your lodge becomes the handmaid of your church, and one of the mightiest warriors in the sacred and blessed cause of righteousness, peace on earth, and good will to all men.—Orphan's Friend of N. C.

SOME MASONIC FACTS OF INTEREST

For some three or four centuries the only architectural style used in either northern Europe or England was that which afterwards came to be called Gothic. Some 1,500 Cathedrals were erected in that style by the Freemasons. For that reason they often are referred to in histories as "the Gothic builders" or as "cathedral builders."

About 400 years ago lodges began to "accept" a larger number of non-operative members. By 1700 many lodges were wholly operative, many were wholly speculative (or "accepted"), and the rest were a mixture of the two.

In 1717 a few old lodges in London, England, set up a new organization to be a center for all London Freemasons. To it they gave the name of "Grand Lodge." It was the first in the world, was followed by other Grand Lodges in other countries, and was the beginning of that which became the Grand Lodge System. It had lodges as its members, instead of Individual Masons. The chief officer of it they gave the name of "Grand (which meant chief) Master.

This Mother Grand Lodge began to set up Provincial Grand Lodges in America as early as 1730, which was only 13 years after it itself was organized.

The evidence indicates that in 1717 the Craft thought not of degrees but of lodges; a candidate was initiated into a Lodge of Entered Apprentices and passed to a Lodge of Fellowcrafts. There was at that time no Lodge of Master Masons ("fellow" meant the same thing as Master"). It was added to the system about 1740. In late years Masons have come loosely to call those three lodges "degrees."—The Iowa Committee on Masonic Education.

All is astir in the Consistory in preperation for the Fall Convocation. Everything is being planned with the view of conferring the Consistory Degrees on a large class. Each Sublime Prince should consider himself a committee of one to inform his Master Mason friends and associates of the holding of day and night classes for the Fall Convocation. By holding both day and night classes an opportunity will be given for many to receive the Scottish Rite Degrees who would not otherwise have the time available. During the Fall Convocation four of the Consistory Degrees will be exemplified. It is planned to exemplify one of the more dramatic degrees in the new auditorium.

Your Commander in Chief is proud to announce the names of the following Sublime Princes who will serve the Consistory as appointive officers: Emery E. Tucker, orator; Alex M. Campbell, chancellor; Donald F. Strutz, master of ceremonies; Charles E. Lewis, hospitaler; William A. Darling, engineer and seaseschal; William A. Ruffner, standard bearer; Harry Haller, captain of the guard and Edward H. Ashton, tyler.

WHEN IS A MAN A MASON?

When is a man a Mason? When he can look over the rivers, the hills and the far horizon with a profound sense of his own littleness in the vast scheme of things, and yet have faith, hope, and courage—which is the root of every virtue. When he knows that down in his heart every man is as noble, as vile, as divine, as diabolic, and as lonely as himself, and seeks to know, to forgive, and to love his fellow man. When he knows how to sympathize with men in their sorrows, yea, even in their sins—knowing that each man fights a hard fight against many odds. . .

When he has learned how to make friends and to keep friends with himself. When he loves flowers, can hunt the birds without a gun, and feels the thrill of an old forgotten joy when he hears the laugh of a little child. When he can be happy and high minded amid the meaner drudgeries of life. When star crowned trees, and the glint of sunlight on flowering waters, subdue him like the thought of one much loved and long dead. When no voice of distress reaches his ears in vain, and no hand seeks his aid without response.

When he finds in every faith that helps any man to lay hold of divine things and sees majestic meanings in life, whatever the name of that faith may be. When he can look in a wayside puddle and see something beyond sin. When he knows how to pray, how to love, how to hope. When he has kept faith in himself, with his fellowman, with his God; in his hand a sword of evil, in his heart a bit of a song—glad to live, but not afraid to die; Such a man has found the only real secret of Masonry, and to one which it is trying to give to all the world.—Dr. J. F. Newton, Canton, Ohio Bulletin.

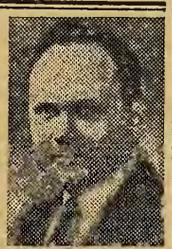
We extend our heartfelt sympathy to the family of Bro. John Boffet who passed away August 9, at his home near Roanoke and was buried with Masonic honors at Goodland, Ind., on August 12, 1955.



Our fall and winter activities are ready to begin. We have only one petition which will be voted on at our stated meeting, August 17th.

We are looking forward to our annual lodge of instruction. The place and date will be announced later.

I hope everyone had an enjoyable summer even though it was quite hot. Since there has not been any activity in Lodge recently there is not much to report on this time.

Brother Leo Stucky has spent several weeks in the hospital. He is now home and we wish him a speedy recovery. Brother Henry Sivets is up and around but still is not able to do any work. We also wish him a speedy recovery and hope to see both of these Brothers in Lodge soon.

The Lodge family picnic turned out to be a gala event. There were over a hundred that attended. We missed those who were unable to be there. there.

There is just a few meeting nights left for this year so lets. all try to attend at least one.

Truth is a divine attribute and foundation of every virtue. The first lesson we are taught in Masonry is to be good and true. On this theme we contemplate and by its dictates endeavor to regulate our conduct; hence while influenced by this principal, hypocricy and deceit are unknown among us. Sincerity and plain dealing distinguish us; and the heart and tongue gain in promotin each others welfare and rejoicing in each others prosperity.

Let no motive; therefore, make you swerve from your duty, violate your vows, or betray your trust; but be true and faithful and imitate that celebrated artist you have represented. Thus you will render yourself deserving of the honor the Lodge has conferred upon you and merit the confidence it has reposed in you.

These lessons we as Masons should never forget. The recommendation of a Brother Mason is supposed to be the best recommendation we can get among Masons. It makes all Masons feel bad to hear that some Brother has betrayed that recommendation. If we all live according to these lessons, the world at large will be convinced of its good effects.

Brethern remember the first Tuesday, September 6, is Lodge meeting. Please try to be there as we want to set a date for the father and son banquet. We also want to select a Masonic play.

Brethern:

Plans are now being made for the dedication of our new Temple. The Temple is now completed with the exception of some landscaping around the building and the completion of the six permanant chairs for the stations. Our thanks to the brethern who labored so diligently the past month so the building would be ready for the Eastern Star inspection held August 6th.

We are now petitioning the Grand Master for a date to dedicate our Temple.

Our attendance during the summer has been experiencing a slump. We hope that with the coming of fall more of our members will be able to come and enjoy these meetings.

On August 6, the Spencerville Chaptern of O.E.S. held a reception for Sister Fara Lee Baidinger who is now Grand Adah of Indiana. Following this dinner was served. In the evening baby dedication and inspection were held. A capacity crowd enjoyed the day.

Brethren—

During the past two months I sincerely hope everyone has enjoyed their summer vacation. As we are returning to our Masonic duties I would like to see each and everyone of you attend Lodge as often as possible and enjoy an evening of fellowship with your Brothers and Officers.

On our Master Mason evening, which will be October 3rd, we will have a big surprise in store for you.

We have received our Fellow Craft uniforms and they are really decorated beautifully. We have hopes of having a complete Fellow Craft team for the display of the uniforms, and we expecting a large attendance.

Another item I would like to bring to your attention is the contributions to the Nursing Hospital at our Indiana Masonic Home. We still have a few Brothers who have overlooksd or have failed to contribute their share for the Nursing Hospital. If you have not sent in your contribution, please send it at once to our secretary.

Remember on Saturday, October 8th, we will have a Smorgasbord Round and Square Dance. Dinner will take place at 6:30 p. m. Members and guests are invited. Our caller will be Mr. Roling, whom we enjoyed so much at an earlier dance. A week or two prior to this date you will be reminded again with a card from our Secretary. Bring as many as possible and enjoy the fun.

The fellowcraft club has been doing a fine job. Let us keep up the good work and support the officers. Anyone wishing to participate can get in touch with your President Jim Balyard.

During the months of July and August, Maumee lost three Brothers, who passed to the great beyond. Brothers Harold R. Moore, Frank Butler Jr. and Darwin N. Fry. Masonic Services were held for Harold R. Moore and Darwin N. Fry with Max White officiating assisted by Richard English. Maumee Lodge offers its sincere sympahty to the families and friends of the deceased.

Brethren—Our Lodge vacation is over and time to again turn our thoughts to the activities of the lodge.

At this writing plans are being made for the last half of this year. You will be notified of all the dates of our social activities as soon as completed.

I hope this message finds all those of you who have had your vacation, back home safely and with many joyful memories of a summer well spent.

Remember to let one of the officers or myself know of any member who is ill. Our lodge can be most thankful no member has been seriously ill so far this year.

We, with our sister lodges, mourn the loss of our true and faithful Brother Edward Klomp whom our Great Architech called to the Grand Lodge above. We all will long cherish his memory.

As we have not received any petitions, we will not have degree work for September.

What a short vacation, how those two months did fly away. I hope all of you Companions have had a very enjoyable and safe vacation and are ready to go to work in the Chapter, but while many of us were enjoying ourselves I am unhappy to report that the Grim Reaper made inroads on our membership and our deepest regards go to the once worthy companions' families.

Our stated meeting will be the third Monday in September at which time you will elect your officers of the chapter for the coming year, so let us have a very good attendance and give the incoming officers a very good start with a number of petitions as you know we are dark during July and August and did not carry any over, therefore we will need to have petitions presented at our stated meeting so that the chapter can put on Degree Work in October.

Companions keep up that talk on York Rite of which you have done so good in the past.

One thing to remember is our York Rite Days which will be October 27-28-29. October 27 and 28 the Chapters and Council degree work will be put on Friday October 28 in the evening the Super Excellent Degree will be put on by a large cast of which you will not want to miss. The nonimal fee for this degree is $5.00 with no dues to pay thereafter. Saturday, Oct. 29th will be set aside for the Commandry and they will go as far as possible with the Degree work as they can. They expect to have several visiting Commandries to help put the work on. So Companion Council members and Sir Knights let us all keep talking York Rite and make these dates a real success.

Greetings, Companions! Hope every one of you had a pleasant Summer and a restful, enjoyable vacation. After a two-month darkness, your Council will reopen and start off the Fall activities at the September meeting, 7:30 p. m., the evening of the 21st, in the Egyptian Room. It is the annual election of Officers for the Council and the end, as well as the beginning of another Council year. How about attending to help usher in your new line of Officers, and renewing your acquaintances with your fellow Companions.

Behold how swiftly the sands run. We cannot without astonishment behold the little particles which are contained in the hour glass, how they pass away almost imperceptibly, and yet to our surprise, in the short space of an hour they are exhausted. The years seemed to stretch far in the future at the start, but your Illustrious Master cannot help but reflect now how swiftly they have flown... Years enriched by friendships and Companionship that will ever remain vivid in our memory. I would like to take this opportunity to publicly express my sincers thanks for the privilege of serving your Council as a line officer and your Illustrious Master. Also for the friendship and support of as fine a line of Officers as ever served a Council.

Our hearts have been saddened at the passing of several Companions since we last met in Council, particulary our Past Illustrious Master and present Treasurer and Trustee, Edward Klomp. We extend to the bereaved our deepest sympathy. A real supporter of Fort Wayne Masonry, Companion Ed will be sorely missed by a host of friends. His work was unfinished but his station is now vacant.

See you in Council!

THE MEANING OF INITIATION

The whole meaning of initiation is, of course, an analogy of the birth, awakening and growth of the soul; its discovery of the purpose of life, and the nature of the world and conditions in which it is to be lived. The Lodge is meant to represent the world as it was thought to be in ancient times, with its square, flat surface and canopy of sky, its dark North and radiant East, its center, an Altar of obligation and prayer. Our initiation also symbolizes our progress from the darkness of ignorance to the light of moral truth and spiritual faith. From the lonely isolation suffered by so many, it opens the gate to a new world of friendship and happiness; and on those who will earn them, it bestows favors and privileges unprocurable elsewhere.—From the Philalethes.

Vacation is now over and we can once more start in to work. I hope you enjoyed yourself during the Lodge vacation and are now ready to attend our meetings and assist with the work.

We have two new candidates and one hold over for September. Which means the Officers and Fellow Craft team will be busy during this month. On our Fellow Craft night we will serve refreshments after Lodge meeting and on Master Mason night we will have a 6:30 P. M. dinner.

With only four months left of this year your Officers would like to have you attend our meetings and join in the fellowship of your Lodge.

As of now the following events are scheduled for the remainder of this year. We will have a Dinner Dance, Annual stated meeting with dinner and election of officers and Wayne Lodge will be host to the Past Masters Association in December. Also a Family party for Halloween. Date and time will be announced later.

Our annual family picnic was held the latter part of August. We had a very good attendance and a good time was had by all.

During our Lodge vacation we lost four members by death. Our deepest sympathy is extended to the bereaved families of Bro's. Dude Burnam, Charles Trey, Burt Miller and Ross Cohogen.

To our members on the sick list we wish you a speedy recovery and hope we will see you in Lodge soon.

Brethern don't forget to attend Lodge and get aquainted with your fellow members. See you next Thursday night in the Ionic Room.

Brethren, now that vacations are over I hope that you have had a safe and enjoyable one.

The officers of the Scottish Rite have been having meetings to arrange for different entertainment and also to have a night and day convocation this fall. Please watch for this change of dates.

It is not too early to invite a blue lodge mason to become a member of this class, also note on his petition which class he intends to join.

The first new event we are having will be a bean supper scheduled for September 23rd about 6:15 P. M.

Every scottish rite member is invited to attend this dinner and we will be disappointed if you do not support this event. by your attenrance.

This will be the opening of our fall activities. We are planning on a large attendance.

If you have any petitions, signed on the dotted line, bring them along.

Changing our convocations dates and type of entertainment, by your attendance, will show proof that the change has been warrnted.

October 15th will be the Centennial Homecoming Celebration. The plans promise a fine evening. Most Worshipful Grand Master Joseph A. Batchelor and his wife will be our guests for the evening. Dr. Kenneth P. McFarland will deliver the address. The Shrine Chanters, combined with the South Side High School Choir—under the direction of Bro. Lester Hostetler will furnish the music.

Dinner for the members of Summit City and their ladies will be served at the Chamber of Commerce and the Mizpah Shrine Temple. The program will be held in the new Scottish Rite Auditorium on Berry Street. All Master Masons and their ladies are invited to attend the program. We have been deeply touched with the pasing of Brother Edward W. Klomp, Senior Warden. It is a tremendous loss to our lodge as well as to the whole Masonic Fraternity in this jurisdiction.

Sol D. Bayless lodge has been unfortunate in losing two very faithful line officers, Bro. Klomp and Bro. Don Evans, almost within a one quarter period. It is the first time since 1934 that an office in our lodge has been vacated by death.

At our stated meeting in August an election was held to fill the vacancy caused by the death of Bro. Klomp. Clayton L. Herrick was elected senior warden and Chas. E. Fuchshuber, junior warden. Others appointed to serve for the remainder of the year were; Ralph D. Thomas, senior deacon; Ercil C. Steward, junior deacon; William I. Butz, senior steward; Vernon D. Fraze, junior steward; Delmar J. Proctor, chaplain and Oliver W. Linn, Tyler.

The new officers were then presented for installation, with Melvin V. Ehrman as installing officer, Thomas W. Cannon, Marshall and Kenneth McGraw, Chaplain.

We will have plenty of work during September and October and with the new officers duly installed each one will be better able to perform his respective duties. We will also need the faithful attendance of our regular members and the craft team.

Don't forget to mark Saturday night, October 1 on your calandar as the next social event. We plan a Smorgasboard dinner and square dance. This is our first Smorgasboard attempt and we are anxious that our own Sol D. Bayless members will support it well.

Since the last issue of this paper we have had six deaths. We extend our very deep sympathy to the bereaved families of Chas. F. Paul, Edwin Houser, Mansfield L. Ward, Harold C. Frary, Edward W. Klomp and Harold I. Waltemath.

As a courtesy to Universal Lodge No. 985, Chicago, Sol D. Bayless lodge conducted funeral service for Curtis Smith.

Please report any sickness to the officers of the lodge. We wish speedy recovery to those already on the list.

Greetings Sir Knights.

Here it is September already and time again to think about fall programs. And we do indeed have a full schedule for this fall and winter. Here are a few dates that are already set and which I hope to see all Sir Knights attend:

September 13th School of Instruction; October 27, 28 and 29th York Rite Days with Red Cross and Malta conferred on Saturday the 29th in the afternoon. December 3rd Inspection.

Other events will be added as time permits, so plan on attending your Commandery this fall and winter and take an active part. Remember Sir Knights to get those petitions in for the York Rite days for we have a full program outlined on those days that will be not only a time saver for your petitioners but an event you will not want to mis.

Sir Knights Putman, Layman, and Ackerman attended the Tri-Annual in New York City so come around and hear some really good stories about the Big City.

It is with deep regret that we report the pasing of Sir Knight Edward Klomp and Ben Bennett. To their families we extend our deepest sympathies. These two will indeed be missed around the Temple.

Greeting Brethern: With the summer (and what a summer) season record now duly recorded in the Master's minutes, plans are being made for a busy fall program. To be sure that you are included, watch for meeting announcement cards, then follow thru.

June 25 marked the observance of another St. John's Day. As always we had an excellent attendance and program with Rev. Howard Western as M.C., Lisle Hodell as guest speaker. Ruby Yoder and Randall Houser provided the musical entertainment, Huntertown W.S.C.S. prepared and served a most excellent dinner.

Sunday September 18 is annual visitation day at our Masonic Home in Franklin, Ind. To those who have never attended one or more of these events, we urge that you do so, make up a car load, your neighbors or friends and spend the day there, you'll be glad you did.

In event you are unable to attend the annual visitation day you won't want to miss the cornor stone laying for the new Masonic Home Nursing Hospital on Saturday, October 1. See the results which ours and other voluntary contributions have made possible. Better still plan on attending both programs September 18 and October 1.

Since last publication the Grand Architct has summoned two of our craft. Bro. Dale Manges on May 29 and Bro. John Sriver on June 7. We extend our deepest sympathy to their survivors, may we all remember them with our thoughts, prayers and acts of kindness.

Again we greet each member of Decatur Lodge No. 571 and hope as the fall season opens that each and every member will strive to be active in his lodges' activities.

As this issue goes to press, plans are being completed for our fall "kick-off". September 16 is the date set for a visitation from Caldwell Lodge No. 330 of Bolivar, Ohio. The Fellowcraft team and Brothers of Caldwell are travelling many miles to present their work before our lodge and the Officers of Decature Lodge are hoping that many of you will attend. A Supper is being planned that everyone will enjoy. Circle the date on your calandar and plan to attend.

As we enter into this fall season, we again have several candidates for the various degrees. Those who exemplify the work appreciate your support by attendance.

The Trustees have just renewed the lease on our Lodge quarters for a 10 year period. They suggest that now its the time to give thought to creating an active building fund. Not necessarily for today, but more for the future. They point out studies made by lodges of similar size to ours, stating that approximately 20 years would be a minimum for accumulating a sufficient balance to build. It is something for each member of Decatur Lodge to think about. Let the Trustees or your officers hear your thoughts, suggestions, and criticisms on the subject. The Trustees have also been instrumental in having new water lines run in our lodge quarters.

We are always happy when a Brother indicates a desire to participate in our ritual work. If there are any of you who would like to help, aid, and asist those who are presently carrying the load please contact one of our officers.

Again, we invite each of you to attend our September 16 visitation and each of our other meetings. Our Stated Meetings are the Second Tuesday of each month and called meetings will be announced.

See you in Lodge.

Companions, we sincerely hope that all of you have had a safe and happy vacation. But once more we must turn from refreshment to labor.

Our next stated convocation, September 16, will be election night and we should all make plans to attend now. Remember, this is your Chapter and you should vote for the officers you want to represent you each year.

The past few years have been very successful at Thomas R., mostly due to the close relationship between it's officer's and members. Let's knit this relationship even closer by attending more often and taking advantage of this fine fellowship.

Don't forget now September 16th, Stated Convocation and election night. Refreshments will be served after closing.

So I may know that come what may,
I've done my best to live the way

SCANDINAVIAN MASONRY

It is interesting to observe that the "Swedish System of Masonry"—found in all Scandinavian countries while basically the same as that found in the United States, differs in many details. It consists of eleven degrees, divided into three groups, The first group covers the three degrees in what are called St. Johns Lodges, taking in the E.A., F.C. and M.M. These, of course, correspond to our "Blue" Lodges. The second group is called St. Andrew's Lodges and covers the fourth to the sixth degrees. The third group is known as the Chapter Degrees and covers the degrees from the seventh to the eleventh. The seventh degree is known as "Knights of the East of Jerusalem"; the eight, "Knight of the West"; the ninth, "Confident of St. John." The final degree bears the title of "Knight Commander of the Red Cross." Membership in the last degree is limited to 33. Out of these, one is selected as Grand Master of the Masonic Order, and the balance make up the ruling body of Grand Lodge. In Sweden and Denmark, the Grand Mastership is vested by election in the King of those respective nations. Norway, however, has always had a commonor at the head of its Grand Lodge. In all Norwegian Lodges Worshipful Masters are elected for life, but most of them resign before death calls. Not many Norwegian brethren ever have the chance of getting into office, but because of the many meetings held each year (weekly, and sometimes semi-weekly, October to April, each office will have two or three "vicars" for the real officer, thereby giving lodge members an opportunity to take part in the work. During World War II, Freemasonry suffered a severe setback at the hands of the Nazi invaders. Many officers and members were murdered and many Masonic halls looted and destroyed. With cessation of hostilities, however, the Craft staged a strong comeback.—Masonic Trestle Board.

ELEVEN NEW LODGES IN JAPAN

L. B. Blakemore, president of the Masonic History, Chicago, and Past Grand Master of Grand Lodge of Ohio, is an authority on topics Masonic and has traveled over the world quite extensively.

He says: "I don't know much about the Lodges in China, of course there aren't any anymore probably, although Chinese Masonry was particularly connected with English speaking Masonry. However, I do know something about Japan. There are eleven new Lodges there in Japan and it is quite active. The Symbolic Lodges of Japan are under the Jurisdiction of the Grand Lodge of the Phillipines. I was there when the Premier of Japan was given his Masonic degrees. That is, I was in Japan. The ceremony was private because he is a cripple and it was in his own home. He had been given the Entered Apprentice Degree about 20 years before by an English Lodge." —Exchange.

IMPRISONED MASONS CONDITIONALLY FREED

MADRID, SPAIN — (Rueters) — Fourteen of fifteen men accused of Freemasonry and sent to prison for terms of up to 16 years, have been freed conditionally, it was disclosed recently.

They were sentenced in secret earlier this month by a special tribunal for the suppression of Freemanonry—illegal in Spain since 1940. They were charged with attempting to reorganize Freemasonry.

The one still in prison, Enrique Ramos Romero, will have to serve his sentence of 15 years, it was stated.

All 15 were arrested in Barcelona, November 12, 1952. They were held in prison awaiting trail. They were not allowed counsel but were permitted to conduct their own defense.—The Freemason of Canada.

MASONRY IN COSTA RICA

It may come as a surprise to many that Freemasonry in Costa Rica was established by a Jesuit priest, Francisco Calvo, canon of San Jose Cathedral. Father Calvo obtained a charter in 1867 from the Grand Orient of Spain, then operating in Colombia. Out of that Lodge developed the Supreme Council 33°, Scottish Rite of Central America, which covers five republics and which chartered Lodges of its own until the turn of the century.

The priest became thefirst Sovereign Grand Commander. Other founders were Dr. Jose Marie Castro (1818-1892), president of the republic in 1847-9 and 1866-8, and founder and rector of Santo Tomas University, as Grand Chancellor; Dr. Lorenzo Montufar (1823-1898), rector of Santo Tomas University, lawyer, historian, as Grand Minister, of State, and Francisco Peralto Alvarado, banker, teacher and benefactor of San Jaun de Dios Hospital, as First Grand Representative.

The priest served as Master of his lodge and as Grand Commander until his death. The Masonic Temple in San Jose has on display the gavel he used. Four Lodges chartered by the Supureme Council formed the Grand Lodge of Costa Rica in 1899. —John A. Mirt, Chicago.

KING SOLOMON'S TEMPLE

It is not so generaly remembered to-day, as it might be, that in 1872 the Palestine Exploration Fund sent Sir Charles Warren, an eminent civil engineer, to Jerusalem to make explorations in an effort to determine facts about King Solomon's Temple.

Sir Charles found that at the top of Mount Moriah, when leveled off, there was a retaining wall, built to hold the material placed on the spot to form a level place on which to build the temple. The wall was built of large blocks of stone about 6 feet by 8 feet by 30 feet, of the same cyclopean form of masonry as is to be seen in the pyramids. The wall served as a foundation for the temple as well as for the Mosque of Omar built upon it. The statement that no sound of metalic tools was heard in the building of the temple is explained by the fact that the stones composing the wall and foundations were quarried from underneath and below the temple.

Caverns existing to-day show where the stone was quarried, and these caverns have since been used for lodge meetings. Sir Charles Warren after he returned from his explorations, became first Master of Quator Coronati Lodge No. 2076, which has now become known as a Lodge of Research throughout the world.—Exchange.

EDINBURGH

Lodge of Edinburgh, No. 1 sometimes known as Mary's Chapel, is believed to be the Lodge with the oldest records in the world, and tradition says this Lodge was formed by skilled craftsmen brought from the Continent by King David the First to build Holyrood Abbey in 1128. Its oldest minute is dated the last day of July 1599, but at that time the Lodge was in a florishing condition and going concern. There is in existence a list of the apprentices of the Lodge, with the names of their fathers and mothers dated 23rd December, 1984, and the Masons who composed the Lodge at that time were incorporated in a society known as "The Freemasons and Wrights of Edinburg." From the earliest time it was the custom to admitnon-operative as well as operative members.—Seattle Tribune.

A MASONIC HERO

Among the records of Masons in the history of our country we find that of Major General Joseph Warren, hero of the Battle of Bunker Hill. This distinguished brother was born in 1741.

Shortly befor his twenty-first birthday, this gallant soldier statesman and physician was raised to the degree of Master Mason in St. Andrew's Lodge, Boston. He became active in Masonic affairs and matters of state.

General Warren became master of St. Andrew's Lodge, 1766. In 1769 he was commissioned Grand Master of Boston and one hundred miles around, by the Grand Lodge of Scotland. He was installed Grand Master of North America in 1773.

Most Worshipful Brother Warren's brilliant career was brought to an abrupt close by his untimey death at the Battle of Bunker Hill. Arriving at the scene of battle, he found the army under the able command of Generals Prescott and Putman, whereupon he seized a musket and entered the ranks as a private, but most unfortunately was killed while fighting bravely for American Independence. —Exchangs.

MASONIC PRESIDENTS

James Buchanan was the first president to become a Royal Arch Mason, being installed in Chapter No. 43 (Pa.) May 20, 1826.... Andrew Jackson was the first president to become a Knight Templar and a Scottish Rite Mason, the latter degrees being conferupon him in the library of the White House at Washington... On May 22, 1901, President Wm. McKinley attended a reception given in California Commandery No. 1, San Francisco .... The corner stone of the Army War College was laid in the presence of President Theodore Roosevelt with Masonic ceremonies in Washington, D. C., February 21, 1903.... President Harding was elected to receive the 33rd degree but because of illness of his wife was unable to attend to receive it and died before the next session of the Supreme Council.—Oklahoma York Rite.

We had six represenatives at Grand Council in Indianapolis this year, they were Sharon Simmers, Bonnie Burchard, Mary Lee Weaver, Marcia Wibal, Susan Allen, and Judy Shelley. I was very pleased that these girls could attend.

Our final meeting was the 21st of June. We initiated our last group of candidates this term. They seemed like a marvelous group of girls and I'm sure Jobs Daughters will benefit by their membership.

We are very proud to have been able to take so many new girls into Jobs Daughters this term. We have added 86 names to uor membership list.

Judy Hallenbecks installation as honored queen was June 23rd. The lovely ceremonies also presented anothers corps of officers and several new council members which, I'm sure, will do a tremendous job. They are as follows:

NEW OFFICERS

Mrs. Helen Goshert, Chairman; Mrs. Bonnie Freachbaum, Mrs. Esther Campbell and Mrs. Louise McCoy.

SOCIAL COMMITTEE

Mrs. Ruby Wallheiser, Chairman; Mrs. Vernice Stanbery, Mrs. Pauline Dennius, and Mrs. Lonella Goller, congratulations to all of you and best of luck for a very successful term.

At this time Marie Perrin and I would like to thank the past council for all the wonderful things they have done in behalf of Jobs Daughters. Without their help it would have been impossible to have many of the activities which we have enjoyed these past months.

Hi Everybody:

As we begin a new term I wish every Job' Daughter could attend every meeting. On September 6th we had our officers pot luck supper. The food was delicious and many thanks to all who helped. Following the supper the officers had a very successful practice. Girls you must have really studied this summer. Thanks a lot.

I must say something about my installation it was simply beautiful. All of the installing officers did a wonderful job. Many, many thanks to all who helped make this evening so wonderful.

Welcome to the new adult council. I know you will be of great help to all of us, and it will be a pleasure to work together.

We are hoping October 4th will be our inspection date. Be sure and check your program card as to the date so you can get your reservations in for the banquet.

The Mother's Club will start the coming year with a Pot Luck at Franke Park, September 19, at 6:30 P. M. Mrs. Rupert Watson will give a talk on "So your Daughter is in High School," The hostesses for the evening will be: Mrs. Austin Campbell, Mrs. Norval Jamieson and Mrs. James Kreachbaum.

WHERE ARE YOU

Are you an active member,
The kind that would be missed.
Or are you just contented
That your name is on the list?

Do you attend the meetings,
And do you mingle with the flock,
Or do you stay at home
And critize and knock?

Do you take an active part
To help the work along,
Or are you satisfied to be
The kind that "Just belong"?

Do you ever go to visit
A member that is sick,
Or leave the work to just a few
And talk about the clique?

There's quite a program scheduled
That you've surely heard about,
And we'll surely appreciate it if you, too,
Will come and help us out.

So come to the meetings often
And help with hand and heart
Don't be just a member—
But take an active part.

MASONRY

When Theodore Roosevelt was President, he took his equally great Secretary of State Elihu Root to Oyster Bay for a short rest. Walking through the gardens, he turned and asked:

"Elihu, how long is it since you have sat in the Lodge?"

"Not for a long time, Theodore," replied the Secretary.

"Then let's you and I go to Lodge tonight. The gardner of my neighbor is the Master, and they say he is a good one."

Mr. Root agreed, and that night the humble gardner sat as Master while the President and Secretary of State of the United States sat as sideline members. Only in Masonry could this be done.—Wilimington Bulletin.

I sincerely hope that you have had a fine vacation, and are now ready and anxious to return to your school and DeMolay activities. These last three months have, no doubt, gone by rapidly, and I hope that you made the most out of them, having lots of enjoyable times without any accidents. I saw many of our members doing various jobs during the summer. Several DeMolays held positions as concilors at the various boys camps in the area. Jim Fuzy, Bunko Clarkson, Phil Terril, Dan Howe, Richie Miller were at Pokagon Camp and Keith Dixon, John Stephan and James Frey at the Y.M.C.A. Camp. Dave Riinne and Phil Cantelon were on the staff at the Y.M.C.A. Camp.

There was one event that occurred during the summer that definitely merits some mention. Jerry O'Brien and Norm Miner, the two master concilors that preceded me, were operated on for appendicitis almost at the same time, Norm being operated on a Monday and Jerry the next day. I'm happy to say that they are both doing fine. I only hope that the series stops before it gets to me.

Our first meeting will be September 13th, and I hope that you will all come down so we can really get off to a good start. Last year Jerry and his officers initiated enghty-nine candidates in three classes. This is a tremendous record, and the fellows who worked so hard to get those new members certainly do deserve a lot of credit. However, if we will start talking to fellows, especially all the freshmen that just came over to high schools, we cannot only reach that number, but can excede it. The second meeting will be September 27th, and that will be the last date to hand in petitions for the first initiation. That means we have to get some petitions in for the first two meetings if we are to equal the thirty candidates that Jerry brought in the first initiation.

DeMolay has a big year planned with the activities starting in October with the annual hayride. The hayride will be held on October 15 with the following Wednesday set as a "rain-date" if it is necessary: In past years the turnout for the hayride has been astounding. We hope that it will continue its previous successes again this year. Our annual Father-son night will also be held in October; however, the date for this event has not yet been set. It will be discussed further at the meetings.

Those are both big events in the social Calendar of DeMolay, and we hope that they will help build up your enthusiasm so that we can have a real big year both from the entertainment view and the membershp angle.

This is about all I have to say for now, so I want to leave you with this thought. Since Dad Riethmiller became the head of our chapter, our membership has never fallen. It is up to us, each and every one of us, to see that it does not fall this year. I would certainly appreciate every little bit of cooperation that you will give me in this membership drive.

JUST A WORD FROM DAD

The prescription you buy today might seem expensive, even though six hundred years ago even a king's ransom couldn't have bought it... because it didn't exist. In order to accommodate a number of prospective candidates for the Fall Convocation, we are having degree work given thru the 18° at night. The dates for this work have been set for Thursday, October 27th; Thursday, November 3rd, and Monday, November 7th.

The regular three day convocation will be held on Thursday, November 10th; Friday, November 11th, and Saturday, November 12th. This is a change from our usual days of Tuesday, Wednesday and Thursday. The candidates who finish their work thru the 18° on Monday, November 7th, will join the regular class on Friday evening, November 11th, or Saturday morning, November 12th, to receive the Consistory work.

It is the hope of those in charge of these meetings that you will acquaint yourself with the above dates so that the proper information can be given to your prospects.

A special feature for the night class will be the conferring of the 14° by a large cast from Milwaukee, Wis., on Thursday, October 27th, at 8:00 p. m. This will be outstanding work and like all the degrees this fall will be presented in the Scottish Rite Cathedral.

The last date to receive petitions for the night work will be Tuesday evening, October 18th, at 7:30. The last date for receiving petitions for the regular three-day reunion will be Tuesday, October 25th, at 7:30. These will be voted upon at the Stated Meeting, Tuesday evening, November 1st, at 7:30. Please note that the meetings on October 11th, 18th and 25th are special called meetings for the purpose of receiving and acting on petitions.

The banquet committee is happy to announce that it has obtained Dr. I. Lynd Esch, president of Indiana Central College, Indianapolis, as the banquet speaker. Dr. Esch is a well-known after-dinner speaker and our members will enjoy hearing him.

Scottish Rite members and their ladies are cordially invited to attend a Variety Show at 8:30 in the evening of October 25 in the Auditorium on West Berry Street. The size of our membership and the seating capacity of the Auditorium make it impossible to honor requests for more than two tickets to a member so please do not request to bring guests. The first requests for tickets up to 2200 will be filled and all over that will have to be declined. Admission will be by ticket and the member's dues card. A program of unusual and entertaining acts has been booked and a large attendance is anticipated.

Our fall season of work started off with a splendid class of five for September.

October will bring another busy month. We will be starting six more candidates.

The Smorgasboard and square dance affair was thoroughly enjoyed by everyone who attended. Many compliments have been received on the delicious dinner. Those who failed to attend missed a real treat. The Slim Adams Orchestra furnished the dance music with Ray Kaiser calling. They certainly did well and made a lot of fun for all participating. Entertainment during the period between the dinner and the dance was given by Delmar J. Proctor, Jr. Thanks "Skippy" for sharing with us of your magic talent. The entire evening proved to be one of real pleasure and good fellowship.

The annual homecoming and Past Masters banquet will be held November 28th. All members will be informed by mail and opportunity given to make reservations.

Your Worshipful Master had the privilege of attending "Visitation Day" at the Masonic Home and found it to be an enjoyable occasion. Brother Monroe Snyder, a resident of the Home and a member of our lodge was visited. He is 92 years old and in the hospital.

Brother Melvin V. Ehrman represented our lodge at the cornerstone laying ceremony of the new hospital at the home. He gave the lodge a most interesting report.

The following brothers have been reported on the sick list: Adolph Greenfield, Wm. H. Crouse, Myron Hutchinson, Dorsey Merchant and James Mitchell. Speedy recovery to each one of you is our sincere wish.

Don Aley reports a good response of brothers in assisting him with the Vets Hospital Visitation.

The officers and members of Sol D. Bayless Lodge are indeed proud and thrilled with the election of Bro. George R. Gawaehn to receive the 33rd degree. Bro. Gawaehn served our lodge as Worshipful Master during the year 1925. Congratulations Past Master Gawaehn. We know you are deserving of the honor and best of luck to you.

33RD DEGREES

Illustrious Brothers Herbert K. DeWees of Fort Wayne and Rev. D. Robert Hutchinson of Huntington, were crowned honorary 33rd degree Scottish Rite Masons at the 143rd meeting of the Northern Supreme Council held last month at Detroit.

Three Fort Wayne Valley Masons were elected to receive this degree next year—George R. Gawaehn and Albert R. Spencer of Fort Wayne and George J. Leininger of Columbia City. Brother Gawaehn is a Past Master of Sol D. Bayless Lodge and a Past Sovereign Prince of Darius Council of Jerusalem. Albert R. Spencer is at the present time the presiding officer of Darius Council, the Treasurer and a Past Master of Summit City Lodge. George Leininger is a presiding officer of the Lodge, Chapter, Council and Commandery of Columbia City and St. Hilary Conclave of the Red Cross of Constantine. He is a member of the York Cross of Honour and a Past Grand Commander of the Grand Commandery of Knights Templar of Indiana.

As we near the Fall Convocation dates the tempo of our activity in the Consistory is speeding up. We are anticipating a large class in view of the night and day classes joining to receive the Consistory degrees as one class. Outstanding degrees have been selected for exemplification. The 24th degree, exemplified by brethren from Huntington with Illustrious Brother Knowlton Kelsey presiding, will be conferred Friday evening, November 11th. The 29th degree, a very dramatic degree, will be conferred Saturday morning, November 12th, with Brother Clayton Briggs presiding and Illustrious Brother A. Lee Johns directing. The 23 degree with Brother Herbert Foreman presiding will be conferred Saturday afternoon, November 12th, with the beautiful and climaxing 32nd degree under the direction of Illustrious Brother Melvin Honeck following and closing the Consistory work. The conferring of the Consistory degrees on a Friday evening and Saturday will make it possible for many brethren to avail themselves of the opportunity of witnessing them and particularly those degrees which they may not have previously seen exemplified.

We have been most fortunate in securing Dr. I. Lynd Esch as our banquet speaker. Dr. Esch has enjoyed three careers—in industry, in the Christian ministry and in education. He is best known to many of us as president of Indiana Central College at Indianapolis. We are sure Dr. Esch will bring us a forceful and interesting message.

Have you made it known to your Blue Lodge brother his petition to receive the beautiful Scottish Rite degrees at our Fall Convocation may yet be submitted. The last day to present petitions for the Day Class is Tuesday, October 25th.

Our assembly had a pleasant surprise at our October 4th meeting when we had a very distinguished visitor, Past Supreme President, Mrs. Edward E. Dochterman of Seattle, Wash. You will remember she was here when we were constituted and we all enjoyed the reminiscing during the social hour following Assembly. We are also happy to welcome back Mrs. James Malsbury and her Sir Knight who have returned to our city to make their home again.

Our square dance and cake walk which was held at Geoglein's barn, Saturday night, October 8th, was a huge success, thanks to our Ways and Means committee. Mrs. James Todd and her committee are busy planning another nice affair for us. It will be a card party November 21st at Dehler-Hughes at 8:00 p. m. As the number of tables is limited, it is suggested that you get your tickets early.

Our Worthy President gave a very fine report on the Supreme Assembly which convened in Witchita, Kansas, the last week of September. She also thanked the Assembly for sending her as their delegate.

Our Supreme Worthy President will be here to inspect us November 15th. Be sure and bring in your petitions so that your candidates will be in this class.

We are going to serve the dinners for the York Rite bodies October 28th and 29th. Those of you who would like to assist, please call the chairman, Mrs. Richard Jones, H-0503.

Our next evening group will meet October 24th as scheduled. The place will be announced at our next Assembly. We urge a big attendance; we have lots of fun and at the same time do so much good. Those cancer dressings are badly needed.

Don't forget next Assembly; we'll be looking for you.

MILWAUKEE NEWSPAPER PRAISES MIZPAH TEMPLE

The Great Lakes Shrine Association, made up of the Shrine Temples of the Great Lakes area, held its annual Ceremonial Session at Milwaukee, Wis., on September 16 and 17. It was one of the most colorful and glamorous events ever held in Milwaukee as the uniformed units of most of the Temples of the association participated in two great Shrine parades. The fine units of Mizpah Temple were particularly praised for their natty appearance and fine showing in the parades.

Mizpah Temple chartered a special train for the trip to Milwaukee and it proved to be one of the most pleasant pilgrimages ever taken by a group of more than 300 Nobles and ladies. It was the Shrine in Action and again added to the ever growing popularity of our Mystic Order where Masons find a perfect playground of wholesome fraternalism.

The Great Lakes Shrine Association will hold its 1956 session at Cleveland, Ohio, on September 21 and 22. The National Convention or Imperial Council Session will be held in Detroit, Mich., in July, 1956.

Mizpah Temple will hold its Fall Ceremonial on Saturday, December 3, 1955.

K. Y. C. H.

The Twentieth Conclave of Convent General, Knights of the York Cross of Honour was held October 1st in the Grand Ball Room of the Morrison Hotel in Chicago. Grand Master General Edwin E. Gruener of Pittsburgh presided over the morning and afternoon sessions and at the annual dinner.

The Grand Master General for next year will be Earl E. Dusenbery of DesMoines, Iowa, where the next Conclave will be held October 9, 1956. Lenis Firestine of Indianapolis, was elected Grand Sentinel. The conclave was attended by seven members of Indiana Priory.

There will be a conclave of Indiana Priory at eight o'clock, Wednesday evening, October 19th, in the Terre Haute Masonic Temple. This will be followed the next afternoon by the opening of the Grand Council of Royal and Select Masters of Indiana. The Grand Chapter of Royal Arch Masons will convene Friday afternoon and close Saturday morning.

Our fall activities have started and we would like to see each member of Decatur Lodge at our hall at least once before the end of our present year. We have many fine events coming up in the next few months.

Besides our regular Stated Meetings and degree work, we have a Lodge of Instruction on October 27 and Geneva Lodge. Brother Lenis Firestine will conduct this lodge on the Fellowcraft Degree. We are sure this will be interesting and informative and urge each of you to attend.

We would again like to issue a call on behalf of the Fellowcraft Club of Decatur Lodge. These brothers are the ones who keep our lodge active. You will have an enjoyable time if you will take part. The Fellowcraft will start their fall activities with a Square Dance the latter part of October. This dance will carry a Halloween Theme. Carl Geels will be the caller and everyone is assured of having a good time. Watch the mail box and local paper for the exact time and date.

The lodge recently lost a Past Master in the death of Brother James Anderson. Brother Anderson was always eager to help the lodge at any time and in any way. Our deepest sympathies are extended to his family.

Decatur Lodge No. 571 is your lodge Brethren, attend so that you may have a voice in making it the best possible.

Truth Court No. 21 was organized at a special session of the Grand Court of Indiana held on May 7, 1955, in the K.P. Hall. The organization meeting was called to order by the Grand Royal Matron, H.L. Wilma I. Binns of Lafayette. Under the direction of S.K. Alfred O. Schell of Fort Wayne, the members of the new court were formally initiated into the order. The Grand Royal Matron then announced that a charter had been granted to the new court which is to be known as Truth Court No. 21, Order of the Amaranth. After the granting of the charter a delicious dinner was served in the dining room. More than a hundred Grand Officers and members of sister courts were present.

Officers installed at an open installation of officers at eight o'clock in the evening. Past Grand Royal Matron, H.L. Esther Cook presided as Mistress of Ceremonies. Candlelighting ceremonies were performed by H.L. Elsie Charles and H.L. Kathryn Abousamra. S.K. Alfred Schell, Grand Royal Patron, served as installing officer. He was assisted by H.L. Emma Schell, Installing Marshall; S.K. Robert Chevalier, Installing Aide; H.L. Edith Skelly, Installing Secretary; H.L. Ruth Riley, Installing Prelate, and H.L. Harriet Recve, Installing Musician.

The following officers were installed: Royal Matron, H.L. Florence Geiger; Royal Patron, S.K. Glenn Geiger; Associate Matron, H.L. Mary Beaman; Associate Patron, S.K. William Wilkerson; Treasurer, S.K. Vernon Reed; Secretary, H.L. Geraldine Boldt; Conductress, H.L. Louise Wilkerson; Associate Conductress, H.L. Evelyn Reed; Trustee, 1 year, S.K. H. J. Oldham; Trustee, 3 years, S.K. Edward Abousamara; Marshal in the East, H.L. Leah Turkow; Marshal in the West, H.L. Mary Stoops; Standard Bearer, H.L. Myona Binkley; Prelate, H.L. Virginia Ginder; Musician, H.L. Virginia Snowberger; Faith, H.L. Nancy Geiger; Wisdom, H.L. Virginia Whipple; Charity, H.L. Celia Rutan; Historian, S.K. Frederick Turkow; Warder, H.L. Esther Schwartz, and Sentinel, S.K. Krafft Ginder.

Following the installation of officers, congratulations and best wishes were voiced by the Grand Royal Matron, the Grand Royal Patron, Grand Associate Matron H.L. Ruth Riley, Grand Associate Patron S.K. Stanley Miller, H.L. Lillian Johns Past Supreme Royal Matron, S.K. M. Curtin Johns, Past Supreme Royal Patron, and many other friends from the other courts throughout the state of Indiana.

Truth Court gets its name from the watchword of the Grand Royal Matron and Grand Royal Patron who used it as the theme for their Grand Court year. The Grand Court session held in Indianapolis was known as the Truth Session. We are happy to have been given the privilege of having our court named after the greatest virtue of all.

Truth Court was well represented at the Grand Court session, and was also represented at the Supreme Council Assembly held in Cleveland in July. We have had many visitors and several of our officers have attended meetings of other courts. We now have all of our own paraphernalia and we wish to extend our sincere thanks to Anthony Wayne Court, No. 3, our sister court in Fort Wayne, for the courtesies and assistance they have given to their new baby sister court.

Regular meetings of Truth Court are held on the first and third Wednesdays at eight p. m. in the K of P hall, visitors always welcome. A rummage sale will be held on December 22. All members are urged to call H.L. Myona Binkley, Ways and Means chairman if they have any rummage for this sale.

Thanks and our best wishes to all who are helping us to get a good start. Congratulations to our officers and new members, and especially to H.L. Emma Schell, who has been appointed by our Grand Royal Matron to serve as our Assistant Grand Lecturer, and H. L. Blanche Lafever of Portland, our Deputy Grand Royal Matron.

At the stated meeting held October 5th, S.K. Glenn Geiger, Jr., was elected to serve as two year trustee. Following the election the following elective and appointive officers were installed: S.K. Glenn Geiger, Jr., two year trustee; H.L. Elsie Charles, as Truth; H.L. Katheryn Abousamara as Marshal in the East; and H.L. Aimee Shultz as Historian. S.K. Alfred Schell acted as installing officer, H.L. Emma Schell as installing Marshal, S.K. Harold Garrett as Aid to the Marshal, and S.K. H. J. Oldham as installing Prelate. Refreshments were served following the meeting.

While we are the newest court in Indiana we are looking forward to a glorious future, ever seeking to find the Truth. We extend our friendship and hospitality to all, as we take our place in the family of courts that make up the great Order of the Amaranth.

Greetings Brethren—Our fall activities have started in full swing in spite of considerable counter attraction. We welcome Brother Harold J. Smith into our ranks. Better come to the next meeting and renew acquaintances, friendships and make a few new ones.

We extend our deepest sympathy to our Senior Steward Brother LeRoy and Mrs. Snyder in the loss of their son.

Our Lodge of Instruction to be held jointly with Leo and Harlan is scheduled for Monday, October 24, 7:00 p. m. at Harlan. Let's make it a good turn out, all brothers are invited.

Brother Ross Dickey, who now resides in St. Petersburg, Fla., pleasantly surprised us by dropping in on our last meeting. Do it again Ross, tho we really envy you that Florida sunshine.

We have been casting envious eyes on Spencerville's new Lodge building and you'll be hearing more on this subject soon.

Huntertown OES was represented at General Grand Chapter held in Washington, D. C., September 12th thru 15th, by our District Deputy Sister Helen Warner and Sister Helen Markey. They report a wonderful time and a most thrilling session. It seems you can always count on our two Helens being on hand when anything big is scheduled.

On November 8 the OES will entertain their Past Matrons and Past Patrons, don't miss it, you can expect the unexpected and not be disappointed.

Job's Daughters, Bethel No. 71, play host to Master Masons on October 3. Nice work girls we're really envious of the fine job you do and are proud of the future citizens we know you will make. Job's Daughters inspection by the Grand Guardian is scheduled for October 17.

There isn't much to report on this month. I would like to have all officers present at Harlan, October 24, as Brother Firestine, our Grand Lecturer, will be there for Lodge of Instructions. You don't have to be an officer to attend as this meeting is for the benefit of all members, and I'm sure will be very instructive for everyone.

Sorry but no work scheduled for this month.

"Life is sweet just because of the friends we have made
And the things which in common we share;
We want to live on, not because of ourselves
But because of the people who care;
It's in giving and doing for somebody else;
On that all life's splendor depends;
And the joys of this life, when you've summed them all up,
Is found in the makin' of friends."

Come, walk with love along the way,
Let childlike trust be yours today;
Uplift your thought, with courage go,
Give of your heats rich overflow,
And peace shall crown your joy filled day
Come, walk with love along the way.

As we look out along the country side or even out of our doors or windows and gaze at the colorful hues of the trees and golden rod, one thinks of the famous lines of James Witcomb Riley when he said: "The golden rod is yellow, the corn is turning brown, The trees and apple orchards with fruit are bending down." With these thoughts in mind as well as the verse which head this column, we begin our column for October. It is one of the busiest months planned by the Worthy Matron and her committies thus far.

October 7th is the first stated meeting of the Chapter for the month. The Worthy Matron is planning an interesting meeting for the evening.

On October 21st, the second meeting of the month, the District Deputy of District 14, Mrs. Helen Warner, from Huntertown Chapter at Huntertown, will make her visit to our Chapter. Her many years of service to her chapter and the Order of the Eastern Star will not only endear her to her Chapter for the honor she has brought to them but also to the whole district as she visits with them. Remember the date of October 21st and come to chapter meeting to meet and welcome our District Deputy.

Now for the projects for the month of October. These have been planned by the Ways and Means committee but will need the help of the entire membership to make them a success. You have been hearing about them a number of times already but like many they may have slipped your minds so we are reminding each and everone again. The Bake Sale at Wolf & Dessauer will be held on October 15th. The bake goods should be at W. & D's not latter than 12:00 noon on that day. If you cannot deliver it there, call Catherine Robb, H-2777, or Anita Silkworth, E-5920, and they will be happy to pick it up. The whole membership is urged to help make this sale another big success. When each one bakes on that day (which is a Saturday) bake a little extra for Trinity. Cookies, cakes, pies, rolls, nut bread, cupcakes, upside down cakes, etc., are all welcome items for the bake sale.

On October 22nd Trinity Chapter will have their Sauerkraut Supper and Square Dance. This is open to all members of the Order of the Eastern Star, their families and friends. The supper will be served from 5:30 to 7:00 P. M. There will be square dancing from 8:30 until 12:00 P. M. For those who do not care to square dance, there will be tables set up on the balcony for them to play cards. The tickets are only $1.00 per person. This includes the supper and the evenings entertainment. Childrens tickets are $.50 for the supper. Tickets may be secured from any of the various committees, the Ways & Means, your Worthy Matron or from any of the officers of Trinity Chapter. Bring your family and friends and spend an evening of entertainment together.

Trinity also is looking forward to the Official visit of our Worthy Grand Matron, Mrs. Velma VanderKolk, on November 4th. Make your reservations early for the banquet. Let's see a lot of Trinity members at the banquet and at the meeting that follows.

Another project that deserves mentioning at this time is the fall rummage sale. This is to be held on November 14th at 2031 South Lafayette. Save your rummage and see that the Ways and Means committee receives it in time for the sale.

The committee meeting schedule for the month of October is as follows:

October 3—Cheer Mrs. Dawn Gaskill, 3501 Weisser Park, Hostess, Mrs. Florence Amstutz, Assisting Hostess.

October 10—Program Mrs. Ruth Langkamp, 6616 Bluffton Road, Hostess, Mrs. Hary Ann Crampton,, Assisting Hostess.

October 11—Ways & Means Mrs. Gertrude Dickey, 1716 Greene St., Hostess, Mrs. Norris Potts Assisting Hostess.

October 13—Sewing and Decorating Mrs. Irene Warner, 1420 Schilling, Hostess, Mrs. Mahalia Drewett, Assisting Hostess.

October 17—Choir Mrs. Doris Thiebolt, 5921 Decatur Road, Hostess, Mrs. Ruth Langkamp, Assisting Hostess.

October 20—Social Mrs. Marie Anderson, 1149 Nuttman, Hostess, Mrs. Clara Hanna, Assisting Hostess.

The social club meetings of Trinity Chapter for the month of October are as follows:

Stitch and Chatter Club of the chapter will meet on October 8th at the cottage of Mr. and Mrs. Oscar Thumberg at Snow Lake for a potluck and wiener roast.

The Officer Club will meet at Mrs. Betty Smith, 4817 South Park Drive with Mrs. Margaret Hartsing assisting.

On Sunday, September 18, 1955 your Master, Senior Warden and Treasurer accompanied by their wives attended the Masonic Home Visitation day at Franklin, Ind. As usual attendance was very good. We had a nice visit with Bro. George McDonold, Wayne Lodge's only resident at the home. Bro. Mac is enjoying good health and sends best wishes to each of you.

The new hospital is now under construction and the corner stone laying will be held on October 1, 1955. It was just forty years ago this October that the corner stone was placed for the administration building. The building committee has planned a large celebration for this event. It is expected that every Lodge in the state will be represented. If you can arrange it be sure to attend.

Our agenda for the month of October consists of our regular stated meeting on October 6; Fellow Craft degree work on October 20, followed with refreshments; Master Mason Degree work on October 27; We also have planned our annual Holloween party for October at McMillen park, this party is sponsored by the Fellow Craft Club.

Your Master received a letter from the Parkview Hospital visitation committee praising the work being done by Wayne Lodge members. We owe a vote of thanks to chairman K. Rayle for the fine job he is doing with his committee who are representing Wayne Lodge No. 25. If it is possible for you to assist Bro. Rayle in making these visits, I am sure he can use your help and would appreciate having you contact him. A poster has been placed in the Tilers room of the lodge giving the time and date of the several visitations to Parkview Hospital to be made by Wayne Lodge, won't you help?

During the month of November Wayne Lodge will present two of our Brethern with fifty year pins, date to be announced later. We will also have our annual Dinner-Dance in November and we hope you will plan to attend and enjoy the fellowship offered at these affairs.

Wayne Lodge Fellowcraft Club presented the lodge with an altar and station covers during our Master Mason Night in September. These covers are very beautiful and in behalf of Wayne Lodge I want to thank the Fellowcraft Club for the many things they have done for the Lodge. If you don't come up and see these covers you are really missing something.

Our deepest sympathy is extended to the bereaved families of Brother John Lervis and Brother Forest Stonerock who departed this life in August.

Brother John Miles has been reported ill and is a patient at the St Joe Hospital. To him and all Brethern who are ill we wish you a speedy recovery.

At this writing your present officers have only thirteen weeks before finishing their term of office. If you haven't attended Lodge recently why not come up and get aquainted and assist in our work. The Fellowcraft team headed by President "Si" Hartsing have been doing a fine pob and could use your help. There is always room for one more. Once you take part in the work you will enjoy continuing to participate.

Hope to see ou in Lodge Thursday.

MASONRY IN BUSINESS

By masonry in business we do not mean the use, now all too frequent, of Masonic connections and affiliation for self-advantage—a thing which deserves contempt and the indignation of right thinking men. Far from it. Instead, we mean the application to life in all its relations of the spirit and principles learned in the Lodge. If those principles, so applied, do not make a man more just, more considerate, more courteous, and more efficient in his business, they are of little worth. Slowly men are learning that righeousness is common sensc that brotherhood is good business, and it is for Free masonry to lead makind in the conquest of industry by the spirit of service and the practice of integrity. This is not putting a money value on Masonry; it is putting a Masonic value on money. It means, not the desecration of Freemasonry, but the consecration of business and industrial life, which is always the last realm to yield to the impress of a moral idea.

Freemasonry does its work in the world through Freemasons who are loyal to its spirit and who incarnate its ideals. Finally, every man is what his thinking is, because by law of mind, ideas find their way into acts. If sordid ideas preside over the tragic possession of human vice, that fact should only serve to emphasize the power of every man of great and valid ideas. Since it is true that life answers to the kind of ideas held in the mind, Freemasonry, by fixing great and authentic truths in our hearts, and holding them there until they lay hold of us and fashion after their design, is working at the foundation of a nobler business life, more just and more merciful laws, and a social order in which men may live and live well, with malice toward none and with justice for all.

HE LOVED HIS COUNTRY AND MASONRY

From what we have gathered from several sources it would seem that patriotism and Masonic zeal were outstanding in the life of Brother Andrew Johnson, 17th President of the United States. According to his own strict orders, Johnson's body was wrapped in a silk American flag and his head cushioned upon a copy of the Constitution of the United States when he was buried. His funeral was conducted by his Masonic brethren, without the help of clergy, with the Knights Templar specifically in charge. —Elkhart, Ind. Temple Topics.

ARABS OF EGYPT AND ASIA MINOR STILL PRACTICE PRIMITIVE MASONRY

It is not generally known that the Arabs of Egypt and Asia Minor still practice a primitive Masonry and have a legend of its origin st Solomon's Temple, but they have no division of instruction into degrees and have not only the signs of the first three degrees, but many beyond them. The son of an Arab spends his entire youth in preparation and learning before he is "made a Mason," and given the "Charge of Solomon."

The Arabs say that all Masons under the ancient Charges were allowed to make Masons of any worthy true descendant of a worker on the Temple, and further relate that Masonry was carried into Europe by the original craftsmen, their sons and grandsons who finally began to make Masons of certain of the nobility, in order to gain their protection and eventually of others not "true descendants."

Mr Edmond Demoulins in his work Anglo-Saxon Superiority, says under Moslem rule, Secret Brotherhoods (Zalouahs) exist. They have their passwords, signs of recognition, and are ruled by a official Grand Master or Khalif, and ends with subaltern agents as messengers, banner-bearers, guards, etc. There are General Assemblies for receiving instructions from the Khalif, or for the initation of fresh members.

Among the Moslems throughout secret socity which claims to derive from the Koreish, or guardians of the Kaaba, who were a superior Arab race and the descendants of Ishmael, and of which Mahomed was a scion. —Masonic News.

MYSTIC EMBLEMS

Mystic emblems of Freemasonry are to be found on the walls of old Hall's Tavern at Cheshire, Mass., where for some time Franklin Lodge, instituted in 1791, used to meet. This Lodge held meetings alternately in Cheshire and in Lanesboro, after having permission to do so from the Grand Lodge of Massachusetts in 1809. The tavern at Lanesboro has burned down, but Hall's Tavern now known as the Cheshire Cat, still stands. It was erected in 1804 by Calvin Hall and John Leland, Jr.

Only a few years ago, however, did the painted symbols come to light. Three rooms on the second floor were being remodeled and the large Masonic decorations were uncovered. Frank Herbert Jones has written an article about them which appeared in the Sandusky Masonic Bulletin. The frescoes, done shortly after the Revolutionary War, had been forgotten under five layers of wallpaper, but were revealed when the redecoration was begun under the direction of Mrs. Anna L. Bennett, direct descendant of the builder of the tavern, with many generations of Masons behind her. It is believed the three rooms were once one large meeting room with ten large circles on the walls, three feet in diameter each, painted bluish green with the symbols in dark brown, several symbols in each circle. Among the designs are many well-known ones, a few indistinct as far as present-day meanings are concerned, and one that baffles the Masons who have seen it. —Chicago Chronicler.

LAFAYETTE

Lafayette was made a Mason in an army Lodge at Valley Forge by George Washington, and when he returned to visit America in 1825, he had with him his son, George Washington Lafayette, who was a member of the Craft.—The Compass.

Greetings Sir Knights!

The program for our York Rite Days of October 27, 28, and 29th is shaping up fast. We have planned a really gala occasion for our part of the program on Saturday October 29th which will be a big Malta day. Two outstanding teams have been invited to confer the Orders. Invitations have gone out to nineteen Commanderies, quite a few of which have signified their intention of being present. Several Officers of the Grand Commandery will also be present to view the results of such a membership drive. If you have a Chapter friend who has not yet received the Orders of the Commandery get his petition in October 20th. We will open on the Illustrous Order of the Red Cross Saturday afternoon October 29th at 2 P. M., follow it immediately with Order of Malta and have dinner at 6:30 P. M. DON'T MISS THIS EVENT.

York Rite Days will start at 6:30 P. M. Thursday, October 27th. Plan to attend all the sessions, and especially Saturday afternoon at 2 P. M. October 29th.

The Drill Corps is now hard at work drilling for our annual inspection. Come up Tuesday nights for drill. It is fun. It is good recreation. It is the finest of fellowship. It is one of the primary duties of the Drill Corps to assist in the conferring of the Orders of the Commandery. Support your Drill Corps and your Commandery and thus help keep the high standard of degree work for which Fort Wayne Commandery is noted. If Commanderies the size of Knightstown and Van Wert can, by their own iniative, put out winning teams so can we. Let's get busy Sir Knights. LET'S GET IN THE DRIVER'S SEAT AND GO!

IRISH FREEMASONRY

The Grand Lodge of Ireland provides for the chartering of military Lodges, These bodies are associated with a definite regiment or garrison. Such a lodge cannot initiate any civilian in any part of the British dominions if there is a lawfully constituted lodge existing within ten miles of the place where the civilian resides or where the military lodge meets. Also, no civilian lodge can initate any enlisted members of the military if there is a chartered lodge in the regiment or garrison to which the man belongs.

Irish lodges conduct their business on the Entered Apprentice degree. However, to hold office the member must have attained the degree of Master Mason. The ritual and method of work differs somewhat from that used in this country except that Pennsylvania uses a ritual practically identical with that of the Grand Lodge of Ireland.

One of the officers of a Royal Arch Chapter is called the janitor, and candidates for Chapter degrees in Ireland must be Master Masons of six month's standing except in cases of military and naval brethren, when one month is deemed sufficent, but an applicant for the orders of Chivalry in Ireland must have been a Master Mason of two year's standing and have been a Royal Arch Mason for at least six months.—Square And Compass.

Another month has rolled around and once gain it is time to write an article for the Square and Compass. This is September 18th, and a wonderful day for golf, picnicing or whatever pleasure you may enjoy.

Our Smorgasbord is slated for October 8th; by the time you receive the Square and Compass the Smorgasbord Round and Square Dance will be over. I hope, however, that everyone enjoyed this evening of entertainment.

We have another affair planned for Friday evening, November 4th. The Officers and I are very honored to have a banquet for Masons and their wives for the purpose of honoring our first Worshipful Master, who was reponsible for South Gate Lodge receiving their charter in 1948. This is none other than Thrice Potent Master Herbert K. DeWees, Fort Wayne Lodge of Perfection, who will be presented with the 33rd Degree jewel by the Scottish Rite bodies. This is by far the highest honor that can be bestowed upon a Master Mason. All members of South Gate Lodge should attend if possible. Brother DeWees is the first member of South Gate Lodge to receive this honorary degree. We plan on having a very good meal at a nominal fee. Tickets will go on sale this month.

During the past year we maintained a Masonic Visitation at the Veterans' Hospital on schedule dates. However, the committee did not receive full support and cooperation from the members of the Lodge.

This year, in order to give the committee additional support, we are going to do the following, and we ask your cooperation. We will have a chairman and co-chairman of this committee who will call members prior to their date of visitation so we will have at least eight brothers present for each scheduled date. Our secretary will go through the membership list and send letters to eight brothers asking for their support and time to visit the Veterans' Hospital on a given date. The brother receiving this letter should notify the secretary if he will be present. If so, the secretary will inform the chairman or co-chairman of the committee, and they in turn will call and remind you of the date. If we receive the support of everyone it will only be necessary for a member to assist the committee in this visitation program once during the year. Brothers, I do not feel this is asking too much, and I hope the secretary will be able to inform me that all members contacted are cooperating one hundred per cent. The dates for our visits are as follows: Monday, October 10, 1955; Monday, November 28, 1955; Monday, January 30, 1956; Monday, March 19, 1956; Monday, May 7, 1956. Time is from 7:30 to 9:00 p. m.

Laying of the corner stone for the new Nursing Hospital on October 1st, was themost outstanding duty that the Grand Lodge performed throughout the year. Master Masons throughout the state should be congratulated very highly for the contributions given toward this worthy cause. I would like to take this opportunity to express my appreciation to the members of South Gate Lodge for their contributions during the past two years. We are well on our way to an equal share per member, which indicates to our Grand Lodge that South Gate is doing its best to uphold the traditions of Masonry. Thank you brothers for your support.

Coming into the winter months we are going to schedule a few visits to our neighboring Lodges so that the Fellow Craft Club can confer the Master Mason Degree. We are interested in increasing the membership of the Fellow Craft Club, and anyone interested in learning parts of the Second Section of the Master Mason Degree should contact Brothers Morris Adams, or Bob McGrail, or myself. We in turn will see that you are given a part of this work so you can participate in the Fellow Craft Club's activities. We have new uniforms for the Club, which the members enjoy very much, and they have taken an additional interest in confering this degree as proficiently as possible.

Hope to see you in Lodge whenever possible.

VALUABLE MEN

There are some men who make themselves necessary in human life. There are men who by their tact, courtesy, and human kindness make themselves absoultely indispencable to their friends and neighbors. In Masonry, perhaps in every Masonic organization, there are one or more men who are absolutely necessary to the success of the particular organization. They are the men who because of their willingness to cooperate with others; have made themselves absolutely indispensable. And whenever a meeting is held and they are absent, there is much comment and regret expressed. It is not hard for you to make yourself necessary. Just forget self for a little while, and see what you can do for others, and you will find out how essential you are going to make youself.—Minneapolis Scottish Rite Sun.

THE ROD IN MASONRY

E. George Lindstorm, P.H.P.

The word Rod is frequently spoken of in our Chapter degrees. Jacob in Gen. Moses and Aaron used a rod made of Shittim wood or acacia. The rod became a serpent in the presence of Pharaoh when Moses cast it upon the ground. The rod was used to bring water out of the rocks. The rod of Aaron budded, blossomed and brought forth fruit in a day. "The morning is gone forth and the rod hath blossomed, pride has budded, violence is risen to a rod of wickedness." Jonathan used a rod to help himself to some honey.

Most of the references relating to the rod is found in the Book of Exodus, and we find it mentioned when Moses was at the burning bush. The rod is similar to that one dropped before the veils, and later found in the Ark of the Covenant. In the Psalms we find it mentioned as, "Thy rod and thy staff shall confort me." All Companions that take a leading part in the Royal Arch Degree should make a study of the chapters that deal with characters and places mentioned. They can be found in reference books, Masonic histories, Encyclopedias and dictionaries.—Lake wood Masonic Outlook.

On Saturday, June 12th, about 750 Royal Arch Masons met at the Playhouse Theatre in Winnipeg when a class of 150 Candidates from the 17 Chapters of the R.A.M. of Manitoba received the Holy Royal Arch Degree from Officers of the Royal Arch Masons of Missouri, U.S.A., according to their ritual. This event climaxed a two-day visit by members of the Missouri Chapter, which began with a reception and dinner at the Marlborough Hotel Friday, June 11th.

Fellow DeMolays,

We had our first meeting September 13, and I would like to thank you all for the wonderful turnout which we had. There were approximately one hundred fifty boys there that night, the largest attendance at a regular called meeting since "Dad" Riethmiller has been the head of our chapter. I really did appreciate the enthusiasm which you showed, and I hope that you will carry it through the rest of the year. Also, I wish to thank you all for your almost unbelieveable response in our drive for new members. As you remember I had placed eighty-nine new candidates, the number that Jerry O'Brien brought in last fall, as our goal. Well, at present we have brought in seventy-seven petitions already, and we still have until October 25 to get more petitions in. Fifteen petitions were brought in at the September 13th meeting, and sixty-two were brought in at the 27th meeting. At the same time last year fifty-five petitions had been brought in. It really makes a person feel good to know that he has such an enthusiastic group working under him.

Our first initiatory degree will be held on October 25. Because of the number of candidates that will be initiated, we will have to have an extra degree on November 8 instead of a stated meeting. Then on November 22 we will have the last initiatory degree of my term. October 25, as previously stated will be the last date to hand in petitions for this term.

I was out to see Bill Pifer, the boy who broke his neck during the summer of '54, and I am happy to say that he is getting along much better. Bill is really a great fellow who deserves anything which we might be able to do for him. I know that he would appreciate hearing from all of you. Bill lives at 2315 Pittsburg St.

I want to thank you all again for the wonderful job which you have done, and I hope that you will continue the fine work.

Sincerely, Terry Miller, M.C.

"Just a word from Dad."

DeMolay has been honored in High Schools with the election of Morrie Sanderson as president of the Senior class at South Side and James Fuzy as Chairman of Council. Kem Ormerod as president of the Junior Class and Chris Stavreti as Vice President. Dave Matthias as Sec'y-Treas. and Dave Fortune on the Council. John Bennhoff as president of the Sophomore Class, Phil Shriner Vice President, Dan Howe president of the Council and Dick Miller also on the Council. Larry Gump has been elected as Vice President of the Junior Class at Huntertown and Dave Holmes as Vice President of the Sophomore Class.

Dave Bennhoff was Boys Single Tennis Champion and Tom Campbell won five Blue Ribbon awards at the annual Indiana State Palamino Horse Show in Frankfort.

If you want to try out for parts in the DeMolay Degree, please contact "Dad" Riethmiller as there are many parts available.

IMPORTANT—Indiana DeMolay State Conclave will be held at Lafayette on October 28, 29 and 30th. A fine program has been planned and if you are interested you can obtain full information from M.C. Terry Miller who is Conclave Chairman or Co-Chairman Scribe Bob Passwater or call "Dad" R. A fine program has been arranged and the cost is reasonable. Reservation should be made at once.

DEMOLAY MOTHERS CIRCLE

The DeMolay Mothers Circle met at Franke Park for a picnic in September and opened their fall activities with a grand turnout. Each and everyone enjoyed the Fashion Revue sponsored by Hutner's Paris.

Donuts and Cokes were served to 160 DeMolay boys the evening of September 13th by Mrs. Boyd Snyder, Mrs. Ralph Pettit, Mrs. True Sheets and Mrs. Danley Schiebel.

The October meeting will be held at the home of Mrs. Ora Boone, 1235 W. Berry Street at 7:45 p. m. on the evening of October 24th. Mrs. Roger Stroble will be chairman of the committee and she will be assisted by Mrs. Boone, Mrs. Ralph Bromelmeier, Mrs. H. E. Burch, Mrs. Harold Dimmich, Mrs. Guy Fardal, Mrs. Joe Fuzy, Mrs. Florence Gibbs, Mrs. Clifford Hake, Mrs. Lloyd Harshman, Mrs. Dave Lansky, Mrs. Wayne Major, Mrs. Thomas Patterson, Mrs. Berton Pontoni, Mrs. George Scott, Mrs. Paul Spears, Mrs. George Spice, Mrs. W. C. Stephens, Mrs. James Stephenson and Mrs. Raymond Vass. Mrs. Stroble promises a very interesting evening but would not commit herself, so better not miss the evening.

MARK OF A MASON

The distinguished marks of a Mason are not found in the fiber of his garments nor his social or financial standing, but are spiritual. Namely, a chivalric head, a compassionate heart, a prudent tongue and a courgeous will; all devoted to our country, our lodge, our homes and each other. These are the distinguishing marks of a Mason.—Masonic News.

Greetings from your new line of officers. The annual election was held September 16 in the Egyptian Room of the Masonic Temple. The following compaions were regularly elected to the respective office: J. S. Andrew, High Priest; Nicholas Jett, King; John Kurtz, Scribe; Harold O. Martin, Capt. of Host; Fritz Ruoff II, Prin. Sojournor; Louis Kock Jr., Royal Arch Capt.; Richard B. Jones, Sec.; Sam Evans, Treas., and Harl Bradley, Trustee. Appointments to the line were made as follows: Master of 1st Veil. John Collins; Master of 2nd Veil, Eugene McMeekin; Master of 3rd Veil, Langsdon Mansfield: Chaplain Pro Tem, Glen Myers. and Henry Haessert, Guard. All officers except Jett and Kurtz were installed immediately after election.

The meeting was started at 6:15 p. m. in the Kitchen of the Temple by some 30 or more companions partaking of a steak supper, having been prepared by Companion Mansfield and assisted by others in the line. If you were not present you missed a very fine hour of fellowship and an excellently prepared meal topped off with the serving of home grown cantelope for dessert.

Companions our work will start with Thos. R. Marshall participating in the conferring of all York Rite degrees along with the other regular bodies of the York Rite. This event will take place October 27, 28 and 29. Watch the newspapers and other Masonic publications for a detailed program. Petitions for any part of York Rite should be immediately given to your officers or to any member of the York Rite Association which consists of the top 3 officers of Chapter, Council or Commandery, as the governing body.

Plans for the conferring of the Royal Arch Degrees on any petitions received after the October dates will be announced at the stated meeting on October 21.

Every newly elected High Priest anticipates a busy and successful year and with such a fine line of companions to assist me in the year's work ahead it will be necessary that every companion of this chapter shall endeavor to interest all Master Masons in seeking further light in Masonry and particularly the light as we have received it in the Royal Arch Degree. With this thought in mind I specifically charge each Past High Priest of this chapter to secure a blank petition and carry it with him in order that he will be able to bring at least one petition during the ensuing year. Any Master Mason is eligible to petition for the Royal Arch Degree as soon as he has been made a Master Mason and each companion has sworn that he will dispense true Masonic Light to his less informed brethren. Therefore Excellent Companions let each one of you be accountable for one petition, and after you have presented it, a favorable vote taken, present yourselves in Lodge Hall and participate in the work. I am sure you all are willing to assist in this Fine and Noble Work, even the most humble.

Your High Priest will attend the Grand Chapter Meeting to be held in Terre Haute, Ind., October 19 and 20. I appreciate the privilege, which you have conferred upon me in this last election and the Honor which attends the New High Priest at the Grand Chapter Meeting. I trust I shall see several of the Past High Priests of Thos. R. Marshall there.

SOOTHES ARTHRITIC PAIN

Now, Science makes it possible, for the first time, to apply two of mankind's most famous healers simultaneously for the relief of pain of arthritis, bursitis, fibrositis, and sprains.

Brothers, there is one date I want you to remember, and that is Monday, October 24. This is the date of our Visitation to the Veterans Hospital. We meet at the hospital at 7:30 p. m., and visit the patients until 9:00 p. m. This is very worth while, and is appreciated by the patients. Please contact Brother Donald Stoneman and tell him you will be glad to help out.

We will have our annual Family Night, Tuesday, November 22. Brother Tom Wallheiser, our Senior Warden, is in charge of this affair, and I know is going to have a fine program. Be sure to reserve this date.

We will have several candidates in October, so come to Lodge and renew old acquaintances.

At our stated meeting in September we had a special election to fill the vacancy of Treasurer, caused by the death of our beloved Brother Melvin Druckemiller, who was our Treasurer for 23 years. By unanimous vote Brother Herman Rausch was elected Treasurer for the rest of the year. He was installed that same evening, and we congratulate him and hope he will enjoy his work.

On Tuesday, October 18, at 7:00 p. m., we will have Lodge of Instruction conducted by Brother Firestine, Grand Lecturer of Grand Lodge. We invite you to be with us on this occasion.

Will we see you in Lodge next Tuesday?

DAVY CROCKETT, MASON

Davey Crockett, "king of the wild frontier", was a member of Ancient Craft Masonry in Tennessee, according to John A. Mirt, publisher of "Masonry on Postage, Stamps."

He gained reputation in Tennessee, as an Indian fighter in the early part of the Nineteenth Century and with William D. Travis, a Mason, in 1836 attempted to defend Ft. Alamo against an attack by a large Mexican Army.

Everyone of the defenders sacrificed his life, but not in vain. With the battle cry "remember the Alamo", the Texans went on to gain independence.

Crockett also represented his District in Congress for three terms.

The two Masons pictured on the Texas Three-Cent stamp for 1936, number 775, were Genreal Sam Houston, First President of the Republic of Texas, and Stephen F. Austin who is called "the Father of Texas."—Kansas Masonic Digest.

We will have Lodge of Instructions, October 24. Come to that and see how proficient your Lodge Officers are.

October 1, your Worshipful Master is going to Franklin to the laying of the cornerstone of the new nursing hospital. It will be a great event in our Masonic history and should be attended by all Masons in the State of Indiana. This will be where we will spread the cement that unites a building into one common mass. In this building we will spread the cement that unites us into one sacred band of friends and brothers.

We have one petition in process for the Degrees of Masonry. The candidate is the son of Past Master William Harter, namely William W. Harter. The work will be put on by Past Master Harter and son George Arthur Harter and son-in-law, Kenneth Bandelier. The work will be all called meetings on Saturday nights due to the fact the candidate is attending college. These should be very interesting events also. Billy just recently returned from the armed forces in Korea. A good attendance will give him much more encouragement in the work.

Lodge for Instructions with Grand Lecturer, Brother Lenis Firestine, was held at Bluffton on Tuesday, October 4, with both Ossian and Bluffton participating in the exemplifying the Fellowcraft degree. Many points of useful information and instruction were given by our Grand Lecturer.

Our Annual Homecoming will be Monday evening, November 7, with the banquet served at the Methodist church at 6:15. All members are requested to meet at the lodge hall before going to the church for the purpose of registering and receiving reservation tickets. After the banquet we will return to the lodge hall for a program.

A Christmas party for all Masons and their families is being planned, so look for the date in later publications and we will be looking forward to seeing you and your family.

Our stated meetings are proving very interesting and the participation of all members is needed to make of our lodge all that is expected in light of our Masonic teaching.

Sentinel, Arthur Walda. Jack Adams was re-elected Trustee for three years, and Paul Bullard was elected to fill the unexpired term of Trustee Ed Klomp.

Companion Ed Horton closed this year with a gain not only in membership but in finances as well. I hope that I can do as well.

You have heard, I am sure, about the All-Degree Days, sponsored by the York Rite Association. We are pleased and proud to announce that Indianapolis Council No. 3, will confer the Super Excellent Master Degree in the Commandery Room on Friday Evening, October 28, at 8 p. m., following a dinner in the Masonic Temple. This degree was last presented here in 1948, and many York Rite members will welcome the opportunity to receive this wonderful degree. The fee is $5.00, which includes the dinner. There are no dues connected with this degree nor is it necessary to file petition. Just deposit your $5.00 fee with George Gable, Recorder of the Council.

Indianapolis Council will travel here by chartered bus; and as they have presented this degree in several large cities, within a two hundred mile radius of here, I am sure that everyone will want to witness their work. They bring their own props, etc., and I know that you will find it an evening well spent.

Invitations are being extended to surrounding councils to send their candidates if they desire to share in this work.

Of course, if you have Masonic friends, who want to take the two degrees in the Council, that work will be conferred on Friday afternoon, October 28, at 4 o'clock P. M Try and have petitions in by our next Stated, Wednesday, October 19.

Don't forget the dates, October 27, 28, and 29—All Degree Days—York Rite. Come and join in the fellowship.

Your Commander-in-Chief thanks each of you for your assistance in making the Fall Convocation such a success. Without your help it could not have been. Thanks to the brethren from Huntington for the splendid manner in which they exemplified the 24th degree, and also the brethren taking parts in the 23rd, 29th and 32nd degrees. Many thanks to Illustrious Brothers, Knowlton Kelsey, A. Lee Johns and Melvin G. Honeck for their great assistance in directing the degrees.

Before and during a Convocation unexpected developments arise that could and do sometime cause great concern. I am happy and proud to relate that as each such unexpected development arose there was always a brother who, when his aid was asked, replied—"Gladly, and at any time I can be of assistance just let me know". Brethern, then you realize how grand it is to be Scottish Rite Masonry and associated with such wonderful men.

Now that the Fall Convocation is past we will turn to planning for our Spring Convocation. To plan in every way to the end of making it the best ever. Your officers assure you that with your same suport and assistance it will be done.

Companions:

The "All Degree Days". planned by the York Rite Association, are now a thing of the past. The Council work given Friday afternoon to a class of nearly forty candidates was presented in a very fine manner. After a delicious dinner, prepared by Lawrence Miller, the Super Excellent degree was given in the auditorium by Indianapolis Council No. 2. There were nearly one hundred candidates to witness this work. We are indebted to the visiting Companions from Indianapolis for making this special trip to exemplify this work. I wish to thank all Companions who had any part in making their visit enjoyable. The degree workers requested various properities and personnel to share in the work, I want to thank, personally, all of those Companions who voluntered to work in the cast and supply their every desire.

We have learned many things from this evperience, and if the idea of "All Degree Days" is to be continued, I am sure that a few changes will be made.

Our Recorder, Campanion Gable, informs me that our Grand Lecturer will be here to witness the Council Degree on Thursday, December 8. This will give the officers a chance to perfect themselves in the work. Our next stated assembly will be November 16. We shall look forward to seeing you.

My thanks to all those who helped make the Homecoming Centennial Celebration a success.

'It must have been one of those lovely autumn days which only New England knows: A high blue sky with fleecy clouds, cool sweet air soft as the down on the breast of a swan, light in a flood of glory pouring through the crimson and gold of the forest until the place was like a cathedral reared t othe honor and praise of Almigthy God. In that setting and in that spirit, the first Thanksgiving Day was celebrated. So it was that a great American tradition was set to become deep-rooted in the minds and hearts of countless generations.

No man lives for himself alone. Divine law decrees that each life shall touch the next on down through the ages, so that the good men do is compounded, and the evil reduced to nothingness. If there was harshness in the Pilgrims' way of live, there was also spiritual strength and beauty, and these have come down to us. If selfishness and narrowness limited the spirits of the Founders, their vision and their love of liberty were unlimited and these also have come to be our own. If in the hearts and minds of our leaders there has been ambition for place and power, there was also faith in our country's future. love for its institutions, respect for its standards. These, too, have come down to us. Through the years this rich inheritance of courage, faith and power has been ours. This compound of good has enriched and beautified our lives.

Let us resolve that we in our turn will pass on to those who come after us a tradition of faith in our way of life, of courage, of human decency and spiritual living that will prove us worthy of the great American tradition."

We observed Veteran's day at our first meeting in November. A very appropiate program was presented by our program chairman, Gertrude Knight.

We are now six years old, getting stronger and healthier every day. At our last meeting we celebrated the occasion with a birthday party following Assembly. The traditional birthday cake with it's six candles all aglow; bright and shining, graced the refreshment table. During the meeting, we recognized all the charter members and also welcomed the very new ones, some of whom had just received the degree, that night. Under the supervision of our program chairman, Gertrude Knight, the high lights of our "past" were reviewed as we recalled our many pleasant associations we have shared together.

News has been received that all dates for the remainder of the year have been cancelled by our Supreme Worthy President. She is seriously ill in the Montana Deaconess Hospital in Great Falls, Montana. We are all deeply concerned and pray for her speedy recovery.

We are happy to report that Sir Knights Jack Adams and Charles Dixon are recuperating satisfactorily from recent operations.

Helen Moore entertained the sewing group at her home November 1st. That meeting terminated the sewing for the year. Geneveive Wagner will entertain this group on December 7th at a Christmas party in her home. Carmen Utterback was the hostess to the night group in her home November 28th. At these evening meetings the girls make the cancer dressings for the Allen County Cancer Society. These dressings are so vitally needed and we urge you to attend and help to do your bit.

Thank you, Willodean Todd and your fine Ways & Means committee for your successful card party November 21st. And a big thank you too, to chairman, Helen Brecount and Thelma Jone and their girls for their help with the banquets for the York Rite and Scottish Rite Convocations.

At our next meeting December 6th, we will have the annual election of officers. We are reminded that we have an obligatory duty to perform so let all of us assume that obligation and responsibility. Come one, come all. WE WILL BE EXPECTING YOU.

Another month has gone by, and once again we want to thank you for your loyal support in helping with the degree work. However as pleasing as this is to your officers they feel that with the large membership we enjoy we should get a better attendance.

If you have not attended or signed the register this year make a special effort to do it during the month of November. We have a fine class of candidates for this month.

Maumee will have a Master Mason banquet at 6:30 P. M. Novembers 30th in the temple dining room. Please reserve that date and join us in our annual get together.

MASONRY WILL CONTINUE TO GROW

From its very inception Masonry has forbidden solicitation as a means of building up a greater membership. The beating of drums in putting on membership drives is not at all necessary. There is something in Masonry which attracts men, and it is for them to decide whether they wish to make an attempt to join or not. It is still the law of the Craft that men must come in of their own free will.

No man, however humble, should be kept out—if his life is clean—and no man should be admitted whose character will not bear closest scrutiny.

It is argued by some that if we keep on waiting for men to knock on our doors, seeking admission, the future will find our ranks depleated. To prove the folly of such a statement we need only to point to a constant growth in numbers year after year, while being governed by the laws which some would like to discard as being obsolete.

There is no need to worry about the future growth of Masonry. As long as its affairs are conducted upon the same high plane as has existed throughout the life of the Craft, men will recognize that here is something good which they need, and they will continue to voluntarily seek admission.—Orphan's Friend.

I must commend the officers for your splendid cooperation and the efficient manner in which you are performing the duties of your new stations. Being installed into two stations in the same year renders quite a responsibility. I express to you my appreciation of your fine work during this year.

November is an important month for Sol D. Bayless Lodge. Our annual Home-coming and Past Masters Banquet will be held Monday, November 28th at 6:30 P. M. Dr. J. W. Fox, Chaplain at Parkview Memorial Hospital will be the speaker. Both 50-year and 25-year awards will be presented.

Please mark your calendar and make every effort to attend this affair. Let the new members of the lodge see and greet those who really comprise Sol D. Bayless Lodge. Return reservation cards will be mailed to all members.

We will be forwarding our check soon for the balance of our quota for the Voluntary Contributions to the Masonic Home Memorial Fund. If there are any of our new members or any other members who have not as yet made your voluntary contribution to this noble cause it is not too late to get it into the hands of our secretary if you do so promptly. We are gratefully proud of the response of our members. The investment of nearly $3,300.00 our members have voluntarily made to this new Hospital will pay dividends eternally to those of us who had the opportunity of giving to this project.

We extend get-well wishes to Bros. Frank Chalfant and Fred Bischoff who are in the St. Joseph Hospital and also the same good wishes to all sick brothers among our membership.

VIEW OF WORLD MASONRY

Freemasonry's army of 5,000,000 members scattered throughout the world faces the dangers of the atomic age — and its promises — with courage and faith. When one considers there are 4,000,000 Brothers in the United States and 550,000 in England, a scant million represents the rest of the globe. How fares the Craft in other countries? Freemasons in Latin America are pressed in many cases under two heavy feet — the national dictator and the dominant church. I Columbia Laicism (preisthood and Laity) has reverted back to medival persecution. In other South American countries Masons risk family, livelihood, home — even life — for their principles.

In historically tolerant Netherlands the Craft has made gains. Resumption of Masonic labors in Germany continues to grow after decimation by Hitler and the Gestapo (membership dropped from some 70,000 in 1933 to 10,000 in 1950). About 5,000 Brethren in the Soviet East Zone are completely cut off from all contact with their Brothers in the Western Zone. Masonry in Austria still suffers from the death blow delivered by Emperor Joseph II back in 1785. The news from Greece is good and many Lodges have reopened after World War II ravages. Little Finland, which gave Masonry the great composer Jean Sibelius has only seven Lodges left with a mere 325 members. In poor Hungary the government has taken over Masonic properties and padlocked Lodges. Italian Masons have their problems with Church and Communist oppression.

Bits of information leaking through the Red Curtain say the Communists have not directly assailed the Chinese Grand Lodge or its six subordinates. Chinese Brethern have been given a broad hint that the regime in power regards the Craft as a quasi-religious organization, not subversive to their rule, and thus ignored. In Hong Kong, English, Scottish and Irish Lodges operate. On Formosa, where Nationalists hold fast, there are leading officers of the American Military Group who are Masons. Chiang Kai-shek is a Mason, as are many high officers in the Nationalist movement. A quick roundup of Masonry around the globe. . .growing under the fertile, protection of free nations. . .reeling, holding on, sometimes going under where the Dictator and Church hold sway—Masonic Inspiration.—Ohio Mason

The fall convocation of 1954 was very successful in every respect. With the night class joining the regular reunion class on Friday evening, we had nearly 200 candidates complete their work.

The banquet was held on Saturday evening at 6:30 o'clock. A large number of the membership was present to hear Dr. I. Lynd Esch, president of Indiana Central College of Indianapolis. His talk was well received.

Brother Al Hastings, Commander-in-Chief of Fort Wayne Consistory presided as toastmaster. Music was furnished by the Scottish Rite choir under the direction of Brother Robert F. Shambaugh with Brother Harry Brattain at the piano.

We wish to remind our members that the annual children's Christmas Party will be held on Sunday afternoon, December 11th at 2:00 o'clock in the Scottish Rite Auditorium on west Berry St. Please note that this will be at the auditorium and not the Scottish Rite Cathedral. On New Year's Day, we will again hold open house for all Master Masons in the Cathedral. Lunch will be served at noon.

The Scottish Rite office wishes to announce that the 1956 dues cards are ready. A ladies courtesy card will be given to each memeber at the time his dues are paid.

About fifty Master Masons attended the inspection of Waynedale Lodge on Thursday evening, October 13th. Three Rivers Lodge No. 733 of Fort Wayne was our guest that evening. We received much helpful instruction from Brother Firestine the Grand Lecturer of the Grand Lodge of Indiana.

As we have several candidates, we shall be busy every Wednesday evening during November.

We especially ask you to be present at our annual meeting which will be held Wednesday evening, December 7th, when our officers will read their reports for the last year and new officers will be elected for the coming year.

Several events of importance have taken place since the last article. Also, the wonderful enthusiasm with which you began the year has been continued and we are almost snowed under with petitions for new candidates. However, believe me, in this case being snowed under is both a pleasure and a satisfaction.

We held our first initatory degree October 25, and I want to commend my officers on the wonderful job that they did. I also wish to thank all the masons who attended the degree. We certainly do appreciate the presence of visitors at our dagrees, and I hope that you will all come back. The 25th was also the last chance to turn in petitions for my term. The petitions turned in on that date brought the total for the term to 127. This is an almost unbelievable number. It easily breaks the record for petitions for one term, and I want to thank each and every one of you for your wonderful support. I certainly do appreciate it.

Our annual hayride was held on the 15th of October despite of some threatening sprinkling preceding the hayride. However, the weather cleared up all right and the evening was a highly successful one. We had around 550 people at the hayride, and I am sure that everyone enjoyed themselves to the utmost.

The folowing Monday we had another annual event—the Fother-Son Night. The turnout for this was very large, and I want to thank all who came. Entertainment was provided by the Shrine Chanters following speeches by my father, Mr. Lloyd L. Miller, Mr. Herbert K. Dewees, president of the advisory council; "Dad" Riethmiller, and Noble Herman Phillips of the Mispah Shrine. The Chanters were directed by Mr. Lester Hostetler. Refreshments were then served in the dining hall.

In behalf of the chapter I want to thank the Mother's Circle for the pedestal which they gave us. It matches the candelabra, which they had given us previously and will be a wonderful addition to our chapter room.

I wish to extend my deepest sympathy on behalf of the chapter to the family of Mr. Charles Shoppell, who passed away on October 21.

I am very happy to say that Bill Pifer, the boy who, as you remember, broke his neck two summers ago, is coming along fine. Bill is a fine boy with a lot of will and determination to recover completely, and we wish him the best and fastest road to recovery.

Again I want to thank you all for the wonderful enthusiasm which you have shown in our drive for new members as well as at Father-Son night and the hayride. I hope that you will continue to do as fine a job during the remainder of my term and that of the next master councilor. Thanks again.

"A word from "Dad."

An Initiatory Degree will be held on Tuesday November 22nd with a class of 50 candidates. The DeMolay degree will be conferred on a Fort Wayne class of 127 young men on Tuesday December 13th in the Scottish Rite Cathedral Auditorium. This class is known as the "William Pifer Class" in honor of Bill who has been confined at home because of an accident over a year ago. By determination and faith Bill is making progress and we hope he will ba able to attend this fine meting.

"Dues"—DeMolay 1956 year begins October 1st and dues are delinquent January 1st 1955. Fellows, dues notices will be mailed to all not having their dues paid by December 1st. This is a mans sized job and also a big expense to the Chapter so PLEASE PAY YOUR DUES NOW. If you are unable to attend Chapter, please mail them to Robert Passwater, your Scribe 1929 Lawndale or to Dad Riethmiller, 450 Englewood Ct. You must have 1956 dues card to attend the Holiday Dance on December 28th.

DEMOLAY MOTHERS CIRCLE

The DeMolay Mother Circle met in the home of Mrs. Ora Boone for their October meeting, with Mrs. Roger Stroble, chairman and her committee providing a very entertaining evening. It was so nice to have Mrs. Riethmiller back with us. Even tho' she only missed one meeting we all missed her and wish for her a speedy and continued recovery.

October was a very full month including such activities as the Hayride, Father and Son night and the serving of refreshments following initiation. Thanks are again due to all of those who assisted in each of these undertakings. Ample help at such times means a lot in making these events a success.

Our November meeting will be held at the Sears Pavilion with Mrs. Ross Strodel acting chairman, assisted by Mrs. Homer Altevogt, Mrs. Willis Baumgartmer, Mrs. Eldon Bell, Mrs. A. E. Bloom, Mrs. Austin Brooks, Mrs. George Buelow, Mrs. Alex Campbell, Mrs. Ralph Day, Mrs. Richard Flowers, Mrs. Harold Fox, Mrs. Donald Kern, Mrs. H. M. Kissenger, Mrs. Bernard McBride, Mrs. Paul McDowell, Mrs. Carl Marker, Mrs. Kenneth Omerod, Mrs. Ninian Orn, Mrs. Clyde Rosenberger, Mrs. Ervin Stephan, Mrs. George White, Mrs. Eugene Foreman, Mrs. Oretha Hern, Mrs. O. F. Hofer, Mrs. Dale Hart A fery fine program has been arranged by the committee. Again it is something very different and worthwhile, so please make your reservation early.

Our Xmas Party will be December 5th at St. John Ev., Reformed Church. Since this is so close to the November meeting please make a note so you won't miss it. Arrangements will be announced at the November meeting.

ON HIS HIGH HORSE

(Sandusky Masonic Bulletin)

Knights of our present day Commanderies arenot so heavily equipped as were knights in former days. When a knight was fully clothed in his armor, equipped with all his terrible weapons and went parading through the village, it required a very large horse to support him. The knight was said to be "on his high horse," in contrast with the smaller horse for hunting. From this has originated our saying that a person is "on his high horse" when displaying special aggressiveness.

MASONRY, GREAT INSTITUTION

In the great institution of Freemasonry every individual has his place to fill just as each part does in a well ordered machine. But the adaptation of one's opinions to those of his brethren does not mean curbing of his own personality, nor the withholding of his own convictions into such relations with those of his brethren that peace and harmony prevail and solidarity of the institution is preserved.

A MOST USEFUL LIFE

Edward Livingston, fourth General Grand High Priest of the General Grand Chapter of Royal Arch Masons had the unique distinction of serving as Congressman from New York, Senator from Louisiana, Mayor or New York City, Secretary of State under Andrew Jackson and U.S. Minister to France. He served as Deputy Grand Master of the Grand Lodge of New York. It was of him that William Howard Taft once said: "I know of no American who had so varied, interesting and useful life as Edward Livingston."—The Breastplate.

At last the "York Rite Ceremonial" is now history. Many of the Companions assisted and attended. They along with the officers of your Chapter know what a success we have had. Our Chapter exalted eighteen Royal Arch Masons in this class many advanced on the Council Royal & Select Masters, Super Excellent Degree and Commandery. The officers of the various York Rite bodies and York Rite Association are so pleased with the success that they are laying plans for another Ceremonial early next spring. Each Companion can help with another success by encouraginb a Blue Lodge brother into petitioning for York Rite Masonry. I am sure they will never regret it.

Fort Wayne Chapter will hold it's regular monthly convocation November 21, 1955. The Officers are looking forward to seeing you at that time. We are looking for at least 30 or 40 that would like to take an active part by assisting with our degree work. Attendance alone will be a big help.

No doubt several of our Companions are ill altohugh I don't have names of them. We hope and pray for their recovery.

Your High Priest and King attended the Grand Council and Grand Chapter asemblies held at Terre Haute, October 20 to 22 and enjoyed every minute and have renewed our inspiration in promoting this Noble and Glorious Work of the York Rite.

Don't forget our meeting November 21, 1955. Also present the petition of a worthy brother.

THE GREAT LIGHT

By George Edward Bushnell, 33° Sovereign Grand Commander of the Supreme Council A. & A. Scottish Rite of Freemasonry, N. J. U.S.A.

It is no secret that at the center and heart of our worldwide system of morality is the Great Light of the Holy Writ. There, symbolically open for all to read, study and interpret for himself without the aid, coercion or influence of another, is found our greatest strength and, perhaps, our greatest weakness. For in our determination to preserve undiminished the universality of our art, we have been loath to emphasize that the spiritual hunger of man cannot be satisfied without encouraging the individual study of the undiscovered mysteries of the Sacred Writings.

Men say, too often, that Freemasonry is religion enough. It is not a religion, nor is it a substitute for the Church. We are careful to avoid all reference to creed or dogma. We keep our lodges as places of fellowship for men of every race and creed. We impose but one test upon our initiates, and we are not concerned with denominational viewpoints. Our task is to build character in the heart and soul of man.

That is also the task of the Church, but the Church has a broader mission —that of seeking and saving men from sin. Its ultimate goal is salvation here and hereafter. The Church and Freemasonry are the only institutions of ancient times which have survived the ravages of time. They complement each other and, to this end, Freemasonry is the handmaiden of the Church.—Lafayette Temple Builder.

We will have our Annual Family Night, Tuesday, November 22. You will receive a card in the mail which when returned will be your reservation for the affair. Please return the card as soon as possible. Our Senior Warden, Tom Wallheiser, is going to have a fine program and our Junior Warden, Ray Girardot, will have a fine dinner for you. The entertainment will be the South Side High School Concert Choir and for the Kiddies we will have George Troxel and Danny O'Grady a ventriloquist team.

We will have quite a few candidates for the month of November so come to Lodge, help with the work and renew old acquaintances.

Several months ago the following appeared in this column and I believe it is worth repeating.

During the period of a year several petitions are presented before the Lodge for consideration and many are selected to receive the degrees of Masonry, yet, I wonder how many sponsors of these petitoners follow their progress, in Masonry. The two Masons who recommend a petitioner have a responsibility that does not end with their signatures on the petition. If you invite a guest to a gathering in your home you make sure that he meets all your other guests and is made welcome and comfortable. Isn't the man whom you recommended to Freemasonry entitled to the same courtesy? As his sponsor is it not your duty to assist him with his work and take an interest in his progress? I really believe it is and you will also be helping those who are active in conferring the degrees and in coaching. If you recommend a man to Freemasonry satisfy yourself that he is receiving that which you recommended him. In doing this I know you will be happy for having taken such an interest and you will be helping your Lodge to extend a friendly hand with a personal touch.

See you in Lodge Tuesday and we will be looking for your whole family Tuesday November 22.

THE REAL MASON

Masonry teaches that one can have strength of character only as he is capable of controlling his faculties; having a high objective, and pursuing it regardless of any difficulty. Albert Pike has given us a statement concerning symbolism, which gives emphasis to this thought: "The symbolism of Masonry is the soul of Masonry. Every symbol of a lodge is a religious teacher, the mute teacher also of morals and philosophy. It is in its ancient symbols and in the knowledge of their true meaning that the preeminence of Freemasonry over all other orders consist. In other respects, some of them may compete with it, rival it, perhaps even excel it; but by its symbols it will reign without a peer when it learns again what its symbols mean, and that each is the embodiment of some great, old rare truth." A good character is a Mason's best testimonial. The materials of the first temple were made ready in solitude. Those of the last temple also must be shaped in retierment, in the silence of the heart.—Masonic Quarterly.

Brethren Wayne Lodge will again be busy during the month of November. We have three petitions to ballot on at our stated meeting. Should the ballot be favorable we will have our regular degree work.

November 18, 1955 we will hold our annual Dinner and Square dance won't you help us have a large attendance by being present. As usual we will have refreshments after the Fellow Craft degree.

The Fellow Craft Club under the direction of President Si Hastings has been doing an excellent job both in the degree work and in the presentation and serving of dinner each Master Mason night. They are deserving of better support from the membership. Lets all turn out as much as possible the rest of the winter season. By doing so you will help the Lodge and help yourself to be a better man and Mason.

Brethren our Master Mason degree will be given on Wednesday night November instead of Thursday due to Thursday being Thanksgiving Day. At our Master Mason Degree we will present fifty year pins to two of our Brethren. Lodge will open at 7:00 P. M.

To the members who are unable to attend our meetings due to illness I wish you a speedy recovery and hope you will be able to attend lodge soon.

Our annual stated meeting will be December 1, 1955 dinner will be served at 6:30. There will also be election of officers at this meeting. Be sure to hold this date open so you can attend our most important meeting when the Officers for 1956 will be selected.

Wayne Lodge will be host to the Past Masters Assn., on December 29,1955.

Friendship is like the Weather
Friendship, my friend, is like the weather;
Sometimes for days and days together
There's not a cloud—the sun will shine.
For I'm your friend and you are mine,
So let's cheer up, forget and smile;
It can't be sunny all the while.
Look up and laugh thru tears and rain,
Forgive, and let's be friends again.

Greeting Sir Knights!

Your Commander is a little at a loss how to write this column as this story has to be in just nine days prior to the actual holding of our first York Rite Days. But as this is being written there are 23 petitions to be voted on at our October state conclave. This is not the largest class on record by any means but it does show what cooperation between the York Rite Bodies can do. The next and following convocations should be even biger and better.

By the time you read this most of this class will have been Knighted with Order of The Temple being held on November 1st, 10th, 15th, 19th and December 1.

Our annual inspection will be Saturday December 3rd. Sir Knight Don Thrasher, Chairman of the dinner committee, has promised us turkey for that night. So get your reservation in early. Hand your reservation for you and your lady to either Sir Knight Don Thrasher, E,4316, Sir Knight Stan Putman, E-6275, Sir Knight Grey I. Wagner A-9337 or myself A-56632. Dinner will be served promptly at 6:30 P. M. To help defray the cost of this dinner a free-will contribution will be taken.

Then put a big red circle around the following dates: Annual Meeting December 15th; Christmas Observance December 22nd and Combined installation of Officers of the Beauçant and Commandery on December 29th. These installation ceremonies are open to all Master Masons and families.

Sir Knight Charles Dixon and Wayne Kruse have been on the sick list. We hope to be seeing you both around soon again. We have been missing you.

Sir Knight Harry Haller is doing an outstanding job with the Drill Corps. Come up Tuesday nights and get in some genuine recreation that will do both you and your Drill Corps a world of good.

"Worthy Companions Night" was observed in our Shrine on October 3rd. A banquet was held at the Ranch Hobby House in honor of our Supreme Worthy Chaplain, Margaret Dutch of Tulsa, Oklahoma, after which the regular meeting convened at the American Macedonian Hall. Worthy Chaplains from Shrines in Indiana, Ohio and Illinois were guests of the Shrine. We were also honored with the presence of sojourner Zelma Kah and Vivian Perish, Past Supreme Worthy High Priestesses, and our own Robert Quinn Past Supreme Watchman of Shepherds.

The meeting was designated as "Obligation Night" and this was presided over by sojourner Belva Kirk, Worthy Chaplain of our Shrine. A reception for all sojourners and guests followed the meeting and sojourner Belva presented each one present with a very lovely favour, her personal contribution to the occasion.

Saturday October the 8th a group of twenty-two sojourners journed by bus to Indianapolis to attend the Indiana State Association. It was a very enjoyable trip and a very successful meeting. Sojourner Myrtle Glass, Noble Prophetess was installed as one of the assistant secretaries. Sojourner Aaron Gearhart was installed as National Color Bearer for the ensuing year.

Monday October 17th our Fall Ceremonial was held for a class of candidates. Due to a fair in the building where the Rummage sals was to be held, we have posponed the rummage sale until January 27 at 2028 South Hanna. Bring your Rummage.

Friends Night will be November 21 st. We are expecting many guests from over the state and a delightful program has been planned.

By the time this reaches our sojourners this event will be passed, but we are very happy to announce here that sojourner Catherine Fries and her husband celebrated their fiftieth wedding anniversary October 26th. Our very best wishes for your golden years ahead.

Illness in our Shrine Edith Ball was injured, Minnie Kase is recovering from a recent illness, Emma Golden fell and injured her hip, Marlyn McComb is ill, Erlene Putt fell, Ruth Hickman has been very ill, C. Elmer Chalfant is ill. Florance Narhwald is improving, Lyda Close is improving.

Illness in Families—The husband of Shirley Bly suffered a slight stroke. The granddaughter of Clare South is ill. The father of Ruth White is improving.

To all of those ill we wish a speedy recovery. To those in sorrow, our deepest sympathy.

Brethren—Again I will attempt to tell you about the most important events that have happened since my last writing.

As we had no degree work in the past month your officers and I have carried on rehearsals each lodge night to keep up our proficiency.

I was fortunate to attend our annual Masonic Home Coming and I can assure you that it was a day well spent. There was an enormous crowd of visitors to enjoy the good entertainment. We all can be very proud of our Indiana Masonic Home.

Your Senior Warden and myself were also fortunate to be able to attend the corner stone laying of our new nursing hospital which was a most inspiring experience. I only wish many more of you could have been there. I am sure it will be an edifice of which we can be proud.

I want to bring to your attention our Past Masters Banquet, December 6, 1955 at which time we will have as our speaker Dr. George Davis, Dean of Adult Education at Purdue University. His subject will be "Hoosier Philosophy." He has been highly recommended to me as a humerous speaker and I feel this evening will be one of your most enjoyable and one you will not want to miss. You will receive more information at a later date.

November promises to be a busy degree month so may I say I'll see you at lodge.

October was a very busy month for our Chapter. Allah Signet pleasantly surprised us at the first meeting with two of their members, sisters Rose Roae and Jennie Greek, giving very interesting comments on their visit to General Grand Chapter.

At the time this goes to press Friends' Night is still in the future with much work and planning being done by the officer and committees. But by the time you read it, there'll only be the pleasant memories of having met with so many good friends. Also inspection with Shiloh Chapter will be history.

The Officers and committees work very hard to have interesting programs each and every time so if you haven't been to Chapter recently why not come to the very next meeting and enjoy it.

Teach us O Lord, to love the world and always strive to be,
Of greater worth and benefit to our community.
To be unselfish in our hearts and with our every deed,
To serve all men fraternally however small their need.
So guide us Lord, and give us grace to do our humble part,
For universal welfare and for happiness of heart.

We are now in the midst of the autumn season. The corn, beans and potatoes have been harvested. The walnuts and hickory nuts have been gathered and stored for later use. The leaves have fallen and the house readied for the long winter nights.

The official visit of our Worthy Grand Matron has come and gone. The Commandery Room was decorated in true Eastern Star elegnence. A fine inspection was enjoyed by all who were present. Everyone was inspired by the gracious manner in which our Worthy Grand Matron Sister Velma Vanderkolk of Lafayette delivered her address to the members of Trinity and Fort Wayne Chapter. Trinity Chapter gave the opening and closing ceremony and Fort Wayne Chapter did the initiation.

The Bake Sale held October 15th at Wolfe & Dessauer's was a huge success. Also, the Saurkraut Supper which was a new project never undertaken before, was a great success. To Catherine Robb who carried the burden of those two projects as chairman of Ways & Means goes a great deal of thanks. Little one realizes the amount of work it takes to plan and put into shape all the details to make such projects successful. To the many who donated baked goods and to the girls who helped Catherine to make the Saurkraut Supper a success also goes our thanks.

Don't forget to gather your many cast away articles for the rummage sale to be held November 14th at 2031 South Lafayette St. If you cannot deliver it there, call Catherine Robb, H12777, or Anita Silkworth, E-5920, and they will be happy to pick it up.

The committee meetings scheduled for the month of November are as follows:

November 7—Cheer, Mrs. Grace Truby, 440 Englewood, hostess, Mrs. Marie Biggs, assisting hostess.

November 8—Ways & Means, Mrs. Marie Whiteneck, 1327 Lynn, hostess, Mrs. Mary Wright assisting hostess.

November 9—Stitch & Chatter, Mrs. Doris Thiebolt, 5921 Decatur Road, hostess. Mrs. Dorothy White, assisting hostes.

November 10—Sewing & Decorating, Mrs. Helen McClure, 2096 S. Anthony, hostess, Mrs. Jessie Pfeiffer assisting hostess.

November 14 — Program, Mrs. Dorothy White, 1317 Morton, hostess Mrs. Marie Kremlmeyer, assisting hostess.

Well, another month has rolled around again and here it is almost time to think of Santa Claus. The time really seems to fly.

I was very pleased to see so many at Past Queens, Past Guardians, and Past Associate Guardians night. I hope we can see your faces at more of our meetings, and soon too.

Our Mom's and Dad's night went over with a bang. Girl's you should bring your Mom's and Dad's with you more often. We sure like to see them.

Girl's I want all of you to be sure and come to election, November 15th. You know it is up to you to put the girl you want into the office. Be sure to think before you vote, but be sure you vote.

At the last stated meeting, Truth Court members voted to change our regular meeting night to the 2nd and 4th Wednesdays of each month, in order that our members and the members of Anthony Wayne Court may still be able to visit back and forth. This will mean that our meeting in November will be on the 9th and 23rd of the month.

We hope to have initiation on the first of these meeting and hope to have all members present, and many visitors from our Sister Court.

December 22nd is the date set for our Rummage Sale and Bazaar. All members having rummage, please call H.L. Myona Binkley. The location has been changed to the Calhoun St. store due to the recent fire at the Hanna St. place. Orders for Christmas Cards should be given to the Ways and Means Committee as soon as possible as it will take a few weeks for them to be printed.

Sickness: Truth Court has been very lucky in that we have no serious illness among our members in the past few months. H.L. Helen Lockhart, Esther Swartz and Virginia Snowberger, and S.K. Vernon Reed have had slight illnesses but are much better. H.L. Ruby Stoops is able to be back at work after a siege in the hospital.

Coming Events: Friend's Night will be the first meeting in December and a Christmas Party, the second meeting, with our official visits of the Grand Royal Matron and Patron and Grand Lecturer scheduled for the month of January.

Bretren:

On October 18th we enjoyed a very pleasant evening with Brother Firestine, who was here for a visit to Home Lodge, which South Gate and Summit City attended to receive Lodge instructions. Mr. Firestine was very humorus and gave the officers instructive suggestions and corrections for improving their Lodge work. The attendance was fair, and if in the future you have an opportunity to attend such a meeting I urge you to do so as I know you would enjoy the instructions.

This will be the last opportunity I will have to remind you of the election of officers at our first stated meeting in December. This is one evening when all members of South Gate should make a sincere effort to attend in order to see that the officers of their choice are elected. The officers in line for election are as follows: Brothers John Inches, Senior Warden; Clarence Carlson, Junior Warden; Robert Marshall, Senior Deacon; Frank Bryan, Secretary; Joseph Clevenger, Treasurer. Brother Clevenger was elected as treasurer last month due to Brother Tewksbury retiring from the bank and securing a position whereby he will be out of town most of the time. We are very sorry to have Brother Tewksbury leave us as he has been the treasurer of South Gate Lodge since the receiving of the charter. Brother Clevenger was elected to fulfill the office for the balance of this year.

Paul Mueller has accepted the responsibility of being Chairman of the Visitation Committee. October 10th was the first visitation to the Veterans' Hospital, and I was informed that there were 13 members present for this visit. I was very pleased to hear this and I hope all brothers will cooperate with Brother Mueller on the coming visits. Our secretary will send out letters to at least 8 members this month asking for their suport.

The Fellow Craft Club has an invitation to visit Auburn to confer the second section of the Master Mason Degree. Any brothers interested in attending this visitation please get in touch with your Lodge officers. The date for this visit will be announced in Lodge.

Brothers, our attendance is still not what it should be as we are only averaging 25 to 30 members at each meeting. I see no reason why one night a month can not be set aside for your Lodge, and if you would make arrangements to visit your Lodge at least once a month, we would have an average of around 75 members. Your support will be appreciated.

Brethern of Harlan Lodge who did not attend the Father and Son Banquet, Friday night, October 28, don't know what a good time they missed. We had the best dinner, the best fathers, the best sons, and also the best speaker in the land.

Our sisters of the O.E.S. served 128 Fathers and Sons.

Barton Rees Pogue, sweep all the clouds out of the sky and painted the heavens blue. To this day, as I write these lines the skys are still blue. I still have to snicker when I think of the many humorous subjects he touched upon. He surely took our minds off of the rainy weather, big weeds and all the soy beans we still have yet to combine. This also brings to mind how quickly the year has passed. By Ned, I only have two more months to be master, then I'll be joining the past masters. While I am happy, because of the wonderful support and help the Brothers have given me, but sorry that the year has gone so fast. It makes me feel like the old man with the scythe is slipping up behind me. Brother Pogue termed it the four B's—Bald-headed, bifocals, bulges, and bunions, but I have one G and just two B's—Gray hair, bifocals and bulges, as yet no bunions.

O yes, I must tell you about our trip to Franklin for the cornerstone laying. I say our because our Secretary Clem V. Wasson and his wife Minnie, my son Cyrus and his wife, Delores went also. We enjoyed a picnic dinner, after which on a full stomach I walked one mile with about two-hundred other distinguished Worshipful Masters in the parade. It was a beautiful day and a grand parade. I did sort of envy those fellows on their beautiful palomino horses; however I took my big front and walked proudly along, happy to be one of the parade. The speaker and ceremonies were very impressive.

Brethern, we have at this date three petitions for the degrees of masonry, so come to lodge and take part in the work.

I just received an invitation from the Worshipful Master, John Lare of the Huntertown Lodge to confer the Fellowcraft Degree, November 26. I would like as many brethern of the Harlan Lodge to go as possible.

Craftsmen:

You have labored upon the Temple for almost five years, honestly toiling, encouraged and buoyed up by the promise that when the Temple was complete, those of you who were faithful would receive your wages. The Temple is now complete and the wages were not only received on November 11th but will be received over and over again for years to come. It has been a long and difficult project but a good thing for the Lodge. It has taught us to work together for one common goal. It has proved our proficiency in Operative as well as Speculative Masonry.

On November the 11th we were honored with the presence of the Most Worshipful Grand Lodge of Indiana for the dedication of our new Masonic Hall. A banquet was served by the Eastern Star at 6:00 P. M. followed by special music, address of welcome, and introduction of guests. Dedication ceremony began at 8 P. M. with Grand Lodge officiating. Brother Beeks Erick, P.M. served as Architect. The principal address was given by Joseph A. Batchelor, Grand Master. A capacity crowd of around 200 enjoyed the evening.

Again we are approaching that time of year when the lodge must elect their officers for the ensuing year. Do not forget that on December 13, our regular December Stated Meeting, is the night for our annual Fish Fry and election of officers as well as the usual monthly business. We will look forward to having a fine attendance for this meeting which will be one of the most important meetings for the lodge that we have had this year. Don't forget—December 13, 1955.

A tentative date has been set for the public installation of the 1956 officers on December 27, 1955. This date will be verified at a later time.

We have several degree meetings coming up during the balance of the year. An Entered Apprentice on November 15, 1955 to be followed by a Fellow Craft on November 29. Watch the local paper for verification of the above dates as well as for additional meetings.

The Fellowcraft club welcomes any who would like to attend their monthy meetings which are held on the Third Monday of each month. This organization is a fine one to support.

Your 1955 officers would like to see each of you at least one of our remaining meetings. Try to attend.

CUBAN MASONS DEDICATE $3,000,000 TEMPLE

Half a century ago, being a Freemason in Cuba was to subject one's self to persecution and abuse. But time marches on. Freemasonry has 31,000 adherents in the Island to our south and has a firm hold on the Cuban people. It prides itself on those of its brethren who are classed as patriots and liberators.

The change in Masonic conditions is best shown in the magnificent parade of 30,000 individuals who assisted in the dedication of the beautiful three million dollar building at the junction of Carlos III and Belascoain streets in Havana.

The building is one of Havana's landmarks and can be seen from all parts of the city, its ten stories being topped by a huge globe on which is represented the various countries of the earth; this in turn is surmounted by a huge square and compasses, all of which revolves; lights inside the globe make it visible by night.

Most of the ten flors are occupied by Masonic organizations. There are lodge rooms done in Doric, Ionic, Solomonic, Arabic, Egyptian, Corinthian and Gothic styles of architecture, for use of those lodges which meet in the Temple. There is a beautiful auditorium, seating 1,100 persons for use of larger gatherings; officers of the grand lodge are ensconced in beautiful quarters. There is even room for press and television representatives. On the ground floor lobby are murals representing patriotic episodes in Cuban history participated in by Freemasons.

On another floor is a museum which houses many Masonic items of interest. We noticed the first fire engine used in Havana—made in London; there ware links from the Battleship "Maine"; aprons, jewels, documents, swords, guns, and a plaque dedicated to Franklin D. Roosevelt. Into one wall was built the iron gates which were once a part of the prison in which many Cuban Freemasons had been confined. Cuban Freemasonry is not going to forget its earlier persecution.

On the front of the imposing structure is a large clock, the twelve hours being marked by the twelve signe of the zodiac. Beneath the clock is a large bronze seal of the Grand Lodge of Cuba.

At the conclusion of the dedication, an immense Cuban Flag was dropped from the roof, covering a large part of the building, at the same time one thousand doves were released from the roof, demonstrating the Cuban brethren's desire for peace. The flag weighed more than 300 pounds. The band played and the people in the streets applauded and cheered.

Freemasonry in Cuba had come into its own!—The Royal Arch Mason

FORT MASONIC

During the War of 1812 when it seemed as if New York City itself might be stormed by the British, Grand Master DeWitt Clinton called the Craft together an emergent meeting of the Grand Lodge of New York, and on September 1st 1814 New York Masons gave one day's work constructing redoubts of Fort Green in Brooklyn. These redoubts were later named "Fort Masonic".—The Compass.

On October 14 a special meeting was called to install the King and Scribe. This was due to the change in the Annual Convocation of the Grand Chapter. The meeting date having been changed from October 19 and 20th to October 20 and 21st.

Your High Priest along with the High Priest and King of Fort Wayne Chapjter 19 motored to Terre Haute for the event. The Grand Chapter had a very good meeting and was well attended by the constituent chapters of the state. A full report on the agenda of that meeting will be given at the state meeting in November.

Companions as this material goes to press, most of the events for October have taken place. The York Rite days have been held and a very successful convocation was made. Thomas R. Marshall can be proud of its part in the program. There were some disappointing events in the conferring of the work, but the overall rendition was very good. Let us be congnizant of our mistakes and rectify them when this event comes off again.

At our October meeting we had not any new petitions so we will be dark for the month of December. Plans for the balance of the year will be made at the November meeting, yhich will be the 18th. You are urged to attend and participate in these plans. Refreshments will be served. Bring a petition with you and come enjoy the fellowship with us.

"LALLAPALOOSA"

(The Breastplate)

A recent issue of "Correct English" tells of a modern use of the old Ephraimitish story. In the fighting on one of the Pacific Islands in World War II, captured Japanese sought to conceal their identy by claiming they were Filippinos, and had their captors puzzled for a time. Then the Japs were required to pass a test (easy for Filippinos)—"pronounce now lallapaloosa" but they could not frame to pronounce it right and said, "Rara-paraooser."

BRING HIM BACK

How many do you think would go to Lodge if someone who is in regular attendance would use a little persuasion to get him to go. You owe it to the Fraternity as a whole and your Lodge in particular to introduce sojourners and re-interest members who for any reason have become apathetic. Don't greet them with that hello stranger technique, but accept them back with that warm feeling of friendship and brother love.—Masonic Trestle Board, San Francisco.

Our Christmas party will be held Monday, December 5 with treats, entertainment and plenty of good fellowship. All masons are invited to come and bring their families. The Scouts of our community will be our guests for the evening.

We have several petitions in so we will be busy the rest of this year. I would like to have all officers present at these last few meetings and also the other members.

A Past Masters night is being planned and I'm sure that will be an enjoyable evening for all. There will be entertainment and refreshments.

THE INQUISITION

In 1740, King Philip V of Spain ordered all Masons to death by torture or life punishment chained as galley slaves. Peter Torrubia, the Inquisitor, secured special permission from the Church to join the Masonic Order as a spy. Later, acting as accuser, witness and judge, he "fingered" members of 97 Lodges.—Masonic Inspiration.

Thanksgiving reminds us of our deep appreciation of all those associated with us in the 18th degree, the whole Scottish Rite team, indeed all our Masonic Brethren. Hours of patient, joyous service at this time is glorified by the joy of Reunion.

How much poorer our society would be without the constant service of so many.

TEMPLARS PARADE IN FIFTH AVENUE

Following the parade of Knights Templar in New York the New York Times said:

Knights Templar trooped in eleventh - century splendor down Fifth Avenue last night.

Eight thousand members of the high masonic order illuminated the parade route — Eighty-fifth Street to Sixty-second. The dazzle of their jeweled swords and Passion Crosses was cheered by 100,000 spectators. The police estimated that 20,000 persone were in the stands between Sixty-second and Seventy-eight Streets.

The two - hour long spectacle was highlighted by seven Templar floats, each an epoch in the history of the Knights' ancient order, from which modern Templarism draws sustenance. A Knight Templar is of the highest rank in the York Rite, paralleling the thirty-second degree Mason of the Scottish Rite.

The marching Knights wore an almost severe black uniform, militarily styled, but their head-dresses, termed chapeaux, were gay with whie or black ostrich plumes. Their belts were of metallic silver and gold, their epaulets of red or green.

The weather was fine for parading—a northwest breeze and temperatures in the low seventies—and the marchers, whose average age was 60, stepped lively. The colorful pageant, the first here since September, 1862, brought to a climax the forty-sixth triennial conclave of a group that traces its origns to the Crusades in the Holy Land.

Marching contingents were smaller than expected because of flood conditions in near-by areas, according to the parade's grand marshal, C. Byron Lear, a textile executive of Ho-Ho-Kus, N. J.

The parade began at 8 p. m. with a flourish of trumpets and a roll of drums. The last contingent passed the reviewing stand at Sixty-fourth Street shortly after 10 p. m.

The Secretary of the Army Wilbur M. Brucker, a past grand master of Detroit Commandery No. 1, took the salute. He had ridden over the parade route.

Plumed knights on horseback, wearing simulated mail and armor, accompained the first tableau, which depicted the First Crusade. Eighteen helmeted riders astride chestnut horses aided the illusion.

Dismounted knights marched behind the second float, which featured a profile of Jerusalem and the Crusaders' first view of the Holy Land. Richard I and his valorous Moslem adversary, Saladin, were shown in a scene outside Jerusalem.

The "Formation of the Ancient Order of the Temple" was enacted in a float that high-lighted the first grand master, Hugues (Hugh) de Payens of Burgundy. This was followed by a scene detailing the formation in Boston in 1769 of the modern order. Here the knights wore Prince Albert coats, swords, belts and gauntlets.

The ancient Knights passed out of existence in 1314 with the death of Jacques de Molay, grand master. He was burned at the stake before the Cathedral of Notre Dame in Paris in the reign of King Philip IV.

A twelfth-century conclave of the Knights of Malta marked the next float. In the last float, the grand encampment's educational foundation as honored. This depicted college students receiving diplomas and showing how they were helped with loans to complete their studies.

The parade's finale was in the form of the passion cross — the knights' symbol — which was a spectacle of uniforms topped with white feathers. In keeping with the theme of the conclave, "Crusade Back to God," much of the music of the fifteen bands had a religious tone.

The Knights Templar are members of the Christian religious order of Masonry. The organization has 400,000 members in its more than 300 commanderies throughout the United States, Alaska, Mexico, the Phillippines and the Canal Zone.—Ohio Mason.

Greeting Brethren: At our October meeting a resolution was approved to purchase a site for a possible future Lodge building. The plot is 100 by 150 ft. in size and is located one block west of our existing building. It is large enough to erect a 40 by 70 ft. building and still park 25 or more cars. While no definate plans have been formulated for the actual building program it is expected that this will be a step in the right direction and serve as the nucleus for a future building or building program.

Two neighboring Lodges Spencerville and Payne have recently completed very notable and admirable projects in the form of new Lodge buildings. Our problem differs from theirs but we most certainly can learn from their experiences.

Brother Phil Dickes is now in the Army Radio School after having received his indoctrination training at Fort Leonard Wood.

Brother Willard Clark is recovering nicely from a major operation, we wish him a full and speedy recovery.

Past Master Brother Perry Rinehold observed his 90th birthday on October 29. Brother Perry has served our Lodge faithfully in various capacities for many years and we extend to him our very best wishes.

Brother Don Surfus was appointed and installed as Junior Steward replacing Brother Harold Martin who moved to Chicago.

Degree work is scheduled for November and December, watch for those announcement cards, give those new Brothers a real welcome at the same time make or remake a few new aquiantances, you'll be glad you did.

Election will be December 1, let's have a good turn out and may the best interests of the Lodge be served by your selection. Better mark this date on your calendar now!

Huntertown O.E.S. have Past Matrons and Past Patrons nite scheduled for November 22 and a Christmas Party for December 12.

A very interesting and educational Lodge of instruction was held in our lodge hall on Monday evening, October 31, 1955. Olive Branch Lodge from Poe Indiana assisted in presenting the ritualistic work on the Fellowcraft Degree.

Brother Lennis N. Firestine Grand Lecturer made corrections and gave instructions on proper procedure.

We were very well pleased with Bro. Firestines instructions and hope he was equally well pleased with our performance.

On Thursday November 17 at 7:30 P. M. we will present and E.A. Degree.

We invite and encourage visitors to our stated meetings and degree work.

On the 31st of October we went to Monroeville for a joint Lodge of Instruction. There was a good turn out. Sorry some of our regular officers were ill and could not attend. We wish them a speedy recovery.

Brother Firestine from Grand Lodge was the Instructor. We were treated to refreshments by Monroeville.

Let's make a record attendance next meeting.

NAPOLEON

When Napoleon's body was returned to France from St. Helena in 1840 the Grand Orient of France (a French Grand Lodge) issued a summons calling on all Masons in the Paris area to attend the funeral. Napoleon's Masonic Apron, together with that of his brother Jerome, is in the Museum of La Malmaison.

The Presentation Banquet in honor of Past Master Herbert K. DeWees on November 4th was quite a success. We had appproximately 270 Masons and their ladies present for this occasion. Brother William Mossman 33° representing the Scottish Rite Bodies, presented the jewel. Brother Henry Roberts gave a fine speech on the history of Masonry and the background of the 33rd degree, which was very interesting. South Gate Lodge was very proud to have this banquet in behalf of a member who is as deserving as Brother DeWees.

I would like to thank Grand Master Orvis Dellinger for serving as Toast Master.. I also want to thank the officers and the committees for the sincere effort they put forth to make this affair a success. Above all I want to show my appreciation and thanks to the members who attended this affair and made it possible to have such a fine turnout. The officers and I are indeed grateful for your attendance.

Degree work is coming along very fine. This month we had three candidates receive the degrees of Masonry. Master Mason degree will be conferred December 5th. This will be a good opportunity for members who would likt to participate in conferring the degree to be present as there will be plenty of work for everyone. The Fellow Craft team is doing a fine job and they would like to delegate the work to additional members. The Fellow Craft Club intends to elect new officers before our January stated meeting.

We have an invitation to visit Auburn Lodge on December 10th to confer the Master Mason degree. They are going to serve dinner at 6:30, and would like to have as many attend as possible. Also, on this same evening we are to visit Huntertown Lodge if the time for the degree work can be arranged so we can meet schedule at both places.

By the time you have an opportunity to read this article, election of officers for 1956 will be over and I will be officially a Past Master. This year has been the most gratifying year I have spent as an officer in South Gate Lodge. I have had the opportunity to learn much about Masonry and the functions of our Lodge. I have enjoyed many evenings with the masters, wardens and members of neighboring lodges, and hope I have many more friends than I had previously.

My officers for this year did a wonderful job and have cooperated and fulfilled the duties of their office to an outstanding degree. The master would be unable to have a successful year if it were not for the cooperation and support of his line officers.

As this is the final article I will be writing for the Square and Compass as the master of South Gate, it will be the last opportunity I will have to sxpress my appreciation for the enjoyment I had this past year. I would also like to express my sincere gratitude to the past masters, officers and members of South Gate for their cooperation and support on the many activities we participated in. I want to wish you all a Merry Christmas and a Happy New Year, and hope to see you in Lodge many times during the coming year.

Harold E. (Jim) Meeks.

As we approach the Christmas Season may we keep before us the true reason for our commemorating Christmas Day. May it be commemorated in reverence rather than in revelry.

We are now looking forward and planning for the Spring Convocation. It is hoped to present a certain degree on the stage of the new auditorium. It is a degree that has not been presented for a number of years and one which we are sure will be enjoyed by all We hope to be able to tell you definitely in a later issue the degree will be presented and more about it.

MASONS TRUE

There is plenty for every Mason who will go after it. It does not matter who he is, the values are there for him. Masonry is neither a rich man's nor a poor man's institution; it hands out nothing. What it has must be sought for.

NEW LIGHT FROM THE DEAD SEA

Dr. David Robert Hutchinson. Most Wise Master Emmanuel Chapter, Rose Croix.

It was early Spring 1947, when a Bedouin boy watching his goats in the hills above the Dead Sea, idly threw a rock into the mouth of a nearby cave, and thereby helped to make the most remarkable archeological discovery of our time.

In this cave not too distant from Jerusalem and Bethlehem were found scrolls, ancient books, coins, pottery and fragments and Bible books which will bring new light to scholars and students. The Issaiah manuscript is probably older than any parchment of the prophecy now in existence. The Habakkuk commentary will add tremdously to our knowledge of the Bible and life in The Holy Land from a period centuries before Christ. No one knows what will yet be discovered in the scripts as yet unopened or from the fragments when they shall be pieced together. Part of the writings are on copper strips bound into a scroll. It has not been decided how to open the books without destroying their ancient truths.

The Qumran site where the Dead Sea scrolls were first discovered has been established as a Genizah or burial ground for books no longer in use. Some of the works were tediously written on leather scrolls more than 150 years before Christ.

The wars between the Isreali's and the Arabs has greatly hindered the studies, but it has been an inter-faith work from the start, with scholars of the Mohammedan, Hebrew, Syrian Jacobrite, Eastern Orthodox, Roman and Protestant faiths co-operating, in securing the various books and fragments, and interperting both the languages and the intent of the original writers as well as the translators of 2,000 years ago. Bedouin natives, quick to discover the tremendous value of the fragments, have torn them in bits in order to procure more money.

Most of the original manuscripts have been recovered and collected in the Hebrew University in the New Jersualem; the last price to be paid was a quarter of a million American dollars. The story of the gathering together of the scattered bits reads like a cloak and dagger novel. Parts of the scrolls found their way across the Atlantic to the United States before being recovered.

Important to this story are the scholars who have been at work to give this knowledge to the world; Metropolitan Mar Tthansius Yeshue Samuel of the Syrian Jocobite monastery of St. Mark in old Jersualem, Professor E. L. Sukenik, of the Hebrew University, his son, General Yigael Yadin (who negotiated for the purchase of the 4 Dead Sea scrolls from the Syrians), A Mr. D. Samuel Gottesman a New York millionaire finally underwrote the cost of returning them to the Hebrew University), Pere Roland DeVaux, Dominican, Dr. John Trever, of the United States at that time at the American school of Oriental Research, Dr. Millar Burrows, Yale Divinity school, Dr. W. F. Albright, Johns Hopkins, one of greatest living Bibical archaeologists, Dr. Frank M. Cross, McCormick Theological Seminary, Chicago, Ill.

Of primary interest to Masons is the discovery of the Manual of Discipline of the Essenes. This ancient Jewish order has at least a spirtual relationship to Masonry, in it's teachings of Brotherhood under the fatherhood of God. It was a secret society with signs and passwords for recognizing each other.

Many of the scholars who worked on the Qumran caves are convinced that the Dead Sea area was the central monastery and settlement of the Essene brotherhood. As they were great students of Philosphy and the Scriptures, it would be easy to account for much of the Library which appears in the surrounding caves and near the Monastery. Josephus and Philo have much to say about this order which flourished in this area between 136 B.C. and 68 A.D. except for a short period from 37 to 4 B.C., when there seems to have been a complete exodus from the area. The Order suffered greatly in the Roman

invasion and ceased to exist after the fall of the Temple in 70 A.D.

The Order was one of three divisions of the Jews in the time of Christ; The Sadducees, the Pharisees and the Essenes. The last differs from the first two in that they lived in the wilderness places having a number of Hadoth or places of secret meeting. They were unmarried and took orphan boys and men weary of life into the Order and were able to replenish their membership for more than 200 years. They were students of the Hebrew religion and the sacred books of the Old Testament. They followed a high moral and ethical code and refused to become emboiled in the political wars and controversies of their day.

Meals seemed to the theme of importance in the ritual of this Order as they bathed and dressed in simple white garments and read from the sacred books and from their own writings. They were given to much silence.

In the "Rites And Ceremonies of the Essenes" we read "As an Order they were distinguised by the following principles and observances;" A love of truth and sobriety, love of God and man; made manifest by religious zeal, and kindly acts toward each other; always aiding the needy; and to this end they had stewards in every place where they dwelt to supply needy brethren with food and rainment, and as a means of recognition they had signs and passwords, by which they presently recognized each other." They sought to turn people from "The Way of Darkness and follow the Way of Light."

They too had three grades. Neophytes were in training for one year. They were examined during their second year as to proficiency in holiness and good deeds and then finally were inducted after three years of novitiate by the Rabbar or Master; the scripture being propounded by the Rabbi or teacher and Rab, assistant teacher.

By the years 70 they ceased to exist. Perhaps in the new light that has come from the Dead Sea we shall learn more about the Ancient craft which labored more than 2,000 years ago eastward toward Eden in the valley where modern civilization was born. Excerpts from "The Scrolls From The Dead Sea" Edmund Wilson. Indroduction to "Ecce Orienti" published 1887 by M. Walcott Redding Various magazaine articles and essays in particular one by Dr. Frank M. Cross.—The Rev. David Robert Hutchinson, D.D. Most Wise Master, Emmanuel Chapter Rose Croix.

"Go placidly amid the noise and the haste, and remember what peace there may be in silence. As far as possible, without surrender, be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even to the dull and the ignorant; they too have their story. Avoid loud and aggressive persons; they are vexatious to the spirit. If you compare yourself with others, you may become vain or bitter, for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs, for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals, and everywhere life is full of heroism. Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment, it is as perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with dark imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be. And whatever your labors and aspirations, in the noisy confusion of life, keep peace in your soul. With all lts sham, drudgery and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy."

Plans are already being made for the spring convocation in 1956. We expect at that time to have a membership of over 10,000 and the theme of the reunion will be along that line. The membership committee is being revised and a closer contact will be made with the Blue Lodges in our jurisdiction. If you know of a Master Mason that you think would make a good member of the Scottish Rite, won't you please send his name and address to the office and a contact will be made. We hope that each member of the Rite will make an extra effort to bring in a candidate so that our goal of 10,000 can be reached at the next reunion.

On January 2, 1956 the Scottish Rite Bodies will again hold open house for all Blue Lodge Masons in and around Fort Wayne. Lunch will be served during the day up to 5:00 o'clock. Here is a good time to bring your Master Mason friend to the cathedral and have him meet other Scottish Rite Masons. In so doing you can get him thinking about being a member of the class next spring.

The 1956 dues are now payable and upon the receipt of $10.00 your dues card will be sent to you.

The officers of Fort Wayne Lodge of Perfection wish you and yours a very Merry Christmas and a Happy New Year.

On Tuesday, November 22, 1955, we had our annual Family Night. We served about 700 dinners, so it was very well attended. The food and entertainment was enjoyed by all. Brother Tom Wallheiser, the program chairman, and Brother Ray Girardot, the dinner chairman, deserve a note of thanks for their fine job. I also want to thank all the other officers for their help in making this Family Night the success it was.

This being the last article that I will write during my year, 1955 I want to thank all the officers who served under me for their cooperation, and all the chairman and members of the various committees, who served so faithfully during the year. I want especially to thank Brother Harold Martin for his willingness to give so much of his time so that proper funeral services could be given to our departed Brothers. The Past Masters have been a great help to me, and I thank them. There are so many to thank for helping me this year, that it would be impossible to name them all, so I will just say thanks to all of you.

The years that I have served the Lodge have meant much to me, and the many friends I have made are a real treasure that I will always cherish. Whatever success we may have enjoyed during this year is due to the Grace of God, and to the effort and cooperation of all of you.

Many thanks again, and may we your officers wish you a very Merry Christmas and a Happy New Year.

We wish to thank all of our officers, committees and individual members for the help they have so generously given to make this last year a success. If it hadn't have been for your assistance, Fort Wayne Assembly wouldn't be what it is.

By the time this issue of the Square and Compass is printed, you will have elected your officers for the year of 1956. Their names will appear in this column next month.

Our last assembly of the year will be held at 7:30 o'clock Tuesday evening, December 20th in the Egyptian Room of the Masonic Temple. After our last class of candidates for 1955 have been initiated that evening, we will have a Christmas Party. We hope that all of our new 1955 members will be present as we are intending to especially introduce them to all of our membership, whom we hope will be present that evening.

Your officers join in wishing each of you a most Merry Christmas and the traditional Happy New Year.

At our last assembly we heard the reports of the York Rite All Degree Days. It was a successful convocation. In all probability it will be continued. Our representative to the Association will keep the Council informed as to any overall plans for the York Rite Bodies.

We have word that Companions Lloyd Young will inspect our Council on the work of the two degrees on Thursday, December 8th. We invite all Council members to be present that evening. Our next meeting then will be December 21st.

A Merry Merry Christmas and a Happy New Year to you all.

JUST STARTING

When a newly-raised brother is raised to the degree of a Master Mason, he is apt to feel that he is a finished Mason. As a matter of fact. Tis experience is only just begun. He has received the tools and equipment of a Mason, and their uses have been explained to him; now he is expected to apply the principles of life and conduct which have been inculcated during his apprenticeship and his service as a F.C.

The ceremonies, the lessons and lectures of Masonry are the schools which fit men for practical Masonry, a life of service and performance. These things are not the end but the means. Conferring degrees is like making shoes. Shoes are of no use until you wear them. and degrees are of no benefit until you apply the principles they inculate.

In the orders and pleasures of the lodge work we are apt to exalt the ceremonials to the first place and to worship the form rather than the substance. When asked what our lodge is doing, we mention the number of initiates added to the lodge, forgetting the real service to humanity which as Freemasons, we are expected to render and which is the only justification of our profession.

Sppreading the light by bringing new and promising material within the range of its influence is worthy and commendable, but that is only elementary Masonic work. Looking after those who are in the lodge, stimulating and encouraging their interest, is quite as essential as the initiating, passing, and raising of new recuits.

No Mason "graduates" until he is dead, and he may not graduate with honour then.—The London Freemason.

By the time you receive this we will have had our annual election of officers and our new Worshipful Master will be looking forward to the year ahead. It has been a pleasure and an honor to serve as your Worshipful Master the past year. I wish to thank every brother for his fine cooperation and support.

At this time I don't know whether or not we will have the opportunity of conferring the Master Mason degree on either of our two Fellowcrafts this year. Brother Walters, who is in the Army, will not be home until March. We are hoping Brother Jerry Bowser will be able to be with us this month.

NEW HEAT-AND-MASSAGE PAD SOOTHES ARTHRITIC PAIN

Now, Science makes it possible, for the first time, to apply two of mankind's most famous healers simultaneously for the relief of pain of arthritis, bursitis, fibrositis, and sprains.

A new, soft, comfortable pad, called the Thermo-Cyclopad, has been developed that contains a cyclo-massage motor and a special heating element. The motor developes a pleasant, soothing, non-electrical massage action while the heating unit develops a penetrating type of deep heat.

Research proves that tihs unique combination of heat and massage drives deep down throught tissue and bone to relieve aching muscles and joints, stimulate peripheral and local circulation, decreases many types of reflex pain, relieve nervous tension, and encourage deep restful slumber.

THE SILENT MASON

The silent Mason is one who lives and acts out his principles in all his intercourse with his fellow man. We believe in a Freemasonry that acts silently. We want no loud cry in the market place, or vain show and pomp.

The Freemason who tries to live our principles without any ostentation will be a pillar of strength to the noble institution. The humblest craftman who has been made a Mason in his heart, is worth more than any number of distinguished members to whom its teachings are mere verbiage. We care nothing about title nor rank unless under it there is a love for adherence to its vital principles.

Brotherly love and truth; carry out these and all else will follow; for as sure as God reigns, an institution founded upon Him will endure. —Masonic Home Journal.

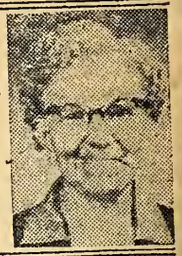
Brothers:

This will be my last appearance in this column as Worshipful Master I would like to take this opportunity to thank each and every one of you for the support you have given your Lodge and Officers during this year.

Our annual election of Officers will be held December 7th, and it is a duty you owe to your lodge to be there and help elect a slate of Officers for the coming year.



Although we found it necessary to curb some of our social functions during the year, we do feel that we had a fairly successful year in the ritualistic work. By the end of the year we will have exalted some forty candidates.

Our next meeting on December 28th, we will have a Christmas program planned by S.K. Alfred Schell. A good attendance is expected as we know you will want to see and hear this program. Our January meetings will be the Official Visit of H.L. Ruth Riely, Grand Royal Matron and S.K. Stanley Miller, Grand Royal Patron on January 11th, and Friends night on January 25th.

The end of the year is now upon us. Many of us will look back over the year to recall our accomplishments. To some it will have been a good year. To others, just the same old grind, and to still others it is just the beginning of a season of activity. Every Royal Arch Mason should be in the latter group. It is true that we will hold our annual meeting on December 16, which will end the fiscal year of our chapter, however it is the beginning of our activity. It is also the Advent of the season. Accordingly at the November stated meeting plans were made for the coming years work. There will be an hour of Fellowship at the December Meeting which will start at 6:30 P. M. with a supper. Companion Master of the 3rd veil has promised to give us another of his fine meals, so be on hand with your petition of new member. "He who works must eat" and the True & Faithful Craftsman need not fear to apply for wages.

At this meeting final plans will be made for the work of the convocation to be held early in the year. Also we shall know at this meeting when our inspection date will be held. The inspection will be held in connection with Fort Wayne Chapter 19 R.A.M. and of course we will want to make the inspection a joint affair.

Companions there is plenty of work to be done, NOT JUST BY YOUR OFFICERS BUT BY THOSE HAVE GONE THIS WAY BEFORE, your council is needed in the meeting room at stated meetings. This also applies to the newly made members. Don't forget the December meeting, mark your calendar now, get a petition from the temple. See your less informed brother and invite him to fill it out so that you may bring it with you to the stated meetin.

MERRY CHRISTMAS AND A HAPPY NEW YEAR TO YOU ALL.

Brethren. it is with regret that I write this article, it being the last time I will contact you through the Square & Compass.

It has indeed been an honor and a pleasure to serve as Master of your Lodge this year. I am grateful for the cooperation I received from both the officers and the members of our lodge, without their help, it would have been mighty rough. To each of you I say, "Thanks, Brother for your help."

When you receive this Square & Compass, your new Officers will have been elected and appointed to serve you during the year 1956. Congratulations to the new Officers and may each of you have a very successful year. Public Installation of Officers will be held January 1, 1956 in the afternoon; time will be announced later. Let's have a large turnout for the installation; let them know we are for them. They are a mighty fine group of men and should have the support and cooperation of each of us. They will be giving a great deal of their time and labor in our behalf, so the least we can do is attend Lodge on Thursday nights and help them in any way we can.

To the Officers and Members of the Fellow Craft Club and degree team I thank you for the fine work you Brtehren did during my term as Master. I extend my appreciation to the members of the Veteran's Hospital Visitation Committee, the Sick Committee, Masonic Home Committee and the Audit Committee for their assistance during the year.

Wayne Lodge has had a very busy year both in degree work and social activities and I am very happy to report that we had a large attendance at both our meetings and the social gatherings during the year.

December will be another busy month for Wayne Lodge—Our Annual Meeting, electionr of officers, December 1st, degree work, as usual, and Wayne Lodge will be host to the Actual Past Master Association on December 29th. The Fellowcraft Club will cook and serve this dinner. The Members of Wayne Lodge are invited to attend this dinner; tickets are one dollar.

During the month of November Wayne Lodge had the misfortune of losing three of its members by death. To the bereaved families of Bros. R. Smith, J. T. McCulloch and C. Schafenacker we extend our deepst sympathy.

To the brethren on the sick list we wish you a speedy recovery and hope you will be able to attend Lodge in the near future.

In closing, I want to wish each of you a Very Merry Christmas and a Happy New Year.

Brethern—

This is my last message to you in this paper and I assure you I am unable to realize where the time has gone. I am also unable to find words of gratitude and appreciation for the great honor you have given me as master of your lodge. I do hope I have conducted the affairs of our lodge in such a manner that you can be as well pleased with me as I am with all of you.

In behalf of the officers and brethern who helped, I do believe we have done our best to make Masons of all who have petitioned our lodge.

I wish to thank all of those who were on committees for work well done. Also all those who helped conduct our social events, for without them these things could not be accomplished.

As you read this writing most of us will be thinking of Christmas. I hope you will all have a very happy Christmas and I am sure you will, for Christmas is religious, charitable, friendly, affectionate and festive.

May I also wish you a most prosperous New Year with many blessings.

Also I want to wish all the new officers a most prosperous year and let us all resolve to back them up all the way. Let us all come.

We all know life has many portals of experience. May I leave you with this thought—

Waste not your strength trying to shut doors which God is opening. Neither wear yourself out in keeping open doors which ought to be forever sealed. Some episode in your life over which you are anxious, is closed. It is in the past. Whatever its memory, you cannot change it. But you can shut the door. Go into some silent place of thought. Test your self respect. Ask your soul, "Have I emerged from this experience with honor; or if not, can honor be retrieved?" And if your soul answers "Yes" close then the door to that past, hang a garland over the portal if you will, but come away without tarrying. The East is aflame with the rediance of the morning and before you stands many another door, held open by the hand of God.

Seasons Greetings—Merry Christmas and a Happy New Year. However it is said, the holiday season is here. Thanksgiving is just past, but will be remembered as a time of feasting, and a great deal to be thankful for. Your Worthy Matron in particular is most thankful for all those who worked so faithfully during the days of preparation for our inspection. It was most succesful, and is due entirely to everyone of you.

The Auditorium was beautifully decorated for the occasion. Large silhouetes of the Worthy Grand Matron and Patron were in the East. Also lilies were at each star point and in the East. Worthy Grand Matron, Velma Vanderkolk, was escorted to the east through a double line of Job's Daughters. Sing, ye joyous children, sing,
Glorious is the Christ, our King.
Truth has come again to earth,
Through the lovely Saviour's birth
Men and angels, anthem's raise;
Hymns of joy and shouts of praise.
Hear the angelic song again
Peace on earth, good will to men
Sing, ye joyous children, sing,
Glorious is the Christ, our King.

Another month has rolled around and here we are in a joyous holiday season. Joyous, because it brought us the christ child. Joyous because it brought us the Christmas carols. Joyous, because it brought us the laughter of little children caught in the merry spirit of giving and receving brightly wrapped packages. Joyous, because it is the time for renewing old friendships both at home and afar.

Before we look forward to the activities of this month let us look back on the couple of months just past and thank the various committees for the wonderful cooperation for the successful projects that have been completed the last two months. First on this list of thanks go to Catherine Robb and Anita Silkworth, chairman and co-chairman of the Ways and Means, and to their committee for their untiring work in making money for the chapter. Every project they have attempted so far this year has been a great success. The Bake Sale and the Sauerkraut Supper in October and the Rummage Sale in November were very seccessful and profitable. A great deal of thanks go to each and everyone who helped.

To the Decorating committee of Trinity with Velma Welch as chairman and to Fort Wayne Chapter's Decorating Committee go our thanks and compliments on the beautiful decorations at the time of the Inspection when Mrs. Velma Vanderkolk, Worthy Grand Matron, made her official visit. The dining room was indeed beautiful.

To the Social Comittee of Trinity who served the banquet and to Fort Wayne Chapter who prepared the food for the Inspection banquet also go our thanks and compliments. To make such a beautiful and successful evening indeed takes cooperation among everyone, also to Louise Wilkerson, chairman and Esther Thunberg, co-chairman and their committll go thanks for the wonderful banquet served December 2nd honoring the past Matrons and Patrons.

Now for a glance at what the Ways and Means have for the entertainment of members and their friends. A card party is scheduled for January 23, 1956 in the ball room of the Masonic Temple. Catherine Robb and Anita Silkworth are hard at work already planning an evening everyone will enjoy. They are going to try to have a Style Show for that evening. You will hear more about this project next month. The Ways and Means have Christmas ribbon for sale now. It is pretty ribbon and will put a finishing touch to your gift packages.

On December 16th our Worthy Matron is planning a Christmas Program in the Chapter room. Plan now to attend the meeting and enjoy an evening of relaxation and fellowship. January 6th, Trinity Chapter will observe Friends Night. Mark that date down now and plan also to attend that meeting. Also remember the more you go to chapter the more you will get out of it. Make it a New Year's resolution to attend meetings regularly and support your chapter in every way possible.

Committee Meetings scheduled for the month of December are as follows:—

Cheer: December 5, Mrs. Mayme Newport, 454 W. Sherwood Terrace, hostess, Mrs. Helen Moore, assisting hostess. $.50 gift exchange.

Sewing & Decorating: December 8, Mrs. Velma Welch, 4647 Lafayette Esp., hostess, Mrs. Florence Amstutz, assisting hostess, $,50 gift exchange.

Greetings Sir Knights!

Saturday afternoon November 19th we opened at 2 P. M. and conferred the Order of the Temple on eleven candidates. Except for the two being held for our Inspection this completes work on all petitions on hand.

Our York Rite days proved to be so successful that plans are now being laid for another convocation either in March or April. But before one can be really assured we must be reasonably sure of 25 candidates in each of the four York Rite bodies. Therefore Sir Knights lets get busy and sell that Blue Lodge friend.

By the time you read this three very important dates remain to which I wish to call your attention:

Annual Meeting December 15th.

Christmas Observanse and party December 22.

Joint installation of officers of Beaucant and Commandery December 29.

All Master Masons and their families are invited to attend the Christmas Observance and Party and the Joint Installation ceremonies.

And now Sir Knights by the time you read this, my year as your Commander will be fast drawing to a close. In turning over the Command of Fort Wayne Commandery to my succesor I pledge him my support to the best of my ability. I wish also to thank each and every Sir Knight, each and every officer, the Past Commander's club and the Drill Corps for the splendid loyality and support you have given me during the year. If Fort Wayne Commandery has advanced the cause of York Rite Masonry and Templarism at all, it has been your sincere efforts that brought it about.

I wish also to take this means to thank the Social Order of the Beaucant No. 139 for the splendid cooperation shown me throughout the year.

Do not forget Drill Corps; Tuesday Nights 7:30 P. M. It is good recreation. It is good for you. It helps your Commandery.

And Now— Merry Christmas and a Happy New Year.

ACTUAL PAST MASTERS

The annual meeting of the Actual Pastmasters Association of Northeastern Indiana will be held December 29, 1955 in the Masonic Temple in Fort Wayne. The degree work will begin at 4:00 p. m. and will be compleated after a banquet to be prepared by members of Wayne Lodge No. 25 under the direction of Edward Kronmiller, Worshipful Master.

The speaker for the occasion will be William H. Schannen, Judge of Allen Cnrcuit Court and a prominent Mason in the community.

The purpose of the meeting is to confer the Actual Pastmaster's Degree upon Masters-elect of the various Symbolic Lodges. This is necessary before they can be regularly installed as Masters of their Lodges.

The Officers of the Association are President, Alvin Tharp; Sr. Vice President, Clifford Gorrell; Junior Vice President. Melvin Ehrman; Treasurer, Orvis A. Dellinger; Secretary, W. Arthur Rodemeyer.

Activities in Fort Wayne Chapter No. 19 R.A.M., have slowed up a little since our successful York Rite Ceremonial but the officers are busy making plans that will keep all of us busy in the future.

We called a Special Meeting Monday, November 28 to get better acquainted with all of the candidates during the past year as well as the rest of the membership. At the same time we made preperations for degree work in the future especially another York Rite Ceremonial to be held in March 1956. Companions, we will need candidates and each can help by bringing in the petition of a Brother. The officers of the Chapter will help you with any additional information.

To all of the Companions that are confined with illness or are convalescing from other cause, we pray for an early recovery

The Christmas season is here and the officers of our Chapter take this opportunity to wish every Companion and his family a very Merry Christmas and Joyous New Year.

Don't forget our Stated Convocations on Monday, December 19, 1955, and January 16, 1956. Any other dates will be listed in the Masonic Calender in the Temple and news paper.

Greeting Brethren:

As another year draws to a close, we are reminded of all those well intended promises and projects yet uncompleted and how rapidly our tenure of life may be nearing ocmpletion. It is our sincere hope that some one may have been helped or aided along lifes road, that our efforts, have not been in vain.

We welcome Verlie Snider as a new brother, may his coming into the order provide a mutual bond of friendship.

We were most happy to have had Harlan Lodge exemplify the Fellow Craft degree on one of our candidates Saturday night, November 26. Lets have a repeat on this soon, Harlan.

There will be degree work to start off the new year, watch for those announcement cards and keep the sidelines full, we can always use more help. Those Saturday nite meetings are popular and will plan on continuing them this winter.

Installation of newly elected and appointed officers is scheduled for the January 5th Stated Meeting. Lets make it a good turn out for your new officers.

PATRON SAINTS OF FREEMASONRY

The Master Mason of San Diego, California, explains the Patron Saints of Freemasonry as follows:

ST. JOHN, TH BAPTIST

Why did the Freemasons choose St. John, the Baptist, as patron? One would suppose that they would name some outstanding person. But St. John, the Baptist, was a humble man, a plain man who held, above all, his obligations to God and, with almost unbelieveable steadfastness, met martyrdom. He continually preached repentance and virtue and humiliation. Yes, the early Freemasons chose well in selecting such a man as St. John, the Baptist, as a patron of Freemasonry.

ST JOHN, THE EVANGILIST

For a long period only St. John, the Baptist, was the patron saint of Freemasonry. It was not until after the 16th century that St. John, the Evangelist, was also adopted as a patron. The "Old Charges" of Freemasonry speak of St. John, the Evangelist, as a "Saint of the Craft." He was constantly admonishing the cultivation of brotherly love. Of all the gospels, the Gospel of St. John is the most Masonic for the central theme is LIGHT.

LODGES DEDICATED TO THE HOLY SAINTS JOHN

Lodges then came to be dedicated to the Holy Saints John and it is interesting to note that the early Masons were called "St. John's Masons," or "St. John's Men." It matters not whether the two Saints John were actually members of the Masonic fraternity. But they have been called the patrons of the fraternity down through the ages because they exemplified the principles of Freemasonry in their daily lives by their deeds and their words. It is because Masonry regards the character and internal qualifications of a man—not the exterior appearances, that these two men are fittingly called the patrons of this great fraternity.

TRUE CRAFTSMEN

Every true Craftsman worthy to bear the name of Freemason has enlisted and pledged the last ounce of his strength to defend the precious heritage of free institutions and American ideal, which have come down to us from out of the service and the sacrifice of those who, with the love of God in their hearts, reared a government on the foundation of liberty, equality and true fraternity.—Leon M. By the time you read this writing old Saint Nick will probably be on the brow of a hill whereby he can see if we are good boys; so I will take this opportunity to say—Merry Christmas.

I want to thank Mizpah Temple for the invitation to the grand dinner and program, Monday, evening, November 21. I surely enjoyed it all. I felt honored to be invited as a distinguished guest and to hear such an honored speaker as Walter Guy, the Imperial Potentate of the Shrine for North America.

I also want to thank Leo Lodge, No. 224, for the invitation November 22 and I am very sorry that I could not get there. As you probably know, I do custom butchering and that day we had 25 hogs and 5 cattle to butcher and boy, did we have trouble! We only got 6 hogs butchered in the forenoon. Consequently we had the 5 cattle to butcher after supper. I hope if you ever invite me again I can come!

I also want to thank Huntertown Lodge, No. 689, for the invitation of our lodge to confer the Fellow Craft Degree on Brother Verlie Snider of La Otto, Indiana, on November 26.

I have been to two Lodge Hall dedications, one at Payne, Ohio, and one at Concord Lodge, No. 556, in Spencerville, Indiana.

On Thanksgiving morning I arose at five and went to Hicksville Lodge for the conferring of the third degree and a pancake and sausage breakfast. Aren't I an old gad about? But I have surely enjoyed all the occasions.

Now I believe if you want to have a good turn out for degree work have it early in the morning because there were 70 visitors and 45 members at Hicksville Lodge. Maybe, they were all belly Masons wanting pancakes and sausage! Anyway they were there! I think they all enjoyed themselves, too!

Our deepest sympathy goes to the family of one of our deceased brothers, Frank Preston who died on November 12. Mrs. Preston is in the Parkview hospital in Fort Wayne, Ind. at the present time. She has a blood clot in her foot. A visit to her would be greatly appreciated.

Some of our Brethren of Harlan Lodge went deer hunting, four-legged, that is! Those that are back had good luck and brought back some deer.

I want to congratulate Brother Dale W. Lucas, Worshipful Master of Summit City Lodge on his story in the November issue of the Square & Compass. If you didn't read it you had better look it up and read it. To me, it was very impressive and a very good lesson. When a man writes like that we know he thinks like that and that is the right way to think!

The greatest and best of men in all ages have thought and thought those virtues and if we all continue to do so we won't have to worry about Communism taking over this great land of the free.

Masonry has always been the greatest teacher of freedom. I sincerely hope that all Master Masons will continue to teach and live according to the tenets of a Mason's profession. Through these virtues and these alone will the ungodless have to go.

Fellow DeMolays,

The holiday season is very near, and that means to me that the end of my term as your master counselor is rapidly approaching. I can truthfully say that I am anything but looking forward tothat time. I am really enjoying my term, and I believe that you are grately responsible for the pleasure of this term. Your cooperation has been perfect, and I really do appreciate it. I have said this in every other article which I have written, but the job which you have done merits more than one mention.

My last initiatory degree was given on November 22, and we initiated another very large class of candidates. I hope that you will continue your fine work into the term of the next master counselor, so that he may have the privilege of bringing as many boys into DeMolay.

The DeMolay degree was given recently on December 13, and the class for which it was given was extremely large. It included our own hundred and twenty-seven candidates plus candidates from some of the chapters in the surrounding arear. The entire class was called the Bill Pifer class in honor of Bill Pifer, the DeMolay boy who met with an accident at the lake the summer of 1954.

The election of officers is the twenty-first of this month. I should like to urge each and every one of you that can possibly attend to be at that meeting. It is definitely one of the most important ones of the year, for at that meeting are chosen the leaders of the chapter for the next few months. These leaders should be chosen from a representation of most of our members who are still intown rather than from twenty or thirty extremely concientious and active members. I hope that we can have an exceptionally big turnout for that meeting.

There is to be no meeting on December 27, but on the following evening Wednesday, December 28th will be our annual White Christmas Formal at the Scottish Rite Ball Room. The dance is formal for girls, but optional for boys. Suits and sportcoats will be entirely proper and fitting. DeMolays and Jobs Daughters will be admitted free to the dance as it is given for these two organizations by the Scottish Rite. We certainly appreciate this, and the least we can do to show this appreciation is attend the dance. It is sure to be a wonderful evening for all who come.

On January 5 will be the installation of the new officers, and the public is invited to attend, especially the parents and friends of the officers who are being installed. Then on January 10 will be a stated meeting with the newly elected officers presiding over the meeting. This date will also be the deadline for petitions for the first class next term.

That is about all I have to say to you in this writing except thanks again for a job well done.

Terry Miller, M.C.

JUST A WORD FROM "DAD" R.—IMPORTANT—

Immediately following the DeMolay Degree on December 13th, the Flower Ceremony will be given to about 175 young men. So at approximately 9 o'clock, parents and friends of the candidates and also the public will be invited to attend this beautiful ceremony.

The White Christmas Formal will be held on December 28th from 9 to 12 o'clock with Woody Neff's band playing for the dancing.

Admittance for DeMolays will be their 1956 dues cards only. "No Charge".

From the Reithmiller's, Seasons Greeting's, may this Christmas be the merriest ever and may the New Year bring you health and happiness.

DEMOLAY MOTHERS CIRCLE

The DeMolay Mothers Circle has come the end of another year. Our membership now includes 212 DeMolay Mothers and our President Mrs. Passwater and her officers are to be congratulated on their successful year as they retire to make room for the new officers.

Our Christmas Party, the last meeting for the year was held on December 5th at St. Johns Evangical Reformed Church. Mrs. Guy Allread was chairman of the committee and she was assisted by Mrs. Paul Boettcher, Mrs. Ray Bobay, Mrs. T. H. Ewing, Mrs. George Jacobs, Mrs. Ernest Leffler, Mrs. A. E. Levy. Our Homecoming and Past Masters Banquet for 1955 is now history. It was well attended and everyone seemed pleased with the dinner and program.

Dr. J. W. Fox, our speaker, had a most interesting story on Masonry from the beginning to its present influence on our national life.

We were privileged to have with us Bro. Lawrence Trempel, who served Sol D. Bayless lodge as master 25 years ago. He presented the 25 year pins to the brothers becoming eligible this year.

Before the next issue of this paper, we will have had our annual election and plans for the ensuing year will be in the making.

I want to thank all who have graciously responded to every call during my year. Certainly our co-operation and help greatly lightened the duties of my office. I am indeed conscious of the many things I might have done that I did not do but in my diary of events it still has been a year of opportunity in serving our brothers and fellows.

The sudden and untimely deaths of many of our brothers has reminded us of the uncertainty of life and challenges us to do our very best. The clock of Life is wound but once,
And no man has the power
To tell just when the hands will stop,
At late or early hour.
Now is the only time you own:
So live, love, toil with a will
Do not depend upon tomorrow, for
The clock may then be still.

The dates for the spring convocation of the Fort Wayne Scottish Rite bodies will be April 10, 12, 13, 1956. You will note there will not be a session on Wednesday April 11th. This is being done on account of the serious parking problem on Wednesday nights when the stores are open down town. We agree every night is bad, however, Wednesday is the worst night of the week. Please keep these dates in mind and start now to line up your candidate for the spring reunion. With a class of 250, our membership will go over the 10,000 mark and this is the goal set by the officers. We know we can count on you to help in this special effort.

At the last stated meeting of Fort Wayne Lodge of Perfection our Thrice Potent Master, Ill. Bro. Herbert K. DeWees announced the resignation of Bro. Robert L. Day as Orator of the Lodge. Announcement was then made that Bro. Melvin V. Erhman had been appointed to the position and he was installed by Ill. Bro. Orvis A. Dellinger. We welcome Bro. Ehrman to the official line of the Lodge of Perfection and know that he will continue his good work in the field of Masonry.

All the elective officers of the Fort Wayne bodies have been invited to a ritual conference to be held in South Bend the latter part of this month. Also present will be the officers from Indianapolis, Evansville, Terre Haute and South Bend. The purpose of the conference is to find ways and means of improving the Scottish Rite work in all its phases. The meeting will start on Friday evening and continue thru Sunday noon.

Don't forget the spring convocation dates, April 10, 12 and 13 and get your petitions in early so that we can be assured of reaching our goal of 10,000 members.

If you have not as yet received your notice of dues for 1956, they are 10.00 dollars. Send in your check and the dues card will be sent to you.

As we enter the new year may we be tolerant. It is a strenous age in which we live; probably strainous would be a better word, says Jerome P. Fleishman in The Walker Log. Everyone seems bent on getting ahead faster than the other fellow. Ideals are forgotten in the mad race for supremacy. Brotherly love is something that seems to make a good subject for essays, but that is about all. Charity has been commercialized until all the sweetness has been squeezed out of it. It seems that the greatest need of the world today is more old fashioned character and kindness; a slowing up of the rush long enough for some of us to realize that we aren't here for so terribly long, after all; that the best thing we can contribute to our times is tolerance and love. The sure way to get consideration is to give it. It is more pleasant and more beautiful, ofttimes to slap a fellow on the back than to punch him in the jaw. It is a steep grade, this thing called life, and we should welcome every opportunity to give a brother a lift when he needs it.

The dates for our Spring Convocation have been set. They are April 10th, 12th and 13th. The officers of the Consistory are planning and working toward making our participation the very best. Plan now on attending and enjoying the Convocation more fully because a brothe mason, whose petition you secured, is receiving the beautiful Scottish Rite Degrees.

To the members and families of Sol D. Bayless Lodge, your Master and Officers of the New Yeor, extend the hand of friendship, and wish you each and everyone a most pleasant and prosperous year.

Our installation took place at 1:30 p. m. on January 2, 1956 with families and friends attending. Our Past Grand Master, Orvis A. Dellinger was the installing officer, assisted by Past Master Melvin L. Westbrook, installing Marshall, and Past Master Howard J. Anderson, installing Chaplain.

Your officers this year are: Clayton L. Herrick, Worshipful Master; Charles E. Fuchshuber, Senior Warden; Ralph D. Thomas, Junior Warden; Ereil C. Steward, Senior Deacon; William I. Butz, Junior Deacon; Vernon D. Fraze, Senior Steward; Delmar J. Proctor, Junior Steward; Arthur C. Slane, Secretary; Melvin V. Ehrman, Treasurer; Oliver W. Linn, Tyler; and Richard L. VanCamp, Chaplain. Our trustees are: Ralph K. Sparks, Kenneth M. McGraw, and Kenneth G. Martin.

Please come see us; help us; and see for yourself how your Lodge is being conducted. We invite your constructive criticism. Our Lodge is a good one and with your assistance we can make it even better. You owe it to yourself, and to your Lodge, to make it a point this year to attend at least one, if not more, stated meeting and some degree work at least once each six months. Everyone will benefit by your presence. An individual lodge is only as strong as its weakest link. Since no man is really weak as long as he keeps the teachings of Masonry fresh in his mind, spend some time with us and let us refresh your memory in the principles of the fraternity. We need You to help keep our chain the strongest of its kind.

We invite your active participation in all phases of our Lodge work. If you would like a place on a committee, just let me know. We have plenty of places for everyone. If we don't know your name when you walk in, make sure we do before you leave. Don't be bashful. Of course, we can't seat our entire membership in the lodge room at one time, but come anyway, and we will take turns sitting in lodge. Your time out can be spent enjoying the facilities of our social room along with renewing old acquaintances and making new ones.

January also starts a new year for our active Fellowcraft Club with election of officers to be held on January 16, 1956. Those who have been nominated are: President: Leon O. DeRemer, Jerry White and John Battrick. Vice-President: Redmond Munro, George Rapsadot and Max Poorman. Secretary - Treasurer: James Timmons, Albert Ungerer and Don Munro. This Club works hard and has a fine active membership, but they always want and need new members. We invite your active participation with the Fellowcraft Club.

There is one way in which all members can help. We ask that you please notify your officers at once whenever you hear of a member who is ill. We want to do whatever we can, but too many times we never hear about it. To any of our members who are ill at this time, we certainly wish you a very speedy recovery.

Tentative plans are being made for a father and son banquet to be held on Monda night, January 30. Keep this date in mind and you will be notified later if arrangements can be completed for this date.

Your lodge raised seven Master Masons during the month of December to complete a very successful year. Congratulations to our Junior Past Master Brother McGraw.

As your newly installed Worshipful Master. May I say God Bless You, Each and Everyone and may the new year—1956 be one of Happiness and Good Health for you and your family.

Brethren: Another year has passed and a new one begun and with it comes the opportunity to serve, whether it be as the master of a lodge or lending a helping hand to a distressed worthy brother. The past year held many golden moments for us as a lodge and as individuals and we can be sure that if we maintain the high principles of Masonry, display the tenets of brotherly love, relief and truth and be ever ready to stretch forth our hands to aid and succor a needy brother, this year will also have its golden moments that will be stored away in life's treasure chest of memories.

What the year ahead of us will bring cannot be fortold and, so a young lodge, we have much to learn, but I can only forsee a very great year ahead of us, knowing the fine officers with whom it will be my priviledge to work and the enthusiastic brethren who suport and encourage our efforts.

Space will not permit me to list all of the brethren from other lodges who have assisted us so greatly, but to all of you we extend a most heartfelt word of thanks.

I shall feel that my year, as master, of my lodge, has reached the epitome of success if at the close of the year my brethren can honestly say—he has served us well.

Brethern:

Another year has passed and new officers have been elected and installed in your lodge. They are as follows: Shirley Scholer, S.W.; Max White, J.W.; Gene Gilchrist, S.D.; Howard Pornod, J.D.; Richrad English, S.S.; Herman Dadlington, J.S.; John MsNaughton, Chaplain; Fred Raake, Treasurer; George Gable, Secretary; William I. Lovver, Tyler. Trustees: Herbert Foreman, Byard Smith and Kenneth Strong.

I, naturally, am proud of the confidence you have placed in me by electing me your Master but with these honors, I realize there is also added responsibility.

However, we the new officer pledge you we will do our best to uphold the fine traditions of Maumee Lodge.

May we call to your attention that all the Brethern have also a responsibility to the lodge and although you take no active part in the degree work your attendance is an inspiration and is as necessary as that of your officers.

We urge your attendance in the lodge as often as possible.

We have, on the sick list, Brother Simon Hanes, Past Master Borther O. L. Burgener, and Brother Lester Helms. We ask your interest in these Brothers by remembering them in all your applications to the Deity.

This month your lodge has a nice class of five candidates so will be quite busy.

Remember, Master Mason degree will be conferred on Wednesday January 25, 1956. Can we expect you to be in lodge at that time?

Good—we will be looking for you.

1956 The New Year was born at Low Twelve or one part of a second after on January 1, it's weight a mere whisp, it's impact tremendous, it's Faith in God, it's Hope Peace on Earth, it's Charity toward all mankind, with the passing of 1955 some have regrets for things not done or not accomplished, some are happy over having taken part in a deed well done, some were successful, some were not, some thought it a good year, some thought it a bad year, many were born to this world and many were called to fulfill their destiny, whatever be the case we mortals can not look back but with the birth of the New Year we must look always forward to finer things and greater achievements, what is in store for us. We know not but it gives us great satisfaction to plan the best for all, achive the highest goal and have unbounded faith in God our creator and master of our destiny, with these thoughts in mind I wish you all a most prosperous and happy New Year.

Brethern on Tuesday, January 3, 1956 Past Master Elmer Forks, Fred Ruby, and James Farrar installed your new officers for the ensuing year, they are: Thomas E. Wallheiser, Worshipful Master; Raymond Girardot, Senior Warden; Elmer Barcus, Junior Warden; Willard Troyer, Secretary; Herman Rausch, Treasurer; Arnold Landis, Senior Deacon; Donald Stoneman, Junior Deacon; Laurence Miller, Chaplain; David Mills, Senior Stwart; Francis Ray, Junior Stewart; William Slyby, Tyler; Past Master H. O. Martin was elected Trustee for a three year period. The above named are your new officers duly elected and installed. They too have high hopes for a good and successful year as leaders of the activities of your Lodge, they are proud of the honor you have bestowed upon them, they plan great things for the coming year and hope that you Brethern will help them by becoming a part of these activities they have planned for you and attend Lodge often.

"The greatest and best men of all ages have been encouragers and promoters of the art and have never deemed it derogatory to their dignity to level themselves with the Fraternity, extend their privileges and patronize their assemblies."

The above quotation was taken from what Degree?

Where in the Degree does it appear? Can you answer these questions. . , resolve now to come to Lodge and learn the answers first hand, I assume you Brethern you will enjoy the evening and your officer will be pleased to have you.

Brethern being elected Worshipful Master of Home Lodge 342 was fulfilment of an ambition born in me seven years ago when I was appointed to the chairs by Past Master Fred Ruby, the road has been long and toilsome, I now wear the purple of the Fraternity by the will of your ballots in the past election of officers, I assure you no Master before me was ever more proud or more humble of having so great an honor bestowed upon him as this which you conferred. Please accept my thanks and my pledge to you of a good year for Home Lodge, God be willing.

I wish to extend congratulations to Junior Past Master Cleston Erb on the completion of a job well done, for it has been a good year Cles and your year as Master is another milestone in the History of Home Lodge to be well remembered.

The Welfare of the Lodge and the welfare of its members should be the first consideration of all Brothers so during the coming year, your officers will greatly appreciate any information you can give them concerning sick Brethern, call one of them if you should know of a Brother who is hospitalized or ill at home.

Remember a Lodge is not just the roster of the officers elected and appointed to the chairs, but it consists of the many many members whose names appear on its roster and it is by their deeds, actions and cooperation that a Lodge it GOOD, FAIR, or POOR accordingly, so let us all endeavor to make Home Lodge a GOOD Lodge.

MASONIC VISITATION AT VETERANS HOSPITAL

Due to the efforts of the chairman and co-chairman, the fine cooperation of the officers and members of the seven Fort Wayne Blue Lodges and the wonderful co-operation of Bro. Harold McGiunis (Hospital Chief of Service) who has been taking pictures of the various groups, our Visitation Program has been going along pretty well. With a couple of exceptions we have had 8 to 12 members out there each Monday night. But Brethern if we could start in January with 16 on our committees, giving us 8 for each floor, 4 for each wing and visit in pairs we could do a more thorough job.

What say ye?

Bro. Paul Tacket of 3 Rivers Lodge recently donated a fine collection of late "Book of the Month" books, valued at $300.00 to the Hospital Library. This fine gift was very much appreciated by the Hospital and will be enjoyed by many patients in the future. Congratulations Bro. Tackett.

This is the month of Resolutions for a great number of people and a great number of resolutions will be made by some people; Resolutions are like Intentions. they are often forgotten, some purposely others just by failing to raise our eyes to see what we have written by our actions and thoughts in the past. Many of us have had good intentions of what to do, with our time and year. The Royal Arch Mason need not dwell in thought on these matters as he has been taught how to make use of his time, not just once but many times. He has been given the tools to work with and been shown how to use them.

At the December meeting reports were made for the past year of 1955. We had no gains and no losses in membership. We have a substantial bank balance which indicates our members are paying the dues and we have a minimum of delinquencies. However the average attendance at our stated meetings was very low.

On January 6th, we have work; and on January 13th we have our annual inspection by the Grand Lecturer Lloyd Young. This inspection will be on the Most Excellent Master Degree. Those of you who have not witnessed any of the work for some time are especially invited to attend this inspection. In March we again have a combined convocation of degrees by the York Rite Bodies of Fort Wayne and Allen County. The exact time will be published in another article. In the meantime be sure to secure that signed petition from your Blue Lodge Brother and present it at the next stated meeting.

By this time I hope all of you are well on the way to keeping all those New Year's Resolutions you made. It was a wonderful Christmas Season, and now we are all ready to settle down to the activity of a new year.

In December Truth Court was honored by the presence of H.L. Betty Pleyte, Grand Lecturer of the State of Indiana. A pot-luck supper was enjoyed by the officers at 6:30 before the meeting. In spite of the absence of some of our members due to illness, it was a very helpful and instructive evening. On December 28th, S.K. Alfred Schell was in charge of our Christmas program. Our rummage sale which was to have been held on Dcember 22nd was postponed. The new date is now March 6th. Anyone having rummage call H.L. Binkley.

The Offical Visit of H.L. Ruth Ruley, Grand Royal Matron, and S.K. Stanley Miller, Grand Royal Patron was January 11, and Friend's Night will be on January 25th. We hope to have a big attendance that night of all the friends of Truth Court.

Illness in Court: H.L. Virginia Snowberger, S.K. Vernon Reed, H.L. Esther Swartz.

I am the New Year, and I come to you pure and unstained,

Fresh form the had of God. Each day a precious pearl to you is given,

That you must string upon the silver thread of life.

Once strung can never be unthreaded but stays,

An undying record of your faith and skill.

Each golden, minute link you then must weld into the chain of hours that is no stronger than its weakest link.

Into your hands is given all the wealth and power,

To make your life just what you will.

I give to you free and unstained, twelve glorious months, Of soothing rain and sunshine golden.

The days for work and rest, the nights for peaceful slumber.

All that I have I give with love unspoken.

All that I ask—you keep the faith unbroken! — J. D. Tempelton.

It is said that all good things must end sometime, and so it is with my term as your master councilor. With this writing my duties as master councilor of the Fort Wayne chapter Order of DeMolay comes to a close; and, though there will be many responsibilities lifted from me, I still regret greatly to see this time arrive. forget. Everyone with whom I have come in contact has been wonderful and hav given me their fullest cooperation, something which is necessary for the success of an organization such as DeMolay. I wish especially to express by gratitude to "Dad" Riethmiller, who worked so patiently and so diligently in aiding me with the work that the office requires. His leadership and authority is perfect; and as long as he is around, this chapter will continue to be one of the best in the world.

My term ended on a wonderful note when we gave the DeMolay degree and the flower talk December 13. We initiated some one hundred sixty candidates and then admitted the public to witness the flower talk, given by past master councilor and chevalier, Jerry O'Brien. The turnout was tremendous, and we barely had enough seats in the auditorium to accomodate all the people. Then on December 21 was the election of officers in a special called meeting. The officers elected are as follows: Frank Schollett, master councilor; Tom Pinder, senior councilor and Bob Passwater, junior councilor. Each of these fellows are really capable of filling their positions, and I am sure that they will have a very successful term in their new offices. Frank is a great fellow, and will, I am sure, be a fine master councilor. I want to wish him the best of luck, and hope that he enjoys his term as much as I have enjoyed mine.

One of our big social events was held on December 28 when the Scottish Rite sponsored the annual White Christmas Formal with over 250 couples attending. The ball room was beautifully decorated and looked like a fairy land with Chev. Carlton Sheets as Chairman assisted by the DeMolays home from college and service. This dance is given for Jobs Daughters and DeMolays with their escorts and ladies, and the members of the two organizations are admitted free by presenting their dues card. Jim McGraw was Master of Ceremonies for the program that included a quartet from South Side High School, Miss Dianne Roe, Mary Ann Wilkens, Merna Mosel and Janet VonGunten with Sue Berlien at the piano. Jim's own wizardy at the piano was outstanding, he is a real entertainer and was assisted by lovely Miss Georgia Rider who sang several numbers. I want to thank Jim sincerely and all his entertainers, for helping us out. Thanks again.

That is just about all the news that I have. Before I close, I would like to say that I will be ever grateful to each and every one of you and to the Order of DeMolay for everything during the past few months. The benefits which I have reaped from DeMolay are things which I will not forget throughout the years. They are wonderful teachings and examples which will, if practiced at all, make me or anyone else a better man and citizen. There is unlimited good to be derived from DeMolay, and I only hope that I have received some that will remain with me forever. I again want to thank you all for your wonderful cooperation and willingness to work, for the members of a chapter are what make it a success, not the officer alone. I am really and truthfully thankful that the Lord gave me the privilege of being at the head of such a wonderful group of boys for a short period of time.

That same privilege has now been given to Frank Schollett, and I am sure that he will appreciate its value and do a wonderful and complete job as your master councilor. Thanks again for everything and may God be with you always.

Sincerely,
Terry Miller, M.C.

BROTHER DeMOLAYS

First of all Brother DeMolays I wish to thank each and everyone of you for giving me the great honor of serving you as your "Master Councilor". I wish to assure all of you that I will give my utmost effort to DeMolay. My congratulations to "Senior Councilor" Thomas Pinder and "Junior Councilor" Bobert Passwater. These boys are of the highest caliber and will surely do a fine job.

I would like to say to all the officers that the great responsibility of keeping our Order where it is, remains with us. Our order has become great, but there is always another rung up on the ladder to success.

DeMolay is an international figure and you are DeMolay. The eyes of everyone are upon us and the ideals we possess. Never let it be said that a DeMolay is not of highest character, both now and in later life.

Sincerely Frank Schollett, M.C.

John A. Inches ----------W.M.

Franklin I. Bryan ------ Secretary
Hampshire Dr. ----------E-83117

In this, the first article as Master of your lodge, I wish to thank all of the brothers for their confidence in bestowing this honor upon me. I am grateful and humbly happy for the privilege of serving you in the year of 1956.

Your officers for the year are: Clarence Carlson, Senior Warden; Robert Marshall, Junior Warden; Maurice Butler, Senior Deacon; Clarence McIntosh, Junior Deacon; Donald Smith, Senior Steward; Morris Adams, Junior Steward; Chauncey Shirey, Chaplain; Henry Haesert, Tyler; Jim Meeks, Treasurer; Franklin Bryan, Secretary; Edward Fleck, Trustee.

Our Past Master, Jim, did an excellent job in "55" and had an outstanding year of work. I hope that with the cooperation of our officers and the assistance of all, we may have another successful year together.

The Veterans Visitation Committee is headed this year by Paul Mueller. The work done by this committee seldom is heard of in the lodge; but their efforts to bring cheer and comfort to those hospitalized is another expression of Masonry's quiet means of helping our fellow man. If you would like to aid in this worthy undertaking, you may contact Brother Paul or the Secretary.

Brethren, the following is a sincere thought for the New Year: We have an obligation to every man petitioning our lodge. From the reading of the petition by the Secretary to the last lecture of the Master Mason Degree, each man has his work to do. The first duty of all falls on the investigation committee, all of the degree work is a culmination of his efforts to give the lodge a complete report. Failure to make this report or giving inadequate information would delay the petitioner his rightful privilege of applying for the degrees of Masonry. I am sure you feel as I do, and by your prompt investigation reports, you may help to make another Mason.

During December the Craft conferred the Master Mason degree in Auburn and Huntertown. I would like to thank the brethren of these two lodges for a fine evening of fellowship.

I regret to report that during the month of December, Brother Alvin Barker passed on to serve the Supreme Architect. Our smpathy is extended to Mrs. Barker and daughter.

On behalf of all the officers of South Gate, may I wish all of its members a Happy and Prosperous New Year and hope to see you in lodge.

May God grant that through our ocmbined efforts and His assistance, we may become better qualified to do His will.

J. A. Inches

"Once more the year its course has run
In swift flight o'er our heads,
Once more a new year bright with hope
Before our pathway spreads.
Once more our hearts with joy are thrilled
Because of love and friendships dear,
Once more we pray 'God Bless You'
Through all the coming year."

The old year out and the new year in. The joyous holiday season is past, the holly and wreaths have been put away for another year.

The officers entertained the Chapter with a musical by the South Side Choir and refreshments were served afterwards on our December 16th, meeting.

The last big project of the Ways and Means committee with Catherine Robb, chairman and Anita Silkworth, co-chairman will be a Big Card Party to be held January 23rd in the Ball Room of the Masonic Temple. Cooperation of each an every member will be needed to make this project a success.

Emmanuel Chapter of Rose Croix, has been especially blessed with the fine cooperation of the fraternity at the time of the double convocation and looks forward eagerly to the opportunity of bringing to the membership and candidates the lovely Christian degrees of the Chapter in the new year. With the changes that are coming in the 17th. degree and the possibility that it will be ready for the spring convocation, we look forward to the opportunity of again serving the brotherhood. May the new year bring to Masons everywhere enriched Faith in Almighty God; Hope that knows that evil is overcome by good; Charity for all mankind that means that through Love our brotherhood is eternal.

Harlan Lodge No. 296 held its annual election Tuesday, December 2nd. The newly elected officers are as follows: Jack D. Lineberry, Worshipfu Master; Frank Love, Senior Warden; Robert Hissong, Junior Warden; Walter Love, Treasurer; Clem V. Wasson, Secretary. Appointed officers are: George A. Harter, Senior Deacon; Kenneth Statler, Junior Deacon; Harold Wells, Senior Steward; Perry E. Poisel, Junior Steward; Cyrus D. Gustin, Chaplain and Carl W. Roberts Tyler.

As this is my last writing for the Square & Compass I want to thank all of the Brethren for their attendance and support in all of our lodge activities. I surely have enjoyed the honor of serving as Worshipful Master for the past year.

I also want to thank you Brethren for the many Christmas Greeting cards and wish you all a Happy and Prosperous New Year. May the blessings of God accompany you in all your doings in supporting the dignity of our character as Master Masons.

Let us afford the best example for the conduct of others less informed. Let us never forget the tennets of a Mason's profession, brotherly love, relief and truth. By these exercises we will merit the honor God has reposed in us. We must never forget we are constantly being watched. The all seeing eye may be in the head of a child who is taking you for an example.

We have three candidates for the three degrees of masonry and one for fellowcraft and master mason. So come to lodge and take part in the work.

And in closing my final writing I would like to leave with you this poem written by Barton Rees Pogue: Laughter, Inc."

As you walk the daily highway,
And with humans travel there,

Do not add one jot or title
To their heavy load of care.

Lift a little from their burden
You can do it if you try,

And leave the peaple laughing
When you come to say, good-bye.

You will find your burden lighter
If you put out some of cheer,

You will make your own sun brighter
If you keep your smile in gear;

"If a body meets a body
Need a body cry?"

Leave the people laughing
When you come to say good-bye.

You may not be real happy,
Not so many of us are,

Your skies may be quite cloudy,
Or without a guiding star,

But the worst turns always better,
And not quite so much awry,

If you leave the people laughing,
When you come to say good-bye.

This frowning takes three muscles,
But smiling uses two,

Why not ease your face a little,
Let the lesser number do?

Rest yourself and all your neighbors,
Be a merry sort of guy.

And be sure to leave them laughing
When you come to say good-bye."

"TO THE NEW YEAR"

The past is gone, with all its grief and sorrow
Look forward now to a new, glad to-morrow
Wounds are not healed by weeping and repining
Just face your cloud and find its silver lining.
Waste not a day in useless, vain regretting
Make life worth while, giving as well as getting
And lend a hand to aid a stumbling Brother;
Life is enriched through helping one another
Be of good cheer; the Future holds the treasure;
As we desrve, so shall our blessings measure.

By the time this goes to press all the Yuletide parties will be over and everyone will be back to normal.

Lets start the New Year 1956 with a smile and a friendly Hello to everyone we meet.

Our Worthy High Priestess Florence Stocks and all her officers send best wishes and a Happy New Year to all.

Illness in Miriam Shrine — Soj. Ethel LaMay, surgery on her eyes. Daughter of Soj. Helen Smith. Soj. Belva Krick, Soj. Agatha Engleking, Soj's, Aaron and Ruth Gearhart a new granddaughter, Soj. Shirley Bly two new grandchildren.

Deaths — Brother-in-law of Soj. Mabel Scheid, Mother of Soj. Aaron Gearhart.

To those who are ill we wish a speedy recovery. To those who have lost loved ones goes our deepest and sincere sympathy.

To the proud parents and grandparents congratulations.

The New Year of 1956 has begun. That means a New Year in Masonry has started and we are looking forward to another successful year for all of the Masonic bodies. The Blue Lodges have all initiated, passed and raised many candidates, all of whom were seeking light, more light and further light in Masonry and have enjoyed and are still enjoying every minute of their teaching.

Each and every Brother Master Mason is similar to a school boy seeking more education. In Masonry we have what is commonly termed York Rite Masonry, to which all Blue Lodge Brethern are eligable to petition in seeking "Further Light in Masonry," and receiving a more thorough understanding of their Blue Lodge degrees of which they are so justly proud.

Another York Rite Ceremonial will be held on the evenings of March 19, 20, 21 and afternoon and evening March 22, 1956. This will give the possible candidates an opportunity to receive this "Further Light" without the loss of time from the vocations. Petitions must be presented to the Chapter of Royal Arch Masons on January 16, 1956 or February 20, 1956. Further information may be obtained from Fort Wayne Chapter No. 19 officers or any York Rite member.

To All Companions of Fort Wayne Chapter No. 19. This is an opportunity for you to help your Chapter by presenting a petition of a Brother or friend so that they may enjoy our fellowship and privileges. Remember the above dates.

A Happy and Prosperous New Year to all.

Hello Everyone,

I was very glad to see such a lovely turn out at the Christmas Party. I know all the children will enjoy the wonderful gifts that they received from Job's Daughters.

I hope all of you have had a good time during the holiday season and I wish you all good luck through the coming year.

I wish to thank all of the wonderful people who have helped me so very much in my term of office. I want to thank the council for guiding our work, and for being so helpful.

I also want to thank my officers and the choir. Girls, you really did a great job and you couldn't have made me more proud of you.

Thanks to the many girls who served on the vairous committees during the term. All of you were grand for being right on the job.

In closing, I would like to say I have enjoyed every minute of being with you and I hope I will see you all again soon.

Judy Hallenbeck

Hi Everyone,

Well, the New Year is here and it looks like a good one.

My installation was just beautiful the decorations were carried out around a winter theme with snowflakes and evergreen branches. I want to thank everyone who helped to make it a success, especially my parents.

Our first meeting was preceded by a delicious potluck dinner for the officers and their mothers. After the dinner we had our first meeting. Congratulations on your fine work girls! The next meeting will be Mom's & Dads Night and I hope to see many of the parents at this meeting.

I thing a word of thanks should go to the fine people who made the Job's Daughter DeMolay Christmas Dance possible. The dance was just perfect and the decorations were beautiful.

Our skating party will be held on January 25 at 7:30 P. M., at the Roller Dome. Tickets are 50c a person and if you want to rent skates it is a little extra. If you want to enjoy yourself, I suggest that you don't miss the skating party.

I think that is about all and I'm hoping to see all of you at the next meeting.

ARTHRITIS!

NEW HEAT-AND-MASSAGE PAD SOOTHES ARTHRITIC PAIN

Now, Science makes it possible, for the first time, to apply two of mankind's most famous healers simultaneously for the relief of pain of arthritis, bursitis, fibrositis, and sprains.

A new, soft, comfortable pad, called the Thermo-Cyclopad, has been developed that contains a cyclo-massage motor and a special heating element. The motor developes a pleasant, soothing, non-electrical massage action while the heating unit develops a penetrating type of deep heat.

Research proves that tihs unique combination of heat and massage drives deep down throught tissue and bone to relieve aching muscles and joints, stimulate peripheral and local circulation, decreases many types of reflex pain, relieve nervous tension, and encourage deep restful slumber.

Companions:

I have just received the following letter, which is self explanatory. It is addressed to the Illustrious Master, Officers and Members "I have just received the report of visitation on December 8th. by Illustrious Companion Lloyd W. Young, to Fort Wawne Council No. 4.

"I have been hearing for some time about the wonderful work you are doing in Cryptic Masonry in Fort Wayne. I think the idea of conferring the Degrees in a convocation is very good. It gives the Officers more time to prepare and give the work in a more impressive manner. The fine manner in which you are conducting thec onvocations and the large number of candidates who are going through the degrees certainly proves that York Rite Masonry is booming in Fort Wayne. Those of you who are responsible for this are to be commended.

"I hope that when you have your next convocation I will be able to attend. I want to wish you every success during the New Year and urge you to keep up the good work in Cryptic Masonry."

Fraternally,

ANCIENT MASON'S MARK

Operativc Freemasonry lasted over so many centuries, and was spread through so many countries, and varied so much from time to time and place to place in detailed practices that it is difficult to make sweeping statements about those practices and their customs. It is possible only to generalizs. Therefore these notes about Masons Marks will be true on the whole, or over a long stretch of time, or for the average.

What was an "ashlar"? (It once was spelled "asheler.") According to the mass of notes left by Sir Christopher Wren it was the Freemason's name for a building stone. It was always of free-stone, which was a stone with no grain in it, or very little, and which could therefore be worked and carved without spliting.

Rough Ashlar

At the quaries these were roughly cut ("rough ashlar") of such size and shape that when shaped and polished for final use each of them would be in shape and size one foot wide, one foot high, and two feet long.

If two stones had to be put end to end through the wall, only that surface which would be exposed was polished, and at the ends where they would join they were "keyed," so as to lock together; a stone thus keyed was called "a perpend ashlar." (Perhaps the "perfect" in Perfect Ashlar originally was this word "perpend"?)

The Freemason did this cutting and polishing at a work-bench which was called a "banker." Usually, though not invariably, the workman, when he had completed a stone, scratched, or carved, or painted on one of its sides what was called his "mark." This was uniquely his own, like his thumb print, and no other workman was permitted to use it.

Choose Simple Design

A mark was some very simple design, similar to the letter A, the letter B, an X, a circle, an arrow, etc. These were called variously "bank marks", "bench marks," and "Mason marks"

Since each workman has his mark registered with the clerk of the works, it was easy for the latter, at the end of the working day, to make a list of the ashlars cut by each workman, and to give him credit for them. (Perhaps it was out of this old practice that there arose the custom of permitting an illiterate man to "put his mark" after the signature which another man had written for him on documents.)

Other Types of Marks

There was yet another kind of Mason mark. If a number of stones had to be fitted together in some special unit of construction, such as an arch, or in the capital of a pillar, the Masons would cut them to fit in their work room (or "lodge") and would then cut short lines, usually parallel, across the joint of two adjoining stones; with these as a guide it was easy to fit the stones properly together in the building.

These were called "position marks." Unlike the other Mason marks, these position marks were not carried on over into Speculative Freemasonry, but they could easily have been used in it, because there are many points in the Ritual and in the ceremonies of installation which remind one of the old position marks. (As in the fact that each officer has his own predestined station or plate.)

Marks Aid Historians

It is amazing how much information historians have been able to extract from marks. During the past century they have been slowly compiling lists of each of the still-existing buildings; by adding the lists together they can get a fairly complete register of all the marks in Britain.

This means that as soon as they have identified the mark of some individual Masons, perhaps a once-famous craftsman who served as Master of Superintendent on a number of buildings, they can track him down from building to building and from town to town.

This is a very plain fact, and a simple one, but it has thrown light on a subject which is far removed from marks, but which once engaged the attention of Masonic historians.

"Travel" For Year

In many crafts it was the custom for a young man,, as soon as he had completed his apprenticeship, to "travel" for a year or two, in foreign lands if possible; this was equivalent to a post-graduate course, because as he worked for a time first in one town or country and then in another, he learned many things from practice which he could not have learned at home. (The best of all descriptions of a "wander year" is in Goethe's great novel — almost a Masonic one —entitled "Wilhelm Meister.")

Undoubtedly at some times, and in some countries there were such "ourneyman Masons," and the older historians may have been right in their belief that this old custom may have been one of the origins of the Second Degree, which is a desire for "journeymen."

The testimony of the marks, however, proves that many early Freemasons were journeymen in another sense. They worked for a period at one place, then moved on to work for another period at another.

Two Reasons for Travel

There were two principal reasons for this. One was, that many large structures, particularly the cathedrals, kept their own staff of Freemasons, and these would occasionally have to call in outside help. The other was, that craftsmen might specialize in some particular type of work, such as sculpture, or erecting columns, or building arches, and these specialists would be employed only as long as was needed.

Perhaps in all the rules and regulations in force among the early Freemasons the set in which the function and importance of marks is set forth most clearly is the Torgau statutes, enacted in 1462. In his commentary of them G. G. Coulton, among other things, states:

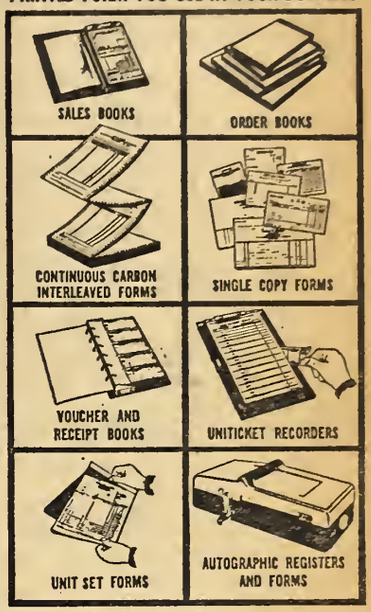
"The journeyman took his mark at a solemn admission-feast, partly at the master's cost and partly at his own. In the lodge, he was forbidden to engrave it on his work until the stone had been inspected and passed by the master or lodge-warden.

Warden Liable for Work

"How necessary it was to check work in this way, we see from articles 51 and 61 of the same statutes. The warden himself, if he spoils a stone, must pay the cost of it to the lodge; again, if he passes as correct a badly-cut stone, he must pay 8d, and the defaulting workman 6d.

"In 1563, the statute runs: 'No man shall change, of his own will and power, the banker-mark which hath been conveyed and granted to him by his gild; but, if he purpose to change it, let him do so with the favor, knowledge and consent of the whole gild."—Iowa Grand Lodge Bulletin.

THE NUMERAL THREE



"The numeral three is one of the interesting numbers of Freemasonry. It is a symbol representing three units each separate and distinct. The number three is of greater interest and more important to Masons than to any other class of persons. The first steps within a Masonic Lodge reveal the universal use of the unmeral three, —in fact three is deeply interwoven into Masonic symbolism. Every Mason learns early in his Masonic career that a Masonic lodge is under direction of three principal officers; the three principal officers symbolize the three principal states of human life, which are youth, manhood and age.

In youth, like the sun, we arise in the east in the newness and morning of life; in manhood, like the sun at noon, we attain the meridian heights of life; finally, in age we witness the setting sun in the evening of life. The three principal stages in life are emphasized again and again, the three steps of the Master's carpet, the three degrees of Ancient Craft Masonry, the three greater and lesser lights; the three working tools and the three charges, the three virtues, faith, hope and charity.

Three also represents the three principal characters. The Entered Apprentice degree presents the physical man; the Fellow Craft Degree presents the intellectual man, and the Master's Degree symbolizes the spiritual man. From this symbolism we perceive the three duties which man owes: The first to God, the second to his neighbor and the third to himself.

We also have the three great pillars which are Wisdom, Strength and Beauty; we may associate these three virtues with the three builders of the Temple—Solomon, King of Israel, Hiram King of Tyre, and the other Hiram, known as the builder, who was the widow's son.—Ex.

THE TRUE MASON

The Mason who lives according to the teaching of the ritual will be a man without reproach, not only among his brethren, but among his neighbors who know not Masonry. He will be noted as an exemplary citizen in all relations.

He may not be a member of any church; he may not profess faith in any particular creed, but he must confess faith and trust in God.

He will deal honorably, justly and generously with his neighbors. He will be true to his family, and if need be, sacrifice every personal and selfish gratification that he may the better protect and provide in every way for those dependent upon him.

He will be careful in his business dealings and always make his word and bond equal value in the estimation of those with whom he has business connections.

He will ever be courteous and considerate of others, always ready to assist as the case may require when andw here assistance is needed.

He will show his moral discipline by never having his name connected with any transaction of a questionable or immoral nature.

In other words—he will be a man at all times.—Scottish Rite Bulletin.

READ AND THINK

In 1917, one of the first acts of the Bolsheviks was to dissolve all Masonic Lodges.

In 1919, Bela Kun declared dictatorship in Hungary, and one of his first acts was to dissolve all Masonic Lodges.

In 1925, General Primo de Rivera ordered the abolition of Masonry in Spain.

Mussolini took two years to close the Masonic Lodges in Italy, but in those two years, 1925-27, many died and many more were imprisoned.

Immediately on Hitler's rise to power in Germany, the ten Grand Lodges were dissolved. The Gestapo seized the membership lists, persecuted the members, sold the properties at auction, sent prominent members to concentration camps, and in 1937 held an Anti-Masonic Exposition in Munich.

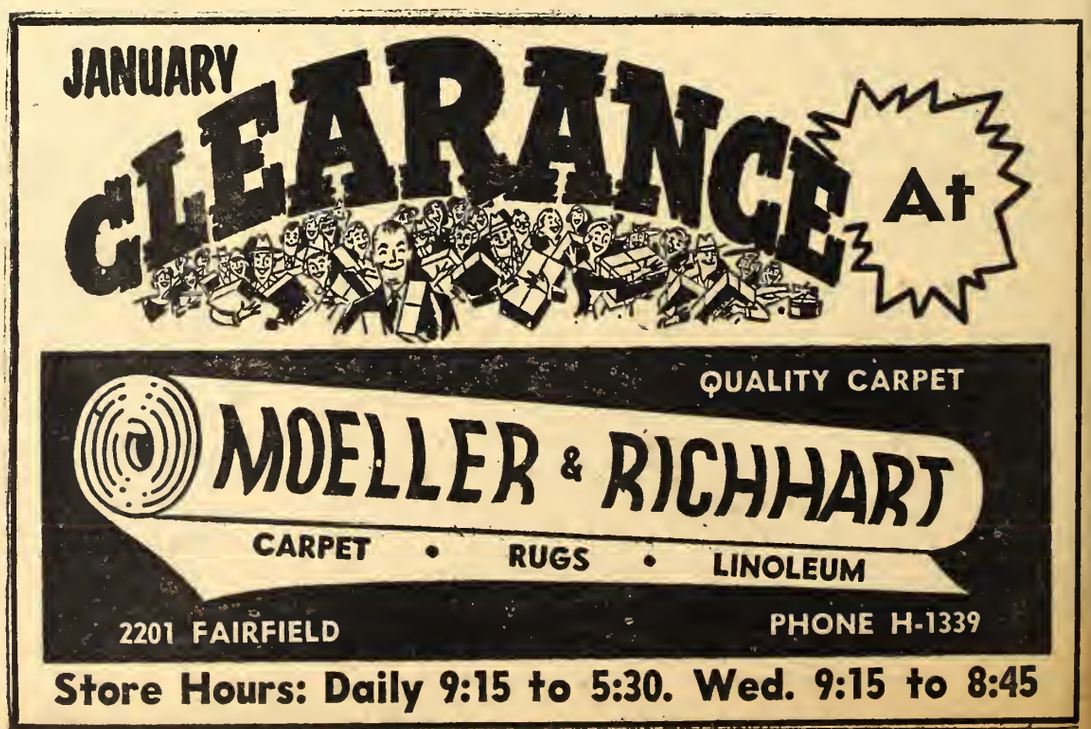
They carried the persecution to all the countries they conquered, by forcing the puppet governments set up to issue decrees against Masons, and to arrest anyone they could who might be sympathetic to Masonry.

General Ludendorff said in 1918, "It is cheating the people to fight the Jew, while allowing his auxiliary troop, Freemasonry, to exist." In 1933 Herman Goering said, "In National Socialistic Germany there is no place for Freemasonry." — (The Ohio Mason).

MASTERSHIP

A Mason's laudable ambition should be the Mastership of his lodge, for it is a great honor to be a ruler in a Masonic Lodge. The individual who fails to gain some useful lesson as a result of serving a term as master is, indeed, strange. We know of no better position than that of a mastership of a lodge for a person desirous of becoming acquainted with the proper conduct of meetings.

The master who directs the lodge rather than rules it is far more likely to be successful than he who attempts to govern it. It may be possible to do both, but it would be well for the newly-installed master to endeavor to direct his lodge before aspiring to rule it. In the former case the personal element of the master comes much more to the front than in the latter. We can say with confidence that the members of the lodge will be far more ready to fall in with the directions of their W.M. than to obey the dictates of a brother who over-estimates the power with which he is invested, and thus makes himself an autocrat.



A master cannot afford to be too autocratic in his bearings. If he is genial in his conduct towards his brethren,, and sincere in his work, he will doubtless win their approval, and by so doing is bound to have both a successful and harmonious year of office.—Victorian Craftsman.

Because today rapid recoveries can often be made with just a single prescription. Burdensome expenses involved in long sickness are eliminated. As recently as ten years ago, your doctor had to rely upon medicines that were slow-acting and uncertain. True, your prescription cost less then, but today, because of modern research, you get *far greater results* for your medicine-dollar.

Preparations for the Spring Convocation to be held on April 10, 12, 13, 1956 are going forward and a large class of candidates is expected.

Several meetings have been held regarding the membership committee. In the outside Jurisdiction a membership chairman is being appointed in each county and we expect to have some one or more from each Blue Lodge to represent the Rite. The same is being done in the seven Lodges in Fort Wayne. New members are being added to the committee under the direction of the chairman. We hope in this way to keep in constant touch with all Master Masons in the entire Jurisdiction who have not as yet petitioned the Scottish Rite.

It is the hope of your Officers that he Spring Class will put our membership to the10,000 mark. A class of at least 250 wil be needed to reach this goal. Will you do your part and secure a petition to insure thes success of this endeavor?

The last date to receive petitions is Tuesday, March 27th.

A LETTER FROM OUR GRAND MASTER

F. S. Hunt
428 East Berry Street
Fort Wayne, Indiana
Dear Brother Hunt:

I gladly comment on your Fort Wayne's Hospital Visitation project. I realize that this is the sort of thing that takes a great deal of sustained continuous effort but I am sure that the participants must have a great feeling of satisfaction.

This veteran visitation program is truly the Masonic spirit in action. May I commend the officers, committee members, and brethren who week after week have so devotedly given their time, their energy, and their substance to the living of Masonic ideals.

May the same spirit continue to eminate the Masons of Fort Wanye to the end that this project so nobly begun may continue to bring aid and comfort to the veterans who will continue to need and welcome their brotherly attention.

Sincerely
s/n Joseph A. Batchelor

We were very busy during the month of January, seven candidates having received the degrees during this period and we now welcome them into our fellowship brothers John D. Conser, Richard C. Fisher, Donald E. Fisher, Richard Paul, George M. Kissell and James Cunningham.

Bro. Charles Gumpper, who was unable to be present at our Centennial Home Coming Celebration, to receive the Grand Lodge award of gold, in recognization of his fifty years service in Masonry, was honored at his home by a visit from P.G.M. Elmer C. Forks, who presented the award in a special service. Bro. Forks was assisted by P.M. Leon B. Williams, as Worshipful Master, and Harlan J. Miller, Jr., as Chaplain with officers of the lodge in attendance.

Bros. William H. Droege, Alva R. Grey and William H. Schafer were called to their eternal reward. To their families we extend our deepest sympathy.

The work on the new nursing hospital at the Masonic Home will be completed in the near future and as you know pledges of financial support were received from all of the Blue Lodges in the state together with the Scottish Rite, Order of the Eastern Star and the Mystic Shrine. Although Summit City ranks 13 in respect to membership we stand quite a bit below that standing in sofar as contributions per membership is conserned. Won't you help by sending your check?

Brethren: — The opportunities for keeping your working tools bright and shining, as a Master Mason, are many and caried. One way is the visit to a sick brother. At the last visitation to the Veterans Hospital there was a very nice turnout, but there is still room for more of the Craft to work at this worthwhile project. Contact Bro. Kenneth Rayl for the next visitation, you will be doing yourself, the hospital, and the Lodge a great deal of good.

The officer of the Lodge and the Fellowcraft club have completed the social calendar, so mark these dates and plan to attend. Saturday, February 18th, Square Dance, Carl Brandt, Caller; Thursday, March 22nd, Annual Homecoming and Past Masters Nite, dinner served at 6:30 P. It seems as if time is flying by so fast. Here it is February, the month of holidays, and I'm still thinking about Christmas. Truth Court has been very busy the last few meetings.

On January 11th, we were honored by the presence of H.L. Ruth Riley, Matron and Sir Knight Stanley Miller, Grand Royal Matron and Patron of the State of Indiana for their Official Visit. Many of the other Grand Officers and guests accompanied them, and we truly were inspired to have our side lines so well filled.

The banquet at 6:30 was a wonderful time of felowship with the highlight of a beautiful birthday cake for S.K. I. E. Douglass of Indianapolis. The tables were beautifully decorated with white chrysanthemums and purple Iris, and a Royal Matron and Patron about 8" tall centered the Head Table.

At our stated meeting of January 25th, we were to be honored by a performance by the fancy drill team of the Royal Neighbors Lodge. Although I have never seen the team perform, reports have reached me that it is well worth seeing, and we hope for a good atendance.

Although our coming events have been subject to a great deal of change in date, through events beyond our control, the folowing I hope will be the permanent dates:

February 8th, Advance Night.
February 22nd, Patriotic program.
March 14th, Election of Officers.
March 28th, Friends Night.

Also our Rummage Sale on March 8th, is still correct, and anyone having rummage call H.L. Myona Binkley.

We have been very lucky in not having any serious illness to report. Those who were sick are improving, and we hope they continue to do well. H.L. Mary Stoops and H.L. Virginia Snowberger were well enough to be with us again, although H.L. Virginia was hurt later in an accident.

If you have not as yet picked up your dues card, please do so as soon as possible, as the Annual Reports are now due.

Companions:

The time is drawing near to another York Rite Ceremonial. The dates are March 19, 20, 21, 22, 1956. Don't forget these dates, and all of York Rite degrees will be conferred at this time. Another date to remember is February 20, 1956 the deadline in presenting petitions in Fort Wayne Chapter for this ceremonial. This is an opportunity for the membership of our Chapter to assist their officers in having a successful Ceremonial so encourage your Masonic Friends to join us in these interesting Degrees of Masonry.

Companions Ivan Planck was elected President of the Degree Teams of Fort Wayne Chapter No. 19. He would like to have 25 more volunteers to assist in conferring the Degrees of the Chapter. Any companion desiring to take part call companion Planck H-2552 or any of the officers. We have a splendid cast for the Mark and Past Masters Degrees at present but we need more to assist with the Most Excellent and Royal Arch Degrees.

To all Companions that do not have a 1956 dues card, contact our "Ole Faithful" George Gable, Recorder and I'm sure he will see that you are up to date. Dues in the Chapter are due January 1st.

Some of our Companions are on the sick list. We hope and pray for your recovery so that you can get back to our meetings.

Don't forget February 20 for petitions for the Spring Ceremonial in March.

MOZART — COMPOSER AND MASON

In Commemoration of His 200th Birthday, January 27, 1956

By H. L. HAYWOOD

He was a pure minded, honest straight-forward Mason, — one who took the principles and teaching of the Craft thoroughly to heart. Freemasonry was to him as to many others, the basis of a deep religious conviction.. "It never occurred to him," says Otto Jahn, "to consider his connection with Masonry as a means of worldly advancement; such calculations were foreign to his nature, and could have been in no degree realized." His fidelity to the Order is proved by the pains he took to induce his father to become a Mason. A letter which Jahn quotes, anticipating his father's speedy death, pointing out the true meaning of death from a Masonic point of view, is a proof of his earnestness. Many of his impulses as a composer may be traced to his interest in the teachings of the Craft. We know that the "Zauberflote" comes under this influence, and several of the compositions written for particular ceremonies within the lodge exhibit in many ways direct compliance with restricted Masonic conditions.

The "Gesellenreise," composed in 1785, is a social song, and two pieces for the opening and closing of a lodge with organ accompaniment might with advantage be studied by those who would willingly see music assist our ceremonies now. He also wrote a piece for a Masonic funeral, a solo with chorus and organ accompaniment. "Zerfliesset heut, gilibter Bruder," also for the opening, and one for three voices "Ihr unsre neuen Leiter," for the closing of a lodge, and a Masonic Cantata "Laut verkunde unsre Freude" with accompaniment for strings, flute, oboe, and horns. This, which was written on the 15th November, 1791, was the last complete work of the great master. It was performed at the dedication of a new Masonic Temple a few days afterwards. It is not certain whether the composer "assisted" at the performance of this in the lodge. On the 5th December following his great heart ceased to beat.

It is interesting to us as Masons to find that the teaching of our lodges was so taken up and followed by one of the noblest musicians that the world has seen, that even in his last sickness he contemplated the approach of death with equanimity, and that the lessons of the third degree had prepared his mind to await with calmness the opening of the door which led to eternity.

Most of us are familiar with the engraving of a picture representing Mozart of his death bed, surrounded by his musical friends, occupied with the performance of a musical work which is wrongly described as the "Requiem."

This, as is well-known to musicians, Masonic or otherwise, was not completed at the time of his death, and therefore could not have been performed. In the Wiener-Zeitung of January 25th, 1792, there is a paragraph which indicates the work which was done under the circumstances related. Reverence and gratitude for the departed. Mozart caused a number of his admirers to announce the performance of one of his works for the benefit of his necessitous widow and children; the work may be termed his Swan's Song, composed in his own inspired manner, and performed by a circle of his friends under his own direction two days before his death. It is a Cantata upon the dedication of a Freemason's Lodge in Vienna, to the words of one of its members. The score with the original words, further confirms this statement, for on the title is engraved the words "Mozarts letztes Meisterstuck eine Cantata gegaben von seinem Tode in Kreise Vertaute Freunde." So that his last memories were for the Masonry he loved, and which by his beautiful music he honoured and adorned, and by which also he left an example for all Masonic musicians to follow and to try and approach as near as possible. They never can surpass it.— Iowa Bulletin.

On January 19th., Fort Wayne Commandery No. 4 held the first stated meeting in the New Year with all the newly elected officers in their respective stations. Eminent Commander Sir Knight Stanley R. Putman announced the following chairmen to head the various committees for the ensuing year: Sir Knight Byard Smith P.C., Finance; Sir Knight Arthur Waldo, Sick; Sir Knight John Kurtz, Entertainment; Sir Knight Harry Haller P.C., Patriotic and Sir Knight Laurence Miller Banquet.

One candidate was elected to receive the Work, beginning January 26th.

On January 21st., the Malta team traveled to Angola, Indiana and had the pleasure and honor of conferring the Order on a class of ten candidates.

As of January 21st., Sir Knight Dr. J. W. Autenreith has the distinct honor of being the first 50 year member of Fort Wayne Commandery No. 4. We all join in the congratulations and extend to him our very best wishes for continued good health and many more years of Templarism.

On January 10th., the Drill Corps had their annual election of officers and Sir Knight Myron Millhorn was chosen to be their President, Sir Knight Richard Finkhouse. Vice President and Sir Knight Fred Ackerman, Secretary. Eminent Dr. Charles D. Morrow was reelected to serve as Treasurer. We are happy to state that our Drill Corps is growing and we invite all Sir Knights who are interested, to join us.

Our Program chairman informs us that he and his Committee are busily engaged planning a full years activities and their plans are in full swing for the Commandery Ball to be held in the ballroom at the Temple April 7th. So put a ring around that date on your calendar and plan to attend this nice affair. It will be open to ALL BLUE LODGE MASONS AND THEIR LADIES. It will me semi-formal and all Sir Knights are asked to wear their uniforms.

The York Rite Convocation will be March 19th., through the 22nd., in clusive. It behoves all York Rite Sir Knights and Companions to invite the petitions of their Blue Lodge brothers so that they too, may share in this beautiful knowledge of Capitular and Cryptic Masonry and the Christian Order of Knighthood.

The only illness known at this date is that of Sir Knight Carl Dick. We wish for him a speedy recovery.

THE YORK RITE DRAMA

Called the Circle of Perfection in Ancient Craft Masonry, The York Rite Drama, consists of ten scenes or degrees, in three parts or rites, Blue Lodge, Chapter and Council. The Chapter and Council are actually a continuation of the Blue Lodge. The Three Illustrious Grand Masters of Masonry appear in the three rites to give a full understanding of the Loss, Recovery, and Preservation of that Great Secret for which all Masons search. Only in the Holy Royal Arch and the Select Master Degree are these mysteries revealed. They are found nowhere else. York Rite Degrees are conferred in full form and never communicated. Every Candidate participates in every degree. This ceremony is then crowned with the true capstone of the York Rite, the beautiful lesson derived from the death and ascension of our Saviour, culminating in candidates being received into full fellowship through the most inspiring and impressive order of all Masonry, the Order of the Temple.—E. Kahir Karavan.

SAMUEL COLT

Inventor of the Colt Firearms, Samuel Colt, was a member of St. John's Lodge No. 40, Pythagoras Chapter No. 17, and Washington Commandery — all of Hartford, Conn. — Royal Arch Mason.

The plans are, that degree will be conferred by all bodies in March. The Council will confer their two degrees on Wednesday March 21, our regular stated meeting night. Our business that evening will be cut to a minimum so plenty of time will be allowed for the degrees. Petitions for these degree's will have to be presented at our February stated meeting, Wednesday, February 15, or March 21, the night of the degrees. Don't wait until the last minute Companions, get them in early. Surely you have some one in mind who should receive these wonderful degrees.

A THREAT TO TYRANNY

Why does every dictator immediately declare war on the Masonic Fraternity? What mystic magic makes Masonry dangerous to a totalitarian society?

It seems Masons are very subversive to any tyrant. Our great threat is practicing human brotherhood and democracy.

Each new despot closes lodges, tortures and kills members, desecrates emblems and regalia — yet Masonic light shines through the darkness—symbolic of man's dream of brotherhood and dignity and freedom.—New Mexico Freemason.

A MASONIC TALE WASHINGTON'S TIME

By Wilmer E. Bresee

Richard Cary, Major of Virginia Volunteers, stepped out of his tent on the morning of June 21, 1776, and looked at the camp, half revealed in the light of early morning. It stretched out as far as he could see, on both sides of the road. The tents and huts were made of almost anything the men could find. He thought, as he looked around him, that it looked more like a country fair than a camp of the Colonial Army.

He smiled half ruefully, at the appearance of his men. Many wore bule militia uniforms, patched and tattered. Others wore the same clothes they had worn when they left the farms to heed the call for volunteers. Those from the frontier still wore their leather hunting shirts. It was a strange picture.

After a hasty breakfast, the Major hurried to the General's Headquarters, which sat far back from the street, and seemed peaceful and stately, after the hubbub of the streets which were crowded with heavy carts and farm wagons, hauling foodstuffs for the army.

Finely Dressed

The sentries in the General's Headquarters were very finely dressed, and snapped their muskets briskly as the Major entered the big door. He showed his papers to the officer who sat at a desk, just inside the door.

"General Washington is expecting you. Major, you can go right in."

Genreal Washington was alone in the room, sitting at a big table. His face, marked by smallpox, showed the signs of weariness and strain; but, as the Major entered, it lighted with the smile that his men had come to know so well.

Major Cary saluted and reported: "Richard Cary, Sir, new Aide-de-Camp, and Major of Virginia troops."

"So you are Major Cary, son. Your cousin, Wilson Cary of Virginia, has written me that you, although a Medford man from Massachusetts, decided to join the Virginia troops, I have named you as my Aide, because you know these New Englanders. They are loyal men, and good soldiers, but they are hard to know and they drive a hard bargain. I hope that you can persuade them that the men of this army are patriots, too, and have the same goal as they do. I understand that you know Cambridge?"

"Yes, Genreal Washington, I graduated from Harvard in 1763, and I spent four years here."

"That is good, Major. Such a knowledge of this area can be very useful. By the way Major, are you a Mason?.'

"No, Sir, I had hoped some day to be one; but I have never had the opportunity to join.."

"Major, I would like you to consider joining at your first opportunity. Many of your fellow Officers are Masons, as I am. I know that they are bound to me, and to our cause, by a stronger loyalty than any temporary attachment. You know many of them — General Ridley, Colonel Revere, and many others. More work has been done for Liberty in Masonic Lodges than in any other place in the Colonies. It would please me if you, too, were a Mason. That is all, Major."

Advice From Genreal

As Major Cary took his leave, his head buzzed with what the General had said. So this was the explanation of the frequent absence of his fellow officers from camp. It might also explain why they suddenly stopped talking when he joined their groups. He resolved to find out more about this mysterious Masonic brotherhood.

A few days later he asked his friend. Lieutenant White, who wore a big silver Masonic charm, to tell him more about Masonry.

"Dick," said the Lieutenant seriously, "it is just as the General said. More than half of his officers are Masons. I've been a member for five years. General Joseph Warren, who fought as a private soldier at Bunker Hill, and who was killed by a bullet fired by a bloody lobster-back, was Master of St. Andrews Lodge, and Provincial Grand Master of Massachusetts. On last February 13, Colonel Richard Gridley, who designated our fortifications on Bunker Hill, and who was Deputy Grand Master, instituted American Union Lodge in the Connecticut Line, while they were encamped at Roxbury. Now there are several Field Lodges that are held wherever the Army goes.

"Do you think I could join, Tom?"

"I reckon you could, now that you've been appointed an Aide to the General. All the same it's got to be kept regular. I'll get you a petition from the Secretary of my Lodge."

Several weeks later, Lieutenant White brought word that Major Cary had been accepted, slapping him on the back and shouting, "Dick, they voted on your name tonight, and you'll get your first degree in a few days I'll let you know when to present yourself."

Word Comes

A week later the word came, and Lientenant White led him through the streets of Cambridge by the light of a full moon. Finally they halted before a house that seemed dark and deserted. White knocked at a side door, which was opened cautiously. "Bring the Major inside, Brother White," said the voice of an unseen man. "the Lodge is ready to receive him."

The age-old rites that followed were solemn and impressive. In spite of the makeshift furniture of the Lodge, the dignity and seriousness with which the degree was conferred, made a great impression on Major Cary. The obligations took on an additional and very special meaning, in the light of the dangers that all knew lay ahead for the Army and the Colonial Cause, for no one knew when or how he might be tested.

The work ended, everyone shook his hand. He was introduced to Colonel Revere, whose name he had so often heard. These men talked familiarly of Dr. Franklin, whom he was told had once been Grand Master of the Colonial Lodge at Philadelphia. There was serious talk, too, of the penuriousness of the Congress, and of the jealousies and petty bickerings that made the General's task so unnecessarily difficult. He began to understand why the General wanted men around him whom he knew to be trustworthy and upon whom he could call as Masons, when an emergency arose, knowing that they would be loyal to the death.

Several days later, Maior Cary came into the General's office alone. He had gone to ask the General to grant letters of Marque to a captain of a ship that even then was tied up in Boston Harbor, having barely escaped the guns of a British man-of-war that had been lurking offshore, near the entrance of the harbor. Only a sudden fog had saved the little ship from capture, and the captain was angry and anxious to strike back at the English.

When the General had heard the circumstances, he took the papers that the Major held, "I think this can be arranged, Major . . ."; he stopped, and his expressive eyes twinkled as he continued, "that is Brother Cary. You see, Major ,the skipper of this ship is a Mason. too."—Masonic Family Magazine.—Seattle Masonic Tribune.

PATRIOTIC MASONS

Robert Morris, the financier of the American Revolution, and Haym Solomon, a Polish Jew who gave $650,000 to the support of America in the same struggle were both Masons.

As we come to the close of another year we would like to pause a moment and look back and remember what a wonderful year it has been. The cooperation of all the members when anything had to be done, the chairman and co-chairman of the various committees more than exceeding the duties assigned to them and the officers in the wonderful way they always exemplified the work together with their sweet smiles and pleasant handshakes to all who attend the meetings are the things that come uppermost in our thoughts as we look back over the year just past.

Let us dedicate the column this month to these memories: — Our Worthy Matron and Worthy Patron, their corps of officers and to their various committes. The open Bible, that stood in front of the pedestal in the East at all the meetings was an inspiration to all who attended. We are sure that our Worthy Matron and Worthy Patron will always hold dear in their memories their Corps of Officers. They proved to everyone that Trinity Chapter was no longer a baby but matured in every respect.

From first John 4.21 our Worthy Matron took these words and molded her year around them: "This commandment heve we from him, That he who loveth God love his brother also."

Her motto: Love thy neighbor
Her colors: White and yellow

Not enough can be said for her chairman and co-chariman of the Committees this past year. Let us again look back. First to the Ways and Means with Mrs. Catherine Robb as chairman of the committee and Mrs. Anita Silkworth as co-chairman. To them and their able committee rested a great responsibiliey. During the past year they sponsored two bake sales, two rummage sales, a Sauerkraut supper, and a card party. All these were very successful. In addition to all this the committee members helped serve several banquets, sold gift wrapping, ribbons, towels and bobby socks. It was a busy and happy year.

The Social committee was another important committee that was very busy this past year. This group was under the able leadership of Mrs. Louise Wilkerson as chairman and Mrs. Esther Thunberg as co-chairman. To them, with the help of their committee members, go the credit of the nice social hours that were enjoyied by members and visitors after Chapter meetings. The wonderful dinner that was prepared and served on the night Trinity Chapter honored its Past Matrons and Patrons did indeed give honorable credit to this committee.

The Sewing and Decorating committee under the leadership of Mrs. Velma Welch took care of the decorating the Chapter room at all special occasions and the banquet room at various times. To Velma and her committee go fond memories and many thanks.

The Program Committee with Mrs. Mary Lukens as chairman and Mrs. Sarah Belle Sprowl as co-chairman planned many enjoyable programs during the year.

The Cheer Committee under the leadership of Mrs. Vida Wood as chairman and Mrs. Mary Hawkins as co-chairman were busy sending cards and visiting our ill members and cheering them up.

All the committees combined with the officers and had a very enjoyable party honoring the Worthy Matron and Worthy Patron on January 31st.

On February 3rd, Trinity Chapter held their election of officers. Installation of Officers will be held on March 21st in the Colonial Room of the Masonic Temple. We will have more on this in our next issue.

Committee meetings for the month of February are as follows:—

"Life is sweet just because of the friends we have made
And the things which in common we share;
We want to live on not because of ourselves
But because of the people who care;

It's in giving and doing for somebody else;
On that all life's splendor depends;
And the joys of this life when you've summed them all up
Is found in the makin' of friends."

One month of 1956 has gone into the sands of time. Do not put off until tomorrow what you can do to, day, These are some of the things thot come into my mind as I write this article for the Square & Compass.

Note that thcir will be no degree work on Wednesday, April 11, 1956.

Rehearsals for the council degrees have not been decided upon at this date, but the cast can be sure they will receive a notice in time to attend.

The ritual conference held in South Bend for elected officers of the Scottish Rite Bodies of Indiana, was very impressive and educational. Thanks to the Scottish Rite for making it possible to have this conference, for the exchange of ideas and for the fellowship.

On February 22 we pay tribute to General George Washington as the Father of our Country. We as Masons also honor him as one illustrious in our countries early history, enriched with Masonic heritage. The Boston Tea Party planned in old St. Andrews Lodge, then the famed ride of Paul Revere and William Davis, then the battle of Lexington, Bunker Hill, later at Valley Forge and finally Yorktown are all potent with Masonic legends.

The history of the war of the Revolution might have been very different had not its leaders been bound together by the tie which Masonry knows how to weave between men making them brothers.

We have degree work scheduled for February and March—watch for announcement cards, lets see you there, give those new brothers a real welcome.

Bro. Al Hellwig is a patient in Parkview Hospital we wish him a speedy recovery.

We welcome Bro. Elford Stodden into our order.

Huntertown O.E.S. has election of officers scheduled for February 14. Just in case you have forgotten meeting are the 2nd and 4th Tuesdays. Always room for a few more.

As stated in January issue we have a heavy schedule of degree work. On Tuesday January 24th we conferred the Entered Apprentice Degree on three candidates and on Saturday, January 28th Lodge was opened at 1:30 P. M. and the Entered Apperntice Degree was conferred on seven more candidates. During the degree work and at 6:30 P. M. Lodge was called from labor to refreshments and a delicious dinner was served by the Eastern Star Ladies after which the degree work was completed. This was a very inspiring meeting as nearly eighty brothers were served at the dinner and a goodly number remained for the completion of the work.

Your Officers were very happy to have conferred the work with the lodge represented by this large number of brothers as they feel that they can do a much more impressive job when they have htis kind of support. Thank you.

Schedule of meetings as set up for the latter part of February and March are as follows, February 28th Fellow Craft Degree; March 13th Stated Meeting; March 20th Entered Apprentice Degree and March 24th Master Mason Degree.

We are planning on the Master Mason Degree being another Saturday meeting starting at 1:30 P. M. with dinner at 6:30 P. M. and we want to take this opportunity to ask the brothers to mark this date on their calander and make plans now to attend, also to invite brothers from other lodges to attend if possible.

I want personally to again thank all Officers and brothers for their fine cooperation in our heavy work schedule and would like to close with this prayer.

This coming year I'd like to be
A friend to every one,
I'd like to feel each day well spent
At the setting of the sun;
I'd like to be the kind of person
Everyone would love,
And make this world seem just
A little more like heaven above;
I'd like all my dealings to be
True and just and fair,
That God will help me do these things
Shall be my daily prayer.

Again please report any sickness you may know of among the brothers to Senior Warden Richard Linn.

Here I am writing my first solo article. Although I did write a few words for the last Square & Compass, it was more or less just a trial sample.

To me these articles represent a kind of meeting between you and me. I hope that the boys that aren't able to attend our meetings will read these articles. In them I will try to tell what has happened and what is going to happen in the future. if you read these articles it is a good way of showing us that you are interested, even if you can't attend the meetings.

At every meeting we usually start with the business, os that's where I'll begin here. February 28th there is a stated meeting. The big function that will be going on at this meeting, will be the bringing in of lots and lots of petitions. I don't think I can stress enough, the importance of getting out and contacting new boys and then bringing in their petitions as soon as possible.

At this time I would like to talk to each of you about getting new members into the Chapter, during the Spring Term. In the fall term, 120 new members were brought into the Chapter. It is our goal to try and reach 200 new members for the two terms combined. This means that we have to bring in at least 80 new members. To me this doesn't seem like too stupendous a task to accomplish. In fact I think if we all put our shoulders behind it, we can push it even higher. It would surely speak well for us if we could go over the 200 mark.

Coming up next is our first social function of the spring term. Calling it a "social function" is a little old-fashioned so we'll call it the "Tournament Trot Dance." That ought to ring a bell with you older DeMolays and to you new members it is this. Each spring right before the Regional Basketball Tournament, DeMolay has a Tournament Dance. The date for this yearly occasion is March 2nd. The place, Scotttish Rite Auditorium. The time, 9 to 12. In these last few lines, there has been a lot of valuable in formation and I hope each of you will remember all of it. Along with this info., there is one more thing, the most important—"Come To The Dance." Being as this is a big occasion we naturally have to have a great band to play for us. We feel we have just that, in Jim Becksteins Band. All DeMolays will be admitted free with their dues card and we want to see all of you there. The price for non-members will be $1.00 per couple. I wish DeMolays would try to get at least one couple to come to our dance. Let's all invite a guest.

Next, on March 13th we will put on the Initiatory Degree. I think that the new members coming in, feel better if there is a good crowd here for this degree. It makes them feel that we are interested in them and do want them to belong. There will be refreshments served so let's all try to be there. This meeting will also me the last chance to bring in petitions for the last class on April 24th. Be sure and get the petitions in by this meeting.

The next date on our calendar, is our Chuch Sunday, March 18th. This year it will be hald at the Crescent Avenue, Evangelical United Brethren Church. The service will be at 11:00 o'clock. The church is on the corner of Crescent Ave., and Tennessee Ave. It is located in the northeast section of town and is one block west of Lakeside Park. I don't think I need to tell you the importance of attending church, and this is one Sunday set aside for each of us to attend church with our fellow DeMolays. All DeMolays should meet at the church by 10:45, at the latest. You will all be contacted as to whether or not you will be able to be with us.

Last, but not least, from all the officers and myself a great big "thank you" to the Mother's Circle for the lovely reception given us the night of Installation.

In closing I would like to thank each of the officers for the fine job they did at our first stated meeting.

From the East to all
Sincerely
Frank Schollett

DEMOLAY MOTHERS CIRCLE

The DeMolay Mothers Circle was delightfully entertained by Mrs. Carl Rinne with a review of Ann Lindberg's "A Gift form the Sea" at our January meeting. The officers were co-hostesses and were assisted by several other members.

Following the initiation of the new DeMolay officers several of the members of the DeMolay Mothers Circle served the boys and their parents and friends.

Our February meeting will be held at the Chapter Room in the Scottish Rite Building, on the evening of February 27th. Chairman of the committee is Mrs. Reithmiller, assisted by Mrs. Arnett Bickel, Mrs. Darrell Burner, Mrs. John Boyer, Mrs. Howard Degler, Mrs. John Downey, Mrs. Carney DeVoogde, Mrs. Leslie Fowler, Mrs. George Howe, Mrs. Carney Long, Mrs. Dale Lucus, Mrs. Fred Meissner, Mrs. Wm. John A. Inches _____ W.M.

Franklin I. Bryan _____ Secretary
Hampshire Dr. _____ E-83117

Brethren:

At the beginning of this article, may I express the thanks of your officers for your fine attendance in lodge recently. Your appearance gives much encouragement to the officers as they take their new stations in line and makes them any hours of study worth while. Whether you participate in the degree work or enjoy watching from thesidelines, your presence is always appreciated.

One of the principles upon which South Gate Lodge was founded was and still is, to give a sojourner a lodge that he can call home. If, in your acquaintance, you know a brother sojourner; bring him along with you to lodge. It requires such a small effort on your part, but it may mean much to him. This thoughtfulness may make another Mason active and again enjoy the work which once meant so much to him.

I would like to thank the officers and men of the Fellow Craft Club for their fine work last year under the guidance of Bros. Bob McGrail and Morris Adams. Our thanks also to the men of the Craft who are doing such excellent work in the kitchen throughout the year. Their efforts go far in making an evening of work a complete success.

Your Masonic Home Committee consists of David Loyd, Donald Cline and Douglas Bough. Accordingt to our Secretary's report, I am happy to announce that the members of South Gate are well ahead of schedule in their contributions to the Masonic Home Hospital Fund. It is gratifying to know our brothers feel so sincere about this important undertaking.

February brings us to the date of Washington's birthday which in turn, reminds us of freedoms we hold dear. The independence of our Country is reflected directly into our Order. Masonry seeks no outside aid nor does its members advertise for member. It does not cry out even when its members have been persecuted by dictators under various flags; yet the deeds that masons do to help their fellow man reflect the character of masonry the world over. And to these deeds we are all dedicated.

Our daily acts of brotherly love shine out to brighten the lives of those around us. A little deed of kindness, even without thought, returns like bread cast upon the waters. This, every so often, in our daily lives, it is necessary to pause and contemplate our actions as to whether we can answer our consciences with a feeling of adding to our integrity. There are times when we postpone our ideals from day to day for lack of courage or will to follow through.

This then, is our challenge—to practice the tenets of God and man and to follow His words, "Let your light so shine before men that they may see your good works and glorify your Father which is in heaven." Matt. 5:16.

The Ritual conference held at South Bend Valley for the officers of the Scottish Rite Consistories of Indiana district directed by the Ill. Albert N. Hepler, 33° active for Indiana, was especially significant for the Chapter.

The Ill. McIlyarh Linchliter 33° grand prior, gave the historic and technical methods used to revise and correct rituals with emphasis both on the tradition and the modern utility of conducting the rituals.

The 17° degree, Knight of the East and West, is being restored to it's original form with changes which will make it easily protrayed on the same evening with the 18th degree. The purpose is to make it the bridge from Hebrew degrees to the Christian era grades. Members of the Rose Croix workers ar anxiously awaiting the publication of these rituals. The 18th degree is also being revised slightly.

Dwight Myers and Herbert Foreman, wardens and myself were present at the conference held January 27, 28 and 29th, at the Masonic Temple at South Bend. The other Scottish Rite bodies were fully represented as was true from the other Valleys of Indiana. Brother Myers participated on one of the panels and did a fine job.

Companions, there is a demand for men who do good work as is evidenced in the appointment of several Royal Arch Masons from our Chapter to the Line of the Knights Templar. I am sure we are all proud of the work they have been doing and wish them every success in their work in the Commandery. These same men are also in the Line of Thomas R. Marshall Chapter and are now carrying a very large amount of the work in the Chapter. We can use more men like these in the Chapter and I state here, if you want to get in the craft and help confer some of the degrees in the Royal Arch, present yourselves at any stated meeting and let the officers know of your availability to work in the Craft. There are many parts which may be had that do ont require activity in the line and I am sure you will enjoy every hour spent.

We are dark again this month due to the fact that there weren't any petitions presented for the January meeting. Let's not have it said that we have failed to bring the Light to a Brother Mason; Companions look about you for the Blue Lodge member who desires further light in Masonry, he may be under the impression that he must ask for it. Tis not so since he has been made a Mason, it is your duty to assist him in getting further Light. See you at the Next stated convocation.

Dear Brother:

If you are a reader of "The Indiana Freemason," and if not you should be, you will find each month a list of contributions from each lodge in the State to the Masonic Home Hospital Fund. By close scrunity you will find Maumee No. 275 (your lodge) with 1,033 members and a total contribution of $984.50 to date.

Several years ago our Grand Lodge asked for a voluntary contribution of $3.00 from every Master Mason on the rolls of Indiana Lodges. By checking the figures above you will find we are less than one third of the way. This means that the majority of our members have not contributed as yet. Brethern this is one way to show your Masonic charity. Let us heed the call and make our contributions at once to our good Secretary, Brother George Gable. We trust you will take care of this promptly and make a better showing for our lodge.

In January we raised a total of seven bretern to the Sublime Degree of Master Mason. Attendance was very good for the month and your Officers appreciate tremendously the presence of these brethern. We believe we did better ritulistice work, due to the inspiration of the larger attendance.

Brother, have you been in lodge recenly? If not why not plan to come during February when we will have five more candidates to begin theirwo-rk.

After all, Masonry will be to you what you make it. If you pay your dues and never come, you cannot help your lodge nor can Masonry mean much to you. On the other hand increased activity will make you better informed and a better Mason. Brother, you hold the key in your hand. You will do what you want to do.

We have several of our members on the sick list and we wish for them a speedy recovery. Also, if you know of any brother of Maumee who is sick please call one of the Officers so that we can follow through.

On January 9th, Maumee Lodge held Masonic Funeral service for Past Master Brother Simon Hanes, who passed away January 7, 1956. Thanks to the many Brothers who turned out for the services in respect to Brother Hanes. Also may we sxpress our sympathy to the good wife and relatives.

Again, let me say five candidates in February, so come to Lodge and renew your acquaintances.

Members and friends of Sol D. Bayless Lodge, the second month of the new year is already with us. Time passes quickly, but let's not be left behind. Come join us in our work. Much is being planned and we have five or six new petitions for the month of March, so arrange to be with us and assist in your Lodge work.

The month of January saw two new members join our Lodge. Brothers David C. Elson and James E. Hammett. Thanks to their many friends who assisted us in conferring the degrees for them. A special thanks to Past Master Donald M. Weis and to John Lare, Past Master of Hnutertown Lodge for your individual contributions. We appreciated having you with us.

Donald R. Aley, chairman, and the members of the Masonic Hispital Visitation committee, are doing a splendid job, but would like to have six more members to serve with them. The additional members are needed to make it possible to cover the complete hospital on each visit. In this way, the group can work in pairs and I am sure the experience will do you as much good as the patients.

Committees appointed to date are as follows:

Charity: Clayton L. Herrick, Charles E. Fuchshuber and Ralph Thomas.

Masonic Home: Mel Ehrman, Clarence Kreischer and Thomas Cannon.

Auditing: Kenneth Redding, Jerry White and Wayne Cooley.

Publicity: Ercil Steward.

Entertainment. Ralph Thomas, J. Timmons, Max Poorman, John Edgbert, D. Anderson, J. White, D. Proctor and Wayne Brown.

Proficiency: All officers and Clarence Stroup, M. Hutchinson, John Batrick, Dale Doehrman, J. Edgbert, M. Poorman, Albert Ungerer.

Veterans Hospital Visitation: Donald Aley, O. Saxon, D. Munro, Redmond Munro, Edgar Goodrich, C. Reynolds and Glenn Bordner.

Masonic Visitation: Wm. Slater, Ralph Sparks, Mel Westbrook, Kenneth McGraw and Howard Anderson.

If any member desires a place on any committee, please let me know. We want you and need you and will be happy to work with you as you work, for our Lodge.

The Fellowcraft Club elected the following as their officers for 1956.

President, Jerry White; Vice Presiden, George Lapadot; Sec'y-Treasurer, James Timmons. Congratulations to all thee and may you and the Club have a very successful year.

February 13, 1956 is the date of our first social function which will be a Father and Son Banquet. It is planned as a tribute to the memory of our Brother Edward Klomp. A family style dinner will be served after which our special tribute will take place. For a bit of entertainment for all ages, we have invited George Troxel and Danny. Rev. Russell Palmer, minister of West Creighton Ave. Christian Church will speak to us.

Members who have been reported ill to date are: Clarence Bunn. F. C. Ben Bly, Orman Coe, Dale Smiley, James Mitchell and Leslie Silver. Brother Coe is in the Caylor-Nickle Clinic Hospital in Bluffton, Indiana and Brother Silver is at Irene Byron. Please Stop in to see these brothers any time you can and send cards. To these and any other members who might be ill, we certainly pray for a complete and speedy recovery.

May I leave all with this thought "The Mason who lives according to the Masonic Teachings, will be a man above reproach."

This being the birth-month of the father of our country, we are all reminded of the fact that he was also one of our early American brothers. George Washington was raised to the sublime degree of Master Mason on August 4, 1753. He was Charter Master of Alexandria Lodge No. 22 at Alexandria, Virginia.

During the past month we lost a brother through death. He was Brother Ira Wertman. He was laid to rest in the Hicksville, Ohio, cemetery on Friday, January 27, 1956.

At the time that this article goes to press, we will have almost two months of 1956 gone. How time flies! The Lodge is having fine fellowship together. We are planning more social activities along with all our work and we are sure you don't want to miss them, so come on out to the meetings!

The February issue of the Square and Compass is to be informative for you Brothers of Home Lodge 342. Committee appointments have been completed and following is a list of the standing committees for this year. The committee on Masonic Charity: Thomas E. Wallheiser, Raymond Girardot, Elmer Barcus; Masonic Home: P.M. Ralph Roller, William Lee, Chester Scott; Ways & Means: P.M. Rolla Durbin, P.M. James Farrar, P.M. Harold Martin; Auditing: Wayne Hutchinson, P.M. Fred Ruby, Wayne Colby; Sick: David Mills and any Brother he may call; Coaching, Examinations & Lectures: John Stewart, Patrick Russ, Donald Taylor; Lodge of Preliminary Instructions: David Mills, Francis Ray, Laurence Miller; Funeral Services: P.M. Harold Martin, P.M. Rolla Durbin, Laurance Miller; Entertainment & Publicity: Ramond Girardot, other Brothers to be named for the various occasions; Kitchen & Banquets: Elmer Barcus, P.M. Ralph Roller, Earl Fankhouser; Veterans Visitation: David Mills, Francis Ray; Ticket Sales. Laurence and Francis Ray.

The above committees are flexible Brothers and are to be expanded as the occasion may or may not require. Should you be called upon to serve on one of them be hearty in your acceptance and gracious in your work, you will enjoy the experience.

Saturday evening February 25 you have a date at the Temple for your Lodge's first event of the year, a SMORGASBORD & SQUARE DANCE, to be held starting at 6:30 p. m. Tickets will be in the hands of the committee and are $1.25 each get your set together now and order your tickets.

The entire month of March is to be designated as PAST MASTERS MONTH and is to be culminated by the Annual PAST MASTERS BANQUET to be held in the Temple on Thursday night March 29 at 6:30 p.m. This is a different approach to Honoring our Past Masters than has been employed in the past and we are doing it in this manner in the hopes of getting all of our Past Masters to attend Lodge, as many times as possible during this month and it is the wish of your officers to endeavor to set a record of some sort on Past Masters in attendances for each meeting.

We were certainly busy during the Month of January for the Degrees were conferred upon six candidates and we certainly enjoyed the fellowship with the various Brothers who participated in this work, wish you could have been among those present, however we will look forward to seeing you sometime this month in LODGE.

I wish to extend my deepest sympathy to the family of our deceased Bro. Andrew Carlton Kreider who was called to fulfill his destiny on January 11, 1956. Masonic Services were held for Bro. Kreider at the McComb Funeral Home on January 13 at 8:00 p. m., the service being conducted by P. M. Harold Martin and assisted by our Chaplain Laurence Miller. Bro. Kreider was seventy years old at the time of his death.

Brothers don't forget your officers are looking forward to seeing you in Lodge soon, don't dissappoint them. "Behold, how swiftly the sands run and how rapidly our lives are drawing to ac lose. We cannot without astonishment behold the little particles which are contained in this machine, how they pass away almost imperceptibly, and yet, to our suprise in the short space of an hour they are all exhausted. Thus waste man." In what Degree does the above passage appear? ATTEND LODGE — BRING A BROTHER WITH YOU.

Greetings from Monroeville Lodge No. 293:—

February is upon us already and it looks like it is going to be a busy one. On January 18, the E.A. degree was conferred upon Terry Gene Hilbeg. On January 28, Walter Austin Leuenberger Jr., a Fellowcraft was raised to the sublime degree of a Master Mason by his father Walter Austin Leuenberger Sr. A nice turn out was had despite the bad weather.

NEW HAVEN, IND. Ph. 2933

We are planning a George Washington birthday party on February 21, at 6:30 P. M., with a pot luck dinner. This has been a yearly event. I urge everyone to attend for a fine evening of fun and entertainment.

Brother Marvin Hively is in the Decatur Hospital and is improving very nicely.

The Secretary informs me that there are a few who have not paid their dues, so lets send them in or better yet come up to your lodge meeting and pay them.

Here is a list of your officers for 1956: Harry Vondron, W.M.; Howard Fugate, S.W.; Donnie Snyder, J.W.; John Grogg, Secy.; Verlon Barkley, Treas.; Richard Ellison, S.D.; Donald Myers, J.D.; Samuel Van Buskirk, S.S.; Monroe Perry, J.S.; Clerance Yoder, Tyler and Lee Witte, Chaplain.

I would at this time like to thank the Brethren of Harlan Lodge for the trust and confidence they have bestowed on me, and it is with pleasure and anticipation that I start this new experience.

As of this writing we have four Brethren in the process of receiving their degrees. The first impressions of Masonry are the strongest, and when on being brought to light, a candidate discoveres the meeting well attended he then feels that the membership, as a whole, has a vital interest in his attendance and preferment.

The business of a lodge should be sanctioned by all its members and we therefor earnestly solicite your frequent attendance at all our meetings.

Your officers are looking forward to the coming season and will do all to uphold the Honor and The Glory of the Fraternity.

Brethren:

There has been a noticable falling off of attendance at our meetings and this sets me to wondering why Master Masons, who have had the opportunity to see the beauties of Masonry displayed and have gone from Lodge many times buoyed up and encouraged by the lessons it teaches, will fall into the habit of not attending lodge. Although you are sorely missed by the officers and brethren, it is to you the injustice is being done, especially you brethren that are younger in Masonry. Masonry does not consist of merely being a candidate in three beautiful degrees, but goes much deeper. Only after strict attendance over a long period of time and a constant practice of the precepts taught by Masonry, only then can a brother begin to realize the true meaning of Masonry. Do not become a Mason in name only, but join with us and become a true and faithful brother among us.

Plans for our Washington's Day banquet for Masons and their ladies are being handled very efficiently by the committee headed by Bro. Phil Carsten P.M. and we are looking forward to a very enjoyable evening. You will receive additional announcements when plans are completed.

The visitation committee is depending upon you brethren to advise them of any illness among the members. Contact either Bro. John O. Capin or Wayne Mitchell and we will carry on from there.

It is my sincerest wish that this message finds all of you, my Brethren in the best of health and spirits and may the blessing of God attend you throughout each coming week.

The Chapter got the new year off to a good start January 10. The officers did a splendid job on their initiatory work for a class of four candidates. After chapter the masons entertained us and I'm sure every one there had his ample share of laughs. The evening ended with a nice coffee and donut session served by the masons on the mezzanine. Thanks fellows for a very enjoyable evening.

At the time this went to press the Madonna girls were planning a very interesting program for the 24th. So hope you were there to enjoy it.

The Chapter's birthday party is coming up February 28. We hope you'll be sure to keep it in mind and come to enjoy another wonderful evening.

March 13 will be Advanced Officers night. Try to come and enjoy the evening with them.

WASHINGTON NATIONAL MEMORIAL RECEIVES GIFT OF MODERN CARILLON

A powerful electronic carillon valued at $25,000 will be placed in operation September 15 in the George Washington Masonic National Memorial, Alexandria, Virginia, following official acceptance by the Executive Committee of the memorial. The new carillon was presented as a gift in memory of George Washington the Mason by an Oklahoman, the widow of a thirty-third degree Mason.

The modern bell instrument called a Celesta-Chime, produces bell music free of the harmonic distortion associated with old-style carillons. Its music will be heard throughout the Alexandria area from the 344-foot high granite tower of the memorial. The passing of the quarter-hours and hours will be marked automatically throughout the day by the Westminister peal, and regular programs of musical selections will include hymns of the church, patriotic and classical music, American folk songs and traditional music of Christmas and Easter. The musical selections will be played on some occasions by specially-trained carillonneurs and at other times from automatic equipment installed with the carillon.

The carillon will be formally dedicated February 22 as ceremonies to be held in conjunction with observance of Washington's birthday. Carillonneur June Albright of Chicago will play a special dedicatory recital of music contemporary with Washingtons time along with pjatriotic hymns and airs.

Clifford D. Jory, of Sheldon, Iowa, president of the Memorial Association, revealed in announcing the gift that the donor is Mrs. Annetta Childs, of Tulsa, Oklahoma, widow of William Oscar Childs who was coroneted a thirty-third degree Mason by the Supreme Council of the Southern Jurisdiction in 1931 at Washington, D. C. The carillon has been presented in his name.

Mr. Childs was initiated into the Masonic Order in 1890 in Washington, Pennsylvania, where he was a life member of Washington Lodge No. 64 and also a member of the Washington Royal Arch chapter No. 150. He later became a successful oil operator in Oklahoma where he organized the Cleveland Lodge No. 74 and became the first commander of Cleveland Commandery No. 44. Other Masonic affiliations were with the Guthrie Consistory, Akdar Shrine and Trinity Commander in Tulsa, and St. Omar Conclave of the Red Cross of Constantine in Oklahoma City. His enthusiasm for Masonry and his widespread activity within the order throughout his life made him widely known in Masonic circles.

Mrs. Childs, who is 88 years of age, was named recently to the Oklahome Hall of Fame for her philanthropies. Carillons similar to the Washington Memorial instrument have previously been given by her to the Scottish Rite Temple, Guthrie, Oklahoma, and the University of Oklahoma at Norman. She is a cousin of Stephen Crane, outstanding American writer(and Bruce Crane, American painter.

The doner is a past worthy matron of the Cleveland, Oklahoma chapter No. 116, Order of Eastern Star. In making the gift of the carillon to the George Washington Masonic National Memorial, Mrs. Childs said: "I am sure no man ever loved the Masonic Order more than my husband did. I can imagine the very deep pleasure it would afford him to know that this carillon will in its way help to carry on the work that made up such a large part of his life."

The Washington Memeorial carillon, a product of J. C. Deagen, Inc., Chicago, consists of a tone generator, an amplification system and automatic electric playing devices, The tone source of the instrument is a series of slender metal rods which are sounded by electrically-actuated strikers. Each rod has five harmonics tuned within it to produce clear, undistorted bell tones which are built up to big bell proportions by means of 2,000 watts of amplification and loudspeakers. The application of electronics in this type of bell instrument makes it possible for a one and one-quarter ounce metal rod to produce a bell tone of superior quality, of greater volume and carrying power than a 20-ton cast bell.

The tonal range of the carillon is 32 notes, C to G, chromatic. All music suitable for performance on bells, including hymns, folk songs, patriotic numbers, classical and semi-classical selections and traditional favorites, may be played on the carillon. For automatic operation, an electric Westminister peal device and an electric player, which uses perforated music rolls especially recorded by a professional carillonneur, have been installed. A library of 30 music rolls, a total of 180 selections, have been recorded for the carillon.

The $6 million Washington Memorial, located on a commanding eminence of Arlington Ridge known as Shooters Hill on the main road between Washington. D. C., and George Washington's old home in Mount Vernon, was dedicated with elaborate ceremonies in 1932. The edifice stands on the very spot where Thomas Jefferson wanted to erect the Capital, a project discouraged by Washington himself. The impressive granite tower is modeled after the Zikkurat lighthouse of ancient Alexandria on the Mediterranean. Masons throughout the country shared in the erection of the striking memorial to George Washington, who was worshipful master of the Alexandria, Virginia, lodge, and is one of the most revered figures in American Masonry. — Lakewood Masonic Outlook.

UNIVERSALITY OF FREEMASONRY

Among the secret orders, the Freemasons are unique. They have withstood the rivalry of insurance societies and the competition of free-wheeling club house fraternities.

They have held on to their secrets and steadily increased their membership. Masonry in America dates back to Colonial days, when frontiersmen met in the woods to conduct their rites. One of the oldest secret fraternities, Freemsonry began in the remote period of David and Solomon and spread around the world, but its roots grew fastest in America; today there are more than four million Masons in America representing every degree of social life from the President down to the average citizen.

Masonry is not peculiarly the characteristic of any one people or nation. It has a beautiful and wonderful universality not found in any other order on earth, nor are its sublime teachings confined to any particular times or seasons. There is no pretense on the part of Masonry to usurp the place of the Church, and many a devout and conscientious churchman heeds the signs, observes the symbols, and lives in accorance with the sacred teachings.

The Oriental Mason, ready with all the artful learning, strange and mystical philosophy of his country, recognizes, midst all his superstitions, the universal language of the Craft, and rises from the shrine in the pagoda to clasp hands with a Brother from the Far West. Speaking a different language, believing in a different system of religion, and familiar with entirely different laws, turning his face toward Mecca in prayer, or coursing over the desert sands beneath the rays of the burning sun, he remembers, when closing his oft-repeated prayer or when in the agony of the most torturing thirst, the sacred obligations he has assumed as a Mason, and preforms to the strange Brother from a distant land the acts of a broad humanity.

No less remarkable than the universality of Masonry is the equality, which is one of its most striking characteristics, The king is no greater than his humble subject; the prince no greater than the begger. Except as Masonry itself may choose to honor its followers, no distinction is known and no arbitary or worldly standard of influence or honor is recognized as entitling one to preeminence. It is affirmed, by those who have the gift to understand it, to be the echo of that spirit which filled the soul of our Patron Saint, the Evangelist John.

Other organizations may have sterling aims, but always and everywhere Masonry has stood for the right of the soul to know the truth, and to look up unbidden from the lap of the earth into the face of Him in whose great hand it stands. — Desert Wind.

FRANKLIN THE MASON

Benjamin Franklin was raised to the Degree of Master Mason in St. John's Lodge, Philladelphia, June 24, 1731. Became Master in 1732, Grand Master in 1734 and Provincial Grand Master (Moderns) 1749. In 1777, while in France in the interest of the Colonies, he was made a member of Loge des Neuf Soeurs, in Paris. He assisted in raising Voltaire. — Masonic Light, Montreal.

Brethren, Don't forget one month of this New Year has gone by. Have you thought about attending your lodge? If you have lets go a little further and put this thought into action. Your officers will be glad to welcome you in Lodge. Let's all try to attend Lodge this year.

Your officers have been working hard to be able to do their work well. It is our hope that every candidate will feel he has been well received and taught the principles of Masonry, whereby he might go out into the world with a better understanding how he might live among others, by Brotherly Love, Relief, and Truth.

Our "Social Events" are all well under way for the year. The first event will be our annual Spring Banquet, which will be " Saturday night April 21". Watch your Square and Compass for further information.

Bro. Vernon Parr is doing a swell job, with the assistance of many of the other Brothers, with the Masonic visitation program at the Vets Hospital. There was a visitation date on February 6 and we still have two more yet this spring, March 28 and May 14. If any of the brothers would like to visit those at the hospital be sure to see or call Vernon Parr, E-56353.

Our deepest sympathy to our S.W. Bro., Cyrus Senger who lost his son-in-law just a few days before Christmas.

Also let us not forget to call on Bro. John Moler who suffered a heart attack the last day of December. He is in the St. Joseph Hospital. Bro. John you have had a rough start with this New Year, but here's hoping for good health and a lot of happiness in time to come. Please make it known to your officers when there is sickness or deaths occur among the Brethren.

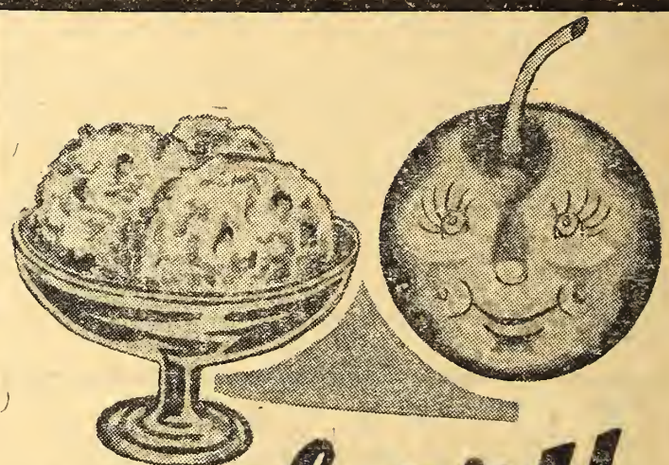
Our Spring Convocation dates have been set. They are April 10th., 12th and 13th. We will exemplify four of the Consistory degrees, being the 20th, 22nd, 26th and 32 nd.

The 22nd degree is the operatic degree and has not been staged for a number of years. The cast will be from our own Scottish Rite Choir. The degree is scheduled for Thursday evening at the new auditorium. To be sure of witnessing this splendid degree mark the date down now on your calendar, Thursday evening, April 12th. The 26th degree will be exemplified by the brethren from Wells County. We are sure you will enjoy the exemplification of the 20th degree, often referred to as the George Washington or Patriotic degree. The cast in addition to always desiring to do their very best will be striving to do even better as preparation for exemplifying the degree for the Valley of Milwaukee at their Spring Convocation on April 7th. The crowning 32nd degree under the direction of Illustrious Brother Mel. Honeck will close the Consistory work.



It is a pleasure to announce that Brother Winston M. Lee of Fort Wayne will assist in directing some of the Consistory degrees. Brother Lee has a rich background of theatrical experience and his assistance will be of great value.

Final preperations are being made for the spring convocation of the Scottish Rie to be held on Tuesday, Thursday and Friday April 10, 12 and 13, 1956. We again wish to call attention to the membership that no work will be given on Wednesday, April 11.

A very enthusiastic membership committee meeting was held recently and although the weather was bad more than 120 members attended. Bro. Herbert K. DeWees, Thrice Potent Master presided. Talks were made by Bro. Melvin V. Ehrman, general chairman and Bro. Samuel S. Geoke, secretary of the bodies. Bro. Frank Rarick, Chairman of the Kosciusko county committee also spoke and instilled a great deal of enthusiasm into the meeting. A goal of 300 candidates was determined and each member present pledged himself to go out among our Blue Lodge friends and secure petitions.

A new method is being tried this spring. As prospects names are turned into the office, a letter is sent along with a booklet telling about Scottish Rite Masonry. A card file is also being kept and prospects names are turned over to the different chairman of local and county committies. In this way a close contact is being with the prospect. Results are already being realized and a large class is looked for. If each member of the Rite outside of the regular membership committee will do his part, we can well go over the total membership number of 10,000.

We are pleased to announce that the Mizpah Shrine band under the direction of Bro. Russell Wharton will give a concert in the Scottish Rite Auditorium on Sunday afternoon, April 8th at 2:30 o'clock. This entertainment is for all Master Masons and their friends. If you enjoy good band music remember the date and place. The concert will be under the auspicies of the local Scottish Rite Bodies.

If you do not have your 1956 dues cards, send in your check for $10.00 and the card will be sent you.

Your officers for this year thank you for helping our lodge get off to such a nice start. For all who wish to participate with the degree teams, there will be a practice at 7:00 P. M. on the fourth Tuesday. We'd like to have a well versed proteam for each part. This will be followed by a social hour for all members.

The Eastern Star Chapter has just dedicated a new piano at a very enjoyable meeting, during which there was beautiful music, a double funny comedy skit and an interesting talk by Mrs. Jennie Walters, mother of our Grand Adah, of whom are all so proud. The Blue Lodge at the March Stated will have a special musical interlude by Brother Masior Baker.

We are so happy that our Lodge is continuing to grow and become more proficient as the years go by, and encourage the less active members to come and enjoy the meetings with us, for to parallel a current byword, progress is our most important product.

Back again for another session with you. As before I am going to try and tell you just what's been going on, here at the Chapter, since we last got together. Also I'll try to give you some points on what is to come in the near future.

The first meeting after you receive this paper will probably be the March 27th meeting. This meeting will be important for several reasons. First, it will be the very last meeting at which you will be able to bring in petitions for the last Initiatory Degree this spring. I would like to urge all of you to take one last look around and see if you can't find one more boy to bring into the Order.

Also on March 27th we are planning on having some entertainment which I am sure will be of value to all of you. On February 28th we had a movie for our entertainment and everybody here that evening really enjoyed it a lot.

Attention!! Will all DeMolay's please take note of this. On April 4th there will be a called meeting. We are holding this special meeting because we cannot hold our regular meeting on April 10th, because of Scottish Rite activities here that evening. Remember, April 4th not April 10th.

Coming up next in the month of April, is the date of the 24th, the night of our last Initiatory Degree this term. I said in my last article that when new members come in it makes them feel good to see a nice crowd here. So let's all turn out, April 24th. I wasn't going to mention this at all, but I guess I am supposed to tell you about it, so saved for the last. Keep this quiet now, but just between us, the Mother's Circle is having surprise refreshments that evening. If I know the Monther's Circle the refreshments will really be good.

Now I would like to show my appreciation for the fine crowd of fellows that was down here for our Initiatory Degree on February 14th, Thanks.

When you get this paper the Tournament Trot Dance will be long gone from our minds, but maybe not from our sore feet. Right here I want to thank all the fellows that helped put on the swell dance. A special thanks to Pat Fletcher for printing up those swell posters that you probably saw around town. Thanks are also due to Bob Passwater, Austin Brooks, Wally Fosnight, Hank Schollett, Tom Campbell, Pat Fletcher, Dick Bolds, and Jerry Lucas, for working on the fine decorations. Of course we all have a big "thank you" to Dad and Mrs. Reithmiller for making this a fine affair.

In closing I would like to thank everyone again for making the Tournament Trot a success.

From the East To All
Sincerely
Frank Schollett, M.C.

DEMOLAY MOTHERS CIRCLE

We were priveleged to have as our guests at the February meeting the President and Delegates from Angola. The exchange of ideas and various activities is always interesting and tends to provide a background for better interest and growth. "Dads" talk on DeMolay and Mrs. Roger Strobles explanation of the Chapter Room were enjoyed by all and were very enlightening. We had the pleasure of hearing Mrs. Rose Strodel who gave a book review of the Book "David". We sincerely hope that we may have the opportunity for other "get-togethers." Thanks to Mrs. Reithmiller and her committee for such a delightful evening. Due to the terrific snow storm our guests from Portland. Peru, Marion, Auburn and Garrett were unable to attend.

Our March meeting will be held March 26th at the Sears Pavilion. Mrs. Leo Hindman is the Chairman and is planning a very entertaining evening. Assisting her will be Mrs. Paul Albersmeyer, Mrs. Homer Altevogt, Mrs. Paul Beauchamp, Mrs. Lawrence Coleman, Mrs. Harry Case, Mrs. Henry Flowers, Mrs. Mary Foreman, Mrs. Herbert Fuhrman, Mrs. J. W. Fuzy, Mrs. G. E. Hicks, Mrs. Dale Hart, Mrs. David Hamilton, Mrs. Mahlon Hutchison, Mrs. Dillon Kable, Mrs. H. M. Kissinger, Mrs. Kenneth Koegel, Mrs. Jack Komito, Mrs. Ernest Leffler, Mrs. Albert Lutton, Mrs. Sam A. Macy, Mrs. Wayne Major, Mrs. Hoy McConnell, Mrs. Ross G. CHINESE-BORN MASTER OF MASONS IS A CONFUCIAN

By Robert H. Prall, Staff Writer

A Chinese-born art dealer who was elected by his brothers to the honored office of Master of a Masonic Lodge has focused public interest on the basic concepts of Freemasonry and its belief in the brotherhood of man.

Sang Mun Hoe, 56, a dealer in Chinese Art at 24 E. 55th Street will be installed tonight as Master of Adelphi Lodge No. 23, the first Chinese-born member ever to achieve that honor in the United States. Mr. Hoe, a naturalized American, is a Confucian. And since Confucius believed, as Mr. Hoe does, in a Supreme Being, or God, Mr. Hoe was eligible for membership when he first applied to the fraternal order nine years ago.

Applied as Member

No one has ever been asked to become a Mason. A man has to apply himself. George Washington and other Presidents did. Mr. Hoe did. All the Masonic order asks of a potential member is: "Do you believe in God?" and in some lodges, "Do you believe in immortality?"

When Mr. Hoe was accepted as a member, he was accepted not as a Confucian but rather as a man worthy to be received into the Order. He could have been a Christian or a Moslsum. On the grand seal of the Grand Lodge in Israel are emblazoned the Star of David, the Cross and the Crescent. The Jew, the Christian and the Moslem are viewed alike.

The Masonic Order does not assert and does not teach that one religion is as good as another, just because it admits men of all religions. As one leading Mason explained it:

"Freemasonry is a completely tolerant organization. We stand for the values that are supreme in the life of the church and we are sure that he who is true to the principles he learns in Freemasonry will be a better church member because of it. Rightly conceived, it will enhance every worthy loyalty in a man's life."

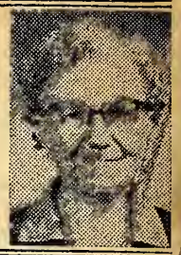
Freemasonry is not a conflict with any religion. However, there have been Papal pronouncements disapproving of the Order because it is a secret society.—Seattle Masonic Tribune.

MARTIN LUTHER—OUR ILLUSTRIOUS BROTHER MASON

Martin Luther, the peasant who defied the Pope, became a Mason, according to his own story, fifteen days later his earth-shaking burning the Pope's Bull in 1520. Just a few months after joining the Craft armed Brethren rescued him from a plot to capture the "Soul of the Reformation."

Luther burst upon the world scene after 1,500 years of civilizations under the cross — much of its sorid sage of inhumanity, rapine, slaughter. Many a leader had been ready to kill for his ideas. Here was Luther ready to die for his ideas.

Angered by the actions of the church the pious friar with the independent mind and stout heart, protested against the practices of Pope Julius II. He posted a manifesto on the door of his little castle church. He was thirty-four years old at the time. He was immediately denounced as a heretic. But great masses of people, suffering through centuries of misrule. saw the leader they had dreamed of.



History records the drama of the young Theology Professor who blew into blazing heat the sparks started by Wycliffe in England and Huss in Bohemia. The courageous German princes insisted that he be heard. Heard he was — all through the earth —" It is neither right nor safe to act against conscience. God help me. Amen." These words broke mind-fetters and set the world on a path toward a simple faith in God based on the Bible. The long arm of Masonry reached through Brother Martin Luther to other reformers, like Calvin, whose ideas the Puritans carried to the shores of America.

People who saw the magnificent motion picture based on the life of the immortal Mason and religious reformer reacted strangely. As the last scene of "Martin Luther" faded off. . . theatergoers just stood there in silence as deafening as a 21-gun salute. People's emotions were so touched that they could not say a word or clap a hand. They stood there motionless as the organ thundered out "A Mighty Fortress Is Our God." — Masonic Inspiration.

This is the last column to appear before our new officers are installed on April 7th. It has been a fine year and will be brought to a fitting close by Friend's Night on March 28th. We could not possibly have had such a fine year, if it had not been for the many friends from our Sister Courts in Fort Wayne and all over the state, and we hope many will be present on this Night that we might show our appreciation.

The past month has been a busy one. On February we had Advance Night, and our line officers did a splendid job. February 15th was the very successful Bake Sale at Wolf & Dessauer's, and February 22nd at our regular meeting, we were entertained by the Fancy Drill Team of the Royal Neighbor's and a Choral Group from the Auxiliary of the Jewish Veterans Association.

By the time you read this our Rummage Sale will be over. Our Ways and Means Committee have WORKED very hard this year and have helped to establish our Court on a firm financial footing.

Illness in the Court: H.L. Virginia Snowberger and her daughter, and H.L. Virginia Ginder have been on the sick list, but are improving. Many of our members have had colds, but we are thankful for no serious illness in our report.

Again may I remind you of the coming events. Friends Night, March 28th and Installation of Officers on April 7th. We invite those of you having already visited us to come again. and all others to come and get acquainted.

Emanuel Chapter of Rose Croix

D. Robert Hutchinson, M.W.M.

Rev D. Robert Hutchinson - M.W.M.
50 E. Tipton St., Huntington

Samuel S. Geake -------- Secretary
Scottish Rite Cathedral A-6495

The proximity of Easter to the convocation and presenting of the 17th and 18th degrees, causes us to ponder the special implication of the philosphy of the Chapter grades of the Scottish Rite.

1766 seems to have been the initial publishing of the ritual of the Rose Croix grade in similar form to that which is used today. However there is no doubt but that in various forms it has been an integral part of the additional degrees in some Lodges for from time immemorial.

The earliest forms are defintely (we are told) in the trinitarian Christian tradition, and was prepared to write back into Freemasonry that purely Christian element which was written out of it in the early Grand Lodge era.

The emphasis has been traditionally upon it's philosophical implications and teachings rather than theological meaning and this has been satisfactory to those of the various faiths. It has always seemed to us that since Masonry from it's inception has been largely produced and taught by Christians in company with their brethren of other faiths, that strain at the two degrees which are clearly Christian in their implications but which can be accpted by all Masons; is to obscure the truth.

The Rose Croix with it's simple and practical philosophy is one of the most beautiful of all the grades of the Ancient Accepted Scottish Rite and in many Consistories has been used as the culmination of the whole convocation.

The Rose and the Cross are not exclusively Christian symbols having been used before Christ and in many religious faiths of the world; however they have their finest phlosophy and implications in the Crucifixion and Resurrection stories of the Christian faith, and where their teachings become an integral part of a Masons life every man can find an added blessing. May Easter bring to everyone a deepening of their own religious faith.

We pause here to thank all the officers for giving of their best to the Chapter this past year. The stated meeting of your chapter was held February 17th, and was well attended. Reports were received from regular and select committees also a report from one of our Trustees on the last meeting of the Temple Trustees. A report from the Committee on Resolutions was received together with the Resolution pertaining to the making the Fiscal and Elective year to be one and the same time. This Resolution will be read at the next stated meeting. Petitions were received and referred to an investigating committee. The Degree work for these petitions will be conferred by the York Rite Association of Allen County in Convocation beginning March 19th.

At the present time your Craftsmen are at a standstill for want of work; Let us hope the Noise created by them will arouse some of you on the side lines to bring Petitions which can be voted on favorably and the workmen made happy by their labors in the quarries.

There will be plenty of work for those who want to assist in forming the New Keystone Club (similar to the Fellowcraft in the Blue Lodge) since the Announcement of your High Priest at the February meeting. There are eleven places to be filled in this work. Your High Priest regrets to announce he cannot participate in the work any more or at least for the time being; he has therefor requested all officers to advance one station in the line up, to confer the work. In addition to this we need eleven more men to work in the conferring of the degrees. This work is all similar to the Blue Lodge work and very enjoyable. The parts are not difficult to learn and you will derive immense pleasure in performing a small part of the work.

After the regular business session the chapter was called to labor and the Royal Arch Degree was conferred on Bro. Ralph Bowman after which labor was suspended, chapter closed and all partook of refreshments in the kitchen.

Members and friends of Sol D. Bayless, we greet you this month with a renewed hope and faith. Spring is nearly with us and as is true of this season of the year, Mother Nature brings forth new life. So should it be with you. Brush away those excuses for not coming to lodge and "Spring" into a new habit of attending and sharing in the work. In this way you will be helping to put new life into your Lodge and help its growth. We invite your active participation.

During the month of February Roy J. Jornod and Lyle J. Hamman became Master Masons. The month of March will possibly have five new candidates so we will be happy to have you with us to help confer the three degrees. On March 20, our Master Mason night, we will have a supper at 6:30 p.m. in the kitchen of the Temple. Immediately afterwards we will have the pleasure of presenting two 50 year pins. The Grand Lodge Awards of Gold will be presented by Elmer C. Forks, Past Grand Master, to Brothers Edward H. Ashton and John Thiesen. We congratulate these two brothers on their eligibility to receive such honorable awards and thank them for their long and useful service to Masonry. We also extend a special thanks to Brother Forks for making the presentation.

In addition to our regular lodge work for the coming year, your entertainment committee and Fellowcraft Club have planned several events for your pleasure. They have tried to vary the program so as to interest every member in at least one of them. Keep the following dates in mind and plan to attend all of them.

April 14, 1956, Family Night.
April 30, Fellowcraft Club Stag.
May 19, Spring Dance.
July 14, Picnic (Family).
October 13, Smorgasbord and Square Dance.
November 26, Homecoming and Past Masters' Night.

You will be reminded of these dates again and further information will be given as each date approaches.

Brothers, don't forget our Masonic Visitation to the Veterans Hospital. We want more members on this committee. Contact Donald Aley, Chairman, or your Master soon and give your support.

Funeral services were conducted during February for Brothers Urban H. Strasser and August Weisenberger of Sol D. and for Brother Ernest H. Shrider of Kilwining Lodge No. 149 of Plymouth, Indiana. To the family and friends of these brothers we wish to offer our heartfelt sympathy.

LARGE LODGE PROBLEMS

The problem of large lodges disturbs many Grand Lodges. The usual objections are a diminishing of fellowship, drop in attendance and lack of opportunities for members to participate as officers. Several Grand Lodges, including California, have a percentage system under which lodges are limited as to the number of petitions they may receive. The larger the lodge, the smaller the number admitted.

The Grand Master of Arizona had a solution which was, at least, unique. He suggested that any Lodge having 350 or more members automatically become a Lodge of Research without power to do degree work except for other lodges. He suggested that this would give the officers time to become acquainted with the members, provide Masonic education and entertainment.

The Grand Lodge of Arizona did not approve this suggestion, but did vote to loan $500 to any new lodge to be repaid in five years without interest.

Our English brethren have always held the theory of small lodges, usually not exceeding 100 members.—(Wisconsin Freemason).

WHERE YOU MAY VISIT

An Indiana Mason who desires to visit a Lodge in another state or country will have 110 jurisdictions from which to choose.

This number of recognized jurisdictions includes 48 in the United States and nine in Canada. Others are: British Isles, 3; Australia, 7; Mexico, 6; Central America, 4; South America, 17; Europe, 11; and others, 5.

In addition to these, two jurisdictions in Chechslovakia and one in Roumania are still recognized by Indiana, but are no longer active.

The latest additions to the list of recognized Grand Lodges are those of Israel and Greece. — Lafayette Temple Builder.

Learning to know the chapter members by serving them gives your Worthy Matron a better understanding of the fine qualities of those who make up our organization, and deeper appreciation of the true meaning of our work.

We have thought many times of those of you who are in distant places and have realized that your chapter must mean much to you for you to remain loyal to it year after year. It is our hope that as you have stood in need of our help, we have been able to give it to you, even though you are not able to share in our gatherings and activities.

Brother Ralph joins with me in this, our final greeting, and in extending to our new officers our best wishes for a happy year.

The book of my year is closing,
Its pages more precious than gold
Are filled with familar faces of friends,
Both the new and the old.
If I have accomplished but little,
My efforts were true and sincere;
And that's why I sigh as I'm closing
The book of my happiest year.

ANNIVERSARY

Another year has passed—What has
it brought?
A little deeper and a little wiser
thought
A little truer sympathy of friend
for freind?
And a more earnest striving toward
a common end?
If this be so, blest was this year
indeed!
And heartily we wish it now "God
speed!"

it give?
A little longer for us each to live,

to play,

The Smorgasbord held March 17 was well attended and enjoyed. Congratulations to our Junior Warden, Bob Marshall and his committee for an enjoyable evening. The kitchen experts for the occasion were Mrs. Fay Brennan and her staff. Our thanks and appreciation are extended to them for their excellent efforts in preparing the fine buffet supper.

We are continuing our degree work this month with two candidates. Our Master Mason degree will be conferred April 2nd. Plan to attend and bring a brother with you.

The Fellowcraft team planned to confer the Master Mason degree in Monroeville and Huntertown, but due to icy roads, were unable to make the trips. I want to thank the Masters of these lodges for their invitations and hope that we may be able to assist them in the future.

The Visitation Committee have again performed their pleasant duty. A group of twelve brothers made the visit to the Veterans hospital; and from all reports, the committee as well as the vets were recipients of an enjoyable evening.

Plans are now being formulated for the South Gate Charter Banquet which will be held in the dining room of the Masonic Temple, Monday, May 7 at 6:30. The Secretary will mail return post cards for your reservations. I am making a request that you mail the return card as quickly as possible. If you have been unable to attend our meetings, make an extra effort to attend our Charter night. I hope you brothers who have transferred into South Gate will attend and meet the men with whom you have seen fit to affiliate.

As Easter approaches we draw nearer to the Cross of Immortality for a reaffirmation of faith and that we may know a greater understanding of those words of forgiveness uttered upon the Cross. With this renewed faith and the devine guidance of His fords, may we see our fellow men in the light of forgiveness and love.

Plan to attend your church. Be active in it and your life will be fuller for it.

Last month I mentioned that each and everyone of our members should be reading "The Indiana Freemason."

I really believe this and think that every Mason in Indiana should be a subscriber to this great magazine.

Brother, do you know what it is? Have you ever seen a copy?

"The Indiana Freemason" is the official publication of the Grand Lodge of Indiana and is published at the Indian Masonic Home with Brother L. R. Taylor as editor.

Subscription rates are only $1.50 per year for the twelve monthly issues so each and every member could avail themselves of this desired publication.

Each issue contains an article written by the Grand Master. This is always worth while and most educational. There are always one or more articles along Masonic historic lines or one of the great Masonic Leaders of the past.

Also in each copy, you will find a list of the voluntary contributions to the Indiana Masonic Home Hospital and also several pages devoted to outstanding Lodge meeting throughout the state. Also various and sundry articles on the Masonic Home at Franklin.

Truly this is a great magazine for any Brother Mason and should be in his reading room each month.

If you are not a subscriber why not send your fee of $1.50 to "The Indiana Freemason" Franklin, Indiana and start receiving your copies?

Brethern, since my last writing for the Square and Compass we have lost two more brothers by death.

Brother Henry S. Chapman passed away on December 10, 1955 but it was late in January before it came to our attention. Brother Chapman's funeral and burial was in Howell, Mich., where he lived.

On Sunday February 5, 1955 Masonic services were held at the D. O. McComb & Sons Funeral Home for Brother Forrest Jay Hiatt who passed away on February 3rd.

We extend our deepest sympathies to the families and friends of each.

Our meetings this year to date have been interesting and well attended. We thank the many brothers who are coming up so regularly and certainly urge all the members of our great Lodge to be in Lodge at least once in a while. Brethern, believe me when I say, by attending Lodge you will be a better Mason.

Try it and see for yourself.

MASONRY IN ENGLAND

The Masonic Temple in London is considered the finest building in England. It is a very large building, and some idea of its size may be obtained when it is known that 1200 persons lived in the basement during the "blitz" of World War II. A bomb falling on the roof would have to pierce fourteen feet of concrete to hit the basement.

There are 1400 Blue Lodges in London and there are seventeen lodge rooms in this great Masonic Temple, where seventeen lodges meet every night in the week. The lodges in England ares mall in membership when compared with the average American lodge, the average English membership being less than 100 members. This is done so that every brother who has aspirations to become the Master of the Lodge may acomplish his ambition, and also to be intimately acquainted with the entire membership. English lodges do not meet as frequently as American lodges, and it is quite the practice in England to have 100 per cent of the members present at each communication. Not so much time and attention is devoted to degree work, but more time to friendly association around the dinner table and the presentation and discussion of papers on subjects of Masonic interest.

There are 652 Royal Arch Chapters in London, working under the Grand Royal Arch Chapter of England. This Grand Chapter has 1447 Chapters working in the provinces and 304 overseas. Our English brethren consider that the Master Mason's degree is incomplete without the Royal Arch, as they define Ancient Craft Masonry as consisting of the first three degrees, together with that of the Royal Arch.

There are over 200 Preceptories of Knights Templar in London, preceptories in England corresponding to commanderies in this country. English preceptories seldom number over 100 members. — Masonic Tidings (Milwaukee).

Brethren: Have you ever stopped to think the Lodge includes U and I and that U comes before I.

Degree Work: We are looking forward to having some more of that fine degree work done through March as we had in January. I am sure everyone present for the degree work, knew that they had received the wages of a speculative Mason.

Bro. Lee Garrison, did an excellent job for the knife and fork degree. We'll all be looking for more of your good work also in the future "Whitie."

Being dark through February, rehearsals were scheduled so as to give all the Bro's a chance to practice the various parts they want to do one the floor, for degree work in the future.

I have appointed as Chairman of the Fellow Craft Club, Bro. Richard Ferckel. Anyone wishing to take part in the Club please contact Bro. Ferckel, Phone, H-79222. With your help he can make plans for various activities away as well as at home.

Social: The time is not afar off any more to our Annual Spring Banquet, Saturday, April 21, 1956. Dinner at 6:30 P. M. With the following program it should be well worth your time to attend. For those who like music there will be The Scottish Rite Choir. To hear these Men sing is a treat for anyone. It is the first time for them to appear before Three Rivers Lodge.

Our speaker will be Dr. Tennyson Guyer, of Findley, Ohio. Has spoken in all 48 States, Canada and Cuba, debut on platform at 19-now 7500 audience appearances. Let's Make This A Date. All Masons and their Ladies are cordially invited. Hi Everyone;

Well, we've had our second initiation of the year and I want to greet all of the new daughters who have joined our Bethel. Please try to attend all of the meetings and get acquainted.

I'd like to thank the Past Honored Queens, Guardians and Ass't Guardians who attended our February 21st meeting. It was nice to see them and I know they enjoyed it, too.

Our bake sale was a big success and I'm sure that all who bought the baked gods liked it very much. Thanks to the committee who worked at Wolf and Dessauer's and to all the wonderful mothers who made all the goodies.

Our March 20th meeting will be the most important meeting of all. It's Inspection Night. There will be a banquet at 5.45 p. m., and I hope all that can will attend. Reservations for the dinner may be made to Mrs. Thomas Walheiser, Mrs. Perrin or Judy Goller, and the price is $1.00 per plate.

Girls, don't forget—the Rummage Sale was postponed from March to June 13th. If you have rummage and don't want to keep it that long, bring it down to the Bethel where we will store it.

I'm looking for all of you at our next meeting, so til' then so long.

JOB'S DAUGHTERS
MOTHERS CIRCLE

The March 19th meeting is to be held at the home of Mrs. L. Geise, 5520 Werling Drive with Mrs. L. Motley, Mrs. J. DsBruler and Mrs. R. Flaugh as assisting hostesses.

The Cottage Flower Shop of 236 E. Wayne St. will give a demonstration on flower arrangements. I'm sure this will be very interesting and most enjoyable.

We heartily welcome and invite all mothers of Jobs Daughters to come to the meetings. If you desire transportation or want information please call Mrs. A. Campbell, or a member of the Council.

Brethren; Time marches on and I am very glad to see so many brothers attending lodge again. To the rest of you, try to get to lodge more often, enjoy an evening of good fellowship and see how much better you will feel.

Bro. Paul Scott and the Feffow Craft Club have been turning out some real treats in the line of refreshments. Last month they served an Oyster Stew on Entered Apprentice Nite, that was out of this world. They are planning something different for each Entered Apprentice Nite so come on out and be pleasantly surprised. They will also serve a regular dinner on Master Mason Nite at 6:30 P. M., they have been doing a swell job so give them your support.

At the Square Dance on February 18th there were more than twenty sets and everybody had a wonderful time. The next Square Dance will be April 28th at 8:45 P.M., with "Little Joe" Rochling doing the calling, so get your tickets early.

March 22nd will be the annual Homecoming and Past Masters Nite. The Lodge will celebrate the 133rd Anniversary of the founding of the lodge. Lodge will be opened in the afternoon and dinner will be served at 6:30 P. M., please make your reservations early as possible.

The past month saw Wayne Lodge lose three of its members by death. To the bereaved families of Bros. Reed A. Nolt, Charles E. Myers and William Schultz we extend our deepest sympathy.

During the past month Bro. Eugene A. Roush was a patient at the Parkview Hospital. There is a strong rumor around that he was just lonesome for his wife who is also a patient there but I can assure you that this was not al-together true as he did have an operation.

Sick at home are Bros. Walter A. Felger, Kenneth E. Goller and Louis A. Bope. To them and to all sick brethren we wish a speedy recovery and an early return to lodge.

Hope to see you all in Lodge Thursday.

CY YOUNG

Bro. Cy Young, the famous baseball pitcher, at his death not long ago, left his Masonic ring with Bro. John Benedum with whom he had lived for the last 23 years. Bro. Young became a Mason in 1905. He was first pitcher to be admitted to the Baseball Hall of Fame at Cooperstown, N.Y. He was buried with his Masonic Apron.

AN EASTER PRAYER

Oh Thou who in thy infinite wisdom and mercy didst redeem us by the life and death of our Lord Jesus Christ, go with us now as we go up to Jerusalem.

Open our hearts and minds to see more clearly than ever before the mystery and majesty of thy love, and help us to respond with complete trust in the sufficiency of the salvation wrought for us there. Amen.

We are reminded of that ladder which Jaeob saw in his vision and our interpretation of the three princial rounds which are denominated aith, hope and charity, the princial of these being eharity, because ur faith may be lost in sight, hope nds in fruition, but eharity extends eyond the grave through the boundss realms of eternity.

We are often tempted to think of harity as monetary contributions or inancial assistanee while the true eaning we as Masons should make much deeper. Little acts of kindess and consideration, thoughtfulss, expressions of appreciation, ven our thoughts, expressed or not xpressed, demonstrate a Masons eonpt of charity.

We are progressing satisfaetorially with our heavy schedule of Degree work having decided to eall a meeting at 2:00 P.M. MASONRY NOT A CURE-ALL

While Masonry acts as a restraining influence upon a good many men, it is not a cure-all for those whose character and habits result from an intimate association with the devil. No man who is careless in character and habits is likely to become much improved through his affiliation with Freemasonry. To be of any value to the Craft he must show evidence of his ability to conduet himself along the lines whieh the institution lays down for the attainment of higher manhood. — Exehange.

Mr. Frank S. Hunt
Masonic Service
428 E. Berry Street
Fort Wayne, Indiana.

Dear Mr. Hunt:

Believe me, I was most pleased to have received the wonderful contribution in the amount of $100.00 as donated by the Masonic Service, to assist in the purchase of a Master Television Antenna for our Fort Wayne Veterans Administration Hospital.

This contribution enabled us to go over the top, and we now have the required amount to proceed with the installation of the Antenna, all of which has been accomplished through the excellent voluntary cooperation of the many fine Organizations affiliated with our VAVS Committee.

I am well aware of the personal effort expended by you in developing this contribution, as well as the assistance given you by the individual Lodges, and it is my sincere desire that you convey this appreciation to each of the Lodges either individually or perhaps through an item in the "Square and Compass."

Thank you again for your kind support you are giving us, with a special commendation in the manner in which the visitation program has been organized and carried through.

Very truly yours,
HAROLD McGINNIS
Chief, Special Service

Brethern:

Congratulations Sam.

THE GOLDEN FLEECE, THE ROMAN EAGLE, THE STAR AND GARTER

By J. L. RONNALLS, P.G.S., G.R.C.

"The leathern, or lambskin apron is more ancient than the Golden Fleece or Roman Eagle, and more honourable than the Star or Garter."

What are these emblems and what are their significance?

In mythology we read of Jason and the Argonauts out in search of the Golden Fleece. The Golden Fleece was from the Ram Chrysomallus. From this has come the name of the celebrated order of the knighthood which was founded in Austria and Spain by Phillip III, Duke of Burgundy and the Netherlands, in 1429. It was to celebrate his marriage to Isabella, daughter of King John of Portugal.

The chief aim of the Order of the Golden Fleece was the protection of the Roman Catholic Church, and the fleece was assumed as its emblem as wool was the chief product of trade from the Low Countries. Philip became the first Grand Master and this position was to descend to his successors. There were at first twenty-four knights but this number has been increased.

Soon both Spain and Austria began to claim full rights to this order of knighthood. This led to a division with the result that each had a separate order. In Austria the Emperor was permitted to create any number of Knights of the Golden Fleece from among the nobility. If any of these were Protestants, it was necessary to obtain the permission of the Pope. In Spain, Princes, Grandecs, and personages of peculiar merit were alone eligible to membership.

All have read the legend of the Golden Fleece for which the storied Argonauts searched. It resembles Masonry in that it is a search for that which was lost.

The Eagle has appeared upon many banners the world over. It may be traced back to the Romans, and even to the Persians. In more modern times United States, Prussia, France and Russia have used it.

The Order of the Black Eagle was founded in Prussia which later became part of Germany. This took place in 1701 on the occasion of the Coronation of their King. At first the number of knights was limited to thirtly in addition to members of the Royal Family. All members must be thirty years of age, and must be able to prove noble descent through both parents for at least four generations. No member was allowed to travel from Court more than twenty miles without permission or given notice.

A second Order, that of the Red Eagle, was founded in 1734, and became a subordinate degree of the Order of the Black Eagle. All candidates for the higher Order must first belong to the Order of the Red Eagle.

Since Hitler's time both of these orders have vanished. With the disappearance of the monarchy, it is doubtful if there will ever be a revival.

The Order of the Star is of French origin. It was founded by King John II in 1350 in imitation of the recently instituted Order of the Garter in England. The Star of Bethlehem was chosen as the emblem.

It is interesting to note that a star of some design, from five to sixteen points, forms a part of the symbolism in every Order of Knighthood.

The Order of the Garter is the one with which we are most familiar as it is British in origin and is still in operation. It was founded about 1344. Many stories have been told about its origin, and so there is great conjecture concerning it. King Edward III is said by some to have instituted it. Others say King Richard I at the seige of Acre, when he is said to have caused twenty-six knights to wear thongs of blue leather around their legs.

Another most interesting story relates that the Countess of Salisbury happened at a ball to drop her garter, and the King, picking it up, presented it to her. Some of the company smiled at this which angered the King who exclaimed "Honi soit qui mal y pense" (Evil to him who evil thinks). The creation of the Order of the Garter took place immediately after this circumstance.

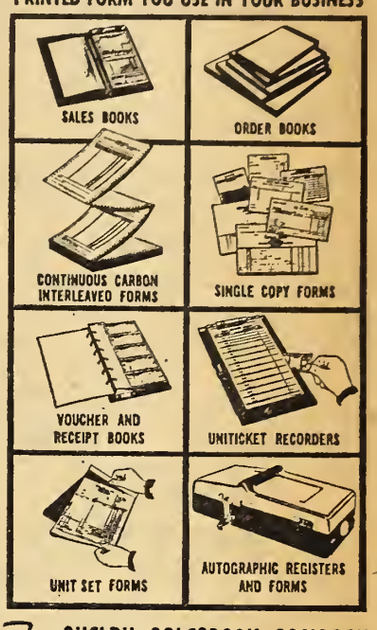
At the time of its founding it was dedicated to the Virgin Mary, Saint Edward the Confessor and Saint George. The last named had by this time became the Patron Saint of England. The members of the order are also known as Knights of Saint George. Its religious headquarters is the Chapel of St. George at Windsor Castle in which many British Sovereigns have been laid to rest.

At first there were but twenty-six members of the Order of the Garter, including the Soverign, who was the Chief of the Order. In 1786, precedent was established to have named all princes of the Royal Family as well as illustrious foreigners. Recently Sir Winston Churchill and Sir Anthony Eden were knighted into the Order.

The insigna of the Order of the Garter is distinctive. A garter of dark blue ribbon is worn on the left leg below the knee. On the garter is the motto "Honi Soit qui mal y pense". It is hald by a gold buckle.

The mantle is of blue velvet. A star is worn on the left breast. The hood is of crimson velvet and is lined with white. A black velvet hat has a plume of white ostrich feathers, in the centre of which is a tuft of black heron's feathers all fastened by a band of diamonds. A pendant bearing the figure of St. George encountering a dragon is worn on a collar of dark blue ribbon with a lesser "George" worn over the left shoulder.

These are the world's best known chivalric orders.



In comparing all these orders, Masonry may well claim to outdate them all in history and to have stood in such honour that men in all walks of life, including even monarchs themselves have sought membership in the Order.

IN APPRECIATION

Mr. William H. Schroeder and family wish to acknowledge the expressions of sympathy received at the time of the death of Mrs. Flora M. Schroeder.

Compyanions

We are looking forward to our York Rite Convocation, March 21, when the Council will confer their two degrees immediately after the Stated Meeting. We hope to have several candidates and hope you, as a member, will turn out to witness this work. The Chapter will confer their degrees the fore part of the week, and the Commandery the latter part. This will be the second time that we have conferred the degrees in the Convocation program. It is a good idea, and in all probability will be continued by the line officers.

Our Deputy Master, Eugene Roush, was not with us at the last meeting, being confined to the hospital. However, the latest report is that he is doing fine and expects to be back in the harness by Convocation date.

We are looking forward to seeing you at our Convocation.

IN YOUR HANDS

The reputation of the Fraternity to a greater or lesser degree is in the keeping of each member. It is within the power of every Mason to glorify or nullify the institution. The public never reads Masonic boks nor Masonic philosophy. Its idea of the Fraternity is not well defined, and the sole basis of judgment it falls back upon is the character of those who are supposed to exemplify its teachings.—The Oklahoma Mason.

STEWARD'S DUTIES DEFINED

When our fraternity was young the Stewards performed an important function at every lodge meeting. It was their duty to provide food and drink for all present and to keep and render account thereof. The provisioning of today is delegated to a special committee.

Progress has promoted the Stewards to a more important duty in our ceremonies of initiation. The ceremony of preparation. They are the only ones besides the Master who have a right to be in the preparation room. They have the first actual contact with the candidate, and a great deal depends on their conduct. Anyone can prepare a candidate physically, but not all men have a talent, ability or desire to prepare a candidate mentally.

To be kind, courteous and gentle with the candidate should be their main consideration, thereby giving him assurance that he may trust his guide while taking this important step. He is, for the time being, leaving the mundane, boisterous, turbulent, hurrying world for the quiet precincts of a sacred temple.

Only by having his mind free from all thoughts of ribaldry and free from all fears of pranks or practical jokes will he be duly prepared to absorb and understand, or to enjoy any part of the beautiful ceremonies that await him. Even bearing in mind that only by the wildest stretch of imagination could he, in any way, anticipate his reception beyond the closed door.—Masonic Review Digest.

THE CABLETOW'S LENGTH

Ancient Masonic law required every Mason to attend lodge meetings held within the length of a cabletow. For an Entered Apprentice the distance was three miles. In modern automobile times, the distance of three miles negligible, but not for brethren, like those of the past, who had to transport themselves by personal footwork. The length of the cabletow is now symbolic, and it is left to the conscience of the individual Mason to interpret its meaning in his own case. —Orphans Friend.

Your response to this has been overwhelmingly and I would like to take this opportunity to say thank you for a job well done. I wish I could answer each and every one of your letters but time does not permit, so in this manner I again say "Thanks". Brother Marvin is in the Veterans Hospital.

Brother Floyd Waterman's fother, who was struck by a truck in downtown Monroeville is in serious condition at the Park View Hospital. Brother John Bowyer is recovering from an operation in St. Joe Hospital To Brother John, Brother Marvin and Brother Floyd may you and yours have speedy recover.

Brethren:

Now that our Washington's Birthday dinner is over we can sit back and reflect on it's success. There were many factors that contributed to the success of our dinner and perhaps each of you have your own ideas as to which things contributed most. To me there were three things which made our dinner worth while. The fine co-operation of you brethren in planning and organizing this fine program, the opportunity to join in good fellowship with our Fort Wayne brethren and the splendid biographical speech on the life of George Washington by Rev. P. B. Smith Jr. Our pleasure in extending honorary membership to Bro. Leon Williams P.M. Summit City Lodge No. 170 F. & A.M., who performed such outstanding assistance to us was another highlight. How could our dinner have been anything but a success with such a fine combination as this? This leads to but one thought. Whenever Masons get together, something fine is added to their lives. This applies to our regular lodge meetings and if you are missing them, you are depriving yourself of one of lifes greatest values— the fine fellowship of good friends. You can discover this for yourself. Won't you join us.

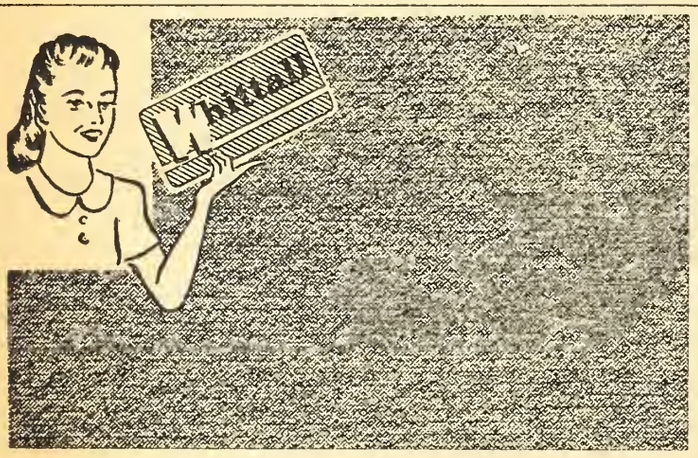
The officers of the Consistory are planning and working with the officers of the other Bodies toward an outstanding Spring Convocation. Reheasals are underway and each member of each cast is striving to do his part the best that it is within his power of doing.

At the meeting of the Membership Committee it was announced that a class of three hundred for our Spring Convocation would bring our total membership to ten thousand. Some thoughts in this connection: Through your personal efforts, how many Blue Lodge brethren have received the beautiful Scottish Rite degrees? How many of your relatives, associates and friends are Blue Lodge masons but are not members of Scottish Rite? If you would take it upon yourself to secure a petition from at least one of them you would be doing a big part in making the class for the Spring Convocation the largest class we have ever had and assuring our ten thousand membership. The dates for acting on petitions are March 6th, March 20th and the final date March 27th. At least one petition and submitted before March 27th.

Remember the Convocation dates, April 10th, 12th and 13th. The Consistory will exemplify the operatic 22nd degree on Thursday evening, April 12th at the new Auditorium with a cast from our Scottish Rite choir. The patriotic 20th degree will be exemplified Friday morning, April 13th. The 26th degree with the cast from Wells County will be exemplified after lunch followed by the beautiful and crowning 32nd degree.

Be sure and plan on attending the banquet at 6:30 Friday evening, April 13th. We have been most fortunate in securing an outstanding speaker, Illustrious Brother Roy Lennard Nicholson, 33 degree, Past Commander-in-Chief of the Milwaukee Valley Milwaukee, Wisconsin. We know you will enjoy his message of hope and inspiration, interspersed with good humor.

14TH DISTRICT PAST MATRONS AND PAST PATRONS TO REORGANIZE



An organized group is interested in re-organizing the 14th District Past Matrons and Past Patrons Club. For the purpose of this re-organization a meeting has been scheduled for April 7, 1956 (Saturday), at 6:00 P.M. Central Daylight saving time, at the Masonic Hall in Decatur, Indiana. This will be a pot-luck. All Past and Presiding Matrons and Patrons of the 14th District, and their husbands or wives are urged to attend. Let's make this a record turnout. The committee taking charge is Ray and Mildred Collins, Decatur; Earl and Dorothy Goff, Roanoke; Arthur and Marguerite Bechtold; South Whitley; Myrtle and Howard Morton, St. Marys, Poe; Edward and Irene Wooldridge, Fort Wayne No. 432.

The Spring Class of 1956 was one of the largest we have had in several years, we feel that this splendid showing was due to the closer contact our membership committee members had with the Blue Lodges. Names of members who had received the Third Degree within the last three years were obtained from different sources and then sent direct to the membership committee. A letter was sent to each prospective member inviting him to become a member of the Scottish Rite. While it was a lot of work and some changes were necessarily made in the committee, we know that the large class was the result of the work. Efforts along this line will be intensified in the future. If you wish to help in this phase of Scottish Rite work, send the names of your Blue Lodge friends whom you think will be interested in taking the Scottish Rite Degrees. They will be properly contacted.

During the degree work in the Lodge of Perfection, three of the degrees were conferred by casts from outside of Fort Wayne. This always creates interest in the community where the cast is from.

The annual meeting of Fort Wayne Lodge of Perfection will he held on Tuesday evening, May 1, 1956 at 7:30 o'clock in the auditorium of the cathedral. It is the hope of your officers that a large number of members will attend. Besides the election of officers, reports are read from the Board of Trustees, Treasurer and Secretary. Why not attend and get better acquainted with the workings of your Lodge?

Spring is here at last and another York Rite Convooation is history.

On March 19th and 20th Fort Wayne Chapter along with Thomas R. Marshall enjoyed the opportunity to confer the four Degrees of Royal Arch Masonry on a splendid and attentive class of candidates. Many of the Companions missed seeing this work but our attendance was very good and those that saw the work will agree that the officers and Teams that conferred the Degrees can be proud of what was accomplished in these two evenings. The work was beautiful.

We may have a few petitions to present at our April 6th Stated Convocation, and will confer the Degrees after May 21, 1956. Watch the Square & Compass or the Masonic Calendar for further dates regarding the Chapter's Activities.

Plans are also being made for another York Rite Convocation next fall. If any companion knows of a Brother Master Mason that would be interested in our York Rite, notify the officers of the Chapter and we will supply some literature on York Rite.

To all Companions that have been ill or convalesing, we pray for your recovery.

Companion Plank president of our Keystone Club invites any Companion desiring to work on the Degree Teams and assist in conferring the Degrees to join us. Our Keystone Club has been a real help to the Chapter in promoting our part in Masonry.

Another month has rolled by which brings us to the glorious time of the year, "Spring."

Spring with its warm breeze, flowers bursting in bloom and birds singing their beautiful melodies, makes our thoughts turn to vacation time. Well dear friends when you read this Sir Knight John and I will be on vacation,, there in the glorious sunshine of the South and will be thinking of you here.

It is most gratifying to see how well our sewing sessions have been attended, we have been doing mostly Cancer dressings which are so desperately needed, we are still very much in need of used white material such as sheets and pillow cases. We prefer used material because they are soft. We would be happy to accept material from anyone reading this article.

Our Ladies are very busy making preperations to entertain the wives of the visiting Knights Templar that will be here for the State Conclave, May 11-12.

There will be Brunch for the Ladies in the Shrine Club House at 11 o'clock May 11, followed by a Style Show after which there will be a shopping tour.

May 2, Saturday 9:30 A.M., to 11:00 friendly Coffee hour at the Lincoln Life, after which a Tour of Interest.

Stated Meetings: April 17 Initiation; May 1, Readings by Mrs. Elva Clayton. Sewing, April 23 night group with Anondas Marvel. Covington Rd: May 2, Day group with Dorothy Lyman, 2402 Oliver.

Sister Mary Malsbury is home from the hospital now. Sir Knight Eugene Roush is home now too, but Velma Roush at the time of this writing is waiting to go to surgery again. We hope you will soon be well Velma.

ANCIENT CRAFT MASONRY

Signs and symbols of Masonry go so far back into history it is a problem to establish any date for their origin, but to oldest heiroglyphic known represents the set up of the Universe including certain signs known today. The next oldest represent the first religion and contains a square with the double square and level.

When Osiris went to Egypt with Queen Mu about 10,000 B. C., the city of Mochee was established where ancient Memphis stood many centuries later. In the great pyramid constructed at that time are found many symbols of Masonry.

In most of the ancient works of architecture throughout Egypt dating back to thousands of years before the Christian era there are still to be found many of the signs and symbols of Masonry.

During the late '80s' an expedition exploring the interior of Tibet in an ancient Monastery discovered 52 tablets containing records of thousands of years age concerning religion, with the twelve cardinal virtues and their application to Masonry

The late Dr. Kinsman, a former resident of our city and for whom one of our Lodges is named, was a world wide traveler and authority on things Masonic and often told of visits to far corners of the world and described the finding and visitation of a large temple in the Gobi Desert in the interior of Mongolia, where there were numerous signs of Masonry. And ot ather times he described similar buildings in the heart of Africa where there also were signs of Masonry.

Those ruins of large buildings in the South Sea Islands and particularly those in the Solomons follow the same pattern as those of Egypt and with the same signs and symbols.

But we need not believe those ancient signs and symbols were only in the far distant places, for many of the same and dating back thousands of years have been discovered right here in America and even in the central part of our United States.

The ancient Mayans constructed large building and pyramids in Mexico and Central America in many respects resembling those of Egypt with perhaps different ornamentation. The Mayan book now in the British Museum gives a wonderful record of that ancient civilization with many statements referring to the signs and symbols that show those people had a knowledge of Masonry.

From the caves of Nevada, the cliff dwellers of Arizona and New Mexico came also records substantiating the fact that those people knew of Masonry, and the discovery of six large conch shells taken from Temple Mound in Oklahoma which were engraved with many of the signs. These shells are now in the city museum of Kansas City.

From the caves near Miami, Missouri have come many tablets giving the life history of Chief Moroc and his tribe as of many thousands of years ago. They show the exalted position he had in Masonry and the records of their activities at that time.

Our early settlers were quite surprised to find many Indianas had a knowledge of Masonry and the records of several lodges show they were visited by them. One of special interest is the record of Chief Red Jacket attending a meeting with George Washington. The great Chief Tecumseh was a member.

The swastika, one of the most ancient of decorations is really composed of four squares emblematic of that well known expression "Four square with the world",—Lakewood Masonic Outlook.

FREEMASONRY

The real use of Freemasonry in the world is its effect on men outside the lodge room. Its teachings and ritual, beautiful as they are, are only means, not ends. We are brought to ligt in order that we may let our light shine before men, that they may see our good works and glorify our Father. If we fail to do this, we are untrue to our obligation—unworthy Freemasons. — Masonic Journal.

The following Brothers has affiliated by transfer of membership: John L. Humpherys, William Ross Gormly and Jack Edward Rawles.

Your line officers are doing a fine job in presenting the ritulistic work and also the several lectures. We are quite proud of them and know you are also.

During March we held one Masonic funeral service, that of Brother Gardner Dale Van Aman who was raised a Master Mason January 26, 1944. Services were held at the McComb Funeral Parlors Thursday, March 22, 1956 at 8:00 P.M. We extend our sympathies to the family and friends.

We are still having good attendance at our meetings but there are many brothers that have not been in lodge for a long, long time. To these brothers we say come up and renew your friendships and see the work put on.

Can we expect you soon?

Companions:

The York Rite Convocation for this spring is now a thing of the past. As previously reported in the last issue, we gave the two council degrees on the Wednesday of our March stated. The officers are to be commended on the fine work they did. Each officer deserves much credit. There were fifteen candidates, which along with those receiving the work last fall, will make a fine addition to our membership, and will make our yearly reports in that respect look very good.

Now, let us try to make a good showing in our dues also. If you are not currently in good standing (that is have a 1956 dues card) be sure and take care of it soon. Our good companion, George Gable will be more than pleased to take your money and give you a dues card. By being in current good standing our yearly report to the Grand Council will look very good also. If there is some reason why you are unable to pay, write me, or Gable or tell one of the officers. Lets try and have a clean slate.

You may think all I can mention is something to make the REPORT look good. No, it would look GOOD to see you in Council, too—and I would be more than pleased to see you at the next stated assembly.

Be Good!

Trinity Chapter No. 576, O.E.S. held its Installation of Officers on March 23rd in the Colonial Room of the Masonic Temple. The East was beautifully decorated with palms and baskets of white roses. For the opening in front of the pedestal in the East was the open Holy Bible, the emblem of the retiring matron, Sister Frances Van Swearingen, had for her year.

The Worthy Matron welcomed all members and visitors. Sister Lettie Dickey, Past Grand Matron of Indiana and Sister Helen Warner, District Deputy of District 14 were the distinguished guests in the East.

The Worthy Matron and Worthy Patron each gave an inspiring closing address after which the Worthy Matron introduced Sister Gertrude Dickey, her fraternal mom, and thanked her for all her help throughout her journey through the chairs. Sister Doris Thiebolt, Past Matron of Trinity Chapter, wes escorted east and introduced as the Installing Matron assisted by Sister Helen Warner, The officers then retired.

A beautiful lighted broken column was placed in front of the pedestal in the East honoring the incoming matron. In front of the broken column was an open holy bible in stirafoam and one one page was the motto for the year "Trust in the Lord" and on the other page was a single white rose.

When all was in readiness the Installing Officer, Doris Thiebolt announced the Installing officers which are as follows:—Eugenia Wood, Installing Marshal assisted by Flora Barlow; Albert White, Installing Chaplain; and Carmen Utterbach, Installing Organist.

The Officers installed were Worthy Matron, Florence Amstutz; Worthy Patron, Neil Glock; Associate Matron, Edith Sherwin; Associate Patron, Mark Sherwin; Secretary, Eugenia Wood; Treasurer, Margaret Hartsing; Conductress, Marjorie Simmers; Associate Conductress, Dorothy White; Chaplain, Lavern Amstutz, Marshal, Frances Van Swearingen; Organist, Doris Thiebolt; Adah, Joan Detter; Ruth, Jeanice Kemp; Esther, Sarah Belle Sprowl; Martha, Lillian Poiry; Electa, Louise Wilkerson; Warder, Oscar Thunberg; and Sentinel, Vida Wood.

The Worthy Matron was escorted through an aisle formed by her two sons, daughter-in-laws, the old and the new star points. Her daughter sang to her as she approached the East words to the tune of "Our Mom." After the song she presented her mother with a bouquet of white roses. The Worthy Patron was escorted East by his wife and children through an aisle formed by brothers of Trinity Chapter. His daughter and son sang a song to their daddy and then presented him with gifts when he arrived in the East.

Frances Van Swearingen was escorted to the Marshal's station through an aisle formed by her Star Points, Dorothy White, Geneva Ash, Raydeen Mller, Margaret Hartsing, Betty Smith, Mary Henninger, the outgoing treasurer and Ida Kayser. A beautiful ceremony was given placing yellow roses in a basket and then presenting her with the basket of yellow roses at the completion of the ceremony.

Sister Florence Amstutz gave a very inspiring Installation address. She announced her motto for the year as "Trust in the Lord"; her colors are green and white the green from the Martha's station she held under Eugenia Wood and the White from the Chaplain's station she held under Carmen Utterbach; her flower the white rose, in memory of her mother.

An impressive ceremony was held when the Junior Past Matron, Frances Van Swearingen, and the Junior Past Patron, Lavern Amstutz, signed the Bible as the 10th Matron and Patron of Trinity Chapter.

The sons, daughter and daughters-in-law presented their father with a Holy Bible, symbolic of his station that he is to serve this year. Sister Gertrude Dickey presented Frances Van Swearingen with the Past Matron's jewel and welcomed her into the ranks of the Past Marton's of Trinity Chapter. Brother Bob McClure presented the Past Patrons jewel to Lavern Amstutz.

Rev. McKee of the First Methodist Church gave the benediction thus closing a lovely Installation.

Most of us spend a large part of our lives listening to other people talk and many of us do it badly. We would get along better if we learned a little about the simple art of listening.

Some interesting facts on the subject have recently come to light to determine just what part listening plays in the total time we spend communicating with others. Researchers have made a study which showed that we use 9 per cent of our communication time in writing, 16 per cent in reading, 30 per cent in speaking and 45 per cent in listeing.

Notice the listening and speaking figures to-gether. We spend 75 per cent of our communication time either talking to or listening to others.

Another fact recently brought into focus is that the average person can improve his listening at least 25 per cent. Listening clinics have sprung up at universities and in community adult education program aimed at improving this ability. The University of Minnesota has been a leader in this movement and concludes that the 25 per cent is a minimum for the average person. Yet we don't have to attend formal training courses. This is one kind of personal improvement that we can accomplish ourselves. We, as Master Masons, can help this situation greatly by attending our lodge and taking part in the degree work.

What, in such a situation, does the bad listener do wrong? (1) He is too much concerned with himself. The average person is self-centered rather than listener-centered. (2) He allows prejudices to affect him. As he hears another speak, he lets his own feelings affect his evaluation of what the speaker is saying. (3) He doesn't like the speaker.

It is a big mistake to let our feelings about the other person affect our judgment of what he has to say. (4) He daydreams. Studies show that we can listen about four times as fast as a speaker can speak. This gives us time to daydream and let our thoughts wander. (5) He listens in order to reply rather than to understand. (6) As the speaker is making a point, he is figuring out how to oppose it. (7) He pretends to listen, but his mind is miles away. He reads, talks and even sleeps while the speaker is talking.

Few of us have this last fault, most of us, in fact want to be a good listener. We wish we had the "amazing power of perception of a Dwight Eisenhower," whose great success as a military leader was said to be due to the fact that he had learned the value of listening to his subordinates.

Any program of listening improvement must start with an attempt to create an attitude of wanting to understand and appreciate the other person. It must include a willingness to dispel our prejudices and to give credit to what the speaker says, and when we reply, we reply not to the person but to what he has said.

To sum it all up, "A good listener is not only popular everywhere, but after a while he knows something."

Remember to get your tickets for our Smorgasboard and Square Dance which will be held in the ballroom of the Temple May 5. Tickets may be purchased for $1.25 each. Bob Miller, our Chaplain, will be in charge of ticket sales.

"GREETINGS"

A greeting is a little thing, that means
so very much
Especially the kind that has the
warm congenial touch.
It brings a friendship closer and
reminds you of it, too,
And sometimes is the reason why
you win a friendship new.
And whether it is spoken or con-
veyed in written style
It never fails to melt a frown, and
substitute a Smile.

Brethren: Last Mareh 22nd we celebrated the 133rd anniversary of the founding of the lodge by our annual Homecoming and Past Masters Nite. We had a very nice erowd and was fortunate in having the York Rite Association as guests for dinner. We enjoyed a wonderful dinner which was prepared under the capable direction of Bro. Kenneth E. Goller who has been doing a top-notch job in that department for a number of years for the Lodge, (Thanks Kenney). After dinner Bro. Roy Welty of Maumee Lodge gave a very good talk on Freemasonry after which the Past Masters, under the direction of Bro. Paul W. Elzay exemplified the Master Mason degree in full form. They gave an outstanding performance. I hope to see them back in lodge often this year.

April and May should be very busy months as we have a number of petitions for both months. We need your help so come to lodge on Thursdays and give us a hand. As usual the Fellowcraft Club will serve refreshments after lodge on E.A. Nites and dinner at 6:30 P.M. on Master Mason Nites.

April 28th we will have another Square Dance with Joe Roehling as Caller. Dancing will start at 8.45 P.M. Get your tickets early from the officers or Fellowcraft Club members and beat the rush at the door. On May 26th another Square Dance is scheduled so mark these dates on your calender.

The next Visitations to the Veterans Hosital are scheduled for April 16th and June 4th. Bro. Kenney Rayl will be very glad to have your help. They meet at the Hospital at 7:30 P.M.

During the past month Bro. Howard Shipman has been a patient at the Parkview Hospital and Bro. Donald E. Jenkins at the St. Joseph Hospital. Sick at home are Bros. Walter A. Felger and Louis E. Bope. To them and to all our sick brethran we wish a speedy recovery.

Spring is here, we know it, not because we looked at the Calendar but because every living thing on the earth is telling every other living thing, "it's time to wake up from the winter sleep and get to work." Just as our Lord said on that first Easter Morn, "I have Risen," so each of us take a renewed life at this time of the year. Renewed vigor, renewed countenance and renewed Spirit.

Our Chapter is taking on renewed spirit, the March stated meeting was well attended, additional personnel was enlisted for the degree work. There is need for additional personnel so don't forget to come in at the next stated meeting, we can use you too.

The York Rite Bodies conferred all of the degrees on a fine class of candidates beginning Mareh 19th thru March 22nd. Thos., R. Marshal Chapter was responsible for the Past Master Degree and assisted in the Most Excellent Master and Royal Arch. I regret that there was one flaw. The register shows very very few of Thos R members attending, and also they only had one candidate in the class. Maybe some of us are like the man who was always going to see his siek friend, when he got to see his sick friend the friend had died alone and among strangers. Don't let your Chapter be the Sick Friend.

Petitions are still wanted and the work will be conferred on the Prospective Candidates in the regular manner by our chapter or by the York Rite Association, at the choice of the Petitioner. See you at the next stated meeting.

MASONIC SERVICE AT VETERANS HOSPITAL

Thanks to the Chairman and Cochairmen, the members of the Visiting Committtees and the fine eooperation of the officers and members of he various lodges, our Masonic Service program is going along fine.

Brother Sam Sterns of South Gate is planning a show with some of his Brothern Magicians soon as they and Mr. McGiunis of the Hospital ean arrange a date.

To day I was informed by Mr. McGiunis that the "Masquers" of the Shrine put on their usual interesting performance Tuesday evening, March 20th. It was very enthusiastically received and thoroughly enjoyed by the patients.

Am hoping the Shrine Band & Patrol, the Chanters and the Scottish Rite Choir can arrange to put on a program out there for the benefit of the paticnts some time in the future.

Here I am starting off another get-together with you fellows. This is getting to be a regular thing and I feel right at home, sitting here, telling you just what's been going on, and what is coming up in the future. We have quite a list of things to talk about this time so , I guess I'd better get down to business.

First a comment or two on what has happened since our last visit. On March 18th we had our DeMolay Church Sunday. We were all very pleased with the fine turnout of boys for this occasion. I would like to thank every DeMolay that was there and also thank the officers that helped us out to make this service a success. On March 27th, which by the way was the final date for petitions, we had some very fine entertainment. The State Police showed a good film and gave an interesting talk which we all enjoyed. Thanks to the State Police for fine cooperation and their good program.

On April 4th we had a special called meeting, the purpose of which, was to vote on petitions for our last Initiatory Dergee on April 24th.

Coming up on May 8th is one of our biggest nights as far as Degree work goes. That is our Annual Spring Conclave at which we always put on the DeMolay Degree. In Fort Wayne, that night, to witness that degree will be fellows from all the surrounding Chapters. There is always a lot of fellows down here to watch this impressive Degree and I would like to ask all of you members, of the Fort Wayne Chapter, that possibly can, to come down that night and see the Degree.

Look Right Now!! On May 17th is our "Mother-Son Banquct." The time is 6:30 sharp and the people there will be, every member of the Fort Wayne Chapter, and with them will be our very honored guests for that evening, our Mothers' Every DeMolay, if he does nothing else, should come and bring his mother to this affair. We will have exceptional entertainment, which I know none of you will want to miss. Reservations must be in by Sunday May 13th. All reservations Not Cancelled Must Be Paid For. All right fellows, let's get on the ball, and invite your Mothers now.

This next item, I've got to talk about kind of set me to thinking. It's about the election of officers on May 22nd. Why, it seems to me as if I just started and here I am talking about the election of officers for next year already. Really tho, you've got to start thinking about this and plan to attend that night. Because fellows, the Chapter is only as good as you make it, and the only way you can make it good, is by electing the most responsible and dependable bos into office to run your chapter. So let's all turn out May 22nd for the election of your new officers.

The last item to talk about is something that happened a while ago but which was of great importance. It happened on the night of March 21st. That night, Dad Reithmiller, all the officers from the Fort Wayne Chapter, and the "Alter Cloth Prosession" traveled up to Garrett. We went up there to inaugurate a new Chapter. First we put on the Initiatory Degree for 48 Charter candidates of the Garrett Chapter. Next we put on the always beautiful Flower Ceremony, which by the way, was done very beautifully by P.M.C. and Chevalier, Jerry O'Brien. Next the officers were installed with Emery Tucker as installing officer. To the Garrett members and officers, the best of luck in all your work. I felt that this was one of the biggest pleasures that I could have during my term, to travel to Garrett and be able to take part in this wonderful program. I would like to thank the members of the Mother's Circle who helped us out so much, because we seure needed them. I don't know what we would do without them. Thanks again!

Well, we're finally through and we've talked about a lot of things. Thanks again to everyone for a fine Church Sunday and a fine night at Garrett.

From the East to all
Sincerely
Frank Schollett, M.C.

DEMOLAY MOTHERS CIRCLE

"Four Poster" a delightfully entertaining play revue was presented to the members of the DeMolay Mothers Circle by Evelyn and Reid Erickson at the March meeting. Mr. and Mrs. Erickson provided us with a very amusing evening. Our thanks to them.

We would like to reminisce a bit and go back to the February meeting. We congratulate the Mothers that braved the elements to attend our Guest meeting and we fell that special mention should be given Mrs. Paul Albright, Persident of Angola Circle and her members that drove to Fort Wayne through the snow storm. Just proves what DeMolay "Moms" will do for their sons. Mrs. Reithmiller and her committee had planned a wonderful evening and were sorry to have so many cancellations. However, we will try it again and hope for better weather.

"Sloppy Joe's" disappeared with amazing speed when they were served to about 125 boys following the DeMolay Degree in March. Mrs. Leo Hindman was chairman of the committee and was assisted by Mesdames Altevogt, Flowers, Foreman, Kable, Kissinger, Koegel, Macy, Major, McConnell, Strodel and Snyder.

Our April meeting will be held at the Waynedale Peoples Trust and Savings Bank on April 23rd. Mrs. D. L. Corbitt is chairman of the committee and will be assisted by Mesdames Arney, Barrow, Bireley, Blair, Brown, Cochran, Dennis, Denis, Doherty, Farrell, Hatfield, Krutz, Lehman, Livensparger, Masal, Mee, vNickles, Shappell, Spears, Spuller, Stiverson, Wehrmeister, Wueboenhorst, Mathais, Burkhalter, Enetrtainment following the business meeting will be announced by the committee.

Dear Sisters and Brothers:
This is my creed for every day,
To do my best as I go my way,
To meet what come with an upturned face,
To bring to my duty a touch of grace.
To do what I can to scatter cheer
And brighten the lives of our members here.
To speak in kindness, and now and then
Give service to others as best I can.

This is the thought I would like tog reet you with as we start a year in Fort Wayne Chapter. We hope you will plan on attending our meetings and meet your new officers. Knowing you will help us serve you better. I want to express my deep appreciation to all who had a part ni making our installation such a beautiful one and we thank all those who came to share it with us. Our sincere compliments to the retiring officers. Yours was a well planned and successful year and it leaves us such pleasant memories. I'll close with this though:

Coming together is beginning
Thinking together is unity
Keeping together is progress
Working togteher is success.

See you at Chapter:
Your Worthy Matron,

Once again we of Fort Wayne Chapter, 432, are embarking on a most promising year. On Saturday evening March 17, Sister Helen Howard and Brother Ralph Roller gave us their last messages as our Worthy Matron and Worthy Patron to close a very successful year. During the opening before the Installation services Sister Helen and Brother Ralph were escorted to the Alter to sign the Holy Bible, while Brother Claude Howard sang, "O Holy Bible Book Divine." Sister Ethel Williamson presented Sister Helen with her Past Matrons Jewel and Brother Arthur Bowers presented Brother Ralph with his Past Patrons Pin. As the retiring officers left the auditorium the choir, very fittingly serenaded them with "Sweet Sweet The Memories You Gave To Me."

Our new Worthy Matron, Sister Vera Hayden was escorted to the East by her husband Paul Hayden. As they was approaching the East she was met by her Sister Points and Co-Workers on Social Committee, who formed a triangle about her while the choir sang, "God Make Me Kind." She was there presented with a beautiful nosegay of flowers by her daughter, Barbara, who said a few fitting words, and along with her father escorted her to the East.

Brother Paul Hayden was escorted East as our new Worthy Patron by his daughter, Barbara, and as they approched he was met by a group of fellow Masons and Employees of Farnsworth. The choir sernaded him with a parody to "Ain't Got A Barrel of Money."

Sister Helen Howard was escorted to the Marshal Chair by her son Claude, and little grandson Dale. As they approached the station she was met by her several committee appointees' and her Mother Golda Archer, Chaplain. The choir sang, "Schuberts Sernade.

Sister Vera has chosen for her Watch Words for the coming year, "Faith, Prayer Tolerance, Love." MOTTO: "Let Us Love One Another." She announced her Committee Chairmen as follows: Social, Tessie Wise, Assistant; Lina Buckles, Co-Chairman; Marjorie Lovett, Jean McAllister, Nellie Feaser, Audrey Donaldson, Mary Haller. MASSACHUSETTS

Originally Masonic Lodges in Massachusetts were numbered, as they are in other jurisdictions. But, there were two Grand Lodges, one an off-shoot of England and the other of Scotland. When in 1804 these two grand bodies merged it was decided to suppress the number so that the question of seniority would not arise. —Masonic News Review.

Brethren:

Have you ever wondered where the "SOUTHGATER" comes from? The editor is Mike Muha. Besides being editor, he is reporter, pressman, address and mail clerk. Our attendance at South Gate affairs is definitely boosted by this timely news letter. Our congratulations and thanks to Mike for his time consuming efforts. The title of this paper was given by Brother Jerry Forst at a meeting to instigate its publication.

I am happy to announce the following brothers raised thus far this year: Herbert Alender, Dr. Emil Bergendahl, Eugene Cable, Robert Long, Donald Luenberger, Robert Meadows and Donald Scott.

We have one candidate this month. Our next Master Mason night will be April 30, and there are eight petitions for work next month.

Have you made plans to attend our Charter Night Banquet? If not, do so by mailing the card for reservation which will be sent to you by the Secretary. Our speaker will be Brother Edwin R. Thomas, a prominent Fort Wayne attorney. Many of you will remember Bro. Thomas for his outstanding work in Scottish Rite.

We in South Gate, are also proud to present 25 year awards to the following brethren: Robert W. Kohl, Elias A. Lare, Kenneth A. Timmons, Eugene A. Barrett, Williard A. Havel, Paul W. Seitz, Charles H. Lamson and Frank E. Noble. These awards will be made at the banquet.

The next Veterans Hospital Visitation will be made May 14, instead of May 7, thus enabling these brothers to attend the Charter Night banquet.

We are happy to welcome Bob Bumke and Loren Babcock back after being hospitalized, and wish a speedy recovery to Bro. Paul Anderson now at home.

Recently I had the privelege of visiting Poe Lodge and assisting in the Master Mason Degree. I would like to congratulate our Poe brothers on their fine work and thank them for the courtesies extended me. I wish to extend to W.M. Gottchalk and his lodge an invitation to visit South Gate.

The following is a thought for reflection:

We, as Masons, are taught many lessons, which when practiced become part of our lives and thereby mark us before God and man. In our ever day life whether toiling, transacting business or judging our acquaintances, we do so with Temperance.

What does it mean to say we are temperate? It may mean forgiveness, desire to judge with equal justice, or applying the golden rule. It could be defined as conscience or that innerself which seems to needle us when we over-step that boundry of right. It is that restraint in time of greatness or adversity. It is the yard-stick with which to measure our conscience and our mental stature in relation to the world around us. To attain this virtue would be the desire of us all. Temperance is one of mans greatest attributes and he that would make use of it wisely needs not fear the judgement of his Maker.

Be sure to notify us of change of address.

Hi Again:

Well, it's beginning to look more and more like Spring and I'm sure the fever will get you pretty soon.

Inspection by our Grand Guadian, Mrs. Jeanette Smith, on March 20 was certainly a great event. In the dining room decorations were carried out in a Circus theme. Different animals and cages were placed on the tables. And the programs had circus tents on them. Greetings were given by the honored Queen and the welcome by the Senior Princess, Betsy Masel. They were followed by a response by the Grand Guardian.

Mrs. Smith was escorted by six Job's Daughters dressed in clown costumes, to the East. She was presented with a Ringmaster's hat and whistle.

The officers did a grand job and you truly deserve a thank you. Thank you to my council and all the mothers who helped serve and cook the delicious dinner. Thanks also to Sue Travis and her committee. I don't think the Inspection could have been much nicer. Thanks too, to Mrs. Perrin, Mr. Masel and my parents, who have helped me so much.

Our next big doings is my Church Sunday, April 22nd. This is an invitation from my church to all daughters parents andf riends. The service begins at 10:30 A.M. at Salem E. & R. Church Lake Ave.

GOD BLESS YOU ALL.

MOTHERS CIRCLE

The mothers that didn't attend the March 19th meeting certainly missed seeing an interesting demonstration on the making of corsages, put on by the Cottage Flowers, after which the fininshed products were given to several lucky mothers.

Our next meeting, which will be a book revue, will be given by Mrs. T. Dugger. The hostess will be Mrs. J. Habecker, 1311 W. Branning. Cohostesses are Mrs. Robert Cook and Mrs. Mary Watson. All mothers of Job's Daughters are invited to attend.

Brethern: I wonder how much thought we have ever given to the Planning and Designing of our Grand Architect of the Universe? In His planning He has given us our four seasons of the year, namely; Spring, Summer, Fall and Winter. And with each season a variety of scenes are displayed to the discerning eye.

One of the scenes of Spring are the many people who are preparing the soil, for planting seeds and bulbs, with the hope that soon will appear the beautiful flowers and lawns. Great care has been given as to the selection of these seeds and bulbs also to the planting. But still the most important thing is for the Grand Architect of the Universe to give the life to that seed or bulb, to make it grow to something beautiful.

We too are like these seeds and bulbs but with more favor. We are given life and by the practice of those great lessons which are inculcated within our lodge we will grow in beauty, such as love and service; to God, our Country, and our Neighbors.

Degree Work: Having the moth of February dark we are back working again in March with the outlook good for April.

Fellowcraft Club: There is a lot of interest shown at the rehearsels. Here are your rehearsel dates, April 26, Hay 24, June 28. Be sure to call your Chairman, Brother Richard Ferckle Ph. H-79222, if you want to have an active part in the Club.

Masonic Home: Construction work on the Home's New Nursing Hospital progresses steadly.

It is said, that Masons have long since accepted the fact that "We Are Our Brothers Keeper." Let us never Be Found wanting in our support of that noble tenet.

The Masonic Home committee serving our Lodge are: Bro. Mark Sherwin as Chairman, Bro. Lavern E. Amstutz, and Bro. Harold C. Bohde.

Visitation: May 7, is our next Visitation Day at the Vet's Hospital. Lets make these visitations 100% Plus. According to Bro. Frank S. Hunt, head of the Masonic Service, would like to have at least 16 Brothers on the visitations at the Hospital. So let's get going, give Bro. Hunt, the 16 men needed. I know your Chairman, Bro. Vernon Parr and I will both be pleased. Here is your chance to earn some of your wages as speculative Masons.

Social: We hope everyone has made his reservation for the Spring Banquet. With the Scottish Rite Chior and Dr. Tennyson Guyer as speaker you can't afford to miss such an inspiring evening.

Correspondence: Received a letter from P.M. Bro. Ward E. Bailey, that says, "Give all the Boys at Lodge my best regards. I think I miss Three Rivers Lodge, more than anything I have had to give up in my life. Health is the redeeming factor of it all." He is feeling real good and with a letter or so from Indiana helps to make him feel still better. Glad to hear from you, Senior P.M.; Ward E. Bailey, 4037 E. 1st St., Tucson, Arizona.

Sickness: Bros. John Moler and Glen Lantzer are both out of the hospital and are convalescing at home. Let's keep up the good work boys. Brother Lynn L. Crawford is in the Parkview Hospital. But is expectin to be out and going soon. The Do says he thinks Bro. Crawford, wi soon be able to go fishing and be abl to fish longer. Hope you keep on th mend Bro. Crawford.

Death: Our deepest sympathy t the wife of our deceased Bro. Joh (Jack) R. Evans, who was calle to that All-perfect, Glorious, an Celestial Lodge Above, where th Supremen Architect of the Univers presides, on March 1, 1956.

Masonic Services was held at th McComb Funeral Home for Bro Evans on March 2, at 8:00 p.m. Bro Abner Wolverton P.M. of Summi City Lodge No. 170 F. & A.M. con ducted the service and was assisted b W.M. Lewis G. Davison, and Chap lain Bro. Oren E. Ford.

The Master Mason Degree was exemplified for Herbert Jamison on March 22. We were very ably assisted by several visiting brothers and we wish to thank each of you at this time. After degree work we retired to the dining room for a fine potluck lunch andg ood fellowship together.

We of Leo Lodge seem to be very fortunate in not having any sickness to report. Our Sick Visitation Committee consists of Brothers James Bireley, Wendell Black, Ralph Clifton, Lawrence Michael, and Richard Sauder. When you know of anyone sick, please notify one of these Brothers.

We of Leo Lodge and Chapter wish to congratulate Brother John and Sister Jeanette Bireley upon the arrival of Judy Linn. We know Mother and daughter are doing fine, but we do not have a report on Dad. Are you OK, John?

The Lodge wishes to thank the Leo Chapter 278, O.E.S. for the new American and Christian flags and the new blinds in the hall. These are things we men don't think of but are certainly appreciated.

The Chapter held public installation of their officers on March 28. Officers instaled were: Worthy Matron. Brethern: At the last stated meeting, March 8th the problem was discussed as to what to do about the plans for a new building. It was decided to notify all the members that at the April 12th meeting we would have estimates of the cost of a new building. Then it would be put up to the members whether to build or remodel our present building. So all try and be present at our April 12th meeting to voice your opinion.

On March 19th two Brothers were raised to the Sublime Degree of Master Mason. They were Brice Brown and Wilbur Bell. This meeting was well attended by forty four brothers. I was highly pleased with this good attendance.

With spring just around the corner it would be well to consider seriously that old time hymn "Brighten the corner where you are" and apply that theme to our every day living.

We regularly clean, paint and spruce up our house and yards. We go to great length flexing our muscles and vocal cords about the beauties of spring.

Lets apply just a little of that energy toward demonstrating true Masonic principals in your association today, tomorrow and next week, see how soon it can become a habit.

We have degree work scheduled for April and will expect to see you on hand to help welcome those new brothers. Our craft workers would welcome some new help too.

Bro S. D. Kenny Hand has a new home about ready to move into and Bro P.M. Glen Shank is staring construction on his new home. Bro. Keith McComb is contractor on both.

March 19th our Lodge hall was filled with Job's Daughters, their friends and parents for their inspection by Grand Guardian Mrs. Smith. A very impressive ceremony was conducted by Honored Queen Ann Knop and her officers.

We thank our Daughters for their thoughtful and appreciated contribution to the kitchen accessories.

The the stated meeting of March 11th, Truth Court held its election of Officers of the ensuing year. These officers and those appointed by the incoming Royal Matron were installed at Open Installation on April 7th. The elective officers are as follows: Royal Matron, H.L. Mary Beaman; Royal Patron, S.K. Willigam Wilkerson; Associate Matron, H.L. Louise Wilkerson; Associate Patron, S.K. Edward Abousamra; Treasurer, S.K. Vermon Reed; Secretary, H.L. Geraldine Boldt; Conductress, H.L. Evelyn Reed; Associate Conductress, H.L. Kathryn Abousamra. We wish them a most successful year.

By the time you read this our First Friends Night will be a thing of the past. We hope that you were with us and renewed our friendship, or if you are a new friend, that you will come back again. The nice thing about being so new that we have our First in so many things is that we set the precedent for the things that we want to have a meaning in our Court, and certainly Frinedship is most important to us all.

We have had a slight epidemic of colds among our membership. Some people say this is due to all the modeling of clothes at our rummage sale. We are unable to verify this, however, and will just hope all who are ill will have a swift recovery.

Among the coming events you will not want to miss will be our Mother's Day entertainment on May 9th when the Sir Knights of our Court will be in charge, and our Memorial Service on May 23rd. We will be expecting you.

Our Royal Matron and all her new incoming officers are grateful for the honor you have bestowed upon them and pledge you their best for the coming year. We know they will have the cooperation of all the members and friends of this Court.

The month of April will afford all of our members and their families an opportunity to again assemble for fellowship and entertainment. I speak of our "FAMILY NIGHT" program to be held on Saturday, April 14, 1956. Dinner will be at 6:30 p.m. with a pleasant evening to follow.

Also, the fifth Monday evening, April 14, 1956, is set aside for our Fellowcraft Club. All members of the club and those who might wish to join this fine group, are invited to attend. I am sure they are planning a very good time for all.

The month of March was a busy one for the Craft. On Monday, March 26, we were privileged to present two awards of Gold to Edward Ashton and John Thiesen. Again congratulations to those two fine Masons. Also, on the same date, six new Master Masons were added to the fraternity: Brothers Elliatt L. Cole, Harold W. Houser, Morris O. Erickson and Richard C. Trautman; also, Ralph W. Ernst by Fellowcraft demit from Bluffton Lodge and Albert S. Powell as a courtesy to Gibson City Lodge of Gibson City, Illinois. We are very happy to welcome all of these brothers into our fraternity and I wish to thank the many members and friends who assisted us in our work during the month of March. Keep up the good work.

"Masonry has one great purpose—To take the material that comes to it and make better men out of that material. Everything else is secondary." With all of your help, we are striving to accomplish this purpose. Thank you all again.

Illness reported during March: Brothers Raymond Lopshire, Fred Gerhard, Pearl Elberson, Charles Locke, and Gerald Umbarger. To these members and any others who were not reported, we wish for you a speedy and complete recovery.

It was our misfortune to lose to that Great Home Above, our brother Stewart Herring, Sr. To his family may we offer our heartfelt sympathy.

Brothers, please don't forget our Veterans Hospital Visitation Committee. Contact Donald Aley, Chairman, or your Master. They do a wonderful job.

May I also offer a suggestion to any of you who wish to keep abreast of Masonry in Indiana and improve your Masonic education at the same time. A subscription to the monthly publication of our Grand Lodge of Indiana called "The Indiana Freemason" will furnish you with that information. Contact your Master or Secretary for address. It only costs $1.50 a year.

I wish to announce the resignation of our Chaplain Richard L. VanCamp. "Dick" we are sorry that this step was necessary, but wish for you the very best of luck in your present and future endeavors." Dick will continue to serve on our Auditing Committee as he has for several years.

Jerry White, who was President of our Fellowcraft Club has accepted the new appointment as Chaplain and will be installed on April 2, 1956. Congratulations to "Jerry." I am sure you will make your lodge a fine officer.

REMEMBER MAY 19, "SPRING DANCE"—Keep it in mind and bring your wife or "Best Girl" and enjoy an evening of dancing to the fine music of Bob Kreckman and his orchestra. Prince $1.00 per couple. There will be light refreshments. Contact any Officer or the Fellowcraft Club for tickets.

Attendance in Lodge has been fine. Keep it up and your Lodge and You will be the better for it. See you there—and remember, "Truth can not be seen in the abstract; it is revealed in your action."

On Saturday March the 24th we opened Lodge at 10:00 a. m. to confer the first section of the Master Mason Degree on 7 candidates in two groups and at 12:00 Noon Lodge was called from labor to refreshments until 1:00 P.M. when we started the second section and completed the work for the seven candidates then Lodge was again called from labor to refreshments and a very delicious dinner was served by ladies of the Eastern Star to about 85 brothers, including about 30 brothers form Amity Lodge, Huntington, here to repay a visit and help us with our big days work. At 7:30 P.M. Lodge was again called from refreshments to labor and the complete Master Degree was conferred on one candidate by our brothers from Huntington, this making eight brothers raised to Master Mason on this date.

We were certainly happy to have the Brothers from Huntington help us with this big day of degree work and we congratulate them on a job well done. While it was a long day of work it certainly is gratifying to have the Brothers work so hard and faithfully for the Lodge, as we had a different Master for each candidate and I want to thank them very sincerely.

The Entered Apprentice Degree was conferred on three candidates March 20th and one new petition read, also understand we will have two more petitions to read at next Stated Meeting April 10 so you can see we are still going to have a heavy schedule of degree work. So please, brothers, come out and help us if at all possible and we feel sure that you will get an inspiration from any participation in the work.

Watch the local paper for notices of Degree work coming up and also Stated Meeting.

During June we will have a 50 Year Celebration along with some 25 year awards. Watch papers for notice of this activity. Plan now to attend.

Please report any illness among the brothers to Richard Linn, Senior Warden.

See You in the next meeting.

Brethren:

It is with a great deal of pride that I look about my church on Sunday mornings and notice the many brethren in attendance. Some are assisting in different capacities while others come just to listen quietly to the sermon. Yet, we are all there for the same purpose, a desire to live a richer, fuller life. Inner peace, contentment and richness of life can only be captured through moral and Christian living. Being prejudiced greatly in Masonry, I can't help but feel that Masonry also assists in this, not only in teaching us a better way of life, but in bringing us to further light in the understanding of God's way of life. The church and the Masonic Lodge both have their doors open wide to welcome you and help you see more clearly the path that leads to eternal joy, but neither the church nor the Masonic Lodge can add one whit to your moral or Christian stature without your willingness to grow. This can be done only through your regular attendance and constant application of the precepts that are taught by the church and by the Lodge.

This month (April) we have five petitions to vote on, four for degrees and one for affiliation, and an additional candidate who has received only the Entered Apprentice Degree; so you see we have a busy month ahead of us. Will you assist us by you presence?.

The annual meeting and election of officers of Emmanuel Chapter of Rose Croix will be held Tuesday evening, May 1st at the Scottish Rite Cathedral.

We want to take this opportunity to thank all of the officers, guards and other workers that have helped in the last two convocations in conferring these ecclesiastical degrees. It was a wonderful show of co-operation.

The close of the Easter season and the approach of spring and the resurrection of earth always gives added empahsis to the Chapter degrees, and this feeling has been guiding the officers and guards during the rehearsals.

The Chapter anxiously awaits the publication of the new rituals in the 17th and 18th degrees which have now been promised for this spring in time for the exemplification in the fall classes.

A good number of Brothers from the Fort Wayne Lodges were in attendance who helped with the work, which was put on in due and ancient form. We of Monroeville Lodge welcome them back any time.

So far this year we have been busy with degree work and we still have more work ahead of us. I will try to send cards to let you know when we have degree work.

Brother Marvin Hively is still in the Veterans Hospital in Fort Wayne. To all the Brothers who are sick I wish a speedy recovery.

See you in Lodge.

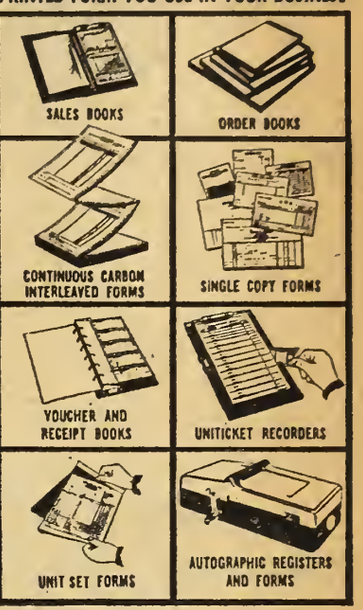
JOHN MARSHALL



John Marshall was a member of Richmond Lodge No. 10, Richmond, Va., apponited Deputy Grand Master in 1786, was Grand Master of Virginia for a period of two terms. He took a most active part in Masonic work, and was such a shining light that he was the repeated target for the enemies of Freemasonry who formed the Anti-Masonic party in 1826. John Marshall died July 8, 1835, and was interred with Masonic honors in Richmond, by Richmond Randolph Lodge No. 19.

It is always most pleasing to the officers and all who took part to reflect upon a successful convocation. With pride we can look upon our Spring Convocation, just completed, as most outstanding. With the class of two hundred forty five we now have reached a membership of over ten thousand.

Your Commander-in-Chief takes this opportunity of again thanking each and everyone taking part in the convocation. The splendid co-operation and the ever willingness of the brethren to aid in any way when called upon is most deeply appreciated.

The Fort Wayne Valley feels singally honored in being invited by the Wisconsin Valley at Milwaukee to exemplify one of our Consistory degrees at their Spring Convocation. We were very happy to accept their invitation and accordingly we will exemplify our 20th degree in the Milwaukee cathedral Friday, April 27th at 8:00 P.M.

JERUSALEM AND ITS TEMPLE

By W. Bro. Dr. W. Wynn Wescott, M. B.

David became King of Israel, so far as can be ascertained, in the year 1055 B.C., and reigned forty years. David, prompted by Nathan the Prophet, who was inspired by the Lord God, designed and prepared to build a "house for Me to dwell in".

Solomon became King in 1015 B. C., and reigned until 975 B.C.

Assisted by Hiram, King of the City to Tyre, Solomon built and handsomely decorated the First Temple of Jerusalem, and this was completed and solemnly consecrated in 1005 B.C.: but it maintained its grandeur for about 33 years.

It was pillaged by Shishak, King of Egypt of the 22nd Dynasty, in about the year 971. Joash the King, about 856, made repairs to the Temple. In 740 the Temple was profaned by Ahaz.

In 726 it was restored by Hezekiah. About 588 Solomon's Temple was completely destroyed by Nebuchadnezzar, King of Babylon. In 536 B.C., after the Jewish Captivity, Cyrus, King of Persia, permitted the Jews to return to Jerusalem to rebuild their Temple to Jehovah.

During the years 535 to 515 B.C., the Second Temple was built under the guidance of Zerubabel, Ezra and Nehemiah. Between 170 and 168 Jerusalem was taken and the Temple plundered by Antiochus, King of Syria.

The Temple was again further plundered and destroyed by the Roman General Crassus.

In the year 40 B.C., Herod became King at Jerusalem, under Roman authority, and about the year 18 B.C., he built the Third Temple upon the same site, according to the Book of Antiquities of Josephus, the Jewish historian.

This Temple of Herod was the building of which we read in the New Testament concerning the visits of Jesus.

The Roman Emperor, Titus, son of Vespasian, captured Jerusalem and detroyed the Temple of Herod in the year 70 A.D., before he came to the Throne in the year 79. About 130, the Roman Emperor Hadrian made a partial restoration of Jerusalem and built there a Temple to Jupiter.

The Mohammendan Saracens, about 636 A.D., took possession of Jerusalem, and the Caliph Omar built there a splendid Mosque, which has remained perfect to this day.

MASONIC SERVICE AT VETERANS HOSPITAL

The Veterans Administration designated April 16 to give recognition to the Volunteer Orgnaizations and their members at the Veterans Hospitals throughtout the country. Am glad to say that Masonic Service was one of the many organizations to be so honored.

The chairman of the Visitation Committees of the various Blue Lodges were present to receive the award certificate for their respective Lodges and will present it to their Lodge at a later date.

Am happy to be able to say the Shrine Chanters put on a fine entertainment in the Hospital Auditorium last month that was much enjoyed by the patients.

Was very pleased to hear the other day that one of the Doctors at the Hospital said that the Masonic Visitation every Monday night was one of the very important Volunteer Services.

We haven't reached our goal of 16 yet on a visiting committee but have come very close with 13 and 14 several times. Sooner or later I think we can make it. Here's hoping.

KNIGHTSTOWN COMMANDERY NO. 9 TAKES HONORS

Besides having its Right Eminent Sir Willard M. Avery elected to the office of Grand Commander of Indiana. Knightstown Commandery drill teams won first place in both group B and group C competive drills held in the Armory at Fort Wayne on Marsh 12th. This is a record that has never been beaten in the history of the Grand Commandery of Knights Temple of Indiana.

The 102nd annual conclave of the Grand Commandery was presided over by Right Eminent Sir Samuel S. Geake of Fort Wayne. He also presided most graciously over the two dinners held Friday and Saturday evenings in the Scottish Rite Cathedral and the Masonic Temple.

This conclave was undoubtedly one of the most successful such affairs ever held in the State of Indiana. Its success is greatly due to Eminent Sir John D. Lombard the General Chairman of the committee on arrangements and his numerous hard working committees. As far as we know everything moved along in fine order and we think that all of our guests enjoyed their visit and the hospitality of Fort Wayne.

Fort Wayne Drill Corps under the command of Eminent Sir Harry Haller took second place in the Class B competitive drills.

Right Eminent Sir Paul G. Smiley of Washington was elected Grand Recorder. All of the line officers of the Grand Commandery were advanced and Eminent Sir James Fry of Vincennes was elected Grand Captain of the Guard. Rev. Herman Carson of Muncie was elected Grand Prelate. The 1957 Conclave will be held in Bloomington, Indiana.

Companions:

There will be only the two more stated meetings this Lodge year, namely May 16th and June 20th.

This information is given you because there is no issue of the Square and Compass during the summer months and in September, when meetings are resumed, the Annual Election to be held on September 19th will be over before the paper may get into your hands. So remember these dates and plan accordingly.

We are not conferring any work at our stated meetings—just having the necessary business—so the meetings are not long.

All degree work will be conferred at the next Convocation which will probably be in the fall. Contact the Companions now for prospects next fall.

STEVEN L. MILLER OF CONNERSVILLE NEW GRAND MASTER

Most Worshipful Grand Master Joseph A. Batchelor of Bloomington presided over the sessions of the Grand Lodge held at Indianapolis May 15th and 16th. The per capita dues to ehe Grand Lodge were raised from two dollars to three dollars a member per annum.

Most Worshipful Brother Steven L. Miller of Connersville was elected Grand Master for the coming year, and Worshipful Brother Harold S. Jackson of Gary was appointed to the office of Junior Grand Deacon.

George C. Harper of Frankton was elected Prior and Aaron Wills of newburgh was started at the bottom of the line officers.

At this writing our 1956 Charter Banquet will be history and eight more South Gate members will have received their 25 year pins. I am sure they will be justly proud to wear them as the lodge was to make the presentation.

We have one brother who will be eligible to receive his fifty-year award later this year and tentative plans are being made for the presentation.

Grand Lodge meeting this year was May 15 and 16. Your Senior Warden Clarence Carlson and I attended and a report of the proceedings will be given at our next stated meeting, June 11.

The following are the latest figures on voluntary contribution to the Masonic Home Hospital Fund: South Gate Lodge, 335 members contributions $1,648.50. You brethren are to be congratulated on your outstanding achievement.

In this issue there is a picture of the South Gate brethren taken at the Veterans Hospital on a visitation evening. The veterans are allowed visitors between 7 and 8 p.m. only and they do appreciate the time the committee spends with them.

We will have five candidates in June and also had five this month. As you can see, we have busy months ahead, so if you can assist with the work your efforts will be appreciated.

The officers and members join in extending our sympathy to brother, Louis Rhodes in the death of Mrs. Rhodes.

In behalf of South Gate Lodge, I wish to express our sincere sympathy to Mrs. Kenneth Goller and family. In the passing of Kenneth Goller, Past Master of Wayne Lodge, Masonry has lost an apt scholar. His friendly smile and sound reasoning will be missed by all who kenw him.

Brethren, as I write this thought for reflection, I am reminded of an old hymn entitled, "The Love of God Is Broader Than The Measure of Man's Mind." The words in the title seem, in a manner, to be connected with the very teachings of Masonry; for by it the thought of universal love gives rise to universal brotherhood. The theme of many Masonic lessons is contained within the phrase of universal brotherhood. Its meaning encompasses everything we do; our work, our deeds and actions toward one another, and our understanding of others.

The lesson goes further; even to our religious beliefs. And here we are taught that this "Love" is broader than one branch of any church. It is universal love, whether it be Christain, Mohammedan, or Confucian. The belief of One Supreme Being is the undeniable faith which unites us all.

In our Masonic teachings we find this parallel, for by it we are all brothers; whether we are as near to each other as a haidclasp or as far apart as our thoughts may carry us. It is this oneness that makes us meet on the level regardless of who we are or whereever we may be.

Annual meeting of the Scottish Rite Bodies was held on May 1st. 1956. Reports were read and our Scottish Rite still remains in good condition. Attendance was much better than previous meetings but there were still some empty seats.

Officers of Darius Council were re-elected for one year. Namely: Albert R. Spencer, Soveregn Prince; George F. Hacker, High Priest; Zeus Campbell, Senior Warden; W. Carl Huber, Junior Warden. Appointive officers remain the same.

I want to compliment Brother Dale Redding for the excellent lunch which he served after the annual meeting. It really hit the spot.

Dear Brother:

Several months ago, in our article in this publication we touched on the new hospital addition to The Indiana Masonic Home and the responsibility of each Master Mason in the state to it. Our Grand Master Joseph A. Batchelor reports that the building is progressing nicely and according to plans.

However, in checking the latest addition of "The Indiana Freemasons" we find many of the lodges in the state who have not supported the project as well as they should. Our lodge is one that has not upheld the $3.00 per member contribution. This, of course, is due to our brethern not making their contributions to our Sec'y-Treas. Brother George Gable. Brother, if you haven't given to this worthy endeavor let me recommend to you to do it at once. Send your check to George Gable, 442 West Wildwood, Fort Wayne, Indiana.

Our meetings for the past month have been very well attended and we thank the brethern who are coming up regularly. We believe a large crowd will foster better work on the part of the officers in the degree work.

Our fellowcraft club is doing nice work and usually practice on fellowcraft night so come up and swell the crowd and help in this very important part of the ritual. By doing this you will be helping the lodge and yourself also.

At this time we want to announce the date of our annual golf outing. This will be held Thursday, June 14, 1956 at the Elks Country Club. Green fees will be $2.50 per person and there will be a dinner in the club house at 7:00 P.M. Remember brtoher arrangements are made for our ladies to eat with us at that time and of course for the same price of $2.50 each.

The following brothers have been on the sick list: Alvin Brown, 2435 Gay; Glen Lehman, 1117 Lexington; Chalmer Hammrick, 3705 Hanna; Oliver W. Meyers, 303 W. Berry White Apts. and E. K. Miller, 407 W. Oakdale. We wish for these brothers a very speedy recovery and that we will soon see them back in lodge.

Generally sptaking your lodge is in good condition with much work being done each month so come to lodge when you can and prove that you are a good Mason.

The way some of you have so generously offered to assist in the ritualistic work of the lodge has made me very happy and has also set me to wondering if perhaps more of you brethren would like to participate. There may have been times when you would have liked to take part, but for one reason or another you have held back. There are many parts in our ritual that you can choose from and in order to help you we are forming a Fellowcraft Club to help train you. There is something about participating in the degree work that brings the Lodge a little closer to you. You will greatly assist us if you will express your desire to help to either Bro. Ed LaFon or myself. There are large parts, small parts and even non-speaking parts, so I am sure we can find one for you. You officers and brethren of our Lodge can be justly proud of the progress we have made, however, we still have a way to travel over before our work is complete, but I am sure that the success of our Fellow craft Club will be the answer to this. Will you join us?

I would like to express our happiness in having so many brethren from other lodges as guests and to thank them for their assistance. Our door is always open to welcome Bro. Master Masons.

ANCIENT CRAFT MASONRY

In the old Masonic Rites both Wardens sat in the West near the two columns as guardians of the entrance to the lodge. In the Blue Lodge, their positions are changed, but each Warden has before him a replica of the column beneath the shade which he once sat. The column of Senior Warden is that of the Ju Warden on its side while the lodg at labor.

During refreshment, the Se Warden's column is prostrate w the Junior's is raised, so that Craft may know ot a glance, at times that the lodge is in sess whether the same is at labor or freshments.—Masonic Light.

I hope you enjoyed our Smorgasboard and Square Dance last Saturday night. I was extremely happy to see such a fine crowd. Thanks to Leslie Emmerson and to Joe Roechling for some fine entertainment. Also to Faye Brennan and her staff for another fine meal.

During this same period fifteen of our members have been called by their supreme grand master of the universe. They are: William H. Droege, William H. Schafer, Edward C. Brabandt, Myron C. May 15th your master attended Grand Lodge along with your Senior Warden Brother William Darling and your Junior Warden Brother Irvin Almond. During these two days we visited the Masonic Home at Franklin, Indiana. As you probably know Summit City has three guests at the Home and we had a pleasant visit with them.

Remember Brethren we are looking forward to seeing you in the lodge room in the near future.

To the members and families of Sol D. Bayless, "Thank You all so very much for your splendid attendance at our Family Night Party. Your entertainment committee and officers enjoy planning special events, especially when they are so well received. Thanks to Mr. Don Manter and his group, 'The Juvenile Troopers' for the fine entertainment. Also, my sincere appreciation to all who assisted in making it a fine evening."

Remember the next special event is a SPRING DANCE—Saturday, May 19, 1956, with "The Little Symphony" providing the music from 8:30 to 11:30 p.m. Dress—Semi-Formal. Refreshments will be served during the evening. You may get tickets from your officers and members of the Fellowcraft Club for the mere price of $1.00 per couple. See you at the dance.

Brothers, it appears that the month of May will be a busy one for us in odge. We are looking for five or six candidates for the degrees. Come down and assist us in conferring these degrees. We are planning a supper in the Temple kitchen on May 28, so be sure you join us. Our Lodge attendance has ben good at our regular mettings, but many of you are not availing yourselves of the privileges your Lodge has to offer. Come see us. It will do both of us a lot of good. Make it a point to attend at least one more meeting before the summer vacation time arrives. Don't forget—Stated Meetings during May, June, July and August start at 8:00 p.m.

The month of May also brings the Grand Lodge meeting for the State of Indiana to be held on the 15th and 16th. Your Master and Wardens are all planning to attend. Your Master has also been asked to serve on a Grand Lodge Committee and will attend meetings in Indianapolis on May 4, and May 14. Reports from all will be mase at the June stated meeting.

Sol D. Bayless Lodge is vesy fortunate this year for we have eight members who have, or will, become eligible for the Grand Lodge Award of Gold for haviing been in masonry for fifty years. Two have been named, and two will be named later in the year, but for now, congratulations to the following: Byron H. Somers—April 23; Jesse B. Maurer and John J. Butler on May 14; and Erwin A. Hoffman—May 29. Forman presentations will be arranged for all at a later date. Everyone will be notified.

Since Monday, April 30, was a fifth Monday, and also Sol D's night to visit the Veterans Administration Hospital, several of your officers were privileged to join your Hospital Visitation Committee at the hospital. This committee is doing a wonderful job. God Bless them for their valuable service. Donald Aley, their chairman, invites more members to join this committee. Please do, for you will reap a rich harvest yourselves, besides doing a good service for your Lodge and the veterans at the hospital.

Called to the Grand Lodge above were: Brothers Russell R. Sheak, John E. Berry and Robert D. Quinn.

To those bereaved may we offer our heartfelt sympathy and to those ill, we wish a speedy and complete recovery.

See you in Lodge — Remember, Masonry is Friendship. No experienced sailor is without an anchor to hold his ship securely, likewise No mason is without principles to hold friendships together. Friendships can be made in your Lodge.

Hi Fellows—

I don't know about you but around our house spring fever has sure taken hold.

To take up a little space, I'd like to comment on a few things that have happened since we last got together. On April 24th we had our last Initiatory Degree and I'd like to say it was really wonderful. We initiated twenty-eight young men. There was a fine group of Master Masons present to witness this outstanding work, and to top it all off we had a fine crowd of Demolay members present and I know this was appreciated by all the officers. I would like to thank the Mothers Circle for the "Surprise Refreshments" we surely enjoyed the home made cakes and milk.

On May 8th we had our Spring Conclave. The DeMolay Degree and Flower Ceremony was conferred on approximately 160 boys from our Chapters and Portland, Peru, Angola and Garrett. I would like to thank everyone who helped make this occasion the success it was.

And now it is over! Of course you know what I am talking about, the Mother-Son Banquet, what else? We like to feel that this is a special night for us to honor our Mothers and that is just what is turned out to be. You DeMolay's that missed this occasion, really missed something fine and the DeMolays that were there will surely agree that it was a wonderful evening with your Mothers. There was a large crowd and the tables were beautiful favors and all. We had a fine dinner and exceptional entertainment.

That is about all I have to talk about of the past so let's take a look into the future, the future—what future—there is only one more meeting before it is all over, but you do not want to miss this meeting, whatever you do. The date is June 7th and the occasion is the Installation of your new officers. Also that night we will have the Chevalier Degree which I feel is very beautiful and impressive, so let's turn out real big to see your new officers take over and see this beautiful Degree.

We didn't have much ground to cover this time but as usual it is all important. Thanks again to everyone for a fine Spring Conclave and a really fine Mother-Son Banquet.

From the East to You
Sincerely Frank Schollett, MC
Just a word from "Dad" R.

At the Spring Conclave the following members received the Blue Honor Key award. This is given to a member who has brought in ten new members, Larry Miller, Terry Miller, Neil Diver, and Larry Blair received this award. James Fuzy and Robert Passwater received the Honor Key with a Star which means they brought in twenty new members.

The Chevalier Degree will be conferred on the following young men Bruce R. Snyder, John M. Hartigan, Terry O. Miller and Frank A. Schollett on Thursday, June 7th at 7:30 P.M. in the Scottish Rite Cathedral. The degree will be conferred by the Scottish Rite officers assisted by the Scottish Rite Choir.

Immediately following the Chevalier degree the newly elected and appointed officers will be installed. This entire ceremony will be open to the public and we are hoping for a large attendance. Invite your friends.

DEMOLAY MOTHERS CIRCLE

The Variety Show presented by the Elmhurst High School Students was greatly enjoyed by the Mothers at our April meeting. Our thanks for the delightful entertainment arranged by Larry Blair, Mrs. Corbitt and her committee.

We know that everyone will be happy to know that "Dad" is home again and recuperating nicely from his operation. The shower of cards and planter sent were very much appreciated by "Dad".

Once again "Mom's" cakes and lots of milk were the crowning point of the evening when the boys were served by members of the April committee. Forty-five cakes quickly vanished as the boys trouped into the dining room following initiation.

Our next meeting will be held in the pavilion at Memorial Park, May 28th. Mrs. Paul McDowell will be chairman of the committee and will be assisted by Mrs. Harry Armstrong, Mrs. Wallace Beer, Mrs. Eldon Bell, Mrs. Everett Bloom, Mrs. Paul Boettcher, Mrs. Ralph Bromelmeier, Mrs. H. E. Burch, Mrs. Robert Clymer, Mrs. Richard Dean, Mrs. Lyle Dourgerty, Mrs. H. E. Dunstone, Mrs. J. M. Ebersole, Mrs. Alice Fleck, Mrs. Paul Gresley, Mrs. Dale Haneline, Mrs. George Jacobs, Mrs. M. M. It is my joy in life to find
At the turning of the road,
The strong arm of a comrade kind,
To help me onward with my load;
But since I have no gold to give,
And love alone must make amends,
My own prayer is while I live,
God, make me worthy of my friends.

The first month with our new corps of officers is in the past and they are performing their duties in a most efficient manner. The committees for the ensuing year have had their first meeting and many plans were made at this time.

The Ways and Means met at the home of Ruth Beauchamp. Since this committee has the money making projects for the chapter it is fitting that we tell of their plans for the immediate future, first as they need the cooperation of the entire membership to make them a success. The past year the cooperation of the members was wonderful and hope that each and everyone will continue to do so this year. It is an inspiration to the chairman and co-chairman and the officers when the membership help to successfully put over projects planned by them. The first project planned by the Ways and Means for the ensuing year is the Rummage Sale on May 31st. This sale will be held at 2028 South Hanna St. As usual somebody will be at this address the afternoon and evening the day before to receive the rummage. In case anyone cannot keep their rummage until then call Evangeline Baker, H-65044, Ruth Beauchamp, H-90073, or Edith Ball, A-70074 they will pick up your rummage and store it until the time for the sale. When you clean house remember to save your rummage for the chapter or call one of the above women to pick it up.

Next on the schedule is their Bake Sale on June 8th at Wolf & Dessauer. This too will take a great deal of help from the committee and members. Donations of baked goods such as cookies, cakes, pies, upside down cakes, cup cakes, etc., at the day of the sale will be greatly appreciated. Here again if anyone can bake something for this sale but will be unable to get it to W & D's on the day of the sale call either Evangeline Baker or Ruth Beauchamp and they will pick it up. It takes a lot of baked goods to sponsor a Bake Sale successfully so let's each and every member bake something for this sale. This date falls on a Friday which means the store will be open until 9 in the evening.

The committee also have all kinds of cards for sale. Get them from members of the committee, your Worthy Matron or in the hall before the meetings of the Chapter. They are pretty cards for all occasions and cost just 10c each. See them and then buy them.

The Social Committee met at the home of Esther Thunberg with Geneva Ash assisting. At this meeting tentative plans for refreshments were made for after the Chapter meetings for the next couple months.

On May 4th refreshments were served after the meeting. The May 18th meeting too will be another busy evening for the Social Committee since this is the evening that the Chapter celebrates its birthday party. The June 1st meeting will be the evening the Chapter is planning to have our District Deputy, Sister Opal Clemens of Floral Chapter, Huntington with us. Refreshments will be served after these meetings. Remember all these dates and come to Chapter and enjoy the meetings and the social hour over coffee after the meetings. Also on June 1st the new corps of officers will do their initiatory work for the first time. Come out and support them.

The Cheer Committee with Dawn Gaskill as chairman and Ida Mae Scott as co-chairman have been very busy. Be sure to let the Cheer Committee know of any illness of the Chapter members.

To Ruth Langkamp and the Program committee a word of thanks for the lovely Mother's Day Program presented on May 4th. Sister Nellie Larmore was honored as the oldest mother of our Chapter and represented the Mothers of Trinity Chapter in the program. Also a special thanks to the Decorating Committee for the pretty decorations of violets, sea shells and candles on the tables on the mezzanine where the refreshments were served.

Myrtle Glass is chairman for the program for our Birthday Party on May 18th. Myrtle is very capable and am sure she will have a very enjoyalbe evening planned for the members.

TEA PARTY WHARF

Fire ravaged historic Old India wharf, Boston harbor, in March, 1955; tumbling 30 feet of the structure into the water and destroying adjacent warehouses. The wharf has Masonic significance as the site of the Boston Tea Party, made up of Masons adjourning from their lodge meeting to meet the Troy tax challenge. The colonists of the lodge, painted as Indianas, raided British ships and dumped their cargoes into the harbor in rebellion against taxation without representation. In those flames and that smoke, a little chunk of Americana and Masonry went up into the night air.—Exch.

Brothers are you an Early Bird??—To what am I referring, well I'll just tell oyu, I hereby invite you to attend our Annual Early Bird Breakfast, to be held on May 30, 1956. Lodge will open on the Master Mason Degree at 4:00 A.M. The work will be conferred upon one candidate with the Fellow Craft Team in full form. This to be followed by the breakfast of Ham and Eggs about 7:00 A.M., after which you are free for golf, fishing, or racing or what ever may be your pleasure. This, an annual event of your lodge has always been well attended: Lets all get down early and enjoy the day with a good start, besides the early morning air is really fresh. Try to be there for we will be looking for you.

You were informed in the last issue, of the resignation of Bro. Raymond Girardot, Senior Warden and Bro. Rolla Durbin, Trustee; Later you received notices of the election to fill these vacancies at the Stated Meeting in April. Brothers, the result of that election is as follows: Brother Elmer Barcus was elected as Senior Warden thereby vacating the office of Junior Warden. An election to fill that vacancy resulted in Bro. Arnold Landis being advanced to Junior Warden. This left vacent the office of Senior Deacon which resulted in the appointive advancement of all other officers and the appointment of Bro. Irvin Burelison as new Chaplain. Past Master Ralph Roller was elected Trustee to fill the unexpired term of Past Master Durbin. Following the election and appointment, installation of the new officers was made with your Master, Thos. E. Wallheiser acting as installing officer assisted by Bro. Past Master James Farrar as Marshal and Bro. Past Master Ralph J. Roller as Chaplain. Your Officers now are as follows: Worshipful Master, Thos. E. Wallheiser; Senior Warden, Elmer Barcus; Junior Wardne, Arnold Landis; Secretary, Willard Troyer; Treasurer, Herman Rausch; Senior Deacon, Donald Stoneman; Junior Deacon, David Mills; Chaplain, Irvin Burelison; Senior Steward, Francis Ray; Junior Steward, Laurance Miller.

I wish again to urge the Brothers who are not active in our Fellow Craft Club and are interested to attend the practice sessions of this group. They are doing a fine job on the second section of the Master Mason Degree and being of very valuable service to the Lodge and Masonry.

To our sick Brethern I wish a speedy recovery, and should any one know of a Brother who is ill please inform one of your officers so that it may be announced in Lodge and the sick brother called upon.

May is Grand Lodge month and by the time you read this Your Master, and I assume the Senior and Junior Wardens will have attended and returned with the report.

"Masonry regards no man for his worldly wealth or honors. The internal and not the external qualifications of a man should render him worthy to be made a Mason."

In what degree does the above passage appear????

ATTEND LODGE AND BRING A BROTHER WITH YOU.

Once again we are beginning a new year of activities in the life of Shiloh Chapter, No. 141. On Saturday evening March 24th at 7:30 Sister Laverne Schaeffer gave us her last message as our efficient Worthy Matron and Worty Patron Grant Michelfelder, closed their outstanding year.

We had as our honored guests for the evening, Sister Letty Dickey, Worthy Grand Ruth of the General Grand Chapter, Past Worthy Grand Matron of Indiana Grand Chapter and Past Worthy Matron of Shiloh Chapter and Helen Warner of Huntertown, District Deputy No. 14.

The Auditorium was beautifully decorated. A large Star in the Colors of the Order holding an open Bible adorned the wall in the East. In front of the platform were palms and a lighted gold candle placed in a large basket of Easter flowers. Behind each Points' chair were tall vases of Easter flowers.

Sister Letty Dickey served as the installing officer assisted by Edna Elzay, Grand Marshal, Evelyn Gardt as Grand Chaplain and Lucille Mumaugh, as Installing Organist.

Other Officers installed: Emmitt Bliss, Worthy Patron; Mrs. Mabel Spencer, Associate Matron; Floid Brake, Associate Patron; Mrs. Shirley Wiley, Conductress; Miss Dorothy Adler, Associate Conductress; Mrs. Bion Obetz, Secretary; and Mrs. Frieda Brooks Treasurer.

Appointive officers to be installed include: Illo Faye Coleman, Ada; Norma Waters, Ruth; Janet Boltz, Esther; Katherine Bixler, Martha; Irene White, Electa; Laverne Shaffer, Marshal; Rose McGraw, Chaplain; Margaret Riggle, Organist; Elizabeth Bliss, Warder; and Rosalia Glocke, Sentinel.

Sister Laverne was presented her past matrons Jewel by her own Worthy Matron Fae Ice. Brother Paul Elzay then presented Brother Grant with his Past Patrons Jewel of which the stone belonged to Brother Grants Mother.

Sister Justine was escorted to the East by her husband Clarence where they were met by her sister points who were dressed as gleaners wearing colorful costumes and carrying wheat. Each point read a clever poem which spelled out the name Justine. At this time Betty Garmire, soloist sang "Whither Thou Goest I Will Go".

Brother Emmitt was then escorted to the East by his wife Elizabeth where they were met by a group of City Councilmen of which Brother Emmitt is a member. The Councilmen wished him Best Wishes for a most successful year.

Sister Justine gave her address with a quotation of a great writer who once said: "Coming together is the beginning, thinking is unity, keeping together is progress, and working together is success."

She has chosen as her Motto for the year, "Charity, Faith, Constancy."

Brother Paul Elzay presented the gavel which he made to our new Worthy Matron, Sister Justine and wished for her most successful year.

Sister Justine welcomed her own Worthy Matron, Sister Pauline Dinius and Worthy Patron Brother Harold Hart, and thanked Sister Pauline for giving the obligation to her officers, also Prompter and Advisor.

Sister Dottie Hall presented to the newly installed Star Points a silver key with a poem appropriate for each of their stations.

Sister Laverne was then escorted to the East as Marshal, where she was met by her husband Harley and her sister points who carried blue umbrellas with Sister Ruth Thompson singing, "Let A Smile Be Your Umbrella". Each point gave her flowers.

Sister Laverne and Brother Grant were escorted to the altar to sign the Holy Bible, where each were presented Eastern Star fountain pens by Sister Justine. Betty Garmire then sang "The Lords Prayer".

Closing prayer by Rev. Petzink, pastor of the First Evangelical United Brethern Church.

Activities began April 3rd when the six sections of the Social Committee held a combined covered dish luncheon and business meeting, followed by cards on the mezzanine floor of the Masonic Temple.

Following the stated meeting April 12th, a reception was held for the new officers on the mezzanine floor.

Chapter will be Dark on April 26th due to officers attending Grand Chapter.

Fish Fry, May 4th Serving 5:00 to 7:30.

We will observe Mothers Day on May 10th. Southwest Section entertaining after Chapter.

Greetings Brothers:

The month of May is noted in this clime for the awakening of nature by bringing forth an abundance of bloom and foilage. The unspoiled woods and country side are covered with wild beauty, from mats of violets to branches of dogwood blosoms are getting ready to start another bounteous and worthy cycle. One might say nature has just passed her "Entered Apprentice" degree.

Our temporal lodge has suffered the loss of 2 Past Masters this past month, Bro Cecil Sible and Bro. Ralph Southern. Brother Sible served as Worshipful Master in 1934, this was just the begining of his many years of Masonic interests and work.

He was best known for his work in the Order of Eastern Star, having served as Worthy Grand Patron. He also participated activily in Scottish Rite Consistery work. We will be ever greatful for the recognition his untiring work has brought to Huntertown.

Bro. Southern served as Worshipful Master in 1952, he was particularly well known for his interest and active participation in degree work, his help, assistance and fellowship with our neighboring lodges.

Both of our Past Masters were 61 years of age when summoned by the Grand Lodge above and like one illustrious in our histroy "Their death was untimely and their brethern mourned." Their memories will be monuments in the archives of our lives.

We welcome Marshal Schoeff as a new Brother, may his coming into our order be enriched with mutually beneficent experiences.

Our J.S. Donald Surfus has been called to military service, we miss his generous and able assistance and shall look foreward to his return.

Our Tyler William Holmes with Mrs. Holmes is to be commended for their good humanitarian effort in taking those two little Korean girls into their home to raise as their own.

Degree work is scheduled for May and June with a class of six already started. Watch for those announcement cards and make an honest effort to attend.

Sister Ida Kayser and her husband Sir Knight John are enjoying an extended visit with their daughter in Dallas, Texas. In her absence I will endeavour to bring you up to date on the activities of the assembly.

First and most important, we will be very glad to see all of you present at our Stated Meetings. June 5th is set aside for the birthday dinner and charter member night. I get the word that this will be a very special occasion. P.S. the dinner is free!!!

June 19th will be the last meeting before the dark months, lets all be there to round out the spring sessions in a fine manner.

June 26th is the occasion of our family picnic at Franke Park. Come and enjoy a good time. We are very sorry to report that Sister Velma Roush is to be taken to surgery for the third time this year. Our hearts and prayers go out to her and a hope that soon she will be on the road to a speedy and complete recovery. Sir Knight Harold Utterback is improving slowly—you can't keep a good man down so the saying goes, and we know of no man who fits in this category any more than Sir Knight Harold so, a sincere wish goes to him for continued progress along the road to recovery. News has reached us that the son of Sister Margaret and Sir Knight Norman Hamilton is to have a very serious lung surgery. The address is 2505 N. Evergreen, Phoenix, Arizona. Lets all send them a word of encouragement.

The sewing for June 6th will be at the home of Mrs. Stanly Putman. Also the evening group will meet with Mrs. Stanly Putman on Monday June 25th. We hope to see a good turn out. Well, guess that takes care of the news for the time being. Be seeing you around, we hope.

Excitement and enthusiasm is running high, wide and handsome and no wonder; what with the Commandery Ball over and the Grand Conclave about to begin. Both the Commandery and the Beauceant are busy with all sorts of plans for this BIG event. As you all know by now, the Ball which was given in honor of Sir Knight Samuel S. Geake, Right Eminent Grand Commander of the Grand Commendry of Indiana and his good wift, Kathryn, was a grand affair and a huge success. It was very well planned and a large crowd was in attendance. Most of the grand officers of the Grand Commandery of Indiana and their ladies were present on this momentous occasion. Probably the highlight of the evening was when the Geakes were presented a radio, a gift from the members of the Drill Corps. Every Sir Knight was proud to be a part of that affair and at this time your Eminent Commander wishes to thank each and every one of you for your splendid cooperation.

The Malta Degree Team is still going places and doing things. On April 13th., they went to Montpelier, Ohio and conferred the Order of Malta on the March class. On May 4th they journeyed to Huntington, Indiana and enjoyed the same honor. This Team extends a cordia invitation to all Sir Knights to join them on these trips, that they too, may participate in this good fellowship and social activities.

Ascension Sunday Service will be observed by all Sir Knights and their families attending church together in a body. This year we will go to the St. Joe Methodist Church, on May 13th. All Sir Knights who have them are asked to wear their uniforms.

We are pleased to learn of the improvement of Eminent Sir Knight Harold Utterback is making in his illness. At this writing he is still a patient at Parkview Hospital.

We extend our sympathy to the family of Sir Knight John T. Boyd, Grand Recorder of the Grand Commandery of Indiana who was called to the Grand Beyond recently.

We still have a heavy schedule of work coming up, we are planning for and have set May 19th (Saturday) for another big Master Mason date. Our plans now are to start and 2:00 p.m. to confer the Master Mason Degree on four candidates go from Labor to Refreshments at 6:30 p.m. and then complete the work after dinner. We would appreciate having a good attendance for this activity and urge the brothers to come out and take part in your Lodge and we feel sure that you will receive an inspiritation from your attendence.

We are planning on a class of instructions for all newly raised Master Masons just as soon as we can work it into our schedule, also sometime the latter part of June we will present Brother George H. H. Squires his 50 Year Pin and then plan for a Big 50 and 25 Year night sometime this fall for Brother I. A. Kalver and several 25 year Brothers, at which time Brother Squires will be included in the Celebration. Then again this year we want to honor the Past Masters, but this will no doubt have to wait for our fall activities.

I want to take this opportunity to thank all the Brothers and especially my officers for their fine cooperation during the first 4 months of my year. They have been very fine, and again urge more Brothers to attend Lodge as often as is possible and we hope we can help you get more out of Masonry as you see the work exemplified.

Again I want to urge any Brother knowing of sickness among the Brothers to please get the information to Richard F. Linn, Senior Warden.

In closing—When we work enthuisastically for the Lodge it brings to my memory the following Poem.

An Old Man going on a lone highway
Came at evening cold and gray;
To a chasm vast, deep and wide.
The old man crossed in the twilight dim
The sullen river had no fear for him;
But he turned when safe on the other side
And builded a bridge to span the tide.
"Old Man," cried a fellow pilgrim near
"You are wasting your strength with building here;
Your journey will end with the ending day,
You never again will pass this way:
You've crossed the chasm, deep and wide;
Why build you this bridge at even-tide?
The old man lifted his bent gray head
"Good friend, on the path I have come he said,
"There followeth after me today
A youth whose feet must pass this way.
This chasm that has been aught to me
To that fair-haired youth may a pitfall be;
He, too, must cross in the twilight dim—
Good friend, I am building this bridge for him"

In this month of May, Mother nature has been busy raising new flowers and making our land a beautiful place in which to live. We also have been busy raising new candidates. On April 19. Brothers James W. Webster and Terry G. Hilbeg were raised to the sublime degree of a Master Mason. Our congratulations to our new raised brothers. The Eastern Stars served us our banquet, which was really a banquet. To our brothers that missed this fine meal, I hope you can make it next time.

Some new changes have been made in your lodge room. I will not tell you what they are, you can come to Lodge and see for yourself.

Your Master with Brother Dick Ellison and Dale Spiett, were visitors over at Waynedale Lodge last week. I wish to thank the Worshipful Master for letting us help in the degree work.

Brother Marvin Hively is home from the hospital and is showing marked improvement. I would like to see more Brothers at our stated meetings.

During the month of April we had a fine social evening besides our regular stated meeting. It was on the 19th and all who were there enjoyed themselves very much. We are planning another such event for May 24.

We are glad to report that Brother Herman Conrad is home from the hospital and getting around fine. On May 3, Mrs. Albert Klopfenstein was laid to rest in Leo Cemetery. She will be missed very much among Eastern Star and Masonic Circles in Leo.

Leo Chapter O.E.S. is planning a Rummage Sale for May 29 in Fort Wayne. Anyone having any rummage is urged to bring it to the Lodge Hall anytime before this date, or contact another member who will be glad to pick it up.

MAY TIME

"My kitchen window's small, but I
Can watch the Maytime hurrying by,
The branches of the Maple tree
Are always waving back at me,
At breakfast time in early Spring
I've seen the first green feathering,
And to the kettle's cheery hum
I've seen the first red robins come,
And standing here to make a pie
I've watched them teach their young to fly,
Then best of all the Summer long
I've had the benefit of song."

In a beautifully decorated room, Soj. Lela C. Smith was installed as Worthy High Priestess and Soj. Arthur Gardt, as Watchman of Shepherds March 23rd in the I.O.O.F. Building. The decorations were in blue and yellow roses and a "Chinese Fan" motif predominating. The impressive ceremony was in charge of P.S.W.H.P Zelma Kah, assisted by P.W.H.P. Helen Louise Patty. Soj. Lela was escorted round the cross by her mother while Soj. Betty Garmire sang "The Lord is my Shepherd", and the officers presented her with beautiful yellow roses. An added attraction to the evening was the apppearance of the Scottish Rite Choir which sang for Soj. Gardt while he approached the East, escorted by his wife, Soj. Evelyn.

The Worthy High Priestess was the April hostess to all of the committees at her home.

The chairman and co-chairman of the committees are as follows:

Decorating: Soj. Irene White, Chairman. Soj. Evelyu Gardt, Co-Chairman. The May meeting will be held at the home of Soj. Verna Alee, May 8th. at 7:30.

Cheer Committee: Soj. Marie Krieder, Chairman. Soj. Blanche Rasmus, Co-Chairman. Tht May meeting will be held at the home of Soj. Marie Krieder, May 7th at 7:30.

Ways and Means: Soj. Evelyn Hinton, Chairman. Soj. Chloey Lee, Co-chairman. The committee will be entertained at Soj. Wanda McKenney's on May 21st. Don't forget it is a Pot -Luck too!

Illness in Shrine: Soj. Harry Reithmiller has returned to his home after surgery at Parkview. During his stay at the hospital his grandchidren, the children of Soj. Marjorie Andrews had tonsillectomies. Soj. Hazel is now recuperating from her nursing duties.

Deaths in Shrine: Soj. Ann Ogden passed away in Florida and was buried in Angola. She was the mother of Soj. Wanda Gething.

The father of Soj. Mary Howell passed away.

New Babies: A son was born to Soj. Loraine Tew. Soj. Christine Tew is the happy grandmother.

Illness in Families: The sister of Soj. Mathilda Littlefield had a heart attack and is in the hospital in Hillsdale, Michigan. The sister of Soj. Walter Littlefield, Mrs. Dottie Slagle, is in the hospital. The husband of Soj. Mary Roe is now in the Veterans' Hospital. The granddaughter of Soj. Lucille Johnson is ill with pneumonia in St. Joseph's Hospital.

To those bereaved we extend our heartfelt sympathy. To those ill we wish a speedy recovery and to the parents and grandparents we express congratulations.

The Indiana State Shrine Association of the White Shrine of Jerusalem was held at Evansville, Indiana, April 14th. We were happy to hear W.H.P. Lela Smith report one hundred and twenty members in Faith Shrine, one of the largest memberships in the State. Soj. Harriet Treace is the Chaplain. We had an interesting meeting, a delicious dinner, and an excellent program. The Hadi Temple Chanters gave some very good numbers.

Coming Events: April 27, Tommy Tucker Party. May 11, Mother's Day Tea. Entertainment by the Choir. May 22, Card Party. Dehler Hughes, Sponsored by Ways and Means Committeee. May 25, Social Committee "Surprise".

Companions: Time for the May Issue of the Square & Compass is here and there isn't too much to write about at this time.

The York Rite Association is planning another Concovation in early fall. That means that we have a lot of work in making arrangements. First of all every Companion of our Chapter is invited to encourage our work and endeavor to bring in a petition of a worthy brother mason. Remember, a petition in the chapter has to be presented and held for one month before voting on, the same as the Blue Lodge. Our Stated Convocations will be on Monday, May 21, June 18, July and August vacation and September 17, 1956. Please remember these dates.

The Keystone Club is meeting every month and rehearsing regularly. Companion Planck invites any Companion interested in helping with the degrees to get in touch with him. Our Degree Team is doing splendidly and we are proud of them.

It isn't too late to check your dues card for 1956. If you are not up to date be sure and get in touch with Companion George Gable.

To the Companions that are ill or convalescing we wish you a speedy recovery.

The officers of the Consistory are elected to serve for a term of three years. We have just completed one full year of the term, participating in two Convocations. We like to feel we are improving with experience and that we wlil continue to serve you better with each passing Convocation. Such will be our constant aim. We are most appreciative of the aid, kindness and toleration extended to us during this first year. We hope we may be worthy of it's continuance.

On April 27th the cast of the 20th degree journeyed to Milwaukee and exemplified the degree at 8:00 P.M., as a part of the Spring Convocation of the Valley of Milwaukee to a class of approximately two hundred candidates. Our work was enthusiasitcally received by the Milwaukee brethren. It was a most enjoyable experience for those making the trip. We stayed over and witnessed their exemplifying the crowning 32nd degree and joined with the Milwaukee brethren in partaking of their banquet dinner.

It is the desire of the officers of the Consistory and the other Bodies of your Scottish Rite to invite and encourage you to join in exemplifying the degrees. As you know large numbers of brethren are required for the casts of the many degrees. It is planned to have a double cast for each of the degrees. There are many parts to be filled and we are sure there is a part for you. Many brethren like to break in by taking a non-speaking part and after a Convocation or two then take a speaking part, while others like to start with a speaking part. Either way can be worked out for you. If you would like to join in this enjoyable activity of your Scottish Rite just make your wishes known by letter to either Samuel S. Geake, Secretary, 202 E. Washington Blvd., Fort Wayne, or to the presiding officer of either of the Bodies of the Valley of Fort Wayne. In your letter you may indicate whether you would like to try out for a particular part. It would also be desirable if you would indicate whether you sing and if so your voice. Whether you would like to work in the make-up and robing rooms or as a stage hand. Do write real soon that it might be possible for you to take a part in the coming Fall Convocation.

Our first Stated Meeting in May we honored the Mothers, and as a special tribute to our Royal Matron, her Mother Mrs. Frank Fortney was selected to be the exemplifying Mother for 1956. A beautiful program, under the direction of H.L. Amelia Brown was given. H.L. Arrilla was escorted by Brownie to the several stations where the Officers each read an appropriate poem and then presented her with a deep red rose. After she was escorted to her seat of Honor, all the Honored Ladies and Sir Knights gathered round and sang: "You are a Wonderful Mother." H.L. Flossie Widney was the accompanist.

On May 16th we will have initiation of candidates, followed by a Social evening and refreshments.

The officers and workers of the 18th degree set a new record in one hundred per cent of participation for the rehearsal and the degree work at the Spring Convocation.

A new custom was started with all the officers and workers in the Rose Croix sitting together at the Thursday supper hour following the presentation of the degrees. This signifies the fine fellowship of all the people working in the Rose Croix.

At the annual meeting held May 1st, the present officers were re-elected for another year.

EDWIN BOOTH, MASON

I was Master of a Masonic lodge in Omaha a good many years ago. Edwin Booth was playing in the city. I knew that he was a Mason, and sent a committee over to invite him to meet with us after the play. He sent back word that he would do so with pleasure, and we sent a committee to escort him to the Lodge. The examination was brief, but entirely satisfactory, and when he entered the room every member was on his feet, greeting him with hearty applause. He seemed much interested in the closing exercises, and at the banquet which followed he was a happy member of the party. There were songs in which Booth joined heartily with his wondrously sweet voice, and several brief speeches before the great actor was called upon. He began by saying:

"Mr. Toastmaster and Brothers: I am like a boy out of school tonight. It is a delight to be with you. If I act like a boy, kindly overlook it." Then he told many interesting stories of his connection with Masonry and of his career as an actor—how deeply grateful he had been with the forethough and tender consideration of his Brethren in times of great distress, hinting at the days when he felt himself under a cloud, when President Lincoln met his death at the hands of his brother. Continuing, he said: "I shall never forget that wherever I went Masons rallied about me and cheered my drooping spirits. But for their love and forethought I can tell you now, my Brethren, I do not think I should have resumed my life as an actor after that awful event.

Suddenly he switched to a pleasantry, and had all of us laughing. His readings seemed brighter and better than they ever were on the stage. One Brother asked him what was his favorite poem, and after thinking a moment he answered: "Please put the question differently, and ask me what my favorite hymn is." We all wondered what it would be. Then in a voice low and sweet he said, "The hymn which the world knows as Jesus, Lover of My Soul"—and without waiting he recited it as we had never heard it recited before.

A member asked for his favorite piece of prose: "I thank you, my Brother," he said, "for asking that question. The most beautiful, impressive, noble, and unforgetable and uplifting words that were ever uttered and preserved to the world I shall do myself the honor of reciting. Please be standing with me." And with bowed head, he recited the Lord's Prayer.

Naturally, it was the dramatic element in Masonry that attracted the attention of a man like Booth, and he never ceased to wonder at the simplicity, power, and firm grip on the bitter, old dark reality of life displayed in the drama of the Third Degree. Surely he was no mean judge of tragedy, and he left this testimony:

"In all my research and study, in all my close analysis of the masterpieces of Shakespeare, in my earnest determination to make those plays appear real on the mimic stage, I have never and nowhere met tragedy so real, so sublime, so magnificent as the Legend of Hiram. It is substance without shadow—the manifest destiny of life which requires no picture and scarcely a word to make a lasting impression upon all who can understand. To be a Worshipful Master, and to throw my whole soul into the work, with the candidate for my audience and the Lodge for my stage, would be a greater presonal distinction than to receive the plaudits of the people in the theatres of the world." —Newton.

Brethren: In reading The Indiana Freemason, I was very much impressed as I read the following thoughts extracted from a sermonette by Rev. Lawrence W. Johnson, pastor of the First Presbyterian Church of McAlester, Oklahoma.

"Remember we find happiness, not by saving our life for ourselves, but by giving it away'. 'Whosoever would save his life will lose it; and whosoever loses his life for my sake . . . will save it.' Believe it if all that we do is done primarily for ourselves and for our own, then life for us becomes increasingly searching for his own happiness never finds it.

"Then give your life away to God, and to your fellowmen,and you will find it, abundant and full. You will discover a happiness you have never known before."

This my Brothers conveys the thought I wish to leave with you.

Degree Work: I am sure we were all very well pleased with the good attendance we had at all the degrees. We were also very grateful to the visiting Brothers for the compliments they gave on our degree work. Thanks to Brother Richard Ferckel for taking care of the Craft Team in such a fine manner.

Hope our interest might even be increased as the degree work is done for the Candidate through April.

As of our last stated meeting we will be dark through the Month of May.

Don't forget to thank your refreshment chairman, Bro. Lee (Whitie) Garrison, and his crew, Bros. Ralph Diehm, Rolland Potts, Harry Deeter, Robert Dale and Norman Cook for their good work.

By-laws and Roster of Members 1956: I hope that by the time you read your May issue of the Square and Compass you will have received your new Roster of Members and By-laws. We owe our thanks to Bro. Chas Scott P.M. Chairman and Bros. Homer Stevenson P.M.; Ora Meyers and Floyd Brake, Secretary, who served on the Committee in preparing the new Roster and By-laws book of 1956.

Visitation: On March 26, there went with Bro. Vernon Parr to the Veterans Hospital for visitation, Bros. Oro Myers, Clarence Deim, Delbert Dennis, Kenneth Lyttle, Ellis White, Jerry Marsh, Curtis Heston P.M., Urban Teders S.D., Paul Lepisto, Carl "Doc" Overly, Robert Dale and F. S. Sterns, the Brother from South Gate Lodge No. 731 F. & A.M., who likes to do some slight of hand tricks for the boys in the hospital. I know from reports that all of you get a big lift by making the trip to the hospital and talking with the Veterans. Thanks to all of you for your help in this good work.

Sick: Bro. Leonard Tagtmeyer is in the Veterans Hospital for a check-up. Bro. Glen Lantzer is in the Lutheran Hospital, convalescing from a heart attack which he suffered a while back. Let's have a speedy recovery boys.

I wish also to thank all for their contribution when the call was made to help a needy Brother.

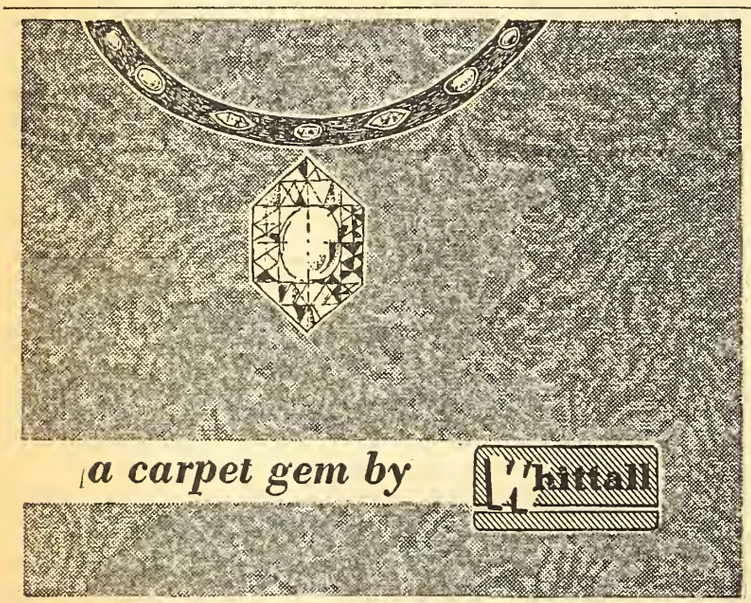
Companions, the month of April was dark for us and we will not have any work in the Month of May.



A very lively session was had at the Stated meeting in April and I am sure everyone present gained something from the discussion. A committee to investigate present and past conditions in the Chapter was appointed. This committee will make it's report to the membership at the next Stated Meeting.

Your officers art planning for a grand finale to the close of the work year. This plan will probably be announced at the next meeting or immediately after. If you know of any Brothers wishing to continue their work, please bring in their petition before the June meeting. In case you didn't know, WE DON'T MEET IN JULY AND AUGUST. All petitions which have been received and voted on at the April and May meetings will receive their work in June.

ATTENTION ALL BLUE LODGE MASONS

Yes, the York Rite Masons are going to do it again. Do What? Hold another ALL DEGREE CONCLAVE starting Monday evening, October 22, and continuing Tuesday and Wednesday evenings, then Thursday afternoon and evening October 25, with a great banquet Thursday evening. The program will probably be, the first two degrees of Royal Arch Masonry in the chapter, the Mark Master, and Past Master on Monday evening. Tuesday evening the Most Excellent Master and Royal Arch Degrees, ending the work in Royal Arch Masonry. Wednesday evening the two degrees of the Council of Royal and Select Masters, the Royal Master and the Select Master Degrees will be given. Thursday afternoon work in the orders of Knights Templar will begin. The Orders of Malta and Red Cross will be given in the afternoon. Dinner at 6:30. The Order of the Temple, Thursday evening.

If you are already a York Rite Mason, bring in the petition of a Blue Lodge Brother who is not, and be sure to attend all of these sessions. If you are not yet a York Rite Mason, ask about it, and as you go asking, it may be that you will meet up with single-minded partisans as to the advantages of one over the other, may at times seem to go beyond the sublime, and tend toward the intemporate. Do not be confused at this point. There ARE two "Rites", equally important, equally beautiful and equally desirable. This article from here on will content itself in presenting York Rite Masonry, and will try to keep on the right side of the sublime.

Your Blue Lodge is York Rite. The next step is petitioning a chapter of Royal Arch Masons. In some foreign countries, parts of Royal Arch Masonry are included in the Blue Lodge Ritual. American Masons who have not had Royal Arch Masonry visiting in such foreign countries seeking to visit Masonic Lodges there are not admitted on occasions when Royal Arch work is being given. This shows the close connection existing between the two. In America it was thought best to keep the two separate. As you watched the unfolding of the Degrees in the Blue Lodge, certain questions seem to be left unanswered, certain gaps not quite filled. You may not have thought of it at the time but as you watch the unfolding of the first three degrees in Royal Arch Masonry you will think of it. You will see those questions answered those gaps filled.

In the last Degree of the Chapter, the Royal Arch you enter upon an entirely different scene; that which takes place more than four hundred years after the completion of Solomon's Temple, when it is destroyed by a ruthless enemy, and after a period known in Biblical History as The Seventy Years of Captivity, the Temple is rebuilt more beautiful than before, and the generation doing the rebuilding, turns out to be, "that future generation which finds out the RIGHT".

After the Chapter of Royal Arch Masonry comes the Council of Royal and Select Masters. In two very beautiful and impressive Degrees, some new questions which are left unanswered in the Chapter are answered, and some loose ends all tied together, so that in the nine Degrees thus far taken, the candidate has had presented to him a whole and well rounded picture, so dove-dailed and welded together, that each part seems to be an indespensible part of the whole, and would be lost without the other parts. Thus far, all Masons of whatever religion, who accept as sacred the teachings of the Old Testament, can find beauty and inspiration in the Chapter and Council Degrees.

As the candidate begins his work in the Orders of Templarism, he again enters into a changing picture, which culminates in the Order of The Temple, said to be the most beautiful in all Masonry, and to a professing Christian, the most inspiring. The Orders of Malta and Red Cross present a transition from the Old to the New Testament. The Order of The Temple presents the Birth, Life, Death, Resurrection and Assension of our Lord and Savior, Jesus Christ. Can Masonry go any further than this whether it be in one or a hundred Degrees? Having gone this far it remains for the individual Mason to make the most of what he has seen and heard, or go on his way unthinking and unheeding.

And now back to the routine of attaining to this. Always bear in mind there are no higher Degrees than those in the Blue Lodge, only additional Degrees. In York Rite, the first body beyond the Blue Lodge is the Chapter of Royal Arch Masons. In Fort Wayne there are two: Fort Wayne Chapter No. 19 and Thomas R. Marshall Chapter No. 161. Initiation Fee is $20.00, dues $3.00. Next is the Council of Royal and Select Masters, Fort Wayne Council No. 4; fee $10.00, dues $2.00. Last is the Commandery of Knights Templar, Fort Wayne Commandery No. 4; fee $50.00, dues $5.00. Uniform is not compulsary unless actively engaged in the activities of the Commandery. It is possible to petition all three at one and the same time and be voted upon; but work must be completed in the Chapter first. In fact the petitions for all York Rite bodies are in one folder, found in the petition rack in the Social Room, and there are always Brethren who will answer questions and assist in filling them out. Watch for further publicity concerning the next York Rite All Degree Conclave. Remember the dates, Monday 22, Tuesday 23, Wednesday 24, and Thursday 25th of October.

STEVEN L. MILLER

Steven Leroy Miller, one hundred sixth Grand Master of Masons in Indiana, was born February 12, 1905 at Brownstown, Indiana, the son of Virgil D. and Ada A. Miller.

After his graduation from Brownstown High School in 1923, he entered the field of stone cutting as an apprentice, then, as a journeyman stone cutter he was employed at his trade in all sections of Indiana. Thus, Indiana's Grand Master may be said truly to be an operative, as well as a speculative Mason.

In 1929 Brother Miller became associated with Edward W. Schaefer & Sons, Inc., in Indianapolis, and in 1931 he was transferred to Connersville to manage the Schaefer plant. He has made his home in Connersville since March 1, 1931.

Brother Miller was married December 25, 1936 to Lorena Gertrude Spurgeon of Brownstown.

The Grand Master is a member of the First Baptist Church in Connersville. Formerly moderator of his church, he has served on the Board of Trustees for a number of years and presently is teacher of an adult class in the church school.

Active in civic and community affairs, M.W. Brother Miller served as a member of the Fayette County Council two terms and as a trustee of the Fayette Memorial Hospital. He has been affiliated with the Connersville Rotary Club and Eagles Lodge No. 1065 in Connersville for 25 years.

The Masonic record of the Grand Master began in 1941 when he received the degrees of Symbolic Masonry in Warren Lodge No. 15. He served as Worshipful Master of his Lodge in 1947, the year of its 125th anniversary.

Other Masonic affiliations include membership in Maxwell Chapter No. 18, R.A.M.; Fayette Council No. 6, R. & S.M., and the Ancient Accepted Scottish Rite in the Valley of Indianapolis. He also is affiliated with Connersville Chapter No. 346, Order of the Eastern Star, and Murat Temple, A.A.O.N.M.S., in Indianapolis. He was one of the organizers and served as first president of the Tri-County Past Masters Association, serving Franklin, Fayette and Union Counties.

Grand Master Miller's service to the Grand Lodge began in 1947 when he served as a member of the Board of Directors of the Indiana Masonic Home. The same year he was commissioned Grand Representative of the French National Grand Lodge.

By appointment of Grand Master John W. Thornburgh he was Grand Marshal in 1949-50. In 1951 Grand Master Oswald A. Tislow appointed him Junior Grand Deacon. His Brethren advanced him to stations of greater responsibility until, on May 16, 1956 the purple of the Fraternity was placed on his shoulders to lead the Masonic Craft in Indiana during the one hundred fortieth year of its existence.

Brethren:

The vacation season is now upon us and we will be able to relax from our ritualistic work. My congratulations and thanks go to you officers and brethren for the fine work you have done so far this year. I realize what a tremendous task this has been and the great amount of time you have spent perfecting your work and you can each take justifiable pride in the work you have done.

I am filled with equal pride when I notice how you, my brethren, have adopted the wonderful teachings and principles of Masonry and are applying them in your eeryday living. Your quick response to aid and succor a needy brother, your fine display of brotherly love are but a few of the many fine Masonic teachings I have seen displayed and it fills me with a great deal of humility when I realize I am privileged to serve you as your Master. May the blessings of God accompany each of you throughout the commng months.

A NON-MASONIC FRIEND

Some years ago a writer in Collier's after prefacing his remarks with the information he was not a Freemason, had this to say about our Order:

"Every time some new dictator blossoms into power, one of his first moves customarily is to declare war on the Masonic Fraternity. Why? Is there some mystic magic about the Masons that makes them dangerous to a totalitarian society?

"We're afraid there is. To a tyrant, the Masons are a very subversive bunch. Their trouble is that they practice human brotherhood and democracy. To so high an eminence has Masonry's credit been advanced that, in every age, monarchs themselves have been promoters of the art, have not thought it derogatory to their dignity to exchange the sceptre for the trowel, have patronized its mysteries and joined in its assemblies.

"Plenty of Masons have their faults. But, by and large, the big totalitarian complaint against them is simply that they are decent, democratic, cooperative people. But we have a notion that the Masonic Fraternity, having outlasted all the storms since, by some accounts, ancient Egyptian times, will outride this one. Meantime here's wishing the order well."

THE GREAT SIBELIUS WORKS AT HOME

Washington, D. C., SRNB.—The man who is probably the leading writer of symphonic music of this day and who is a faithful Mason dwells not in the center of war-torn Europe, but eleven miles north of Helsinki, capital of his native Finland, and he works quietly on a new composition. This is Jan Sibelius. His days are spent at his pianos and in strolling about the garden and through the woods surrounding his estate, Ainola.

His communion with nature is the inspiration of much of his music and it is fortunate that he can find a degree of peace and freedom in what seems to the rest of the world to be a madhouse. At 77 he has, of course, a renown that needs no bolstering, and his mundane needs are supplied nicely by a proud government in the form of a pension of some $2,000 annually.

Incidential, music written by him for the three Masonic Degrees was first produced before an American audience at a program planned by the American Lodge of Research in New York, in 1935. He received his Masonic Degrees in Suomi Lodge No. 1, Helsinki, and is organist of the Grand Lodge of Finland. — Northwestern Craftsman.

THE APRON A GUILD CUSTOM

In Vol. 6 of his well-known, ten-volumn history of the City of London, Sir Walter Besant points out that not only in the headquarters of the Guild, but in the street, the craftsmen of the eighteenth century wore distinctive clothing by which his trade was recognized.

Thus he says: "The carpenter wore a wide apron looped up at the side—there was a fashion in wearing aprons—and a brown paper cap neatly folded in shape; the shoemaker wore a short leather apron; and the blacksmith a long leather apron; the fellowship porter, a black hat with a long brim behind; the barber, a white apron with pockets in front to hold the tackle. Besides, he carried a basin in his hand, and generally ran through the streets in his character of 'the flying-barbare.' The butcher wore a blue coat and apron; the banker was all in white, including his cap; the waterman wore a sailor's kilt, or petticoat, and a woolen jersey; the tapster was in short sleeves rolled up, with a white apron the corner tucked into the waistband; the brewer's drayman wore a leather apron apron from head to foot; the shop- apron from head to fool; the shop- men, except those of the draper, all wore aprons. The servant and craftsman; it belonged in varied form to every trade."—The Masonic Record, England.

At our stated meeting June 11 the Senior Warden and Master reported on the sessions of Grand Lodge and how they would affect our lodge proceedings. One of the important decisions was the raising of our dues one dollar to help defray the expenses at the Franklin home. We also voted on two petitions so will have work for the next few weeks and would like to have all members in attendance to help. Two brothers were also received by transfer, Minor Stowe, from Lagrange, and Earl Young, from Wolcottville. We are very happy to welcome these brothers to our membership.

June 19 was a happy occasion in our lodge when Brother G. G. Koons received the Grand Lodge "Award of Gold" for 50 years a Master Mason. Past Master Harvey Ault made the presentation for Grand Lodge and Rev. Matthew Worthman of Bluffton was the speaker of the evening.

Our "Early Bird" Breakfast will be held July 4 at 4:00 A.M. with Bluffton Lodge as our guests. Lodge will be opened at 4:00 A.M. on the Master Mason degree with a ham and egg breakfast to follow. These early morning metings are a wonderful opportunity for all members to get a chance to know all the brothers as they appear on a holiday when no one is working and all are out in time so it does not interfere with the plans for the day. See you all July 4 at 4:00 A.M. Plenty of ham and eggs.

We all feel that the Grand Conclave was the 'best ever' and now that it is over, we can sit back and relax a little bit. Our only comment is, 'Well done; good and faithful servants'.

One of the highlights was the presentation of a scroll anl pin to our first 50 year member; namely, Dr. J. W. Autenreith. The presentation was made by our own Samuel Geake, who is now Past Grand Commander. 'Doc', as we all call him, along with his acceptance speech, gave us a little resume of his Commandery activities during the past 50 years. He has indeed, worked, enjoyed and loved every minute of his membership.

Following the stated meeting in June, the Order of the Temple was conferred on one candidate. This completes the work until the York Rite Convocation which will be held in October.

We are happy to report at this time, that Sir Knight Harold Utterback P.C. anl Sir Knight Orman Garrison as convalescing satisfactorily at their respective homes.

July and August will be dark except for the regular stated meetings which are always scheduled on the third Thursday of the month.

Be sure and have your petitions in no later than September so that they may be acted upon in time for the Convocation.

Happy vacation to you; one and all.

MILLION DOLLAR RUG IN MEMORIAL

A discussion of the Great Blue Lodge Room in the George Washington Masonic Memorial, Alexandria, Va., would not be complete if one were to overlook the great Persian rug which completely covers all of the open floor, according to Dr. John R. Dean of the Al Malaikah Hosts.

As an expression of his gratitude for the success which he has achieved in America, Brother Sarkes Hanahigan, and American-born citizen of Chicago, gave the rug to the Washington Memorial. He had previously refused $1,000,000 for it on the open market.

The secret of the dyes used in this masterpeice is now believed to be a lost art. One cannot gaze upon it long without noticing the beautiful varations of colors arranged throughout the entire piece.

When the room is darkened and low lights are turned on, the most singular effects are achieved. If the increased, it seems as though the blue in the rug is being raised directly out of the floor. If the same thing is repeated with the color red, it seems as though the red in the rug is made up of myriads of phosphorescent insects which have a tendency to roll away from one's gaze.

This rug contains 64,800,000 knots tied by many children of pre-school age. It required the full time of 12 weavers for 27 years. Weighing 600 pounds, it is the largest Persian rug in the world. It was completed in 1625—just 328 years ago—at Meshed in Persia for the royal family.—Elkart Temple Topics.

ARTHRITIS!

NEW HEAT-AND-MASSAGE PAD SOOTHES ARTHRITIC PAIN

Now, Science makes it possible, for the first time, to apply two of mankind's most famous healers simultaneously for the relief of pain of arthritis, bursitis, fibrositis, and sprains.

A new, soft, comfortable pad called the Thermo-Cyclopad, has been developed that contains a cyclo-massage motor and a special heating element. The motor developes a pleasant, soothing, non-electrical massage action while the heating unit develops a penetrating type of deep heat.

Research proves that this unique combination of heat and massage drives deep down throught tissue and bone to relieve aching muscles and points, stimulate peripheral and local circulation, decreases many types of reflex pain, relieve nervous tension, and encourage deep restful slumber.

With every rising sun,
Think of your life as just begun.
The past has cancelled and buried deep
All the yesterdays. Let them sleep.
Concern yourself with but today;
Grasp it and teach it to obey
Your will and plan. Since time began
Today has been the friend of man.

While glancing through the Indiana Freemason this verse caught your writers eye. It was written by Edgar A. O'Dell from Auburn. This verse of his illustrates the philosophy by which he lived. What a wonderful philosophy for earh and everyone of us to mold and govern our lives by as members of the order of the Eastern Star. Many hours can be spent trying to put into words, thoughts for a column when a verse like the one above can say more than a page of prose.

The members of Trinity Chapter have had a busy month. First of all thanks go to the many members who helped serve the banquets both the Scottish Rite convocations and the Grand Commandry Conclave. Our next word of appreciation go to the Ways and Means Committee and the many people who donated articles to the rummage sale that was such a huge success. It takes a lot of work and planning to be able to successfully put on this kind of a sale. To Evangeline Baker, chairman and Ruth Beauchamp, co-chairman and their able committee we give our thanks. When this project was compleated, they immediately sponsored a successful Bake Sale at Wolf & Dessauer on June 8.

The Social Committee with Geneva Ash, chairman and Esther Thunberger, co-chairman have also been very busy. They have had delicious refreshments after the Chapter meetings in May and after the visit of the District Deputy on June 1. It is during this social hour after chapter where new members can become acquainted with the members of the chapter, where old members can renew acquaintances and "bind our hearts in christian love." It is also during this hour where each and everyone can become acquainted with the officers of the Chapter wishing them well and encouraging them in their work.

The Program Committee with Clara Belbutoski, chairman and Cecil Ward, co-chairman have presented nice programs for the Mother's Day and the Chapter's birthday party meetings.

With this column we will close our reporting until September. But before we close for the summer months may we wish you a happy and restful vacation. Those who intend to travel our sincere wish will be to have a safe and pleasant one. To those who will spend their vacations at the lakes or even stay at home, may you have a restful one. Then on September 7th we will see you at chapter with a Pot Luck at 6:30.

Samuel S. Geake -------- Secretary
Scottish Rite Cathedral A-6495

As Rose Croix completes the active program of the winter in the recent meeting of the Scottish Rite officers we look forward to important work in the fall with convocation November 13, 15, and 16th. We counsel all our many brethren of the Scottish Rite not to forget the lessons of the 17th and 18th grade with particular emphasis on faith, hope and charity, and the gest of these is charity. Kindliness and generosity in our every day life is what makes the ritual a reality in the hearts of the candidate; for he has found these virtues first in the hearts of the men who participate and witness the work.

May your summer be profitable and give you new vitality for the labors of the winter.

BRETHREN: We are swiftly approaching another season, that of Summer, and with it vacation time for most of us. May we all find time that we might observe more of the beauties and wonders which the Grand Artificer of the Universe has on display for us.

It is my sincere hope that everyone enjoys his vacation this summer and all your travels be safe ones.

FOR THE LODGE: Your Senior Warden, Brother Cy Senger and I have enjoyed two days at the Grand Lodge at Indianapolis, May 15 and 16.

Was very happy to have Brother Ward Bailey, P.M., to visit us at the Lodge on the Master Mason Degree while he was in Indiana and see some of the fine work the Brothers are doing in the Degree work.

COMMITTEE: I have appointed on finance the following: Bro. John H. Bowyer, Kenneth G. Lyttle and James R. Craw.

SOCIAL: Our Spring Banquet was very well attended. Mrs. Lula Henline and her helpers served a delicious dinner, fit for a king. After dinner everyone enjoyed the music by the Scottish Rite Choir, under the direction of Robert Shambaugh with Harry Brattain accompanying the choir at the piano. Also want to thank Mrs. Harry Brattain for playing the piano.

As Dr. Guyer could not be with us Saturday evening as guest speaker, he sent in his place Bro. Darrel Linder of the Personal Staff of Eastman Kodak Co., Findlay, Ohio. Bro. Linders lecture was well received.

I am sure everyone as well as I, was really surprised to have Past Master Ward Bailey and his wife Alma with us.

Thanks to all in making this banquet a great success.

SOCIAL CALENDER: On Saturday night, October 20, at 6:30 P.M. Three Rivers Lodge will sponsor one of those popular sorial events: SMORGASBOARD AND SQUARE DANCE. Come and enjoy the evening—Plenty of food and dancing. Tickets on sale 2nd week of September $1.50 per person. Get tickets from your officers or at Candy Counter.

Saturday night, November 17, at 6:30 P.M. will be the night for all Three Rivers Lodge members and their families. There will be dinner for the family as well as a good program. We have planned to have EIFFEL, the famous Soap Bubble Artist. He is entertaining for the young and old. One of the most fascinating programs you would ever see anywhere.

Tuesday evening, December 4, will be Past Masters and Past Officers night.

VET'S HOSPITAL: Bro. Vernon Parr received a certificate award to Masonic Service, Three River's Lodge No. 733, which states "In recognition of volunteer service in behalf of the veteran patients through the Veterans Administration Voluntary Service program. Awarded at Veterans Administration Hospital, Fort Wayne, Indiana on April 16, 1956." Many thanks to our chairman, Bro. Vernon Parr, and all the others who have helped to make it possible that we might receive this award for our Lodge.

Spring being in the air the attendance of our last visitation wasn't as large as we would have liked to have had, but maybe next fall we can come out with a full crew. Those who attended were as follows: Bros. Vernon Parr, Edward Miller, Curtis Heston, P.M., our newly made Mason, Albert J. Fisher and also the untiring, F. S. Sterns with his tricks of magic for the boys.

SICK: Bro. Robert Dale has suffered a broken knee; is coming along in good shape. Has his knee out of the cast now and is waiting the day to soon return to work. Bro. Dale has been very active in the visitations at the Vet's Hospital. We have missed you out there Bro. Dale. Bro. William H. Bailey, P.M., is well on the mend after having sprained his knee. Bro. Leonard Tagemeyer is out of the hospital and is back to work again.

Bro. Glenn Lantzer was home from the Lutheran Hospital for about a week but had to go back again. We all wish you a speedy recovery Bro. Lantzer.

DEATHS: Our Hearts go out in sympathy to the family of Bro. William L. Hudson, who was called to that Celestial Lodge above to receive his reward, on Sunday, May 6, at Parkview Hospital.

KNIGHTS TEMPLAR

Perhaps you have been puzzled by the title you bear, "Knights Templar," often incorrectly spelled Knight Templars... History informs us it came about in this wise. After the capture of Jerusalem from the Moslems in 1099 Baldwin II then King of Jerusalem in 1118 granted the Knights in return for their valuable service quarters in a structure on Mount Moriah known as Solomons Temple, (not the original Solomons Temple, of Bibical and Masonic fame) a Byzantine Church which had been transformed into the Mosque of Omer. It was from this Temple that the Knights took the name of Knights of the Temple or Templars and finally Knights Templar.—New Castle Trestle Board.

Thanks to our cute waitresses that served at the Banquet in May. It was loads of fun. I hope we do it again.

I truly hope that our 'MOM', Mrs. Perrin knows how much I appreciate all the wonderful help and assistance she has given me in my term and mostly April and May. I'll never be able to repay her fully. And my humble thanks to Mr. Masel and all my Council, and all the members of Job's Daughters, you have all been wonderful.

Officers you also deserve a big "Thanks" for a job well done. We have one more initiation, June 19th and then the Installation of Officers, June 21st. Let's all turn out.

May has been a busy month, along with the degree work we held the annual Early Bird Breakfast which was well attended. May also was the month of Grand Lodge and it was attended by your Master and both the Senior and Junior Wardens, also in attendance was Bro. Past Master Ralph Roller. At the Annual Meeting of Grand Lodge much business was transacted and much future business was discussed to be acted upon at the next meeting in 1957. A report of the proceedings of this meting will be gien at the June stated meeting I hope you will be there to learn what is going on in the Grand Jurisdiction of Indiana Masonic Lodges.

Brothers in the hospital at this writing and to my knowledge are Bro. Harold Utterback room 425 Parkview, and Bro. Orman Garrison, room 464 Lutheran. Should any of you be in these hospitals or in the vicinity thereof please stop in and say hello to the above brothers.

June will be the last month of Degree work until September. As you know Lodges are dark during the months of July and August resuming work again in September, only Stated Meetings are held during these two months. Try and attend them.

Brothers in the September issue of the Square and Compass I will endeavor to give you a recapitulation of the vital statistics of Home Lodge during the first six months of this year. I hope you will look forward to this issue and after reading it decide, or rather resolve to take an active part in the activities of your Lodge for the remainder of the year.

During the next three months many of you Brothers and your families will be taking off down the highways and biways on your vacations, I take this opportunity to wish you a most enjoyable vacation, and to inject a word of caution, drive safely, we want you back in Lodge after vacation time is over, not inn the Hospital.

"The Lamb Skin or white leather apron is an emblem of innocence and the Badge of a Mason, more ancient than the Golden Fleece or Roman Eagle, more honorable—etc."

In what Degree does the above appear???

ATTEND LODGE AND BRING A BROTHER WITH YOU.

THE FOUR MARTYRS

That Masons have traditionally been men willing to stand by their convictions is beautifully illustrated by one of the oldest legends of the Craft.

The story of the "Quatuor Coronati" or the Four Crowned Ones, tells of four stone-masons who lived in the days of the Roman Emperor Diocletian. They were secretly Christians and, therefore, opposed to idolatry. Hence when the Emperor ordered them to carve a statue to Aesculapius, the god of medicine and healing, they refused as a matter of conviction.

Furious at their refusal to carry out his commands, the ruler ordered them encased in lead coffins and thrown into a river. This was done on November 8th, and the craftsmen involved have since been know Masonically as "The Four Martyrs."—Orphans Friend.

Brethren:

I am happy to announce that names of our brethren recently raised to the Sublime Degree of a Master Mason. They are: Paul H. Clauser, Giles F. Haney, Fred C. Mathews, Burton W. Long, Roger D. Hunt and Charles M. Hart. Brothers, we welcome you to participate in the labors and privileges of Masonry.

As we are soon approaching the vacation season, you may well note the following meeting nights: June 18, Entered Apprentice; June 25, Fellowcraft; July 2, Master Mason; July 9, Stated Meeting; August 13 Stated Meeting.

At our August 13th meeting we will plan to have the Grand Lodge present the Award of Gold to our 50 year member, Bernard McBride.

It was indeed a pleasure and privilege to be able to attend the Grand Lodge meeting. There were representatives from 524 Lodges in attendance. The way in which business was conducted such as committees, bill reading, committee reports, voting of bills etc; one could readily see the preparations that had been made. Only by careful planning could such a great amount of business be transacted in so short a time.

Brethren; my thought for reflection this month concerns a particular Book which we have learned to call a part of the furniture of our lodge. A Book that in 1955 was purchased by nearly six million people. Yes, that is correct. Nearly six million copies of the Bible sold last year. Though it sounds incredible, it must be gratifying to all who live by faith in God to know there are many turning to the Word for the first time.

In one of the Prayers of Peter Marshall there is a passage that goes something like this, "Forgive all wherein we have been prodigal, and like the younger son, help us to come to ourselves that we may be restored". Sometimes, I believe we become so entangled in the roots of our own desires that we forget the purpose for which we were placed here. It is our duty to be more diligent in our searching between the covers of a Book so great that Christ and his deciples gave their lives for its fulfullment and teachings. It is yours to real, to understand, and as true Masons, to live by day after day. As your trust is there should your heart be also.

I sincerely hope you have a safe and enjoyable vacation.

At the annual meeting, May 1st, Kennth D. Strong submitted his resignation as an officer in the Lodge of Perfection. This was necessary due to an important promotion and transfer to Erie, Pa. Ken was Senior Warden and his resignation was accepted with sincere regrets by all who knew him and worked with him. He also served as Chairman of the Associated Masonic Trustees. In these and other offices he has spent many hours of unselfish Masonic service. Certainly the Fraternity's most sincere and best wishes accompany him.

In the last issue, the several appointments were unintentionally omitted. John D. Lombard was appointed as Orator. His Masonic record is an impressive one, namely a Past Master of his Blue Lodge, Past Presiding officer of the York Rite's Chapter, Council and Commandery. He is also the present Chairman of the Associated Masonic Trustees. The other appointive officers are, Edwin R. Thomas, 33°, Master of Ceremonies; Charles E. Lewis, Hospitaler; Ralph W. Bogardus, Guard; and Edward H. Ashton, Tyler.

On Saturday June 9th, Fort Wayne Valley was host to the Council of Deliberation of Indiana. The Council is the overall organization of the five Scottish Rite Valleys and has its annual meeting in June. The Council was under the direction of W. Henry Roberts, Deputy for the State of Indiana and assisted by the three Actives for Indiana, F. Elmer Raschig, Frank C. Zaieck, and Albert N. Hepler, Jr. The business sessions were held in the Scottish Rite Cathedral and headquarters for the guests were at the Van Orman Hotel. Approximately 200 Honorary Members, Past Presiding Officers and present elective officers and their wives were in attendance. The affair was capably handled by an efficient committee composed by Herbert K. DeWees, general chairman; Orvis A. Dellinger, reception; W. Arthur Rodemeyer, hotel reservations; William S. Mossman, entertainment; and Byard H. Smith, banquet. The ladies enjoyed a fine luncheon and style show at the W & D Tea Room. Mrs. Herbert K. DeWees planned this fine affair.

The Fall Convocation dates are set for November 13, 15 and 16. On September 11th, the second annual "Bean and Cornbread" supper will be served in the Cathedral dining room to start the fall activities. No frills at this affair, just good food, fraternal friendliness and two sure fire levity producers.

Another Member and Ladies party is scheduled on October 4th at the Auditorium. Many will remember the fine show of last year that Sid Page brought in from Chicago.

This summer ask some Blue Lodge Brother to join you in the Rite. Just ask him, that's all, you may be in for a pleasant surprise. Incidently, October 30th is the last day for petitions.

Another month has rolled around and it is time to send you another greeting. Once a month it is the privilege of those who sit in tht East (in this area) to express a few thoughts through the medium of this publication. To some this is a simple task, to others considerable thought and time is used btfore the message comes to them, that they may write it down for your reading.

The lecture of the Royal Arch Degree is probably the most thought provoking message that has come from the mind of man, especially the Royal Arch Mason. I have given this lecture a number of times, in the degree work of our chapter, and I have heard it given by others. Each time I have heard or given it, I learned something new about the meaning of the Royal Arch Mason. Next to the 1st three degrees of Masonry, thc Royal Arch Mason probably gets greater enjoyment from his work than from any other degree in the York Rite. In this lecture of the Royal Arch Degree, the climax of all the several lessons learned in each degree from the Entered Apprentice to Royal Arch, are reviewed in the mind of the candidate and those who have gone this way before. Companions, if you can remember this lecture, meditate on it, if you can't remember it then come to the Chapter mettings which are being scheduled for the month of June. We will have work after the stated meeting in June. A note will be mailed you. If you would like to assist in any of the work please present yourself and make your wishes known to any of the officers of Thomas R. Marshall Chapter. Next stated meeting June 15th. Many important changes in our activities will be discussed then.

How rapidly time passes when we are busy, it is hard to realize that it is summer time, when all nature is at its best, the flowers in bloom, the green grass and the lovely fields of grain. And summer means vacation, laying aside all cares and worries and enjoying the great outdoors.

June is a beautiful month of roses, of young people starting out on new ventures.

Fraternity teaches us to be mindful of the welfare of others then no blessing is truly ours, until it has, through us, blessed someone else.

Our Assembly will be dark before the next paper reaches you, but our benevolent committee will work through the summer months, for there is still a great need for our work. Maye we sacrifice uncomplainingly, serve faithfully, and work loyally.

We still make Cancer dressings at the home of Sister Nella Putman Monday evening, June 25.

Plans for the summer meetings are at this time are not completerd.

One important date to remember is our style and card party on October 8.

On June 26 our members with their families will get together with a pot luck at Franke Park.

Illness in our Assembly. Sister Velma Roush in Parkview Hospital. Sister Delores Connin ill at home. Sir Knight Harold Utterback still in Parkview Hospital. Father of Sister Helcn Moore, Father of Sir Knight Al Schell, Sister-in-law of Sister Gertrude Knight, Granddaughter of Sister Eugenia Wood.

Last but by no means least we would like to say that we feel highly honored to have had a small part in making the State Conclave of the Grand Commandery of Indiana Knights Templar a grand success that it was.

PRESIDENTS AS MASONIC OFFICERS

A number of presidents have been active in Masonry. Others than those mentioned, of course, have been members of the Craft but as far as known these are the only ones who have held Masonic offices:

George Washington was elected Master of Alexandria Lodge No. 39, of Virginia (now Alexandria-Washington Lodge No. 22).

James Buchanan was a District Deputy Grand Master of Pennsylvania and was Master of No. 43 of Lancaster, in the same jurisdiction.

James K. Polk, was Junior Warden of Columbia Lodge No. 31, Columbia, Tennessee.

James A. Garfield was Chaplain of Garrettsville Lodge No. 246, of Garrettsville, Ohio.

Franklin D. Roosevelt was New York's Right Worshipful Grand Representative to Georgia.

Harry S. Truman is a Past Grand Master of Masons in Missouri.—Square and Compass.

Attention!!! Members and Families of Sol D. Bayless—Don't forget—JULY 14, 1956—FAMILY PICNIC at MEMORIAL PARK. Bring a covered dish, your own table service and anything else you wish. This is the first time that your Lodge has planned a family picnic and we hope you will join with us to make it a success. The Lodge will try to furnish the meat dish, rolls, cold drinks and ice cream and try to plan for you an enjoyable day. The swimming pool located in the park will be available if any care to swim. If you like picnics, this is one you won't want to miss.

Our last social event was the spring dance on May 19. Not too large a crowd attended, but I am sure all who were there enjoyed themselves. I also want to thank the boys from DeMolay and their dates for spending the evening with us.

The month of May has brought five new members into Sol D. and our fraternity, James K. Dowty, Warren H. Bissell, Harry I. Lawry, Jr., Wilbur E. Peters, and John R. May. Brothers, we certainly wish to welcome you into our organization, and hope that you will spend many more evenings with us. New members are always welcome and we will be pleased to find you sharing with us in our Lodge work. Committee work and degree work is always available to all of our members. Any member only has to make his desires known to us.

A certificate of Masonic Service was presented to our Lodge by the Veterans Administration Hospital. Brother Donald Aley, chairman of our Veterans Hospital Visitation Committee, accepted this award at the hospital and then presented it to the Lodge. May I congratulate Bro. Aley and the members of this Committee for their fine work. They are really doing a fine piece of Masonic work and service. If anyone else desires to assist on this committee please contact Brother Aley or any of the officers of your Lodge. They can still use a few more members and it will do you a lot of good to serve only once in each seven weeks.

Illness reported during May, Brothers John H. Welch, and Earl C. Wynn. We also have some brothers who would be happy to have our members drop in for a visit. Brothers Arthur Richard, 1128 St. Joe Blvd., Tom Bailey, 202 W. Masterson; Leslie Silver, Irene Byron Sanatarium; Walter Close, 5 mile north on U.S. No. 27; James H. Richards 4841 Reed Street.

As you read this we will no doubt be nearing the summer months. During July and August we do not have degree work, but don't forget the stated meetings on July 2 and August 6, which open at 8:00 p.m.

Your Master and Wardens attended the Grand Lodge session in May and do wish to thank the Lodge for having that opportunity. As was reported in the June stated meeting, the most significant thing that took place at Grand Lodge was the passing of a motion to change the per capita which we send out of our dues to the Masonic Home. The change, which is to become effective January 1, 1957 raises the amount from the present $2.00 to $3.00. Everyone agrees, I am sure, that with the completion of the new nursing home, the expenses and maintenance costs will be much greater. The Masons of Indiana can be justly proud of their Indiana Masonic Home and I know that none will be sorry to see another dollar of their dues go to help at the home. Even this extra amount from each member in Indiana will hardly be sufficient, so voluntary donations for the building fund and operating fund are still being accepted. Give them to your Secretary.

The members of Sol D. Bayless have always been very generous concerning funds for the Masonic Home and I know that you will continue to be so. The maintenance of the Masonic Home is one of the finest things that the Masons of Indiana do and I am sure you are happy to share in that work. I am very proud to be the Worshipful Master of a Lodge and a member of a Fraternity which sees fit to provide such a fine home for orphans, widows and older members of our order, as well as members of the Eastern Star.

On one of your drives this summer plan to stop by and see this wonderful place, or start planning now to visit the home in September, on the regular visitation day. The guests at the Home will welcome your visit.

Remember—The truth of Freemasonry is not demonstrated in words alone but in relief and motivated in action by the sincere use of brotherly love.

Our regular meeting for June was quite interesting. We had the report of Grand Lodge from the Junior Warden and Worshipful Master.

Senior Warden Leonard Fletter is the only known Brother on the sick list. He is getting along fine, but missed going to Grand Lodge for the trip to Parkview.

Leo Chapter No. 278, O.E.S., wishes to thank everyone who had a part in the recent successful rummage sale. They are busy looking forward to the visit of the District Deputy on June 27.

May has been an interesting and eventful month for Fort Wayne Chapter. On May 3rd we honored all the Mothers of our Chapter. The East was very fittingly decorated with a stand on which was placed a colonial lamp, a pair of glasses and an open Bible. Beside this sat a rocking chair with a shawl draped across it. The West also decorated with a childs rocking chair with a rag doll in it, along side was a toy chest filled with toys. During the program, Mrs. Willis Klus gave a beautiful portrail of, "Mary, Mother of Jesus", and Sister Pat Walker sang. "My Mom".

May 17th was our Chapters 38th birthday and at this time our Past Matrons and Past Patrons were also honored. A lovely banquet was held at 6 o'clock followed by Chapter. The following past officers filled the stations; Helen Herrick, Worthy Matron; Clayton Herrick, Worthy Patron; Hope Dumford, Associate Matron; Edward Wooldridge, Associate Patron; Eythel Smiley, Conductress; Helen Howard, Associate Conductress; Blanch Rasmus, Chaplain; Emma Welch, Marshal; Clela Dellinger, Secretary; Flora Dornte, Treasurer; Marion Goff, Adah; Esther Nahrwald, Ruth; Ethel Williamson, Esther; Glennys Schwartz, Martha; Selma Rodemeyer, Electa; Lillis Blombach, Warder; William Knauer, Sentinel; and Helen Helms, Prompter.

The East was beautiful with spring flowers, a small cart of violets, these were centered by a wheel which was used as the theme of the evening. In the West was a large Birthday Cake.

Six candidates were given the initiatory work. We wish to congratulate this class and look forward to getting to know you all better.

Also on this evening there was a slight mix up in coats. Anyone owning a black fiale duster with braiding on the collar and cuffs, a rhinestone pin on the lapel, will you please check to make sure it is your own. If there is any doubt please check with Helen Herrick as she was left an identical coat only a size to small.

On May 21st was our card party with a good attendance and a wonderful time was had by all.

Our Worthy Matron would like to say Thanks to everyone for all the work they have done these last months. The cooperation that we get from eveyone is one of the things that makes our Chapter so wonderful.

Since this is the last time I shall greet you through this column before the summer, I would like to wish each of you a happy and safe vacation. We look forward to seing you all at the Pot-Luck in September.

TRY OUT THIS PLAN

By H. L. HAYWOOD

Can you inquire in Masonic research? Try this plan: Go to your lodge at the next meeting when a candidate is being initiated; sit back in an easy chair and watch every move that is made and listen to every word that is spoken. As you watch and listen keep saying to yourself, "What does that mean? How can I put that meaning in my own plain words? How can I make use of that when I get home, or when I go to work tomorrow? What is the life value of this for me?

When you are doing that you are making another search in Masonry and you will be surprised how the "work" will open up to you and reveal surprising new meanings. — Orphans Friend.

At our last stated meting a report on the Grand Lodge sessions was made by Mervel Smith, our Senior Warden. He reported that several important subjects were brought up, the most important being the per capita tax. The Grand Lodge passed a motion increasing the tax one dollar. This raise was made to meet the demands of our Home in Franklin.

Your support is badly needed in order for them to carry on the wonderful work they are doing in the new nursery, which is nearing completion. This is an added resposibility and will also need added support.

Plans for a new Masonic Hall for Olive Branch Lodge have been sent to the Grand Lodge for approval. It appears that we are coming closer and closer to the time when the building will be started.

Several petitions were received at our last meeting. It looks as though we are going to have a full summer with the new building, degree work and other business at hand. Your support and attendance is greatly needed.

The vaction time is here again. Some of us will be traveling near and far. Let us remember to be careful and drive safely. I hope you will have a nice vacation. Will be seeing

On May 16th Entered Apprentice Degree was conferred on one candidate and on May 19th we conferred the Master Degree on four candidates as scheduled, opening Lodge at 2:00 P.M., conferring first and second section on all four Brothers, then called Lodge from Labor to Refreshments and served dinner to about 50 Brothers, then returned to labor at 7:30 P.M. to complete lectures etc.

Petitions have slowed down and we have only one candidate working on the Entered Apprentice lecture and one petition to be voted on at Stated Meeting June 12th, but have rumors of several more petitions.

We are planning on having visitation instructions for new candidates at Stated Meeting June 12th and notice to that effect will be in local paper.

Some time the latter part of June we plant to present Brother George H. H. Squires his 50 Year Pin, holding celebration later in fall for Bro. I. A. Kalver and several 25 year members, including Brother Squires in this celebration.

Brother Ray Collins, Junior Warden and myself attended Grand Lodge May 15 and 16th and it was a fine experience to see masonry in action as it is exemplified at this session.

Want to again thank Brother Robert August and all craft members for their fine work at last Master Mason Degree, as it was a job well done, also we thank all officers and Past Masters who helped us with this degree.

Report any sickness among Brothers to Richard F. Linn, Senior Warden.

We want again to urge all brothers to attend Lodge as often as possible, we need your support. See you in Lodge.

As the old saying goes, all good things must come to a close, so it is with my term as Master Councilor. The part of the saying, that says, "all good things" certainly holds true in my case, because being Master Councilor of one of the finest chapters in the Order of DeMolay is the finest thing that could ever happen to me. The responsibilities and work of the position have taught me many great lessons that I will hold dearly, and try to live up to, for the rest of my life.

To me, my term as Master Councilor semed to be a success and I hope that each of my officers and every member feels the same way. There was a lot of work to be done, but we all pitched in and got it finished.

I would like to give my deepest thanks to each of my officers for the never ending amount of co-operation, they were always ready to give me. I couldn't have asked you to work any harder or any longer than each and everyone of you did. It was a real relief to me to know I had fellows like you around that I could always depend on.

Now, I would like to try to thank two people for the unlimited number of favors and helpful words they gave so willingly to me, during my term. I couldn't begin to thank these two enough but I want each of them to know that I sincerely am everlastingly grateful. To me, "Dad" and Hazel Riethmiller are among the class of the finest people in the world. MANY THANKS.

I want to wish the new Master Councilor, Phil Shriner, all the best of luck in his term and hope he will get as much benefit out of his term as I did.

I know Phil will do a real fine job so let's all get out and back him, what say, fellows—.

In closing I would just like to say I hope each of you have a very enjoyable summer and will come back next fall ready to go to work.

I saved one of my thanks till last and that for the splendid Mothers Circle, without whose help I could never have made it through, thanks.

Lastly I want to thank each member of our Chapter for electing me in the first place, to the office of Master Councilor, so I could enjoy these many pleasures, anl for giving me such unfailing support. Thanks to everyone who helped make my term as success.

From the East to All, Sincerely
Frank Schollett, M.C.

Greetings, Brother DeMolays—

Another year has gone by, and DeMolay has had the privilege to have at the helm of its ship two very capable leaders serving as Master Councilors. Under the fine leadership of Terry Miller and Frank Schollett, DeMolay has prospered and progressed immensely. The time has come for these boys to return to the ranks from whence they came; and through you members, the gavel of leadership has been given to me. At this time I would like to express my sincere gratitude to you members who have bestowed this honor upon me. I only hope that I will be able to fulfill your expectations and perform my duties as well as the Master Councilors of the past. However, it is impossible for me to even attempt such a vast undertaking without the whole-hearted support of the members. I hold the gavel, but its rap will become a faint echo amid a multitude of worldly sounds unless it commands the actions of our order.

I hope that all of you will turn out next fall and keep our Chapter rolling. As you know we are one of the top Chapters of the world. It took a lot of hard work by energetic members of the past to get our Chapter to its present height. However, it is still a harder task for us to keep it from falling backwards.

My duties next semester will be lightened by two very capable and dependable boys. I wish to extend my congratulations to Senior Councilor Bob Passwater and Junior Councilor Larry Miller. Bob, a Senior at North Side and Larry, a Junior at South Side, will assist me next fall; and. I know from past experiences that I can count on their help.

I have been in DeMolay only two and a half years. I was first an officer last fall. Although, I have been a member a comparatively short time, I have discovered many wonderful lessons at DeMolay; and my life has been the better for them. It is hard for me to comprehend the benefits still waiting for me this next term, but I can say from my past experience that any boy who takes an active part in DeMolay will receive an endless quantity of the highest principles and ideals upon which a successful future is based. DeMolay has so much to offer. Come down and see the benefits waiting to take a place in your life.

In closing, I would like to leave you with this thought:

You may not be a president
You may not be a king,
You many not lead the crowd at all
Or do a famous thing.
In DeMolay and school and life
In whatever you contend
It's not always what you do for it
That matters in the end.
It's not the prestige that you hold
Or the chair in which you sit
The one big thing that really counts
Is what you get from it.

You can't get much from DeMolay without attending the activities.

Sincerely,
Phil Shriner, M.C.

DEMOLAY MOTHERS CIRCLE

"School Days" was the theme used by Mrs. McDowell and her committee, in honor of the Senior Mothers whose sons were graduating, when they entertained the Mothers Circle at the May meting. We feel that possibly the Mothers all went home feeling maybe a wee bit younger, as it proved to be a very entertaining evening.

Our annual "Mother and Son" banquet was its usual huge success. Over 600 boys and their mothers enjoyed the delicious dinner and the fine entertainment that followed. This is an occasion to which every Mother looks forward each year.

Our next meeting will be in September with Mrs. Robert Passwater as chairman. Arrangements will be announced at a later date. In the meantime we wish for everyone a very enjoyable summer vacation and hope that you will all be with us in the fall for our September meeting.

Those Saturday nite meetings at Huntertown are quite popular. Those of you who did not attend May 12th missed a really fine fish dinner prepared by P.M. George Fryback, assisted by Glen Shank, Walt Gump and Roscoe Bockman. The Master Mason Degree was conferred on Kenneth Simmons, Gene Peters, Harold Hall, Maynard Campbell and Glen Bowser. Welcome brothers! May your coming into our order and our association be mutually beneficent.

Donald Crance F.C. originally scheduled to have been with the class of five was taken to the hospital instead. We wish him a speedy recovery.

On May 9th the Grand Architect summoned Bro. Willard Clark for duty in that Lodge above. Masonic services were held Saturday night, May 11 with John Lare as W.M., Floyd Gause as bearer of the three Great Lights and Rev. Howard Western as Chaplain. We extend our sincere sympathy to Mrs. Clark and her two boys. We know the world is a better place by Willard having been here.

Bro. William Snyder has been bedfast for some time now and Bro. Edgar Garman is in the Angola Hospital at this writing. P.M. Bro. Carl Dickes who spent a few days in the hospital is back in circulation.

Huntertown Jobs Daughters will install new officers Monday nite, June 18th with Patricia Emrick as Honored Queen, Barbara Lincoln as Senior Princess, Delores Beltz as Junior Princess, Sara Rose Miller as Guide and Linda Leiter as Marshal.

Our annual St Johns Day dinner and program is scheduled for Saturday evening June 23rd at Huntertown High School. You will want to put this on your must list, so plan it now.

MASONIC VISITATION SERVICE

Well Brethern our good friend and brother John D. (Jack) Cunningham, Director of Visitations, Masonic Service Association U.S.A., has been here and gone.

I am sure that his genial personality made a fine impression on the many he met during his visit here and made him many friends among us.

Personally, I was a little dissapointel in the size of the group (about 25) and the fact that all the Fort Wayne Lodges were not represented at our meeting on Friday night.

But when I mentioned this to Brother Cunningham and told him I was afraid I had not done my part as well as I should, he replied that it was a fine and interesting group and that he was very well pleased. Said he preferred sitting down and having a heart to heart talk with a smaller interested group than standing up to make a speech to a large group.

He also said the Fort Wayne Lodges were doing a fine job and assured us that we would have the full support to the National Masonic Service Association from now on.

Thanks to P.G.M's. Orvis A. Dellinger and Elmer C. Forks for arranging Brother Cunningham's visit to Fort Wayne.

I also wish to thank Brother Vernon Parr, Chairman of Three Rivers Visitation Committee and his group of entertainers for putting on a musical entertainment for the benefit of the parents at Veterans Hospital last month. I also wish to congratulate South Gate Lodge for running the picture of their Visitation Committee in the May issue of the Square & Compass. Frank S. Hunt.

SQUARE AND COMPASS NOT WORKING TOOLS

The following has been asked many times: 'Why are the square and compass included among the working tools, when they are not tools?"

You are right about their not being tools, and they ought rather to be called instruments. We associate them with their use in schools by geometricians and by draughtsmen in the offices of architects and engineers.

But there was a time, before the advent of power machinery, when a Mason thought of them as tools, and used them as such.

There are in existence a large number of drawings, paintings and sculptures of three hundred to a thousand years ago which present a Master Mason. In a great majority of them he is shown carrying a very large square in his arms, and with a pair of compasses suspended from his girdle, so long that they reach his shoes.

They were thus large and heavy because he carried them with him to work along with other tools; and he used them not on paper, or for intellectual purposes, but directly on the stone itself.

While cutting a large stone, he used the square to test its angles, lines and surfaces; and when cutting a column or sphere, or arch, applied the compasses directly to the materials.

This is the historical origin of the square and compasses as we have them in the ritual. — Iowa Grand Lodge Bulletin.

QUEENS' HUSBAND A MASON

The Queen's husband is a Freemason. A deeply guarded secret, which failed to get in the metropolitan press, was the initiation on December 5, 1952, of the Duke of Edinburgh, Prince Philip, husband of Queen Elizabeth.

The Royal Family in England has been noted through the years for their devotion to the Masonic Fraternity. Only recently the Queen visited one of the Masonic hospitals, showing her interest in the charities of the fraternity, a work in which her father, the late King George VI, took exceeding enterest.

It is a matter of note that His Grace the Archbishop of Canterbury was present on this occasion, and while no details are given in the press as to the initiation ceremony of the Duke of Edinburgh, it is presumed that it was conducted by the Earl of Scarbrough, the Grand Master and an official of the Royal Household (Lord Chamberlain).

The Lodge in which he was initiated was Navy Lodge No. 2612 which meets in the great London Memorial Temple. This Lodge was formed in 1896 and had as its first Master King Edward VII, who at the time was Prince of Wales. King George VI was initiated in this same Lodge, as was the late Duke of Kent.—Masonic News.

Vacation time is here again. And during our vacation we hurry, get nervous, travel on strange highways at high speed, do not get to bed at the proper time, yes and a few do not ever get back.

Now we want you to have a good time, be careful and we do want to see you at our meetings in September.

SMALLEST LODGE IN BIGGEST STATE HAS 14 MEMBERS

We are accustomed to thinking of Texas itself as big. Now comes the story of the "littlest lodge" in Texas —Chalk Mountain Lodge No. 894, which has 14 members and is located in the southwest corner of Erath County. Chalk Mountain itself has a population of 30 souls, and is too small to boast a post office, mail must be addressed to Iredell, Texas.

The Lodge has an annual operating budget, not expressed in dollars, but in the quaint and pracical terms of the county—"one rick of wood and one gallon of kerosene."

A short time ago the largest Lodge in Texas—Tarrant Lodge No. 942, of Fort Worth installed the officers for the tiny Lodge. The meeting was held in the ancient windowless lodge room, high up on the mountain for which the village is named.

Kerosene lamps illuminated the interior of the 20x30 foot building. A pot-bellied wood stove stood by waiting for the winter months. The door, newly equipped with a hasp, had always been fastened with a big rock. However, the installation ceremony was the same in this, the "littlest" lodge as it was in the largest.—Masonic Tribune.

OLD MASONIC RECORDS

Lodge of Edinburg, No. 1, sometimes known as Mary's Chapel, is believed to be the Lodge with the oldest records in the world, and tradition says this Lodge was formed by skilled craftsmen brought from the Continent by King David the First to build Hollyrood Abbey in 1128. It's oldest minute is dated the last day of July, 1599, but at that time the Lodge was in a flourshing condition and a going concern. There is in existence a list of the apprentices of the Lodge, with the names of their fathers and mothers, dated 23rd December, 1584, and the Masons who composed the Lodge at that time were incorporated in a society known as "The Freemasons and Wrights of Edinburg." From the earliest time it was the custom to admit non-operative as well as operative members.

During May your Master, Junior Warden and Secretary attended the Grand Lodge Session. Many interesting subjects were brought up and much was accomplished for the good of the order. One of these was the raising of the assessment for the Masonic Home by one dollar, payable January 1, 1957. As our dues income is already stretched to the limit it will undoubtably be necessary to raise the dues for the coming year. We will take no action until fall but we hope that you will all give this some thought and be sure to attend the Stated Meeting in September to discuss this vital question.

Also, at the September meeting we hope to reorganize the Fellowcraft Team. Any member wishing to take a speaking role please contact me during the summer and we will help get you started.

During the month of May the lodge suffered the loss of two of our Brothers, who passed on to the Supreme Grand Lodge. To the bereaved families and friends of Bros. Henry P. Fegler and King P. Muckley we extend our deepest sympathies. Bros. William J. Ayres was a patient at St. Joseph Hospital for an appendectomy and Ralph E. Woodring at Parkview for a throat operation. To them and all our sick Brethren we wish a speedy recovery.

This will be the last article until fall so we want to wish all you Brothers a happy and safe vacation time and please take it easy on the highways as we want to see all of you back safe and sound for Lodge in September.

MONTANA

The Grand Master of Montana in speaking of youth movements said: "Their teaching of character and citizenship cannot be overestimated, and we as individual Masons should stand ready at all times to give them, not only our moral support, but attend their meetings and encourage them in their work." —Exch.

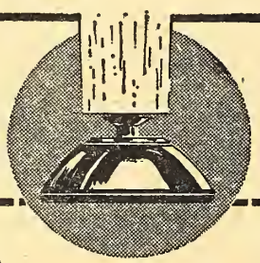
Companions:



Time for vacations. There will be no stated assembly in July or August, so the next stated will be in September at which itme will be the annual election of officers. Please come and elect the Companions who will guide the destiny of your Council the next year.

Plans are in process to change the stated meeting night. A resolution will be presented and then voted upon one month later. The reason for this is to place all the York Rite Bodies Stated meetings in the same evening. The other Bolies are considering the same change in By-Laws where necessary. We will confer no more work until our Convocation in October, and I understand another article in this paper will give you all the details.

I want to thank all the Officers and Members of the Council who have helped in any way this year, to make our Council what it is, and know that you will continue to give it your support in the years to come.

Have a good rest, and be with us in September.

NO VISITATIONS DURING JULY AND AUGUST

Although Masonic Service had no Visitations during July and August some of us have been active in doing something for the benefit of the patient of the V. A. Hospital.

Through the Courtesy of International Business College, Indiana Tecnical College, The Employees Club of the Indiana & Michigan Electric Co. (Ft. Wayne Division) and the Weatherhead Co. we were enabled to take a sizeable group of patients out to Franke Park, to enjoy the fine performances of "South Pacific," "Guys and Dolls" and "Kismet" put on by the Festival Music Co. at the News Sentinel Outdoor Threatre,

In behalf of Masonic Service, the patients, the Hospital Staff and myself I wish to again thank all the firms who so kindly and thoughtfully made these "outings" possible.

I also wish to thank the chairman, Co-chairman and other members of the various Visitations Committee and their wives who so graciously consented to drive on these "occasions."

Are sorry to report Bro. Sam Stern of So. Gate is in St. Joe Hospital recovering from an operation.

When I visited him last week he said he was getting along fine and expected to be with us again on our visitation starting in September. Sam has been going out with us every Monday night and entertaining the patients with "tricks of Magic."

Sam enjoys doing it and the patients get a real "kick" out of it.

We are all wishing him full recovery and looking forward to having him with us again soon.

And by the way if there are any Magicians among the Masonic Fraternity who would like to join us we would sure be glad to have.

HOUSE COMMITTEE SELECTS

Johnson

Foreman

At the July meeting of the House Committee, Ralph Johnson was elected chairman to fill the vacancy caused by the death of Wm. J. Adams. Mr. Johnson served as High Priest of Fort Wayne Chapter in 1937 and as Eminent Commander of Fort Wayne Commandery in 1940 and for several years has been the Vice Chairman of the House Committee.

Mr. Herbert C. Foreman was elected Vice Chairman of the House Committee. Mr. Foreman was Worshipful Master of Maumee Lodge in 1948, High Priest of Thomas R. Marshall chapter in 1944 and Illustrious Master of Fort Wayne Council in 1952.

The House Committee wishes to report that during the summer months our new automatic elevator has been finished. In the basement a new door mirror was installed in the rear toilet, the walls of which together with those of the front toilet room were painted. A new flue and water intake pipes were installed in the boilers and some of electric lines improved. In the first floor kitchen some of the walls were painted and four more food lockers were added. The floors of the dining room and the social room were refinished. The woodwork throughout the building has been polished. The walls of three of the lodge rooms have been washed and the ceilings are now in process of washing. The stonework on our chimmey which was struck by lightning August 11th, is being rebuilt.

YORK RITE BODIES

Royal Arch Masonic Degrees, Monday and Tuesday evenings, October 22 and 23. Royal and Select Masters Degrees of the Council, Wednesday evening, October 24. Order of Knights Templar, Thursday afternoon and evening, dinner 6:30.

If you are already a member of all three bodies, plan to atend all sessions on above dates and get these petitions from Blue Lodge friends. If you have completed only a part of the work, plan to take the rest. But attend the body or bodies that your already have and be sure to come to the dinner.

BLUE LODGE MASONS: Give the matter of extending your Masonic Knowledge by taking the York Rite, serious thought you already have three Degrees of York Rite. The first step is to petition a chapter of Royal Arch Masons. There are two meetings in our Temple; Ft. Wayne No. 19, and Thomas R. Marshall No. 161. For the purposes of this Conclave, the two will be working to gether. The four degrees of the Chapter, Mark Master, (Virtual) Past Master, Most Excellent Master, and the Royal Arch, will be exemplified Monday and Tuesday evenings October 22 and 23.

The next step is to petition a Council of Royal and Select Masters. The one meeting in our Temple is Ft. ayne No. 4. The two Degrees of of the Council, Royal Master and Select Master, will be given Wednesday evening October 24. All Masons of any religion can find beauty and inspiration in the Chapter and Council Degrees.

The final step is petitioning a Commandery of Knights Templar. The one meeting in our Temple is Ft. Wayne No. 4. The three Orders of Templarism present a transiteon from the Old to the New Testament. The Order of Malta and Red Cross prepare the initiate for the Order of the Temple, the most beautiful Degree in all Masonry.

It is possible to petition all three bodies at one and the same time, and on the same folder; the various parts being acted upon separately by the respective bodies. Fees as follows: Chapter, $20.00; dues, $3.00; Council, $10.00. dues $2.00; Commandery, $50.00, dues $5.00. After the Commandery you are eligible for the Shrine if you should have that in mind.

Just think ALL of the Degrees of York Rite in one Conclave. They are built upon and complete the Blue Lodge Degrees. If, after taking York Rite, your Masonic experiences should include presiding in the East in any of the Blue Lodge Degrees, especially Master Mason, you will know and appreciate what it is all about, and will have knowledge and understanding that will help you do a better job. So take York Rite and complete your Masonic education.

The bequest for the benefit of crippled children made by our late Noble Fred H. Frink amounted to $434,401.51 Pictured above, left to right, are Illustrious Potentate Hermon Phillips, Recorder J. Henry Curdes and Mr. William V. Sowers, Trust Officer of the Fort Wayne National Bank of Fort Wayne. Mr. Sowers is shown handing the check for $434,401.51 to Potentate Phillips while the Recorder looks on.

Noble Frink was a member of Mizpah Temple since 1919 and was always a loyal and faithful member. He was indeed a true Noble, one who loved the Shrine and its works. His good works will live for ages and his name will, of course, be engraved on the Book of Gold in our Shrine Hospitals for he was mercifully mindful of crippled childre. We doff our Fez to a great Noble.

We return to our labors this month and with it comes the end of a nice vacation and the beginniog of the final period of the year. We look forward to many things and events which I will attempt to set forth for you in this article.

They say coming events cast their shadows before them, so Brothers lets take a look at the shadows so that when these events come into the light you will present to enjoy them. October 13 brings us the Annual Tri-State meeting of lodges from Illinois, Missouri, and Indiana. Home Lodge has the honor of being host to this meeting on the above date, a fine program has been arranged starting at 4:30 p. m. on Saturday and continuing until 10:00 p. m. of the same day, you will want to attend so get your ticket when approached.

October 30 brings to you at 6:30 p. m. in the Temple an Awards Banquet, at this affair Bro. Steven L. Miller, Grand Master of Masons of the State of Indiana, will be present to deliver an address and make the award of gold to Bro. Harry E. Zeddis a Mason of 50 years and a member of Home Lodge, also there will be 122 members eligible to receive 25 year buttons at this meeting. You will, without a doubt, want a ticket to this banquet so be prepared when asked to buy one.

November 30, brings us our annual Family Night which affords all the members of your lodge the opportunity to bring their family and enjoy a fine banquet and excellent entertainment both for the young and old. You will make reservations for this affair upon receipt of returnable postal cards in November.

Brethren in addition to the above mentioned special events your officers will be especially happy to see you in Lodge for degree work and participation in the Fellow Craft Club so plan now to attend as often as possible. We are always looking for you.

During the first six months of this year we were happy to have conferred the degrees upon the following Brothers: Marion Miller, Walter Longbottom, Richard West, George Wilson, Charles Feistkorn, John Mehalechtko, Elmer MacDonald, William Ramsey, Donald Perrine, George Seidel, Richard Fisher, William Morris Jr., Roger Baber, John Lewis, Frederick Hawkins, George Graves, Dean Griffith, Seymour Hemilstein, Gerald Walker, Dale Marschand, Clarence Bork, Benjamin Johnson, John Yentes, and Niles Huser. We received into membership of Home Lodge by transfer from Austin Lodge 128 in Tipton, Ind., Bro. Glen Coffey, also we restored to membership four other brothers. To you new brothers we are very happy to call you Brother and hope you will enjoy the fellowship afforded you in your Lodge.

During the first six months of this year it must be rememberel that while it is a very happy occasion to welcome new members into membership. It is with saddened and subdued hearts that we must, for it is the will of the Supreme Architect, lose some of our Brothers who have been called to fulfill the destiny of man. During this period we have lost the following Brothers: Andrew C. Krieder, Fernand E. Schmoe, George M. Dailey, Joseph H. Roberson, Luther F. Keil, Luther T. Hurley, Lewis E. Rose, Earl E. Horton, Earl M. Waterman, Past Master W. Harold Utterback and Charles M. Tucker. To the families of these Brothers we offer deepest sympathy and may we continue to be of service to you on any occasion.

Brothers I have tried in this article to bring you up to date on Lodge happenings and I sincerely hope you will find it possible to attend your lodge functions and become a part of the degree work for only in that manner will you be able to learn more and more what Masonry means to you as a Mason.

When you buy a $59.50 suit in a store that also sells suits at $125

You have the advantage of the fine store's tasts and exacting quality standards

And whatever alterations you require are handled by the same expert tailors who have to satisfy customers that pay twice as much—and expect a lot. You may not realize how important that is in terms of fit and lasting good looks—but if you buy a $59.50 suit here, you'll find it means a great deal!

Brethern:

As we are now returning from vacations, and assume our Lodge duties once again, I hope you have all had time for rest and relaxation.

South Gate Lodge has been active even during vacation months. The following brothers were raised at our July 2nd, Master Mason meeting: George Christianson, Joseph Fast, and Alvin Snavely.

During our stated meeting in Aug. Brother Bernard McBride received his 50 year Award of Gold from the Grand Lodge. The presentation was made by Past Grand Master Elmer Forks on behalf of ehe Grand Lodge of Indiana. After the presentation a lunch was served in the dining room of the Masonic Temple. Incidentally Brothers Forks is an honorary member of South Gate.

Your officers are planning two events for this fall; A Smorgasbord and Square Dance on September 29th, which will be for Masons and guests. The second event will be a Family Night Supper on Dec. 1st, which will be for members of South Gate and their immediate families. There will be no charge for the Family Night Supper.

We have had the following brothers on the sick list during vacation: Yale Norris Sr., Sam Stern and Arthur Strupp. We wish all of you a speedy recovery.

Please note the visitation dates for South Gate Lodge in the Veterans' Hospital, Visitation Calendar.

My reflection for this month concerns, Building For The Future. Each day we plan. In our minds we have fixed ideals and strive toward that goal. Whether we think of building as temporal or spiritual, we are planning ahead. Our building and planning must include others if we are to obtain our desires; for by our unselfishness toward others do we reflect our true growth. We cannot plan to do anything without the aid and cooperation of some one else.

Those in civic projects give many hours of their time to help others. It is by these contacts that our reciprocal love and friendships are enlarged and benefit all.

One may be rewarded for his hours of toil in the bloims of a colorful garden for others to see. Another, in the success of a fund raising campaign to help a worthy cause. Perhaps a teacher may feel her character building accomplishments in the success of one of her former pupils, who was not at the head of her class. The doctor may feel he has been justly paid for his years of study in saving the life of one child. Yet, they all receiving their reward as a result of planning ahead for others. By their endeavors and building, they are adding to the stock of common knowledge and understanding.

These ideals are but stepping stones to a greater reward which lies ahead for those that give of themselves for the betterment of those about us. Their deeds are the stones in that house not made with hands eternally in the Heavens.

Brethern,

During the latter days of last May, many of us were looking forward to the coming months with an anticipation. For nine long months we had labored within the temple, honestly toiling encouraged and bouyed up by the promise that when our labors were completed, those of us who were faithful would received a well earned vacation

Now that vacation is over, and I am looking forward with even greater anticipation to the renewal of old friendships and the making of new found friends.

In the hustle of this fast moving world, where nerves are strained almost to the breaking point, it is indeed fortunate for us that we have this mecca of peace and contentment that our Temple affords. If you have not been regular in four attendance, do yourself and your harried nerves a favor and join with us in our labors of brotherly love and friendship.

Another occasion has come around for Ossian Lodge and indeed all members to be very proud. We have within our midst a brother who has attained the very rare privilege of receiving the Grand Lodge Award of Gold, signifying 50 years a Mason. Brother Ellis A. Squier will receive the award from Brother Elmer DeBolt, commissioned Grand Lodge representative, in a called meeting on Monday evening, September 17 at 8:00 o'clock. Rev. Robert Hutchinson of Huntington, will be the speaker of the evening. All Master Masons are cordially invited.

Ossian Lodge officers would be very grateful if more brothers would avail themselves of the opportunity to know more of the proceedings of their lodge and attend stated meetings. Our meetings are interesting and are not needlessly long and drawn out.

Well, summer is nearly over and school will begin very soon. I hope that all of you have had an enjoyable vacation as I have had. We have a full calendar of events for the coming semester. This list of activities includes the Fall Hay Ride, Father-Son Night, The White Christmas Formal, several initiatory degrees and a DeMolay degree; as well as our regular meetings on the second and fourth Tuesdays of each month.

As you can see there will be plenty of work for everyone. However, the nicest part about this work is the benefits you will reap from it. Often in an organization as large as ours, there are many boys who are willing to really help out but it seems they never get the chance. I will admit that it's almost impossible for Dad Riethmiller and the officers to contact each and every member personally. For this reason I would surely appreciate it if those of you who want to take a more active part this year and have not been contacted would talk to Dad Riethmiller, myself, or one of the other officers. DeMolay has so much to offer; and if you take an active part, I know that your membership will pay big returns.

As you know, the purpose of DeMolay is to teach clean and upright living to the youth of the world. It is therefore very important that DeMolay be available to as many boys as possible. There are hundreds of boys in our area who would profit immensely from DeMolay. Most of them are just waiting for you to ask them to join. I know that some of you cannot attend all the activities due to conflicting circumstances. But I also know that everyone can do his duty and bring in at least five new members this semester. To be a really fine DeMolay you should take the responsibility upon yourself to extend the teachings of clean and upright living to everyone.

It seems as if the first meeting each September draws the largest attendance of any regular meeting. Also, our membership has increased each year since Dad Riethmiller took over our chapter. It therefore seems only logical that our meeting room should be packed at our first meeting. It will be great to see your old friends again and talk over your experiences of the summer. I would really enjoy walking into the meeting room and seeing every seat taken. It would be even more enjoyable, however, to walk to the East and see twice that number of petitions lying on the Scribe's desk.

Let's really start things off right. See all of you at the meeting on September 11.

Sincerely, Phil Shriner, M.C.

September is the month when we should all get back to our regular schedule of activities while we have our stated meetings in July and August we do no degree work unless it is an emergency.

We have one Fellowcraft ready for the Master Degree and one Entered Apprentice almost ready for Fellowcraft degree and these degrees will be scheduled as soon as possible after September 1st. These are all the unfinished candidates we have at present. We had a bannner number of candidates during the first six months, having raised 17 brothers, so let's keep up this good work and if any good prospects express their desire get them a petition, but always abide fully by the lessons you have been taught in your experience in Masonry.

During the summer our trustees had the Club Room, Lounge, Hallways and Dining Room painted, both walls and ceilings and the dining room floor refinished. It sure looks nice and the Eastern Star purchased a new Olson rug for the lounge and the trustees have purchased several new pieces of furniture for it. There has been a lot accomplished and you will want to come to lodge to see it. Watch local paper for schedule of activities.

I feel that if each of us would practice just a little more the followinng we woud enjoy our lodge even more.

Woudn't this old world be bettter
If the folks we meet would say:
I know something good about you,
and then treat us just that way:
Wouldn't it be fine and dandy,
if each hand-clasp warm and true
Carried with it this assurance
I know something good about you,
Wouldn't things here be more pleasant
If the good that's in us all,
Were the only thing about us,
That folks bothered to recall:
Wouldn't life be a lot more happy
If we'd praise the good we see:
For there's such a lot of goodness
In the worst of you and me.
Wouldn't it be nice to practice
This fine way of thinking too:
You know something good about me,
I know something good about you.

Hi! There: So you had a good vacation. Gee that swell. Now we are all set to resume our labors starting with "fall roundup."

We are happy to report there was no serious illness or distress during the dark months.

Those attending receptions in Indianapolis and Peru had a most delightful time and the Grand State Picnic went over with a bang.

Two of the officers filling stations at School of Instruction held at Indianapolis were from our Court:—H.— L. Evelyn Reed Conductress and H. L. Kothryn Abousamra—Associate conductress.

On Sept. 26, The Grand Royal Matron—H. L. Euna Douglas, accompanied by the Grand Royal Patron Sir Knight Witney Reeves, both of Indianapolis, will make her official visit.

There will be a banquet served in the dining room of the Hall at 6:30 P. M.—$1.50 fer plate. A cordial invitation is extended to all Honoured Ladies and Sir Knights. Make your reservations with H. L. Florence Geiger, A-3067.

The Court is its members, give it the best that you have and the best will come back to you.

BE A FRIEND

Oh, you'll not be any poorer
If you smile along your way,
And your lot will not be harder
For the kindly things you say.
Don't imagine you are wasting time
For others that spend.
You can rise to wealth and glory.
And still pause to be friend.

Vacation time is over and we hope each of you had an enjoyable summer and now all are back to work and rearin' to go. So let's all surprise our Worthy Matron and attend Chapter regularly.

Our last meeting in June was well attended. Pot-luck was held at 6.15 on the mezzanine floor honoring our District Deputy Mrs. Opal Clements no. 14, a member of Flora Chapter, Huntington. A very clever song of "Clementine" was sung as she was escorted to the east where she was presented a gift from the Worthy Matron. The degrees of the order was exemplified to a class of four. Mrs. Clements complemented the officers on the spendid work given and explained new changes in our rituals.

ARTHRITIS!

NEW HEAT-AND-MASSAGE PAD SOOTHES ARTHRITIC PAIN

Now, Science makes it possible, for the first time, to apply two of mankind's most famous healers simultaneously for the relief of pain of arthritis, bursitis, fibrositis, and sprains.

A new, soft, comfortable pad called the Thermo-Cyclopad, has been developed that contains a cyclo-massage motor and a special heating element. The motor developes a pleasant, soothing, non-electrical massage action while the heating unit develops a penetrating type of deep heat.

Research proves that this unique combination of heat and massage drives deep down throught tissue and bone to relieve aching muscles and points, stimulate peripheral and local circulation, decreases many types of reflex pain, relieve nervous tension, and encourage deep restful slumber.

A FREE BOOKLET tells you all about this blessed, new pain-reliever. Write for your copy today to.

Another six months has come to an end and also my term as Honored Queen has drawn to a close. There are so many swell moments during my term that I shall always treasure in my memory.

The word Thanks seems not enough for all the help I have received during my term of office, because there are so many people who deserve it. First, I would like to thank my Council; without your unselfish help I know that I never would have been able to have the successful term that I did. Then I would like to give my deepest thanks to all of my officers. No matter what, I was sure glad to know that I could depend on you. To each of the members of our order I would express my gratitude. If it had not been for you would never have had the honor of holding this high office. Last, thanks to our Mothers Circle who were always on hand to help whenever they could. To all of these people . . . MANY THANKS.

I want to wish to Betsy Masel and all of her officers the best of luck and I sincerely hope that they will get as much pleasure out of serving the Bethel as I did.

Though my term is ended I will try to come to the meetings whenever I can. I must close now, but let me tell you it has been a real pleasure.

Sincerely
Judy Ann Goller H.Q.

Thank you Judy, I hope I can be as good a Queen as you have been. If four leaf clovers mean anything we shall have a lot of luck, because the Bethel room was filled with them the night of Installation. The backdrop in the East was lovely with green and white streamers and a row of large four leaf clovers across the top. There were four leaf clovers scattered on the curtains; And real ivy entwined in the fence in front of the East.

The Council was installed by Mr. Wilber Stocks as follows; Mrs. Burchard Guardian; Mr. Masel, Ass. Guardian; Mrs. Frentz, Sec.; Mrs. Burt, Treas.; Mrs. Menze, Ass. Sec. and Treas.; Mrs. Cook, Dir. of Music; Mrs. Springer, Asst. Dir. of Music; Finance Comm., Mrs. Campbell, Mrs. L. McCoy, Mrs. Goshert, Mrs. C. McCoy; Promoters of Sociability, Mrs. Wallheiser, Mrs. Stanbery, Mrs. Goller, and Mrs. Custance.

Miss Lindie Schmidt installed the Bethel officers who are; Betsy Masel, Honored Queen; Marcia Wible, senior princess; Bonnie Burchard, junior princess; Barbara Stanbery, guide; Barbara Bogenschuetz, marshal; Barbara Curtis, chaplain; Sharon Ruhl, musician; Nancy Reim, recorder. Marlene Masel, Librarian; Marcia Burt, treasurer; Kay Kreachbaum, inner guard: Susan Holmes, outer guard; Mary Watson, senior custodian; Karen Geise, junior custodian; Diane Hevel, first messenger; Ruthanne Forks, second messenger, Geraldine Geller, third messenger; Roberta Cook, fourth messenger, and Jean McCoy, fifth messenger.

It was a real thrill being escorted to the East by my father and Steve Noyes, with my brother as crown bearer. Miss Betty Tegtmeyer sang "Good Luck, Good Health, God Bless You," which was so appropiate. As I walked on toward the East. my sister, Marlene, placed a silver braclet on my wrist and Alice Baumgartner, Sandra Winans, and Linda Hall each added a good luck charm.

I appreciate Pastor Lowenbergh presenting my gavel to me. The weather very warm, but the cold punch and cookies served by the Mother's Club were refreshing.

Initiation Committee, which will serve for this term, will be Joyce Graue, Clara Gravette, Barbara Bloom, and Roslie Good.

I know everyone is looking forward to the Hayride. Keep your fingers crossed for good weather the night of Sept. 29. The chairman of the hayride is Joyce Campbell. Tickets will be available at the first of September.

The date for the banquet and Inspection has been set for Oct. 16, so plan now to come.

There are quite a few chairs in the Bethel rom, I hope to see them all filled at each meeting.

See you there, Betsy Masel H. Q.

Mother's Club is planning a potluck for the first meeting at Franke Park, Monday September 10. at 6:30. New officers are the hostesses. All mothers are invited.

INSTITUTION OF FREEMASONRY

Institutions do not survive through the ages by accident; they live only through the possession and operation of everlasting principles. When an organization runs back beyond historic records, and relies upon tradition for the story of its orgin, its career during a known period either justifies or falsifies the tradition. An ancestry of virtue and good works is a liberal education. The power of the accumulated wisdom of the past is a resistless impelling force upon the present. The architects, the draftsmen, the decorators, the woodcarvers, the workers in precious metals and the masons who were building the famous Temple of King Solomon, came from every nation of the then known world. Their union for mutual help, protection, society and improvement was the marvel of a age when all navies were pirates and all nations enemies. — Masonic Historcology.

We trust that each and everyone of you Sir Knights had a fine vacation this summer and that you are all ready and eager to settle lown and resume your labors on the 5th. floor of our Temple.

On Sept. 9th., the annual picnic for the Sir Knights and their eminant families, was held at the summer home of Commandent Eminent Sir Knight Harry Haller and his Lady, at Lake George. This affair is always sponsored of the Drill Corps. A fine attendance, plenty of good food, swimming, speed boat rides, and the 'champion' horse shoe games made this event a huge success.

Sir Knights, bear in mind, the school of instruction for group No. 3, which will be held Sept. 11th. in our Asylum. Ft. Wayne Commandery No. 4 will be the hosts for this occasion. Emminent Sir Knight Adam S. Riggin, Grand Sword Bearer, will be our Instructor.

Our Fall convocation is scheduled for Oct. 22nd., 24th. and 25th. Sir Knights, make sure that your petitions get in so that they can be acted upon. We know that you will want your candidates to be in this class. We are all looking forward to this forthcoming Convocation with great anticipation and your presence will help to make it the success we know it will be.

We are sorry to report that Emminent Sir Knight Dr. Charles D. Morrow is still on the sick list. We wish for him a speedy recovery and are hoping that he will be back with us very soon.

Our Commandery is deeply saddened by the loss in death of Emminent Sir Knight Jack Adams, Emminent Sir Knight Wilford H. Utterback and Sir Knight Walter Mueller. To their families, we extend our sincere sympathy.

Plan to attend our stated meeting, Sept. 20th. We'll be expecting you.

The Summer Vacation is over and and the officers of the Chapter are certain that all of the Companions have enjoyed every minute and as ready to get back to the Shapter activities.

Our first meeting will be Monday Sept. 17, 1956, at 7:30 P. M. including the Annual Convocation of electing and installing officers for the coming year. This meeting is the deadline of receiving new Petitions for the semi-annual York Rite Convocation to be held in October.

The Chapter or Royal Arch Mason Degrees will be conferred on Monday and Tuesday evenings October 22nd and 23rd. The Council of Royal and Select Master Degrees on Wednesday Oct 24 and The Orders of the Commandary on Thursday, Oct. 25th. Please don't forget any of the above dates as this is another excellent opportunity for all Blue Lodge Brethern to receive the advanced teachings of Masonry in The York Rite. The officers of Ft. Wayne Chapter invite the companions to encourage all Blue Lodge Brethern to join us in this beautiful work. The Chapter Officers will be glad to assist with any additional information.

Companion Ivan Planck will be glad to have the names of any companion interested in helping with the degrees. Get in touch with Companion Planck or any of the officers. Our various Teams have been a real help in our work.

During our summer vacation The Grand Architect has deemed it necessary to call several of our Worthy Companions to that house above not built with hands. We all mourn this loss to York Rite Masonry and wish to extend our deepest sympathy to their families.

To all those that are ill or convalesing, we pray for their early recovery.

I would like to take this opportunity to thank the Companions of Ft. Wayne Chapter of having their consent to serve as High Priest during this past year. This has been a wonderful year in in my life and I'm sure it is a successful year. All of the officers have been of the best and I wish them all the best wishes and support in the years to come.

It's the love we give to others:
The good that we may do,
The helping hand we offer,
That will bring happiness anew.
The road to daily happiness
Is not so hard to find
It's what we do for othes
That brings true peace of mind.

September—a month which brings to end the summer vacations and turns the thoughts to the reviewing of our acquaintes with our chapter members and in preparing for the many activities which are ahead of us for the fall and winter months.

The Ways and Means Committee under the leadership of Evangeline Baker and Ruth Beauckamp have a very busy schedule. Their first big undertaking for the fall will be their rummage sale. This event is to be held on September 10th at 2031 S. Lafayette Street. Edith Ball will again be the chairman of this rummage sale. It is important that you contact her if you have any rummage and cannot bring it down to the above address so she can make arrangements for it to be picked up. The store will be open on Sunday, September 9th from 2:30 P. M. to 5:00 P. M. to receive rummage. In case anyone is on vacation at that time, they can leave their rummage before they go with Evangeline Baker at 3423 S. Harrison Street or Edith Ball at 2217 Curdes Ave. At this time, let us acknowledge with a great deal of thanks for the excellent cooperation given to our first rummage sale that was sponsored on May 31st. Help us to have another one just as successful.

The Ways and Means Committee are selling cards for all occassions. See their wonderful selection and they have a nice selection and purchase your cards from them. They have a nice selection of Christmas cards. It may seem a little early to mention them but the next months fly by in a hurry. In addition to the cards they are also selling Drip Pans for $1.00.

Now a look into October. On October 27th, the Ways and Means are planning a Square Dance. The date is set but all the plans are not. I heard by the grapevine that a smorgasboard is being talked about prior to the Dance. After the committee meeting in September, your reporter will be able to give you more details in regard to this. Just be sure to keep that date open and with your friends plan to attend this event.

The officers had a Pot Luck supper on August 25th at the summer home of Mr. and Mrs. Lavern Amstutz at Pretty Lake.

The Past Matrons entertained the Past Patrons, their wives and the Past Matron's husbands together with the presiding Matron and Patron with a Pot luck supper at the home of Mrs. Clifford Thiebolt. She was assisted by Mrs. Eugene Wood.

On September 7th the Chapter will have a Pot Luck Supper prior to their first meeting of the fall. For the September 21st meeting there will be initiation. Here the officers will again exemplify the degrees of our order.

October 5th will be a stated meeting and on October 19th will be our Friends Night. This is one night that is a stand-out in our year's activities in the Chapter when we have officers from other Chapters come to Trinity as our guests and put on the degree work for us. Be sure to mark your calendar and to attend this meeting so you can greet the officers and guests from the various chapters and make them feel that they are indeed welcome. On the 2nd of November is another red letter day for the chapter. At this meeting Star of the East and Trinity Chapters combine their efforts and entertain the Worthy Grand Matron, Sister Mary Louise Little from Ivy Chapter at North Manchester, when she inspects the Chapters.

Two of our members have moved away during the summer months. Sister Mary Lukens left Ft. Wayne to make her home at Stradling Road Muncie, Indiana, and Sister Ruth Longkamp has moved to Rochester, New York. We are sorry to see them leave.

During the summer months the Birth record are: Joann Rickman a daughter, Joann Detter a son and Louise Buzzard a son.

Death of Members: Harold Utterback and Mrs. Elenore Harrison.

Death of parents of members: Mother of Margaret Fittings died in Madison Wis., father of Margaret Hamilton in Gas City, mother of James Todd.

JAPAN

The first Shrine Parade in Tokyo, Japan, Nov. 12th last was witnessed by an estimated 2,000,000, and the "Nippon Times," an English language newspaper there, devoted about six pages to an account of Freemasonry and Shrinedom. The Masonic ritual has been translated into Japanese and a lodge there works in that language.—Ex.

Companions—

Our next Stated Meeting will be Wednesday, September 19.

This signals the start of next year's activities, for it is the time for the Annual Election of Officers. The line officers up for advancement by election to the next highest office are: Gene Roush, now Deputy Master, Wm H. (anover) Schwartz, now P.C. W., and Tom Cannon, now Captain of the Guard. These men have contributed much to the Council and deserve your support for election.

Then of course, there are our two other faithful Companions, who aren't up for advancement, but content to do a good job in their old stands—Lombard and Gable; Treasurer and Recorder respectively. Both of them should be returned to office for they have also done their work well.

A new trustee must be elected to replace Past Illustrious Master, Companion Jack Adams, (now deceased) plus another Trustee whose term of three years will expire.

So, review the membership, and select the ones whom you feel will be fine Companions to represent the Council.

The balance of the line officers will be appointed by the Illustrious Master Elect. I know he can be depended upon to select the correct Companions to fill these important offices, for with a good Corps of Officers, his task next year will be much lighter. He Will tell you his plans for next year at the Election.

Me? The only thing I'm running for, and really campaigning to the hilt to get, is to be made a PERMANENT member of the Auditing Committee. Why? Ask any Past Illustrious Master! (It's the cheese, Boys!—Mrs. Gable makes such delicious varities—and I love cheese.)

HOW OLD IS FREEMASONRY?

The old old question of "How old is Freemasonry?" keeps cropping up, and it is likely to do so as long as Freemasonry continues to exist and new entrants become interested.

Unfortunately, it is not one of those historical questions that can be answered by giving a date, such as when was the battle of Hastings. If the questioner means, "When did organized Freemasony start under a Grand Lodge?" then the answer is by the meeting together of four old Lodges in 1717.

If the questioner's mind is going further back than that to when a branch of the Fraternity formed Lodges and used copies of the Old Charges as warrants, the date may be said to be about the middle of the fourteenth century.

On the other hand, if the questioner has been reading about architecture and is interested in the Masons who erected the Gothic cathedrals, the date may be said to be about 1100-1150. But if he is referring to the reference to a body of Masons who are reputed, or who are traditionally thought to have received a royal charter from King Athelstan at York, then the date becomes 926.—Masonic Record.

NOTE: Masonry, however, teaches us that its beginning goes back to King Solomon, who built the Temple after he became King in 1015 B. C. Figuratively speaking Masonry is about 2960 years old.

We would like to express a special welcome to all our members in a full Chapter room as our Chapter meets through the fall and winter. Also we want to Thank all who took time out from their vacations to drop us a line. We really appreciate hearing from you for we missed seeing our Chapter Friends. The cards filled in the gap a bit. Thanks again to you all.

Your Worthy Matron and Patron
Vera and Paul Hayden

It seems such a short time since we said farewell for the summer but here it is September again, and you know what that means. "Back in the Saddle Again," so put your swim suits away, stow your fish pole in the attic till next summer, file your road maps away for future vacation references, grab your hats and head back to our good ol' Fort Wayne Chapter meetings. We welcome you all and sincerely trust you had a pleasant, restful and safe vacation.

There's a busy season coming up so will give you some dates to mark in red on your calendar. I know you won't want to miss them.

First of all there's our Pot Luck supper September 6th, at 6:30. The Social Committee will furnish meat, rolls, butter and coffee. So lets all come with well filled baskets and be ready to greet all our old friends again. Then on September 20th will be our District Deputy Night and we hope to have a good crowd out.

On October 4th the choir will shine again. And judging from years past we mean SHINE. They always have a grand program for us we're looking forward to another one.

On October 18th will be Friends Night, no better place to come to renew old friendships and above all make new friends.

Oh Yes, we dare not forget, December 3rd, is the annual fall Card Party. Along with this there will be a Bake Sale and Bazaar. Just thought I'd tip you off in case you want to get busy making something. I know the Social Committee will appreciate anything you care to bring. A good time to buy some Christmas gifts too. We'll be looking for you.

Summer did not deal too kindly with quite a few of our members who were seriously ill. We hope that by the time this reaches you they will all be well on the road to recovery if not completely well. The list includes: Sisters Marie Bishon, Jean McAllister, Gertude Fleming, Esther Nahrwold, Ruth Durham, Carrie Henschen, Irene Lyttle, Madaline White, Myrtle Mazne, Margaret Braithwait, Ruby McDowell, Margaret Simison, Evelyn Christos, Mary Rauch, Leona Blue. THE CODE OF HIRAM ABIFF

It is certain that could the Masonic principles of justice, equity and fairness guide the transactions between employer and employee, there would neither be strikes nor lock-outs in American industry.

Employers would receive an honest profit and labor would be as contented as the toiler was under Hiram, of whom it is said that so fair and just treatment of the workmen that during the years of the Temple's building there was neither discord discontent nor dissatisfaction.

Let the labor code of Hiram prevail today, and peace and harmony would purple every horizon of human effort. Profiteering would fade into normality and there would be no place for that element to whom discontent is capital, trouble is profit, and turbulence fame and power.

Brethren; This issue of the Square and Compass will be the starting of our Fall Activities. I hope everyone has had that long awaited and planned for vacation, and are now ready for work again.

Degree Work: We will have Fellowcraft Team practice Sept. 18, so we will have everyone ready for Master Mason Degree on Sept. 25, at 7:30 P. M. Try and get started out this Fall by attending Lodge at the earliest date possible.

Masonic Education: We are planning a program along this line Oct. 2, in the Corinthian Room at 7:30 P. M. Program—Questions and Answers; Film is built around the fictitious story of a young lad and his sister, who became members of our Indiana Masonic family at Franklin. The film depicts the friends and playmates and the wholesome enviroment in which they will spend their youth. Woven into the picture are the activities of the children and adults during a normal day at the home, and views of the many operating departments in action. Colorful narration explains each step as the film develops the inspiring story of Indiana Freemasonry's greatest expression of benevelance.

Sept. 16, is Visitation Day at the home. Hope many might be able to make this trip to Franklin.

Social: Smorgasbord, Sat. Oct. 20. For Master Mason's and their Ladies. Dinner at 6:30 P. M. Round and Square dancing from 8:30 to 11:30 P. M. The music by Russell Smith and Orchestra, with Joe Roehling as Caller. Make reservations with your Officers or at the candy counter from Bro. Henry Hoffman.

Coming soon will be Family Night Sat. the 17th of November. Put a ring around this date on your calendar.

Visitation: On Sept. 20, the new Fall visitation schedule at the Vets Hospital was made up, which will be for us as follows: Sept. 10; Oct. 29; Dec. 17; Feb. 18; 1957, April 8; May 27. Bro. Vernon Parr being on vacation I asked Bro. Curtis Heston to go instead to get our schedule.

Also while thinking of visiting, Bro. Rolland Lighthill, from Denver, Colo. paid our Lodge a visit last spring while vacationing back east. Bro Lighthill, we were very happy to have you find time to visit us and tell of the many things about the Lodges in and around Denver. Don't forget us the next time you are in Ft. Wayne.

Sickness: Bro Glenn Lantzer is in the hospital at Indianapolis for a special check up. Hope everything works out O. K. Bro. Charles Saul has taken his wife to the hospital at Kendallville, we also wish her a speedy recovery.

Deaths: Our deepest sympathy to Bro. James Craw, whose Father passed on to his eternal home above July 14, 1956.

I am hoping that all the members and their families of Sol D. Bayless Lodge have had a most enjoyable vacation this past summer. With vacations now behind us, we now return not only to our jobs, but also to our Lodge functions. As we are all well rested, let us return to Lodge with renewed vigor and inspiration. Your Lodge has many important problems and plans arranged for the remainder of 1956, and we want your active participation. Please plan to attend all the stated meetings and as much of the degree work as you possibly can. It appears that we will be very busy.

Don't forget your Fellowcraft Club. They want YOU to help them. Also the Veteran's Hospital Visitation Committee headed by Chairman Donald Aley, always invites any of our members and fellow Masons to accompany them. Their visits are, many times, more rewarding to the visitor than to the patient. It will do you good, just try it and see.

Your presence is particularly needed at our October stated meeting at 7:30. You all have been or will be notified that it is on this night that we will be voting for the change in our by-laws to increase our dues. This increase is felt necessary and justified for the successful operations of not only your lodge, but for our part in maintaining our Temple and our assistance to the Masonic Home. Please be with us to discuss and vote on this very important matter.

Our first social function of the fall will be a Smorgasboard and Square Dance on Saturday evening, October 13, 1956, at 6:30 p. m. Joe Roehling has been engaged as caller, so from all appearances, it should be a lot of fun. Tickets are available from all officers and members of the Fellow Craft Club. Come and have a good time with us. If you don't care to dance, there will be card tables on the mezzanine for those who wish to play cards. I'll be looking forward to seeing you that night.

Also, for the members, set aside Monday night, November 26, as a night you will not want to miss at Lodge. This is our annual Past Masters' night. Fifty year awards are to be presented by our Grand Master Steven L. Miller, who will be with us. I know you will want to meet and hear our present Grand Master of Indiana.

During July and August illness was reported as follows: Brothers Lawrence Snyder, I. H. Freeman, Russell Newman. Our Brother Raymond Keim passed away in July. We certainly extend our sympathy to the family of Brother Keim and also wis for all brothers who were ill a speedy recovery.

By the way, we as Masonic Brothers must not forget or take for granted our local chapter of the Order of the DeMolay. The fine young men who belong to this order are constantly looking for new members. Suggest it to your own sons and to those in your neighborhood and best of all, plan to give them support by attending some of their meetings. Master Masons are always invited.

May I offer congratulations to the new Master Councilor Philip Shriner. May you, your officers and members and Dad Riethmiller have another successful and inspiring year.

Now to all—see you in Lodge, and always remember that "Truth is eternal and unchanging—Seek ye

In the June issue of the Square and Compass I stated that we wanted you to be careful during your vacation so that you could be back to attend our meetings in September.

Our stated meeting will be held Sept. 4th at 7:30 P. M. No: It is not too early to bring petitions. It is the duty of every Scotish Rite Mason to get at least one petition a year. Contact your Blue Lodge friend and explain to him the way. He will be glad you did.

Our second meeting will be the annual famous Bean Supper with plenty of ham, and corn bread. This supper will be held Sept. 11, 1956. If you did not attend this dinner last year you missed an excellent treat. This is only one of the many good times that is prepared for you in Scottish Rite. No speeches just an evening of fellowship.

If you care to do any part in this great and good work, large or small, please get intouch with one of the oficers.

Greetings Brethern: With another summer season now duly recorded in the archive of history we look forward to more active participation in lodge work. We, like most lodges, restrict our assemblies during the summer months but we were by no mean idle. We know that in your travels and everday contacts with our fellow creatures many Masonic virtues leave be-behind a lasting record and memory.

We are happy to report the purchase of a plot of ground in Huntertown has been completed and our dreams of a new and larger Lodge home is one step nearer, also, we now have an actual building fund bank account established and open ready to receive your contributions

Brother P. M. Robert Jensen was summoned by our Supreme Grand Master on August 9, Brother Bob was one of our most faithful members always ready to assist on any occasion and helpful with words of good counsel and advice. Masonic services were held August 11, with P. M. John Lare as W. M., P. M. Russel Rowe as bearer of three great Lighs and Bro. Rev. Western as chaplain. We extend our heartfelt sympathy to his family. Our Treasurer Bro. Floyd Gause is in St. Joe Hospital following an eye operation we all hope and pray for his speedy and full recovery.

Brother Ed Pribic is moving to Bluffton to assume new duties as Supt. of Schools. We wish him success and happiness on this new assignment.

We are happy to welcome Bro. Donald Crane into our order, may our association be one of mutual benefit.

Brother Maynard Campbell was recently installed as Junior Steward and Brother Dewey Etter as Tyler and new window fans have been installed in the Lodge room for your added comfort on those warm evenings, Will be looking forward to seeing you in September, we have several candidates ready to start.

Huntertown has again been honorde by the International Order of Jobs Daughters in the appointment of Roscoe Bochman as Grand Outer Guard and Donna Dickes as Grand Director of Music for the State of Indiana. May we extend our congratulations and appreciations for your untiring effort and sincerity of purpose in this good work.

Greetings to all companions; This summer vacation period now being about over I trust all of you have had a pleasant summer and a Happy Vacation. As we look back on the past season there are many pleasant memories of events which have passed. And as we look back, we look forward not only to see who we are coming up to but in anticipation of those things which bring Happiness to all. Such is the look I have at this writing. The past year as your High Priest has been the crowning moment of my life in Masonry. There are many memories of events which have taken place while I have been in the line. I recall the plans I had made for the Chapter if and when I became High Priest and then one year ago I was selected to that High Office, and after being in office just one month, I was informed that I might not be able to serve out the term. But I have, with help of these Loyal Companions who have been ever willing to lend a helpful hand. Thank you One and All. I hope to see you all at the Regular stated meeting at which time we will elect a new set of Officers.

We regret the passing of our Past High Priest, Fred Ruoff, and extend our sympathy to his family. Especially to our Principal Sojourner, his son, Fred Ruoff II.

See you at the regular meeting.

If you have any inclinations along this line, we urge you to give your name to Bro. Lee or to the Scottish Rite office.

A very important back stage operation for any Convocation is the make-up of degree workers. George Gawehn is in charge of this department and needs at least twelve volunteers. Classes for instruction and practice will be held and here too, we urge you to call the Scottish Rite office and give them your name.

The Advisory Council for the Order of DeMolay is pleased to see "Dad" Harry Reithmiller bounce back to his usual enthusiastic and energetic supervision of the Fort Wayne Chapter after his recent operation. The Fort Wayne Chapter is the fifth largest chapter in the world and "Dad" needs more Masonic Man-power. Here is a fine opportunity to volunteer and share in this character building program for the youth of our community. Your presence and help in a few easy tasks are needed and will be appreciated. Just call "Dad" at H-3689, or phone me at A-1413 or H-0733.

The summer season has closed, the vacation time in your lodge is over and we are again very busy with degree work. At this time we are processing five candidates and they will be raised to the Sublime Degree of a Master Mason on September 26, 1956.

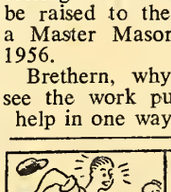
Brethern, why not come up and see the work put on or better still, help in one way or another.

These are very important times for your lodge. At present your lodge together with all other Masonic bodies that meet in the Temple have a very important decision to make. Asyou know the Scottish Rite are offering for sale the old Scottish Rite Temple at the corner of Clinton and Washington Streets and the bodies meeting there have first choice to buy this structure.

There are many points to be considered in connection with this report at a later meeting as to their recommendatiins This is a major decision to make and must be given much thought and consideration. We suggest you think about this and come to the stated meeting prepared to voice your sentiments.

Brethern, again this fall we will start our visitation programs at the Vetrans Hospital. As usual we will take our turn every seventh week. The date for our lodge will be on Mondays beginning with Sept. 24, Nov. 12, Mar.4, April 22, and June 10.

This is a splendid way to demonstrate real Masonic service so Brethern, we recommend you help out on the above listed nights by going direct to the Hospital at 7:30 P. M. The visitation time is from 7:30 to 9:00 P. M. A turn of duty here will help the Veterans tremendously and also you will find a great joy and benefit to yourself. Won't you try it and see?



At this time mark your calendar for October 24th as this is the date for annual Past Masters Banquet. We want all of our Brethern to be at the banquet to honor the Past Masters and also to see Brother Joe Craig receive his 50 year gold award from our Grand Lodge.

We have several of our Brothers who are sick and need your prayers and also your visits. These are Brother Dan Main, New Haven, Ind. Brother Clarence Briggs, 907½ Colerick St. and Bernard Ginther, Lima Road. Also in this list is Harold Sumney, 5716 Allendale, a visit to any of these our Brethern, will be much appreciated.

And now that Summer vacation is over things are beginning to hum at the Cathedral in preparation for our 1956 Fall Convocation.

The dates of November 13th, 15th and 16th have been set. So at this time mark these dates down and plan on attending the convocation.

The Consistory will exemplify four degrees during the Fall Convocation. One of the degrees will be exemplified on the stage of our new auditorium on Thursday evening, November 15th. Be sure to plan on being present. We will tell you more about the degrees to be exemplified in our next writing.

We are indeed pleased to have Brother Winston Lee as general director of all phases of the work in connection with directing and staging the degrees as will be exemplified by the four bodies during future convocations. As you may know Brother Lee volunteered his services and assistance at the Spring Convocation in connection with several of the degrees with most gratifying results. We feel indeed fortunate in securing his services and look forward to marked improvement in the exemplification of the degrees.

Now is an ideal time for a brother who has a desire to assist by working in a degree to start. There are many speaking and non-speaking parts to be filled. Just address a letter to Samuel .S Geake, Secretary, 202 E. Washington Street, Fort Wayne advising that you would like to take a part in the work. You will then be contacted and interviewed to the end of assigning you a part. Do it now and become a real active member of Scottish Rite.

Your officers wish to express their approval of the fine attendance at the Annual Bean Dinner. The dining room and annex were completely filled and we are sure that the per capita bean consumption set an all time record. The three hundred pounds of fine ham added to the beans, was no handicap to the hungry Brethren. The Rural Chords, four lovely ladies, furnished their usual harmonious program of songs. Brother Harry Giesel with his baseball yarns, belted out hit after hit. All in all, ham and beans, harmony, and Harry Giesel made an evening of relaxed fellowship.

We offer our sincerest apology to the many folks whose request for tickets to the variety show could not be filled. The requests were greater than last year and more than we ever expected. Tickets were mailed as requests came in and our heariest thanks and appreciation are extended to the Secretary's office for handling this large task. We assure you that this situation will be solved for the next show, and also assure you that nothing would please us more than that we could please all of you.

Convocation dates are November 13, 15 and 16. The final date for petitions is October 30th. Quoting from the opening ceremony of the 4th Degree, "The A.A.S.R. is built upon the firm foundation of the Symbolic Lodge, its belief in God, its hope for Immortality and its profound concern for the development of moral character." We know this to be true from the vocal expressions of the new initiates and a change in motives and conduct. When you bring a Brother Mason's petition into the Rite, you are not only strengthening the Rite, but you are favoring and helping him. New membership is the life blood of any other. Our Secretary's figures show the hard fact that the many deaths in a years time, plus a few demits and suspensions, require a large class of initiates to compensate this inevitable loss of membership. Many of our loyal hard working men on the membership committee have repeatedly said that there are a lot of Blue Lodge Masons around that do not belong to the Rite simply because they have not been asked. To every Master Mason that may read this and does not belong to the Scottish Rite, may we quote from the Opening Section of our Convocation—"There is no rank of higher prestige than that of Master Mason and no badge of Masonic distinction more noble than the Master Matron's apron The eleven degrees of the Lodge of Perfection are elaborations of the lessons taught in a more condensed form in the Symbolic or Blue Lodge. You will feel entirely at home with the familiar legends of King Solomon, King Hiram and Hiram the Builder. You will witness dramas that capture the imagination and stir the heart and which also dramatize moral lessons which should influence our motives and conduct." We cordially and sincerely invite you to join our ranks and we know that you will find a friendly fraternal fellowship that you will cherish as long as you live.

Brethren: while our Visitation at Veterans Hospital has been going on pretty good with just a few exceptions, there is still room for improvement.

Inasmuch as each lodge has just 5 or 6 visiting nights a year, we should have a good sized committee out there every Monday Night for instance like the above.

Contact the chairman of the visitation committee of your lodge. Give him your name and your phone number and he will be glad to call you on their next visitation.

It is a worthy project, interesting, in accordance with our Masonic principles and you will enjoy it.

We will also welcome any of you Brothers of out of town lodges on our visitation.

Our Visitation Schedule appeared in the September issue of the Square and Compass.

Another important thing, if you know of a Brother or friend who is a patient at the Veterans Hospital, kindly notify one of the Ft. Wayne Blue Lodges or myself. Frank S. Hunt, 428 E. Berry St., Ft. Wayne Indiana.

John Marshall was a member of Richmond Lodge No. 10, Richmond, Va., appointed Deputy Grand Master in 1786, was Grand Master of Virginia for a period of two terms. He took a most active part in Masonic work, and was such a shining light that he was the repeated target for the enemies of Freemasonry who formed the Anti-Masonic party in 1826. John Marshall died July 8, 1835, and was interred with Masonic honors in Richmond by Richmond Randolph Lodge No. 19.

The next important event on our calendar for this year will be our annual Homecoming on Monday evening, November 5. All members are invited to assemble at the hall at 6:00 to register and receive their tickets for the banquet which will be held in the dining room of the Presbyterian church at 6:30. The Kaher Boys will furnish music during the banquet. A program will follow at the Masonic hall immediately following the hour at the church.

There will be a called meeting of our Lodge at 7:00 Tuesday, October 16, for a visit from Brother Linus N. Firestine. This Lodge for Instruction will be on the Entered Apprentice Degree. Bluffton Lodge will be our guests anl take part in receiving Instructions. All members are urged to be present and take part so we may better know our ritual and make of our Masonry in Ossian that which all may be proud.

There will be a report in next issue on the business of the October stated meeting.

YORK RITE

Indiana Priory No. 8 Knights of the York Cross of Honour will hold a conclave at the South Bend Masonic Temple at 7:30 P.M. Wednesday October 31st with George Harper of Franklin presiding as Prior.

The Indiana Grand Council of Royal and Select Masters will hold its opening assembly Thursday afternoon, November 1st. This will be followed Friday afternoon by the opening of the annual convocation of the Indiana Grand Chapter of Royal Arch Masons.

SUPREME COUNCIL

At the recent conclave of the Supreme Council of the Northern Masonic Jurisidiction of Scottish Rite Masons held in Cincinnati, Fort Wayne was honored by having George R. Gawaehn and Albert R. Spencer crowned honarary 33rd degree Scottish Rite Masons.

Harry Riethmiller was nominted to receive this honor at Boston next year. Brother Riethmiller has made a wonderful record as "Dad" of Fort Wayne chapter of DeMolay.

OPERATIVE MASONRY IN EGYPT

Archeologists are able to trace the evolution of the construction of tombs from the shallow hole scooped out of the sand and walled with the crudest stone masonry to the colossal Pyramid of Gizeh. It is almost incredible that this remarkable advance took place within a century and a half.

The pyramids are by far the most stupendous piles of human workmanship. The Great Pyramid of Gizeh was built about 2900 B.C. as a tomb for the Pharoah. It covers 13 acres, and to build it requires the toil of 100,000 laborers, not to mention other workers, for more than twenty years. Over 2,000,000 blocks of sandstone, averaging more than 2½ tons each was used in constructing it; some of these stones were 27 feet long by five feet thick, and weighed 54 tons. These were lifted more than 200 feet from the ground to their positions in the structure. The total height of the Great Pyramid is near 500 feet. The precision of the stone cutters was such that these huge blocks were fitted into place with joints of a thousandth of an inch.

The blocks used in some of the pyramids, and the still greater ones comprising the obelisks, were transported with remarkable skill by land and water from over 700 miles up the Nile. The tallest obelisk, quarried about 1500 B. C., was 105 feet high, measured 10 feet at the base, and weighed around 430 tons. Colossal statues weighing from 800 to 1,000 tons were successfully transported from 150 miles.

In the art of building, the Egyptians were the first masters of remote antiquity. Their structures still remain objects of astonishments and admiration for every generation. Their ability to combine dignity, simplicity, and grandeur has never been equaled.—Texas Grand Lodge Magazine.

Brethren:

On the wall of my bedroom is a plaque that reads, "most any poor old fish can float, and drift along and dream; but it takes a regular live one to swim against the steam." This lays down quite a challenge and after rereading it the other day, I got to wondering about our lodge. For more than fifteen years, some of the brethren had labored to have a temple here in Waynedale. Finally the great day arrived and the temple was completed At first there was nothing unusual in seeing thirty to forty brethren present at lodge. Last night we raised brother Darell Botts to the sublime degree of a Master Mason, but we were able to do this through the gracious assistance of Bro. Leon Williams of Summit City Lodge and Bro. James Mitchell of Churubusco Lodge. Not that we couldn't have done it ourselves if enought of our members had been present because enough of our members were not present.

Now is the time to ask ourselves if we are going to be "poor old fish that float and drift along and dream;" or are we going to be "the live ones that swim against the stream."

It doesn't seem quite fair to ask the officers brethren who participate in the portrayed of the three beautiful degrees of Masonry to lay to an empty house. Think these things over very carefully, my brethren and make that little extra effort to come to Lodge.

The editor of the Square and Compass regrets very much having made an error in last months issue by using the cut of Excellent Companion Herbert Willis instead of that of Ralph Johnson in the announcement of Brother Johnson's election as chairman of the House Committee of the Masonic Temple. We have found our new chair man's picture and print it at the top of this article and hope that we will be forgiven by both of the these gentlemen. Brown Cooper, Editor

I have been thinking about our members who are absent and those who are present at our lodge meetings and it suddenly dawned upon me that these two groups are like the two seas in Palestine the Sea of Galilee and the Dead Sea.

The Sea of Galilee is a live, active body of water and clear as crystal. In it are wonderful species of fish. On its banks luxurious vegetation thrives the year round. Beautiful birds use this place at a Paradise. Many people spend their vacations there. The sea of Galilee empties its waters into a river, which flows endlessly. It gives more than it receives,

The Dead Sea, right below the sea of Galilee, is the exact opposite It receives its water from the river, bit it gives nothing. All around it are barren wastes. Fish do not live in its waters. Birds do not visit its shores; nor do people spend any time here. I am told the only living things that stay around the body of water are the vultures, and they for safety's sake alone.

The members of masonic lodges should decide which kind of a personality they wish to be. An active member giving more than he receives, or a Dead Sea member who gives nothing and only expects to receive. Your are only fooling yourself if you think you can receive without giving.

Why not start right now to attend more of your meetings? November 9th will be our annual homecoming. Be sure to be present.

At our stated meeting in September, it was voted to raise the annual dues to $7.00. This action was found necessary due to the assessment of $1.00 per member for the Eye Foundation fund and the general rise of the expenses of the Grand Commandery.

On October 12th the Malta Degree team traveled to Marion, Ind., and exemplified the work for that Commandery to a full class of candidates. A social hour followed and delicious refreshments and fine fellowship was enjoyed by all. You Sir Knights who do not participate in these trips do not know what you are missing. Why not plan on joining us the next time?

Plans are forging ahead for our Annual Inspection October 18th which will follow our regular stattd meeting. We will be inspected by Sir Knight Adam S. Riggen, Grand Sword Bearer of the Grand Commandery of Indiana. We will be inspected on the full form opening of the Temple degree and the exemplification of the Malta degree. A banquet for all the Sir Knights and their ladies is scheduled for 6:30 p. m. We are anticipating a large attendance for this very special evening. During our Inspection, the ladies will be entertained by the Social Order of Beauceant, on the Mezzanine.

We have a nice class of candidates for our York Rite Convocation, October 22, 23, 24, 25. Sir Knights, make plans to attend all these meetings and the banquet the 25th at 6:30 p. m.

A FAMOUS FATHER PRAYS

By Gen. Douglas MacArthur, 33°

Build me a son, O Lord, who will be strong enough to know when he is weak, and brave enough to face himself when he is afraid; one who will be proud and unbending in honest defeat, and humble and gentle in victory.

Lead him, I pray in the path of ease and comfort, but under the stress and spur of difficulties and challenge. Let him learn to stand up in the storm. let him learn compassion for those who fail.

Build me a son whose heart will be clear, whose goal will be high; a son who will master himself before he seeks to master other men; one who will learn to laugh yet never forget how to weep; one who will reach into the future, yet never forget the past.

Give him humility, I pray, so that he may always remember the simplicity of true greatness, the open mind of true wisdom, the meekness of true strength.

Then I, his father, will dare to whisper, "I have not lived in vain."

OF PROFANITY

I can say it is a vice, fashionable, widespread and on the increase. We are not exempt from it. If it does not pollute our halls, yet many lips are desecrated by its utterance, and how many ear pained by its echos. Let us all recall and reflect a moment. Before a candidate for the mysteries of Freemasonry is permitted to take one step, he must declare, upon his honor as a man, a sincere belief in God. After making this solemn public declaration, how can, how dare, any conscientious man, utter His holy name other than in a most reverent manner? How a Mason can so forget himself and yield to a wholly inexcusable vice, passes all conjerture. Brethren, we must not neglect our solemn declarations. Let us not betray the sacred trust imposed in us, nor violate the solemn vows by us voluntarily taken to be happy participators in Masonic labors and privileges. We must maintain its fundamental principles and keep intact the integrity of its tenets. Guard the sacred altar before which you and I bow in humility; honor and reverence the Being upon whom we momentarily depend for our very existence. Let the sacred name never, never be profained by him who claims the name of a Fremason.—Exch.

Now that the back-to-school rush is over and I've had time to recuperate a little, I fell that everything is falling into place and organization has returned again.

At our first meeting on September 11, we had a tremendous turnout and I surely appreciate the way you boys helped to get the ball rolling. We had visitors with us from Baltimore Chapter in Baltimore, Md. as well as a large group of boys from coliege and the service. I would like to thank the Mothers' Circle for the fine refreshments. We really enjoyed them.

On September 25, we carried on our second meeting a little less nervous than before. We received forty-one petitions for membership thus raising our total of new candidates to fifty-four. That means that we have almost one hundred more petitions to go before we reach our goal. It only takes a few minutes to invite a boy to join and you could well change his entire future.

So much for past events! Looking ahead, there are a few dates on our calendar that I would like to call to your attention. On October 23, we will conduct our first Initiatory Degree of this year. I sincerly, hope that you will all come down and welcome these new members. I know also that the new officers, who will be putting on this degree for the first time, will deeply appreciate your presence and backing. In addition, October 23 is the last meeting to turn in the petitions of candidates to be initiated this semester. The Mothers' Circle will serve refreshments after the meeting.

Our annual Father-Son Night will be held on October 30. The activities will start promptly at 8:00 P.M. and there will be no charge. There is an outstanding entertainment slated for that night. The Mizpah Masrquers have consented to be with us again and I know that they will provide their usual enjoyable entertainment. Light refreshments will be served directly after the meeting by the Mothers' Circle. This is one night in the year when you can go out with your Dad and spend an enjoyable evening together. Spread the word around to your buddies and let's have a big time turnout. All members and their fathers are welcome.

There is a special called meeting on November 8. This meeting will take the place of the regular date on November 13 which had to be cancelled because of conflicting dates. Be sure to mark this change on your calendar.

That's about all the news I have from the East. I'd just like to remind you fellows to attend these activities if it is at all possible. Let's keep this fine attendance up. See all of you at the Initiatory Degree on October 23.

Illustrious Brother J. Henry Roberts, the Deputy for Indiana in the Supreme Council of the Northern Jurisdiciction of the Ancient Accepted Scottish Rite, announced at the Indiana Banquet held at Cincinnati, September 26th that our Dad, Harry F. Reithmiller had been nominated to receive the honorary thirty-third degree next September at Boston, Mass. We are all so happy that his outstanding work in building up Ft. Wayne Chapter has thus been recognized in such a wonderful manner.

DEMOLAY MOTHERS CIRCLE

Our Pot-Luck dinner held in Franke Park proved to be a very successful get-together to start the fall and winter activities of the DeMolay Mothers Circle. Mrs. Passwater and her committee provided the members with a very entertaining evening. Old friendships were renewed and many new Mothers found new friends.

Rrefreshments were served to the boys following their first meeting in September. Those assisting were Mrs. Robert Passwater, Mrs. Alice Ayres, Mrs. Clayton Dunton, Mrs. Lawrence Foote, Mrs. Ora Goodyear, Mrs. Ralph Pettit, Mrs. Howard Sheeler, Mrs. Danley Schiebel and Mrs. Harry Riethmiller.

The October meeting will be held at the home of Mrs. Berton Pontoni, 3416 River Forest Drive. As we are approaching the festive seasons of the year the committee has asked Mrs. Myron Henderson to present to the circle a lecture and demonstrations on the art of floral arrangements. We hope that you will all plan to attend this meeting as it will surely prove useful to you in the coming months. Assisting Mrs. Pontoni will be Mrs. Harry Biddlecome, Mrs. Ben Brothers, Mrs. Kenneth Dowty, Mrs. Guy Fordel, Mrs. Theodore Fidler, Mrs. Paul Hendrichson, Mrs. Warren Jackson, Mrs. Harold Kroeger, Mrs. Stanley German, Mrs. William Holmes, Mrs. John Painter, Mrs. Michael Pulver, Mrs. W. Oliver Wendel Holmes wrote—"Pick my left pocket of its silver dime. . . But spare the right. . . . It holds my Golden Time." Brethren, I can not help but reflect upon the above quotation "My Golden Time." What do we do with it? How do we spend it? Wisely and well, or do we let it slithier away unused, with no benefit to anyone not even our selves. Sure, as usual I'm getting around to some thing, many times this year I've written—"Attend Lodge—Bring a Brother with you," surely you didn't feel you are wasting Golden Time by attending Lodge, because I know there isn't a brother who don't gain some knowledge every time he is present at Lodge meeting. You are not wasting your "Golden Time" by visiting a sick brother, because you come away from such a visit feeling well paid in the personal satisfaction of having helped some one less fortunate than you. When asked to perform some task in the Lodge be it large or small you spend your "Golden Time" doing it, after which I know you fell well repaid in having done the job well. In short Brethren our "Golden Time,, is never wasted in doing something to help others, or doing the job well, what ever it may be. Brother spend your "Golden Time" as you wish but spend it in such a manner that when you reflect back, you feel good about the result.

In writing this article I am going to assume that you will receive it before October30, so that I may remind you of our Awards Banquet to be held on that date at 6:30 P. M. in the Temple. Remember Grand Master Steven L. Miller will be present for this event Do you have your ticket yet??

Brethren at the the Stated meeting in September your Lodge voted to amend its By-laws, and effective this year the dues of this Lodge shall be $15.00 per member per year. I wish at this time to commend the Brethern in voting this change in the By-laws, all Lodges are having a difficult time in proceeding from year to year in the manner in which you expect the Lodge to which you belong to conduct itself, Expenses increase every year yet income has remained the same. I think you should be proud, and justly so, in voting your Lodge this increase in dues. Shall we be practical and say, its only going to cost you less than ten cents a week more.

Now should you know of any sick Brothers be sure and visit them, then call your Lodge officers and inform them of the sickness so we in turn can announce the fact before the Lodge and visit the sick ourselves.

Remember the forth coming events —Award Banquet Oct. 30—6:30 P.M. at the Temple; Family Nite November 30—6:30 at the Temple. Be present in Lodge meetings whenever possible your officers are always looking for you.

RECEIPT FOR HAPPINESS

Give a little,
Live a little,
Try a little mirth,
Sing a little,
Bring a little
Happiness to earth.
Pray a little,
Play a little,
Be a little glad.
Rest a little,
Jest a little
If the heart is sad.
Send a little,
to anothers door.
Give a little,
Live a little,
Love a little more.

"Back In The Saddle Again," that was the theme used for thefirst Chapter Meeting September 6th. A delicious Pot-Luck was served on the mezzanine before the meeting. Sisters Pat Walker, Jo Cecil and Betty English welcomed all by singing "Back in the Saddle Again." The East was decorated with Boots and Saddle in keeping with the theme. This was also Obligation Night and, led by our Worthy Patron, we all renewed our Obligation. After the meeting Sister Tessie Wise gave a very interesting talk on the hi-lights of her trip through Europe this summer.

On September 20th we were honored by the Official visit of our District Deputy, Opal Clements. Sister Opal was escorted to the East and the Choir greeted her in song to the tune of "Star Of The East." The East was very beautifully decorated with an imitation stone fence covered with spring flowers by which stood a bench and Wish Bone. The Wish Bone was an idea that Sister Opal had carried out through-out her year as Worthy Matron. And the Poem "Receipt for Happiness, which Sister Vera opened the meeting with, was from Sister Opals program book. She highly complimented our officers and I think I can speak for all sideliners and say too, "Your work was beautifully done, and we're quite proud of you!"

Sister Vera would like to take this opportunity to Thank the committees and all who helped to make this night such a success.

Lets not forget October 14th is the trip to the Masonic Home and the 18th is Friends Night. Then on November 24th is the Square Dance, end December 3rd the Card Party and Bazaar. Let's all help make these a huge success by our attendance!

MORE ABOUT CLEO'S NEEDLES

In front of the Temple of Alexandria, Egypt were two large obelisks which were known as Cleopatra's needles. One was moved to England where it now stands.

When it was removed under the foundation of it was found two stones one rough and the other finished representing the ashlars. One apron a trowel iron or steel, and a trestle board.

Under the one now in New York was found a trowel, square, two ashlars, lead plummet, trestle board and a stone bearing the mark of a master workman.

A very nice crowd was present for our first fall meeting.

There is only a few more months left in this year, so get out to Lodge now and help with the work or just sit in the side lines. All these things help to make a better impression on our candidates.

Our plan was changed as regarding the, Educational Night for October 2. We received a letter from Bro. Lenis N. Brethren:

South Gate was instructed in the Entered Apprentice Degree by Brother Lenis Friestine, Grand Lecturer for the state of Indiana on Monday, October 1st. Your officers are to be commended for their splendid work presented.

I hope you attended the Smorgasbord on September 29th. From all reports, everyone had an enjoyable time. Our Jr. Warden, Bob Marshall did a swell job. Thanks again to Bro. Mike Muha for his lively reminder, 'THE SOUTHGATER.'

To you members of the Veterans Visitation Committee, I want to again thank you for your work in representing your lodge on those occasions. Don't forget the visitation calendar in the Square and Compass.

It is with deep regret that I inform you of the death of our friend and brother, Henry Doehrman, who passed away in August. We extend our sincere sympathy to his family.

We have two candilates for this month. Now would be a good time to get into the Fall swing of coming to lodge. Bring a brother South Gater or a so-journer with you.

Have you ever sat in lodge and listened to the degree ritual, the lessons given, watched the candidate travel through the lodge on his way East? Have you ever given a thought to the preparation that goes into just one degree; or the many hours that have been spent studying ritual, getting first hand information from other officers and the hours spent in practice and lodge attendance? Did it ever occur to you that as an officer advances in the line, new degree ritual and new lectures must be learned? With each new office comes that demand for more hours of memorizing. Yet every officer who has had the opportunity to give the work feels a certain accomplishment.

My own personal observation is the belief that I have profited in a greater understanding of the lectures, which in turn has given me a broader view of Masonry. I also firmly believe that even though a member does not learn the ritual or lectures in the same manner as his officers; he can by attendance, become better qualified to practice masonry in his dialy life.

H. Everybody

It seems good to be in old swing of things at the first meeting, September 4. I was so glad to see so many members there. The officers do appreciate a good attendance.

By the time this is published the Hayride and Inspection Banquet will be in the past, but right now the committees are working hard to make them successful. I am sure the hayride will be lots of fun as always. Joyce Campbell heads the Hayride committee with Marlyn Miner, Diane Meyers, Linda Garrett, Beverly Turner, Barb Curtis, Curstin Anderson and Diane Sparks helping her. Inspection committee is Bonnie Burchard chairman, Marcia Wible, Barbara Stanberry, Barbara Bogenschutz, Rita Wipple, Judy Bastian, Marlyn Taylor, Barbara Overhold, Betsy Engleman and Carol Lollow.

We will honor Past Queens and Guardians the first meeting in October. Its good to see them back for a meeting.

September 16 the line officers and a few members traveled to the Masonic home at Franklin for Visitation Day. Our line officers joined officers from other Bethels in forming the cross and singing the closing song. It was interesting since most of us had never visited the home before. Thanks to Mrs. Burchard, Mr. Masel, and Mr. Forks for transportation.

Remember, girls, bring your Moms and Dads to the first meeting in November, as this is Mom and Dad's Night. Let's have a big crowd and have some fun.

If any member of the Bethel is ill please contact Carolyn McIntosh H-15413, or myself.

Betsy Masel H.Q.

The Mother's Club enjoyed a pot luck at Franke Park for the September meeting with the officers as Hostess. Mrs. Virginia Trenty will serve as President for 1956-57, with Mrs. Louise McCoy, Vice-President, Mrs. Mary Watson, Recording Secretary, Mrs. Charlotte Geise, Corresponding Secretary and Mrs. C. M. McIntosh, Treasurer. The October meeting will be held October 15th instead of the 8th, the place to be announced later. All members of Job's Daughters are invited to attend these meetings which are held the 2nd Monday of each month.

It teaches a loving heart to yield
To a greater life of sacrifice and love.

"Every life is a field;
Everything we do and all the words we speak are seed.
What will the harvest be?

To take stock of our lives as members of this great Masonic Fraternity should be our constant care. The privilege of belonging to the Masonic Fraternity is not to be taken lightly as I am sure your are all aware.

The members of Sol D. Bayless have again shown their faith in their lodge and Masonic fraternity by voting to increase their annual dues. By so doing, we can assume our share of of the expenses of the Masonic Home. provide for the maintenance of our Temple. and assure the continued financial success of our Lodge. Congratulations and thanks to all for your charity and confidence in supporting our lodge and its endeavors.

Now, come take advantage of all the privileges that your Lodge has to offer. Hear again the words of the ritual and thank God we are Good Masons.

I am sure all present at our Smorgasbord and square dance party on Saturday, October 13, had a fine time.

Don't forget to keep Monday night. November 26, open. It is our annual Past Master's night.

We were privileged, together with Summit City Lodge, to have had Lenis N. Friestine, Grand Lecturer, visit us for a lodge of instruction on October 3.

Four members of our Lodge have been called home by the Grand Architect. To the families and friends of Carl Mueller, Glenn Benton, Walter Keenan and Bernard Evans, we wish to extend our sympathy .

Illness of members, Brother Francis E. Wells in the Lutheran Hospital.

Brothers. don't forget our Veterans Hospital visitation committee. Plan to visit the fellows at the hospital with them. Check the September issue of your Square & Compass for the dates.

Also. read Master Councilor Phil Shriner's column in each issue of your Square & Compass. Plan to attend some of the Demolay meetings for your own benefit. They invite all Master Masons to attend their ceremonies and meetings.

A thought for October. remember, "He who cannot forgive others breaks the bridge over which he must himself pass."

MISGUIDED MEASUREMENT

Master Masons too often measure their progress by the degrees they received rather than the degree with which they throw their influence into applied Masonic teaching.— Iowa Grand Lodge Bulletin.

Send its radiance near and far,
And each member reflect the glory
Of our beautiful Eastern Star.

MASONRY IN IRELAND

Nowhere is Freemasonry more consolidated and all branches wound up ina single package than it is in Ireland. Freemason's Hall in Dublin is the center of Masonic activities for the Emerald Isle, not only that part comprising the Republic of Ireland, but also those six northern counties of Ulster which are still under British government. The Republic of Ireland has some 2,948,000 people and Northern Ireland has a population of 1,370,000.

The Grand Lodge of Free and Accepted Masons of Ireland was founded in 1725 and now has some one thousand lodges on its roster, of which seventy-six are outside Ireland. Seventy-six lodges are in the city of Dublin, which is a city of 500,000 persons, of which 85 percent are Roman Catholic, but Freemasonry is exceptionally strong, nevertheless.

Freemason's Hall is the headquarters of the Supreme Grand Royal Arch Chapter of Ireland, the Grand Council of Knight Masons, the Great Priory of Knights Templar and the Supreme Council of the Ancient and Accepted Scottish Rite.

As in England and Scotland, the Scottish Rite is a rather exclusive organization and not the popular institution it is in the United States. This is evidenced by the fact that there are but nine members in all Ireland who have attained the 33rd degree, and these are all active, there are no honorary thirty-thirds. In addition to these nine, there are only 16 members who have the 32nd degree; in addition to these there are only 21 who have the 31st degree; in addition to these there are only 30 who have received the 30th degree. The 28th degree is limited to 35 members. There are 18 chapters of Rose Croix in Ireland having a total of about 600 members of the 18th degree, which is the only degree conferred. Only those who have been elected to preside over a chapter of the Rose Croix may receive additional degrees.

The Grand Council of Knight Masons is a body between the Grand Royal Arch Chapter and the Great Priory of Knights Templar and the Grand Council confers three degrees: Knight of the East, Knight of the West, and Knight of the Sword. A candidate progresses through all the degrees in sequence, from the Blue Lodge, through the Royal Arch, the Knights Masons, the Knights Templar and then the Scottish Rite.—From the Beauseant (Ky.)

Brethren:

On October 6, 1956 The Grand Master Bro. Steven Miller issued a dispensation to thirty-nine petitioning brothers to start a Lodge in New Haven. It is a dream that has come true for the Brothers in this area. On October 12, 1956. Bro. Orvis O. Dellinger and Bro. Herbert DeWees Acting Deputies of the Grand Master. Presented the Dispensation officially to the Lodge. We wish to thank these two Brothers, for their wise council and guiding hand in keeping us on the right path.

We also wish to thank the many Bros. for the gifts donated to the Lodge especially Bros. James Johnston, Bro. Orvis Dellinger, Bro. Wm. Sanrock and all the Brothers of our own Lodge who gave so much of their time and labor in getting our building in condition. It has been a lot of hard work, but the fellowship. we have had, will long be remembered.

Our first Stated Meeting will be October 3, 1956 and at this date we have a number of new petitions and transfers waiting to be processed. So it looks like a lot of work in November.

There is a destiny that makes all men Brothers.
none goes his way alone
what we put into the life of others
Comes back into our own.

We will be looking forward to having Brothers from the Ft. Wayne Lodges visit us. You will always be Welcome.

The month of Oetober, rieh in color and the splendors of nature, is no less endowed with Masonic virtues. The fruits of our summer time contacts, the favorable examples we leave, creates concern to the inquiring mind which reflects in a greater interest in our order. Evidence of this is manifest in the number of petitions being receiived.

We will have degree work most every month, lets see your name on the register next meeting.

Bro. Ross Dickey who now resides in Florida dropped in for a visit last meeting, thats setting a good example for those who live much nearer.

We extend our sympathy to Bro. Ted Whan in the death of his wife.

Huntertown Bethel of Jobs Daughters will have their inspection by their Grand Guardian on Saturday, October 20.

THE WORD "RITE"

The word rite is derived from the Latin word "ritus" which signifies an approved usage or custom, an external observance. Similar word in the Greek signifies literally "a trodden path" or a long followed, time honored custom. The Masonic usage of the word is therefore quite apparent as it refers to the method or pattern or custom by which a given set of degrees are imparted and received, together with a particular system of Masonic government.—Exch.

MASONS ARE AMERICA'S HEART

Every line of American history is written with Masonic ink, sweetened with Masonic love, blessed with Masonic brotherhood, and reddened with Masonic blood and sacrifice. Skim only a few highspots and you find Brethren making the Amerlean Dream, from colonial days to these times of inter-national peril. There's Kit Carson, Lewis and Clark, Sam Houston, Davy Crockett, Ogelthorpe, Lindburg, Samuel Gompers, Luther Burbank, Tom Paine, Blackjack Pershing, John Phillips Sousa, Irving Berlin, Clark Gable, Eddie Cantor, Will Rogers; a long string of Presidents; Generals from Washington and Roberst E. Lee to MacArthur, Ridgeway, Clark and Doolittle; Admirals from Farragut to Bull Halsey, developers of men like coaches Alonzo Stagg, Andy Kerr, Dana Bible, Bernie Bierman; Empire makers like Astor, Morganthau, Wanamaker, Mellon—yes, Masonry has molded Americea, made it tick and elick, defined its great dream of Brotherhood, sent its message of hope and courage ringing throughout the world.—Exch.

ADONIRAM, THE KING'S OVERSEER

Adoniram served under three kings. David, Solomon and Rehoboam in the office of superintendent of labor. In 1st Kings we read: "King Solomon raised a levy of forced labor out of Israel; and the levy numbered thirty thousand men. And he sent them to Lebanon, ten thousand a month in relays: they would be a month in Lebanon and two months at home; Adoniram was in charge of the levy."

After the death of Solomon, the nation over which he had reigned was divided by civil war into the northern kingdom of Israel under Jeroboam and the southern kingdom of Judah under Rehoboam with the capital at Jerusalem. One of the complaints of the northern tribes had been about Solomon's levy of forced labor. Rehoboam the successor of Solomon refused to lighten the burden and when he increased it he sent Adoniram to take charge of the levy over Israel. When Adoniram arived he was stoned to death. We read in 1st King "Then King Rehoboam sent Adoniram who was task-master over the forced labor, and all Israel stoned him to death with stones."

According to Masonic tradition, Adoniram worked under the Grand Architect, and, for his special service to Solomon and Hiram, king of Tyre, he was admitted to their elose companionship. We like to think of him as a zealous workman who held frequent cinsultations with his Grand Master Hiram. That he came to an untimely end was no doubt the result of his loyalty to Rehoboam, the succssor to Solomon.—Elkhart Masonic Topics.

Companions, at the September meeting of the Chapter the second and final reading of a Resolution to amend the By-Laws changing the meeting from the third Monday to the third Thursday was approved. We are now awaiting the final approval of the Grand Chapter. Please watch your Masonic Calendar for this important change.

September being the annual meeting, the following officers were elected to direct the affairs of your chapter for the coming year, Curtis E. Connin, H. P.; James P. Johnston, King, Phil A. McCague, Scribe; George Gable, Recorder; John Lombard, Treasurer; Walter N. Boshler, C. H.; Roger W. Shafer, P. S.; and Myron Milhorn R. A. C. The appointed officers are as follows; Donald R. Marvel, M. 3 V.; Homer Stevenson, M. 2 V.; Galen Lehman, M. 1 V.; Ivan A Planch, Chap.; and L. J. Johnson, Guard. The new officers wish all the best and would like to see you in Chapter so we can become better acquainted.

Don't forget the York Rite Days, October 22, 23, 24, and 25. Come and support your officers and assist them that confer the work.

To those who are ill or have sickness in their families we wish a speedy recovery.

A CHARGE TO KEEP

Let your chief care be to the advancement of society to which you have the honor to be members. Let there be a modest and friendly emulation among you in doing good to each other. Let complacency and benevolence flourish among you. Let your actions be square by the rules of Masonry. Let friendship be cherished and all the advantages of that title by which we distinguish each other that we may be brothers not only in name but in full import, extent and latitude of so glorious an appelation. May your love be reciprocal and harmonious. (Paul Revere, in a charge delivered to the brethren of his lodge in 1795. The Ohio Mason.

ZERUBABBEL

In the Book of Ezra Zerbabbel is called Sheshbazzar, the Prince of Judah and grandson of King Jehoiakin who was taken prisoner in the third and last siege of Jerusalem by King Nebuchadnezzar. After 70 years of captivity and under the direction of Cyrus he was chosen to lead the captives backto Jerusalem in 543 B. C. After reaching the city he was chosen to rebuild the temple. Before he left on this journey, according to Masonic tradition, Cyrus presented him with the sword which Nebuchadnezzar had received from his grandfather Jehoiachin.

Cyrus also restored to the Jews the greater part of the sacred vessels of the temple that had been carried away.

In the first chapter of Ezra we find a detailed account of the number of captives who returned. There were 42,360 Israelites, exclusive of the servents and slaves who accompanied Zerubabbel. From them he selected seven thousand of the most valiant and sent them on as an advance guard and ahead of the captives. Their trials and tribulations were not yet at an end for they were intercepted and opposed by the Syrians at the River Euphrates who knew they bore a large number of golden vessels. Zerubabbel met the challenge, routed and killed many and emerged victorious. The rest of the journey was uninterrupted and after four months the weary travellers arrived in Jerusalem in June 525 B. C.

The weary pilgrims rested seven days at the Tabernacle which had been erected near the ruins of the ancient temple when a council was called in which Zerubabbel presided as King, Jeshua as High Priest and Haggai as Scribe. It was there they decided to rebuild the second temple on the ruins of the old. The people donated 61,000 drams of gold and 5.000 minas of silver, or nearly a quarter million dollars in gold toward defraying the expenses, far below that which David gave to Solomon for the erection of the first temple.

After this we hear nothing of Zerubabbel, but we gather he lived long, since we find no successor mentioned until Artaxerxes appointed Ezra Governor of Judah, 57 years after the completion of the Temple.—Masonic Outlook.

GRAND LODGE OF EGYPT

"Mohammed Refaat Bey, 33°, Grand Secretary of the Supreme Council of Egypt and also Grand Secretary of the Grand Lodge of Egypt, states that Masonry in the Arabian Countries under the jurisdiction of the Grand Lodge of Egypt is prospering and has much financial stability. There are 450 children being cared for in Masonic Homes under the Grand Lodge.

There are 28 Symbolic Lodges in Cairo, 22 in Alexandria, 13 in smaller towns, 4 in Palestine, 8 in The Lebanon, 1 in Transjordan, making a total of 76 Lodges. In Syria, under a Provincial Grand Lodge of Egypt located at Damascus, of which Atta El-Ayvoubi Bey, ex-President of Government, is Grand Master, there are 7 Symbolic Lodges. There are also a great many Freemasons belonging to the National Grand Lodge of Egypt who reside in Iran, Iraq, Arbia, Kuait, on the Persian Gulf, but there are no Lodges there. Among the Masons in all these Lodges are Frenchmen, Greeks, Syrians, Turks, Italian, Armenians and others, but the majority are Egyptains, and harmony prevails among them all." The Cathedral is a place of much activity these days and evenings. Petitions are being received, the degree casts are rehearsing and all are looking forward and planning for a grand Convocation. Make your plans now to attend each of the three days and evenings, November 13th, 15th and 16th. If you have not yet secured and presented a brother mason's petition you still have time. The last day for petitions to be received is October 30th. You will enjoy the Convocation to a greater degree if a brother mason whose petition you secure is in the class.

We will have a grand opening of the Consistory degrees with the dramatic 21st degree being exemplified by brethren from the Valley of Indianapolis, Thursday evening the 15th on the stage of our new Scottish Rite Auditorium on West Berry Street. There are plenty of seats so be sure to be present to witness the splendid work of our Indianapolis brethren. The 29th degree will be exemplified in the Cathedral Friday morning following the Class Organiation. After lunch the 23rd degree will be exemplified with the beautiful and crowning 32nd degree closing the work of the Consistory.

We have been most fortunate in securing Dr. Russell J. Humbert, President of DePauw University as the banquet speaker. The comments from those who have been privileged to hear Dr. Humbert attest to his reputation as a very forceful and interesting speaker. His subject will be "Our Abiding Purpose."

Dear Brother Hunt:

Thank you for your nice letter advising the visitation of your Masonic committee with our member Percy R. Logue at the Veterans hospital in your city.

We have been in contact with our brother ever since he was admitted to the hospital, and have done what you have suggested, sending cards, flowers and just recently making him a Life Member of our Lodge due to his continuous membership with us.

Being so far from him it has been our only way of showing him our interest in him, and we do appreciate your committee making this call and hope that you can continue to visit with him. If there is anything our lodge can do otherwise we would appreciate you advising us and we will be very glad to do our part.

Again thanking you and your members for this courtesy to us and with best fraternal wishes.

The Officers of the Scottish Rite want to express their heartiest and most sincere thanks to the many men that helped to get so many Blue Lodge Masons to share and experience the lessons taught in the Scottish Rite degrees. The Membership Committee, the Scottish Rite clubs and many individual members are to be complimented for the large class initiated in our Fall Convocation. It was pleasing to note a renewed interest and a goodly number of applications from different areas in the Valley.

Scottish Rite Club parties for the members and their wives were held at Bluffton, Warsaw, Winchester. Club meetings for members were held at these occasions were especially good and we are indebted to the many folks that made these meetings possible.

The Scottish Rite members of Whitley County were entertained with a banquet in the Masonic Temple at Columbia City. The dinner was given in honor of Brother George Leininger who received the Honorary 33rd. Degree at Cincinnati in September. Whitley County S. R. Club was formed and the following officers were elected — Richard Striggle, president; Richard Osborne, vice-president and Robert Estlick, secretary and treasurer.

At the regular stated meeting December 4th., James Irving will show pictures and relate his experiences of the elephant hunting trip into Africa. A perpandicular or standup lunch will be served after the meeting.

Brethren: I am very glad to see so many of you in Lodge lately. Attendance has been very good. Those of you who have been putting off coming to Lodge on Thursday should come on out and enjoy a good evening of Fellowship.

I expect by now most of you know our dues will be $15.00 for 1957 payable on or before January 1st. This raise was necessary because of the increasing need at the Masonic Home and the increase in expenses in operating your Lodge.

We have been fortunate in having a good class of candidates each month This month we have three candidates and as Thanksgiving falls on the fourth Thursday we will not have Lodge that night. We will confer the Master Mason degree on Thursday, November 29th. Cleo Platt and the fellowcraft club have promised us a rabbit fry that night so I am looking forward to seeing a good many of you present

December 6th will be the Stated meeting and election of Officers for the coming year. Dinner will be served at 6:30 P.M. So make that date on your calendar as a must. We have several important subjects to discuss that evening.

See you all in Lodge Thursday.

This year, Homecoming again lived up to its every meaning and implication. Here was a generous helping of God's bounty to man . To see the hundreds of brothers enjoying the renewal of old friendships, the obvious companionship exhibited, the grand feeling of unity would gladden the heart of any mason.

Masonry derives its authority and respect from the teachings that wind back through the middle ages and perhaps beyond. Summit City gains its authority and respect from the application that its members have made of these teachings. No man can measure the extent of the gifts that Summit City has placed before her candidates in the past hundred years. Certainly, no one can determine the love and gratitude that the brothers feel for our lodge. But indications of that great feeling were evident this Homecoming evening.

One does stop in the middle of such an event to recall the many brothers who have passed beyond the barrier, to remember their fine qualities and, in many instances, their greatness in leadership. This institution of ours cannot survive, let alone grow; without the support of such men. Let us consider what they have accomplished Now, look to the table where the class of 1956 are seated. Upon these men falls not only our great heritage but also on encompassing, responsibility to forge the future as those others have forged the past.

Long may this grand fraternity flourish.

"It's the giving and doing for somebody else
Upon which life's splendor depends
And the greatest of gifts, when we sum it all up,
Is found in possessing good friends."

Faith Shrine No. 29 was accorded another distinct honor when our own Soj. Harriet Treace, Supreme Deputy, was elected to an office in the Indiana State Shrine Association. She was made third vice-president, which means we shall entertain the State Association in 1959. A large number went to Indianapolis October 12, and we all had a good time.

Our Friends' Night was a huge success. Guests filled all of the stations being present from Wabash, Anderson Kendallville, Niles, Mich., Greenville and Middletown, Ohio.

We were honored with the presence of P.S.W.H.P. Mary Bartlett, presiding Supreme Treasurer, P.S.W. H.P. Zelma Kay and P. W. H. P. Melinda Rousselet, a member of the Supreme Obituary Committee. Everyone enjoyed Soj. Betty's welcome in song. After the stated meeting delicious refreshments were served by the Social Committee, Sojs. Mildred Smith and Elizabeth Bliss, Chairmen. The tables carried out the friendship motif with clasped hands and chains. These decorations were in charge of Sojs. Irene White and Evelyn Gardt and their committee. A musical program was presented by Lawrence Meriwether.

To the newly exalted companions we offer our congratulations and hope that you enjoyed receiving the degress as much as we enjoyed conferring them. I would like at this time to thank all the companions who had a part in the conferring of the Degrees for a job well done.

To the Companions of Ft. Wayne Chapter let's not forget that Blue Lodge friend of your's and secure his petition for our next Convocation which will be held some time in March or early April. The dates will be announced in a later issue of the Square and Compass.

We now have final approval of the change in our By-Laws and are holding our stated Convocation 7:30 P. M. on the third Thursday of each month, except July and August.

WINTER NOW . . .
Can be Enjoyed

. . . no longer dreaded and feared because of health threats that come with raw and chilly months. Pneumonia, for instance, was especially feared. Not too many years ago this disease claimed one out of every three victims. Today, this is not true . . . thanks to the combative effectiveness of sulfa drugs and antibiotics.

However, today as always when a fever or cold threatens . . . call your doctor promptly so he may prescribe immediately. For the sulfa drugs and antibiotics are even more effective when taken immediately. Bring your prescription to your Registered Meyer's Pharmacists where they are compounded precisely as Instructed by your doctor.

You can depend, too, on the household drugs you will find on our counters and shelves. Check your medicine chest to see that you have all the remedies on hand when you need them.

The year 1956 is fast drawing to a close, but we still have several big activities. November 13th is our regular Stated Meeting, then on November 16th is the big 50 year night when we will make 50 year awards to two Brothers, George H. H. Squire and Isadore Kalver and 25 year awards to several Brothers. We will send out cards for this activity and Brothers please return your card promptly as we would like a large attendance for this meeting as the Grand Master will be here and it should be worth your while to attend.

At our Stated Meeting December 11th will be election of Officers for the coming year, reading of annual reports and annual fish fry.

The next big night will be Installation of New Officers as near December 27th as is possible.

We still have 3 candidates working on Fellow Craft Lecture so when they are ready we will sandwich in a big Master Mason night as we want to raise them during this year. If we raise these 3 Brothers we will have raised 21 candidates during this year, so you will see that we have had a busy year and we certainly appreciate all the cooperation given us.

Come out Brothers and share in your Lodge. Your Officers will do our best to make it interesting enough that you will want to be there often.

This being November we all have so many things to be thankful for. The fine fellowships that we have are one of the things we all take quite for granted. Let us be thankful for our many blessings on this Thanksgiving Day.

Don't forget the December 6th meeting is annual election of officers. The governing body of your Lodge is elected by those who vote. Be sure and be there to vote.

The O.E.S. Chapter No. 278 is planning a Past Matrons and Patrons night on Wednesday, November 28. The Committees are working hard on this program and invite all Past Matrons and Patrons to attend. Another date to mark on your calendar is the Christmas Party on December 12th. More about that later.

I want to compliment all the officers for their fine job in putting on the work. We have purchased a new oil furnace for our Hall which will be installed within the next three weeks. At our October meeting we discussed remodeling and building an addition to the back 15 x 24 ft. for a dining room. At our December meeting it will be put up to a vote of the Brethren to accepted or reject.

We regret to announce the death of Bro. Oscar Scherrer last month. We extend our sincere sympathy to his family and friends.

The Master Degree will be given November 2nd for Bro. David Harper. Don't forget that our December meeting is the election of Officers so everyone come and vote for your Officers for the next year.

Brethren: Once again November brings to us one of the most beautiful customs that has ever prevailed among any people—Thanksgiving Day. We should be ever ready to receive this day of Thanksgiving with grateful and happy hearts, and be thankful that we are a free people; that we may worship Omnipotent God according to the dictates of our own conscience.

We should be thankful for each other, for the fellowship we enjoy, for the spirit of helpfulness, kindly words and deeds; that Brotherly Love, Relief and Truth ever will prevail among us.

Degree Work: We have received a number of petitions this fall so Brothers, we are in need of laborers. Our calendar for November and December will be November 6, Fellow Craft Degree, 7:30 P.M.; November 13 Stated Meeting 7:30 P.M.; November 20-27 at 7:30, and December 4, 5:45 P.M., will be Master Mason Degree. Brethren, those of you who have been taking a part of the work in Lodge, I wish to say, you are doing a swell job, keep up the good work, also thanks to those who come and sit on the side lines.

I received a letter from Steven L. Miller, Grand Master congratulating us in presenting the Entered Apprentice Degree at the Lodge of Grand Lecturer was here October 2.

He also made this suggestion, that we build up our reserve funds. Here I wish to thank the Brothers for voting to raise the dues to $15.00 per year, which will enable us to build up our reserve funds.

The membership committee did a fine job in getting so many new members for the fall convocation. Brethren keep the good work up.

As your Soverign Prince I was proud of the excellent attendance at our rehearsals and the way the 15° and 16° degrees were conferred on such a fine class of candidates. It is always a pleasure to have members of the rite ask to help with degree work, so if you have time contact one of the officers who will see that you are taken care of. Spend some of your leisure time in Masonry you will enjoy it.

NEBUCHADNEZZAR
By E. George Lindstrom, P. M.

There are three Nebuchadnezzars, one a king of Assyria who lived in the 7th century B. C. He fought and defeated the Medes. Another king by that name reigned from626 to 605. He united with Astyages in the conquest of Syria and founded the Syric-Babylonian empire.

Nebuchadnezzar the Great, son and successor of the preceding, was powerful and severe. I have related his many wars on Judah and the awful punishment meted out to King Zedekiah and the carrying away of the captives to Babylon to the beautiful hanging gardens, one of the seven wonders of the world, made to please his wife, a Median princess.

About 630 he placed Jehoiakim on the throne with a promise to keep his kingdom for him. He violated his oath and Nebuchadnezzar had to invade Jurea and punish him. His son was placed on the throne, reigning for three years but was deposed and the throne given to his uncle, Zedekiah, in 588, a man who had many vices. He was full of subtley and made a league with the Egyptains, betraying his friend as his predecessors had done before him.

Nebuchadnezzar made war against him and after a siege of 18 months reduced the city, pillaged the temple and carried all the sacred vessels away.

King Zedekiah's sons were slain before his eyes, then his eyes plucked out, then together with all the able bodied people marched them to Babylon. Zedekiah died there.

After twelve years of resistance Nebuchadnezzar took Tyre, Egypt and Persia, making him an empire of enormous proportions.

Toward the end of his reign, as a punishment for his pride and vanity, a strange malady, a form of madness was sent upon him which the Greeks called lycanthropy wherein the sufferer imagined himself a beast, quitting the haunts of men and insist upon leading the life of a beast. He recovered and assumed his rightful place as King.

The comfort and solace of beautiful music at time of bereavement is widely recognized. That's one reason why we have installed our beautiful organ. Well-known for its tonal beauty and its soul-stirring notes, we consider it essential to a complete service.

Annual Homecoming at Ossian was well attended, both at the banquet and the program which followed at the lodge hall. Rev. Robert J. McDaniel, of Ft. Wayne, was the speaker. Many of our members who are not residents here were able to greet old friends and make new ones.

Plans are now under way for our annual Christmas party for members and their families on Monday, December 3. There will be a program and treats for all. This is a program especially for the children and all members are cordially invited and urged to bring their families for fun and fellowship.

Please don't forget Thanksgiving day, a day set aside for everyone to pause in this busy world of ours and return thanks to the Grand Artificer of the Universe for all the many blessings which are ours to enjoy.

JEREMIAH

By E. George Lindstrom, 32°

There are eight men mentioned in the Old Testament, the most notable one being Jeremiah the prophet. Jeremiah, 640-586 B. C., was the son of Hilkiah, a prophet. He had a son named Jaazaniah. He was born or resided at Anathoth, three miles from Jerusalem. He was called to the prophetic office in the i3th year of King Josiah, about 629 or 625. Jeremiah prophesied in the 11th year of King Zedekiah, about 41 years; was nervous, sensible and gentle.

Under Jehoiakim, 607-597, he opposed the Egyptain party and manifested that the only way of safety lay in accepting the rule of the Chaldeans. He was accordingly accused of treachery. In the fourth year of Jehoiakim the battle of Varchemish overthrew the hopes of the Egyptain party and the armies of Nebuchadnezzar drove those who had no defensed cities to take refuge in Jerusalem.

Zedekiah commanded that they should commit Jeremiah into the court of the prison and they gave him daily a uiece of bread. The Bible says he was placed in Malchiah's dungeon. Later they gave him old castoff clouts and rotten rags and then threw him out of the dungeon but remained in the prison until the day that Jerusalem was taken by the King of the Chaldeans.

As the danger became threatening against Jeremaih, and hotter after the siege, he was carried as far as Ramah with other captives and was set free. The prophet was definitely on the Bablonian side and the victor offered him the option of an honorable position in Babylon or permission to remain with his people in his own land. Jeremiah elected to stay. He found that Gedeliah was appointed ruler over Judah. Peace was broken by the murder of Gedeliah by Ishmael, the prophet Jeremiah escaped massacre and the people turned to him for counsel. He went to Egypt with his people where the later made his escape. Contemporaries say he was put to death there for preaching idolatry.—Chicago Chronicler

Brethren:

Have you noticed our new globe with the Masonic insignia on it in front of our lodge? For this we owe thanks to Bro. Elmer Barcus, Delmar Green and P. M. Phil Carsten that I know of and perhaps others who lent a hand. We are very grateful and once again, Masonic brotherly love and friendship have been demonstrated.

Our thanks also go to W.M. Lewis G. Davison, his officers and brethren of Three Rivers Lodge for their splendid hospitality during inspection.

At our stated meeting in October it was voted to raise our annual dues to fifteen dollars. We hope in this way to be able to give you brethren a sounder lodge in regards to finances and perhaps some extra programs in the coming year.

For ten straight months I have endeavored to entice many of you brethren to attend lodge. By the use of this column I have plead, begged, cajolid, threatened and entreated you to come. Now I have ran out of ideas, so won't you please come to lodge and give me some new ones to work on.

Wednesday night, November 14th, is Entered apprentice night at New Haven Lodge U.D. and we have been graciously invited to attend. This will indeed be a pleasure and I hope we can all go.

Enter into his gates with Thanksgiving and into his courts with praise: be Thankful unto him and bless his name.

As we approach the Thanksgiving season I find so very much to be thankful for. I am thankful to be a part of a group who are so willing to help whenever and wherever they can. No one goes his way alone. It is only through the efforts of those who help us on our way that we realize the worth in our motto, "Making friends while serving." I have certainly felt the lifting power of willing hands as we have journeyed thus far this year.

My thanks to each of you who had a part in making our trip to the Home such a pleasant one. We had a beautiful day and your presence meant much to those who planned it all. Thanks to our committee who helped Sister Katherine Muir move to her new home. We know she'll meet many friends there.

Our Choir Night and our Friends Night involved a lot of extras and to each of you who had any part in the success of the evening—our most sincere thanks. Our songs-decorations and refreshments are always special and we appreciate the work involved. Thanks to our faithful sideliners you make our labors worthwhile.

We want to thank those who had a part in our Anniversary surprise. We were surprised alright! We appreciated all the cards we got-both anniversary and my birthday—Thanks a million!

Fraternally
Paul and Vera Hayden

October 4th the Choir entertained our Chapter, with a wonderful program. They used as their theme "Tunes from the Gay Ninefles." Each we wonder how they could evere put on a better program, but it seems by the time another year rolls around the Choir has worked up another equally as good and then we wonder how it can be eat. I feel we are really fortunate in having such talent in our Chapter. Along with the Choir several of our Officers took part in the program too. We want to compliment you too and say to all you, who wasn't able to attend, that our own Worthy Matron and Patron were splendid doing the Rock-n-Roll Waltz. A group of musicians called the Music Masters also brought us some very beautiful music. Our hats are off to each and everyone of you who took part in such a wonderful program. October 18th was Friends Night. The Chapter Room was filled and the evening was enjoyed by all. There being no initatory work the Guest Officers opened Chapter and the Guest Patron, Brother Emmitt Bliss from Shiloh Chapter, led all in renewing the signs and passes.

The East was decorated as an Old Country Store with the Old Pot-bellied Stove, pickle and cracker barrel, every thing right down to the checker board. Around this scene revolved the program for the evening. After the opening, Chapter was declared at ease and then in came the old store keeper, Clayton Herrick, followed by a couple old cronies, Ed Wooldrige and Leon Williams, who whiled away the hours playing checkers. One by one each officer escorted their Guest into the store and purchased a gift for them. We were honored again by having our District Deputy with us and she was presented with a gift by the storekeeper himself. After this portion the Associate Matron and Patron, much to our Matron and Patron's surprise, approached the East and escorted Sister and Brother Paul in front of the alter and their officers formed a semi-circle around them. This was to celebrate their Wedding Anniversary which was the 12th of October. Pat Walker sang "The Anniversary Waltz." The Store-Keeper then presented them with a gift from their Officers and they all sang "Happy Anniversary to You".

I feel October has been an outstanding month and I know the rest to come will be equally so, lets more of us come to enjoy them. Don't forget the Square Dance on the 24th and the Card Party and Bazaar on the December 3rd. The Social Committee will appreciate any donations for the Bazaar.

We wish a speedy recovery for those who are ill and our congratulations to Helen Crampton on the birth of a new grandson.

A PRAYER

And now, dear Lord, accept our thanksgiving;
And give us the joy of Thy conscious presence,
Speak words of comfort to those who are in sorrow,
And send light to those who are in darkness,
Be consciously near to those who seem to be alone.
And now we thank Thee for the blessings of another year.

Seems like we're just getting started with our meetings and here it is almost the end of the year. Since the last issue there has been a lot of things to keep everyone busy.

The annual hayride, held at Bullerman's farm, was a huge success, and the committee did a grand job working with Joyce Campbell, the chairman. As most of you know the weather kind of worried us for a while but it turned out to be a wonderful evening. All the helping hands from the council, parents and the members were greatly appreciated.

There was a good turn out for our Past Queens and Guardians' Night. A very clever style show by the mother's club was enjoyed by all.

October 3 the officers went to Angola to put on the opening and closing for the Eastern Star. It was a lot of fun to demonstrate what Bethel No. 8 does. I'd like to thank Mrs. Burchard, Mrs. Reim, Mrs. Ashley, Mr. Bogenschuetz, and Mrs. Ruhl for driving.

It takes a lot of work, worry and preparation to get ready for Inspection and now its all over. The concensus was that the dinner was delicious, the decorations lovely, and the meeting went smoothly. The banquet decorations were in lavender, dark purple and white. A white frame against a levender background held the Queens bouquet as a back drop. Nut cups had light and dark purple crepe paper gathered around them with a spray of Lily-of-the-Valley. Programs were light purple with the outline of Indiana on the front with Bethel No. 8 printed where Ft. Wayne is located. Shades of purple crepe paper and miniature bouquets decorated the center table. Thanks to the committee, headed by Bonnie Burchard, for all the time and work spent. Also to everyone who worked in the kitchen preparing the meal.

The escort for our Grand Guardian, Mrs. Brill, were six girls with white formals who sang "White Coral Bells" with the choir assisting them.

A very special invitation to all parents for our next meeting, Mom and Dad's Night, November 6. An interesting program is being planned by the officers and choir.

Another important event coming up soon is church Sunday, November 11. It will be held at the Grace E & R church at the corner of Lexington and Webster. Church services at 10:40. The officers will have a part in the services so I hope we have a goodly number of Job's Daughters in attendance.

Illness reported in the Bethel; Ann Edens and Sharon Simmers.

Our minutes are like precious gold
To save or throw away
They either bring us joy untold
Or sorrow and dismay
So give to every day its due
In honest earnest toil
The harvest pays in measure true
As each man tills his soil
'Tis he, who ever daily spends
His time in useful ways
Who reaps rich store of dividends
In happy future days.

This is the season to give thanks for all our blessings. Let us remember them and thank our Beloved Father for each and everyone.

When this column reaches the members of our Chapter, our Friends Night will be in the past. Many guests from different Chapters helped make this evening a most successful one. Delph McKesson, Past Grand Patron of the Grand Chapter of Indiana, was an honored guest. Refreshments were served after the meeting by the social committee and a pleasant social hour was enjoyed.

On November 2nd, The Worthy Grand Matron, Miss Mary Louise Little, made her Official Visit to Trinity and Star of the East Chapters. A lovely banquet was served and enjoyed by many in the dining room prior to the Inspection.

At this time, a word of thanks should go to the wonderful work that is being done by the Cheer Committee of our Chapter with Dawn Gaskill as co-chairman. The reports of their wonderful work from the recipient of their benevolent work is so gratifying that I, as your reporter, feel it should be pasted on and each one on the committee be commended for the active work on a very important committee of the Chapter.

The Ways and Means under the leadership of Evangeline Baker, chairman and Ruth Beauchamp, co-chairman, have been very busy so far this year making money for the Chapter. They are selling Christmas cards, all occasion cards, candy and drip pans. See any member of this committee if you want to buy any of these items. They can also be purchased in the hallway on the fourth floor just prior to a stated meeting of the chapter.

The Social Committee welcomed its new chairman, Glennis Adams, replacing Geneva Ash who will be leaving the city. Not enough can be said for this committee with Esther Thunberg as co-chairman for their refreshments after chapter that we have been enjoying so far this year.

THANKSGIVING PRAYER

As our Thanksgiving Season draws near, let us be mindful of the many blessings we share.

Everyone seemed to enjoy themselves and will long remember 'this' wedding. Lots of good laughs and comments were heard from the side lines. Guests were invited to the dining room which was appropriately decorated with fall leaves and flowers. Sister Justine exteded an invitation to all to come back again. Much credit is due the various committees who helped to make the evening a memorable one.

Shiloh honored our Past Matrons and Patrons with a lovely banquet on October 11th. The dining room was cleverally decorated with boats, anchors, chains etc., the theme being "Anchors Away."

Chapter was opened in due form by Sister Justine. Distinguished guests for the evening were Sister Lettie Dickey and Sister Sonoma Woodruff, who were introduced and escorted to the east and given grand honors. Initiatory work was given to the candidates by Past Matron and Past Patrons as following: Worthy Matron, Pauline Dinius; Worthy Patron, Wilbur Stocks; Associate Matron, Alta Curren; Associate Patron, Floyd Brake; Secretary Irma Moore; Treasurer, Minnie Young; Conductress, Edna Elzey, Associate Conductress, Laverne Schaeffer, Chaplain, Thelma Bailey; Marshal, Faye Ice; Organist, Margaret Riggle, Ada, Amelia Brown; Ruth Vera Strodel; Esther, Helen Fatzinger; Martha, Florence Obetz; Electa, Mabel Burgener; Warder, Hazel Ginty and Sentinel, Rosalia Glocke. Sister Justine asked all Past Matrons and Past Patrons present form a semicircle in the east. A large boat was then wheeled in called the "Victory Boat," the choir singing "Anchors Away." Each Matron and Patron was asked to introduce themselves and give the year he or she was in office. The points, Ada, called Friendship; Ruth, Peace; Esther, Happiness; Martha, Service; Electa, Love read a short poem as to the station they held. The "Victory Boat" held gifts for all Past Matrons and Past Patrons.

THE MARK MASTER DEGREE

The Mark Master Degree teaches us to never claim another's work or take from him his job. The scheming, climbing and ambitious person, if a Royal Arch Mason, can profit immeasurably from the lessons of this Degree.—Elkhart Temple Topics.

Well, time flies by; and it's time for us to get together again and discuss the happenings of the past month. We've really been busy, and it doesn't look as if activities will be lacking next month.

Our annual Fall Maul Hay Ride, on October 6 attracted a crowd of over 700 and was a tremendous success. After everyone shook the hay from their clothes, they enjoyed roasting hot dogs and drinking cokes by the fires. Earl Walker furnished music and called square dances in the barn for all those interested in dancing.

On October 23 we conferred our first Initiatory Degree on a class of twenty-nine candidates. We had a fairly large turn-out for the ceremony which the new group of officers performed very well. This was the last meeting to receive petitions of candidates to be initiated this semester. The members have worked very hard and I would like to thank each and everyone for bringing in such a fine group of candidates. Forty-two petitions were received at this meeting, making a total of 118 candidates for this semester. After the meeting, the Mother' Circle served hot dogs and cokes to the members.

As the term progresses, the number of important dates increases. On November 27, a group of about ninety boys will receive the Initiatory Degree. The degree will be held in the auditorium at the Scottish Rite, and I hope that the room will be filled. I would like to invite any interested Masons to attend and witness the ritualistic work which I feel our officers do extremely well. The Mother's Circle will serve refreshments after the meeting.

One of the most important meetings of the entire term will be held on December 11. On this date, you will determine the officers for next term. I know that the new officers will appreciate the backing of all of you. I hope to see you voting for the members that you want to handle the affairs of your chapter next term.

On December 20, there will be a special called meeting when we will confer the DeMolay Degree on a hundred and eighteen members from our chapter and a number of members from other chapters in the Northeast Indiana District. This district includes chapters in Angola, Huntington, Auburn, Garrett, Marion Columbia City, Portland and Peru. work for the officers of this semster, This will conclude the ritualistic and I hope we have a good attendance.

Since the date of our regular meeting is December 25, this meeting has been cancelled. The holiday season does bring about one of the biggest affairs of our chapter. Our annual White Christmas Formal will be held on December 27 at the Scottish Rite. All the members will be admitted free by presenting their 1957 dues cards at the door. Music will be furnished by the orchestra of Woody Neff.

Before I close, I'd like to call your attention to the possibilities of a chapter basketball team. We have had offers to play a number of other chapters. Before we can go ahead with plans, we must be assured of a number of players and an adult to supervise and serve as coach. I would appreciate hearing from anyone concerning the team.

Phil Shriner M.C.

DEMOLAY MOTHERS CIRCLE

The DeMolay Mothers Circle spent a very enjoyable evening in the home of Mrs. Berton Pontoni in October. The talk and demonstration on the arranging of flowers for festive occasions and everyday use, given by Mrs. Myron K. Henderson, was very much appreciated.

Again we wish to thank the parents that helped make the hayride a success. It is one of the high-lights of the Demolay social affairs and it is your continued help that helps o make it so.

Thanks also to the members of the October Committee that assisted in serving refreshments to the boys following the initiation work on October 23rd and also those who helped at the Father and Son night October 30.

Our November meeting will be held in the Sears Pavilion in Foster Park. Mrs. Thomas Franklin is chairman of the committee and has promised a most entertaining evening. It will be different, so be sure to make reservation. Assisting hostesses will be Mrs. Harold Blackburn, Mrs. Alex Campbell, Mrs. J. Gould, Mrs. Jack Hamlet, Mrs. Clifford Hoke, Mrs. Leonard Johnson, Mrs. R. J. Leavengood, Mrs. James Lehman, Mrs. Charles Locke, Mrs. Louden, Mrs. Eli Myers, Mrs. Evelyn Phinney, Mrs. Charles Pierce, Mrs. A. Peacock, Mrs. Walter Parrot, Mrs. Clyde Rosenberger, Mrs. C. D. Senger, Mrs. Charles Shoppell, Mrs. Charles Sills, Mrs. Everett Thurber, Mrs. Lindlay Uhrick, Mrs. Arthur Vonderau, Mrs. Charles Weisenauer, Mrs. George White and Mrs. George Yaney.

This committee will serve refreshments to the November 27th class and members of the Chapter. There are 90 young men to be initiated on this date.

Please remember the December meeting will be our annual Xmas Party, to be held at the Forest Park Methodist Church. This meeting will be on December 3rd instead of the

At the September stated meeting, your Lodge voted to amend its By-laws, and effective January 1st, the dues of this Lodge shall be $15.00 per member per year.

I am happy to report that Bros. Wayne Odier and C. Blanchard are up and around. If you know of any of South Gate members that are ill, please contact your officers.

We have one candidate this month, so come to lodge and take part in the work. It helps the officers as well as the candidate to have a good audience.

Have you circled the date of December 1st on your social calendar? It should signify South Gate Family Night Supper, and this means the 'family'—no baby sitters needed on this evening so we'll be looking for you.

Brethren, the falling of the leaves again usher in the Autumn season, and with it that wonderful period of Thanksgiving. This reflections of gratefulness of the past and the bounthopes for the future remind us to take stock of our many comforts and blessings and to offer our prayers of Thanksgiving. In our hurried lives we fail to show our gratitude for our good fortune of being born in this land of ours, for the kindness and mercy God has bestowed upon us. Too often we have taken His gift without the least consideration of His caring for us. Could it be that we have the feeling of completely deserving all of God's gifts and that we owe Him nothing? No, I cannot believe believe this. It may be thoughtlessness or sometimes carelessness not to offer thanks for God's bounties.

Now with Thanksgiving Season here it would be well to count the harvest of our manifold comforts and blessings which we enjoy and gather the good of our lives and use them to the workings of God's will. In the words of Peter Marshall, "May we, in gratitude, get on with the job of creating not only a nation but a world in which all men shall have the right to seek happiness."

Hi There! Isn't God good to Indiana? The beautiful weather the lovely autudn and Hoosier Friends. For these we give thanks.

The Official visit of our Grand Royal Matron H. L. Euna Douglas and Sir Knight Whitney Reeves both of Indianapolis proved to be a most pleasant and delightful occasion.

A delicious banquet was served in the Dining Room prereding the meeting and here friendship and hospitality prevailed.

The ritualistir work was portrayed to a Class of candidates. The Grand Matron and Patron — Supremes Grand's and Honored Ladies and Sir Knights from a number of courts greeted our court with Words of kindness and praise.

The meeting will long be cherished "Sweet in our Memory."

At our first meeting in October the group surprised the Royal Matron with a fish fry which was enjoyed by all.

The Royal Matron read an Editorial "God Left A Challenge in the Earth" and H.L. Jerry Boldt sang "I Believe."

We were happy to have so many visitors to fill the chairs for Friend's Night October 24 to confer the Work for our candidates.

Dates to be remembered November 28 Thanksgiving Program and December 12 Christmas Program.

To those who are ill we wish a speedy recovery and to all our members the best of Health. See you in court!

Home Lodge was the host Lodge for the 7th Annual Tri-State Meeting on October 13, at which time we entertained visiting Masonic Brethren from Chicago, St. Louis and Peoria. There were in attendance from Advance Lodge, Chicago, Illinois 43 Brothers, from George Washington Lodge, St. Louis, Mo. 32 Brothers and from Peoria, Grandview Lodge who is the baby of the group attending their first meeting, there were 8 very enthusiastic Brothers. This group of 83 Brothers who made the trip to Ft. Wayne all seemed to enjoy the Banquet and entertainment which was staged for them and were very high in their praises of this 7th annual Affair and the manner in which they were received, following the banquet at a committee meeting plans were made for the next meeting which is to be held in Chicago on October 12, 1957. An invitation is to be extended a Lodge in Milwaukee, Wis., to become a member of the group. We all are looking forward even at this early date to the Chicago meeting next year. I wish at this time to extend my sincere appreciation to the officers and committee members of Home Lodge who had a part in making this meeting the success it was.

Now at this writing I am going to assume quite a lot in making the following statement. I know without a doubt that our Awards Banquet which is to be held October 30 will be another success and Bro. Harry Zeddis will be the very proud possessor of the Grand Lodge award of gold in recoginitionof his having served Masonry 50 years, this award having been presented to him by Bro. Steven L. Miller grand Master of Masons of the State of Indiana. There were 122 members eligible to receive awards for 25 years of Masonic service, how many of them were present you will have to wait until the December issue, or maybe you were among those present for this fine event.

Brethren the final event of this year is to be our Annual Family Night which is to be held in the Temple at 6:30 P.M. on November 30, I hope all of you have made your reservations by the time this copy reaches you. If not do so at once for this is your nite for you and your family to howl. We are looking for you and preparing for you, just make those reservatations now.

Yes Brothers we are having degree work every Tuesday evening and I'm still looking to see some of you in Lodge yet this year—Please no disappointments.

To our sick brethren we wish you a speedy return to health, and please notify your officers of sickness to any Brothers of the Lodge. Sometimes one of our Brothers is sick and well again before we have knowledge even of his having been ill.

Thanksgiving—Brothers we have many many things for which to be thankful this year, so let us all before sitting down to a table heaped high with foods, all symbols of God's bountifulness, be reverently attentive and Thank Him the grand Architect of the Universe for the many blessings he has bestowed upon us. To you all I wish a happy and gracious Thanksgiving Day.

GOD AND MASONRY

Everything in Masonry has reference to God, implies God, speaks of God, and points and leads to God.

Not a degree, not a symbol, not an obligation, not a lecture, nor a charge, but finds its meaning and derives its beauty from God, the Great Architect and Master Builder of the Universe, God the Father of Humanity, its colidarity and salvation, God the Maker of Heaven and earth and all that in them is, before Whom silence is eloquent and wonder is worship.

Every lodge is erected to God and dedicated to holy Saints and labors in God's name, seeking to make His will the design upon its trestleboard.

No initiate enters a lodge without first kneeling and confessing his faith and trust in God, Whose love is the foundation of fraternity.

The Greatest symbol is Masonry, the triangle, is the oldest emblem of God in history and faith of man. Under His arching sky, upon His friendly earth where man goes forth to his labor, Masonry toils for the Glory of God.—The Orphan's Friend & Masonic Journal.

I KNOW SOMETHING
GOOD ABOUT YOU

Wouldn't this old world be better
If the folks would meet and say
I know something good about you
And then treat you just that way

Wouldn't it be fine and dandy
If each hand clasp warm and true
Carried with this assurance
I know something good about you

Wouldn't things be more pleasant
If the good that in us all
Were the only thing about us
That folks would bother to recall

Wouldn't life be lots more happy
If we praised the good we see
For there is such a lot of goodness
In the worst of you and me

Wouldn't it be nice to practice
This fine way of thinking too
You know something good about me
I know something good about you

The Auditing Committee that was appointed at the September meeting made their report on schedule and we wish to thank them for .their earnest cooperation.

We had only one petition for the degrees of the Royal Arch which was voted on and by this time we wish to welcome Companion Carl Schlatter. Companion Schlatter took all of his York Rite degrees at the recent Fall Conclave. Companions we would like to do much work than just one but it means that we all must work to that end, so you should be thinking about it for the next spring Conclave.

At the November meeting the members of the Grand Council will have their report of the State Grand chapter's meeting at South Bend to pass on at the Companions. See you then.

At our Annual Inspection three Grand officers were present. We had a fine crowd, a wonderful dinner and a most successful and enjoyable meeting. 14 candidates were made Sir Knights at the Convocation in October. It too was well attended. At this time the Commandery wishes to again thank Wayne lodge for sharing their delicious banquet with the Sir Knights.

Plans will be completed at our next stated conclave which will be November 15, for the annual Christmas observance and also our installation.

We are sorry to report the illness of Sir Knight Fred Ackerman, who is confined in the Lutheran hospital. We wish for him a speedy recovery.

We lost two Sir Knights by death in November, Sir Knight Frank Chalfant and Sir Knight Ralph Taylor. To the families and friends we offer our deepest sympathy.

Brethren:

As I write this I am thinking how fast the year has gone. Only one more month remains after this one and then a new Master will have been elected and installed.

Many of the Brethren of Maumee have not been in lodge for a long time and we implore that you come up and attend in order to renew your Masonry.

We have four candidates this month so your officers are really busy. We would appreciate your attendance and any help with the work that you can do.

Again Past Master Banquet has come and gone. This was held on Wednesday October 24 with about 300 brethren present. After the dinner lodge was resumed and the Past Masters conferred the second section of the third degree.

The high light of the banquet was the 50 year Gold Award which was presented to Brother Joe L. Craig our Past Master. The award was presented by Brother Elmer Forks, Past Grand Master of the Grand Lodge of Indiana.

We want again in this manner to thank Brother Forks. Brother Byard Smith who acted as Master of Ceremonies for the banquet. Also we want to thank the Past Masters who helped and also the committee headed by Past Master Clyde Flowers who did such a good job. Thanks to everyone who did a part in the evenings program.

We have two Brothers who needs your prayers and attention. These brothers are on the sick list and are Charter Members, Brother Clarence Briggs and Bert F. Herrmann. We pray for their recovery and hope they will be restored to health again.

Brethren, we have a new roster listing all the membership of Maumee 725 as of March 1st 1956. Those will soon be mailed to you and we trust you keep them as a ready reference of your lodge.

Again let us say we need your attendance in the lodge room on work nights and also at stated meetings. Also please remember that your annual stated meeting will be held December 5th so we will expect to see all the Brethren present.

This year is fast coming to a close. Only two more months than we can look back into the past and see if our labors were in vain. Don't forget the last state meeting in December, we will have the election for new officers. On Saturday, October 27, there were 8 officers and 4 brothers present at Inspection over at Poe Lodge. After Lodge was closed all of us enjoyed refreshments served by the host Lodge. Our Grand Architect of the Universe has called Brother Charles Wyss home. We extend our sincere sympathy to his Wife and Brothers. See you in Lodge.

We often ponder over the impressions we, as Masons, leave when in our associations with those who are not familiar with our Craft, how the fraternity as a whole is judged and viewed by the words and actions of its members. Let this reminder again call attention to the time when we were placed in the northeast corner.

We welcome Joe Whonsettler, Russell Green, Fred Sell and Granville Balliet as Master Masons, may our associations be mutially pleasant and lasting.

Huntertown is proud of the good member attendance and pleased to have so many visitors, we are also grateful to our neighboring lodges for all the courteties extended to our traveling brethren. Let's see you at our next meeting too. There will be degree work in November.

December 6 (mark this on your calendar now) will be election and you are expected to be present.

The tables overflow. We thank thee, God,
For pumpkin and for mince; for damson plum,
Sirupy and sweet; for the full pod
Unloosed within the pan for feast to come.
For faces young and smiling round the board,
And for the silver-haired, who praise Thee most
For blessings they've received, for wisdom stored
Within their hearts, and that they should be host
Once more to those they love. O God, this day
In bounteous mercy keep Thy hand upon
These, the very young, these that are gray,
That busied them from the first early dawn
To brew and bake, to gather neighbors in
To share Thanksgiving from Thy lavish bin!

The evening of October 17th will long remain "Sweet in our Memory." For it was on that date, that Anthony Wayne Court was honored by the presence of the Grand Royal Matron, H. L. Euna Douglass, and Grand Royal Patron, S.K. Whitney Reeve, both of Indianapolis, who were visiting our Court officially. They were announced and escorted to the altar by Grand Marshal H. L. Gladys Koseck and Grand Page H.L. Frances Fairbanks, then escorted to the Throne by ourown Marshals. As they made their regal entrance, H. L. Euna was clad in a beautiful white and gold gown, and wearing a gold crown. Following the inspection, Royal Matron H.L. Edith Skelly, on behalf of the members, presented to them Honorary Membership Certificates. All were inspired by the gracious manner in which H.L. Euna delivered her address to the members, and by the brief remarks of charm and wit by S.K. Whit.

Preceding the inspection, a most sumptious banquet was served in the dining hall by Social Committee Chairman H.L. Eythel Smiley and her very efficient co-workers; and as an anti-climax, this ever-ready committee, served coffee and sandwiches at the close of the session.

Another added pleasure and honor on this memorable night, was the Installation of S.K. Alfred Schell, as Deputy Supreme Royal Patron to Panama. Past Grand Royal Patron S.K. Stanley Miller of South Bend was the Installing Officer, and was assisted by P.G.R.M. Ruth Riley as Marshal, P.G.R.M. Harriet Reeve as Prelate and G.R.P. Whitney Reeve as Aide.

Now, November activities are in the offing. On November 7th following the stated meeting, Program Chairman, H.L. Amelia Brown will present an Armistice Day program and on November 21st, she and her co-workers will render a Thanksgiving Skit.

MASONIC LORE
(Maui Scottish Craftsman)

Under the English Constitutions only one who has been installed as Master of a Lodge can confer a degree.

In 1830 at Limerick, Ireland, a stone was found in a small chapel, bearing the date 1517 and also the following inscription: "I will strive to live with love and care upon the level, and by the square."

In an English Lodge, the only officers elected are the Master, Treasurer and Tiler.

The title of the presiding officer of the Grand Lodge of Scotland is Grand Master Mason. The Patron Saint of the Craft in Scotland is Saint Andrew, whose feast is celebrated on November 30th of each year.

Companions, Our Fall Convocation of York Rite Masonry is now history. Many of the Companions missed the degrees of the Council although we had a good representation on Wednesday October 24, 1956. We had a very good and attentive class of candidates and I'm sure they enjoyed every minute of the Council Degrees and also appreciated the enlightment they received in their search for Further Light in Masonry.

The Officers are to be congratulated highly on their part in conferring these degrees. Companion Lloyd Young was present and as Grand Lecturer of the Grand Council of Indiana praised the Ft. Wayne Council very highly in their Council activities and degree work. This was also his annual visitation.

The Council along with the other York Rite bodies are making plans for another Convocation next spring. No date has been set at this writing. The Companions will be notified in the next issue of the Square and Compass so that we can get busy and have petitions lined up for another large class.

Our next regular Council Assembly will be Thursday November 15, 1956.

Refreshed after the very excellent convocation, it is our privilege to wish you in the name of the Chapter of very Happy and spiritual Christmas. The eighteenth degree so deeply steeped in Christian tradition is especially concerned with the spiritual implications of the Nativity for people of all faiths. All people of whatever faith are agreed in the spiritual purity and Godliness of a little child, new born. In the same manner as the Master of Nazareth later represents to us the sacrifice and suffering of the world, so He represents at Christmas tide the spiritual depths of childhood.

May the Lord richly bless you and keep you during the Christmas tide.

Your Eminent Commander and officers of 1956 thank you all for a wonderful year and wish for the new incoming officers the same fine cooperation and help which they received and appreciated.

With our Fall Convocation, which was one of the best we have ever had, concluded we will soon be starting to plan for the Spring Convocation.

Now is an ideal time to begin thinking of the Blue Lodge brethren you would like to bring into Scottish Rite and to start talking to them about it. It is surprising to learn that many of the candidates state they would have taken Scottish Rite earlier if they had only been asked. In Scottish Rite you can encourage and ask your Blue Lodge brethren to petition for admission.

To each and every member of the Fort Wayne Valley and particularly those of recent classes you are invited and urged to take a part in the convocation work. There are always parts to be filled. Don't wait for someone to personally ask you. Just call the Scottish Rite office, contact an officer of either of the bodies or Brother Winston Lee, the director, and tell them you want to take a part.

The officers of the Consistory join in wishing you and yours a Merry Christmas and a Happy New Year.

Brethren:

This year 1956 was but a short time ago a new and untried challenge, now twelve months later we look back, some with pride and joy, some with sorrow or regret, others with renewed vigor, faith and hope. What ever our view point has been we cannot escape the fact, the year is past. and our only real happiness and prosperity lie in the days to come.

So let us not pause to look back at the hour glass and sythe, but keep pressing onward remembering the lesson and virtues taught by the beehive.

We are proud to welcome Wayne Kestermann, Howard Tucker and Gordon Cummins as new brother Master Masons, we hope our associations will be mutually pleasant.

Your Master appreciates with thanks, to all the many brothers, both visitors and our own members for assistance on degree nites and all the other favors, counsel and kindness that has been extended this past year.

At this time we antipicate the joys of working with the incoming officers. Actual Past Master installation is December 28 at Fort Wayne, lets see all you P.M.'s there.

Respectfully submitted,
John Lare

SAINTS JOHN DAYS HELD SOMEWHAT OF MYSTERY

Masonic Lodges of today are "erected to God and dedicated to the Holy Saints John," and they commemorate Saint John the Baptist on June 24, and Saint John the Evangelist on December 27. These dates anciently were established as Church Festival Days.

Of the Masonic feasts of St. John the Baptist and St. John the Evangelist much has been written, but to little account. The two feasts, coming at the time of the summer and winter solstices, are of course older than Christainity, being reminisences of the old Light Religion, to which some erroneously would have us trace the origin of Freemasonry.

WHY THE CHOICE?

In pre-Christian times the Roman Collegia were wont to adopt pagan deities as patrons. When Christainity came, the names of its saints some of them martyrs of the Order of the Builders—were substituted for the old pagan gods. Just why, when, and by whom the two Saints John were chosen as the patron saints of Masonry—instead of St. Thomas, who was the patron saint of architecture—never has been made clear.

Legend has been busy trying to explain, but we cannot be sure of what it tells us. Also many reasons have been given, but they are reasons after the fact. The Gospel of St. John is the most Masonic of the Gospels if only because its central theme is Light. It portrays Jesus as the Light of the World and his Gospel as a Gospel of Light. Lodges were dedicater to "the Holy Saint John" and Masons were called "John's Brothers," no doubt for the reason that Masonry is a quest after Light.

SAINT OF THE CRAFT

An old legend tells us that after the destruction of Jerusalem, A.D. 70, the Order (then in decline) besought St. John, then living at Ephesus and over ninety years of age, to become its Grand Master—and that he did so, saying that he had been initiated into the Craft as a young man. It is only legend, to be sure, but the Old Charges speak of St. John the Evangelist as a Saint of the Craft.

St. John the Baptist seems to have come into the Craft after the Reformation, and apparently it was on the day in 1717 that the Grand Lodge of England was organized "according to ancient usage.—Masonic Tidings.

Brethren:

Christmas is drawing near and remembering that it reflects "Peace on earth, good will toward men" I wonder if we realize what this wonderful message means to us.

I sometimes feel that we may look upon Masonry as just another organization, but have you ever considered that Masonry reflects this beautiful promise throughout the entire year. The brotherhood of man and the good will that masons extend toward each other is one of the prime factors that lead to eternal peace.

These are not just nice sounding phrases to be uttered at Christmas time, but a goal that can be realized by following Christian and Masonic precepts.

So you see, the Masonic Lodge is not just another organization, but a living promise of "Peace on earth, good will toward men."

I know I share the thoughts of all the officers of Waynedale lodge when I extend to you the greatest blessings that Christmas can bring and the fulfillment of all your worthy desires in the coming year.

YORK RITE

At a called meeting of the York Rite Ass'n soon after the last convocation, the by-laws were changed concerning the election of officers of the association. It was the consensus of opinion that new officers should be elected soon after the Fall convocation, instead of in January, as has been the custom. In this way, the new officers would have more time in which to plan for the next convocation.

In accordance to the new change in by-laws, officers were elected as follows: President, Thomas W. Cannon of Fort Wayne Council R. & S.M.; Vice President, Walter Boshler of Fort Wayne Chapter R. A. M.; Secretary, Stanley Putnam of Ft. Wayne Commandery-K.T.; Treasurer, John Kurtz of Thomas R. Marshall Chapter R. A. M.

The dates of April 1,2,3, and 4 1957, were selected for the Spring Convocation. It was voted that the secretary of the association should begin contacting the various York Rite Bodies in the general area of this Congressional District, inviting them to attend the Spring Convocation with our candidates. It shall be the duty of the Banquet Committee to work out plans for the Ass'n Banquet, Thursday evening, April 4.

It was decided to have regular meetings of the association on the 2nd Thursday of each month, which is just a week before the stated meetings of the various York Rite Bodies, to decide on items of policy to be presented to the various bodies for their acceptance or rejection. Meeting then adjourned until next regular meeting on the 2nd. Thursday in December.

To those who may not be in the know, concerning the York Rite Association, it is an association of the various York Rite Bodies meeting in the Fort Wayne Masonic Temple. There are two chapters of Royal Arch Masons one Council of Royal and Select Masters, and a commandery Knights Templar. One of the aims of the association, is to inform Master Masons about York Rite and to urge each to thoroughly investigate what it has to offer him, before making up his mind about the taking of additionel degrees. It would also urge those who have taken only a part of York Rite to consider taking the rest of it, so that he can effectively carry the word of what York Rite has to offer to Master Masons of his acquaintance.

We are not forgetting those whose religious backgrounds would prohibit them from taking the Orders of Templarism. They would find that the degrees in Royal Arch Masonry, and in the Council of Royal and Select Masters, would be profitable and interesting, as these degrees are based on Old Testament History. We are looking forward to another successful Convocation.

The annual meeting of the Lodge was held at stated meeting on December 10 . The elected and appointed officers will be reported in the January issue of the Square and Compass.

Instalation Service will be Monday, January 7, with refreshments following. Oyster stew is the usual menu for this meeting and there is usually enough for all to have a sufficient amount to satisfy all oyster eaters.

The next stated meeting will be January 14 when the new officers will be in their stations for the first time. All are urged to attend and see the new year off to a good start.

It is expected to have work during January so come to lodge and enjoy the fellowship of your brothers and assist in the degree work.

CHRISTMAS WAS ONCE A MOVABLE FEAST

Christmas was once like Easter in that it was a movable feast, celebrated on a different date each year.

St. Cyril bishop of Jerusalem, is responsible for establishment of the universal date we celebrate today. In 337 A.D., with the permission of Pope Junis 1, St. Cyril appointed a commission to determine, if possible, the precise date of Christ's nativity. The theologians of the Church finally agreed upon December 25, and since the year 354 this date has been celebrated.

As we go to press, our W.HP Reuah saying—
If we could find a wishing well
Where wishes all come true
We'd wish that we could see you soon
For we are missing you
at our meetings
Gearhart would appreciate your promptness. Our supreme W.H.P. will be with us as honored guest on December 3rd, and sojourner Ruth Gearhart is anxious to have our books get an "A Plus."

Won't you please co-operate come to the banquet too, in the private Plaza Dining Room. Reservations must close November 29th.

We were so very sorry sojourner Belva Krick's health would not permit her to finish out her year as W.H.P. She started out with vim and vigor and highest hopes and did remarkably well, but her doctor said she could not continue, so following his orders Belva resigned. An election was called and P.W.H.P. Rueah Bixler was elected and installed to finish the unexpired year. At the same time sojourner Harold Kelsey was elected and installed as three year trustee. We sincerely sojourner Belva will be coming to our meetings soon.

Sojourner Marge Brattain was hostess to the officers at the Brattain Hunting Lodge at Spencerville. Everyone came masked and it was a lovely Halloween affair.

All too soon November is passing and we find ourselves stepping a bit faster preparing for the holiday season. Our Worthy Scribe has received a letter saying Santa will be our guest December 14th and all sojourners are to bring a $.50 gift for his bag.

Obligation night was November 9th Preceeding the meeting a wonderful pot-luck was enjoyed. We were so glad to welcome sojourner Joe Duncan at that meeting. It was his first time among us following surgery at the hospital.

Margaret Simison has been in and out of the hospital too, and we are glad she is improving at home.

P.W.H. P. Kitty Saul continues very ill at the hospital.

The husband and father of Lyda Close, and Ruth J. White is still very ill at home and has been confined to his bed for a long period.

Shirley Bly is able to be out again having fallen down stairs in recent weeks, and C. Elmer Chalfant is not too well, but is able to take short walks.

The sister of Orpha Murray has been ill. Two sojourners have had sorrow, the brother of Blanche Ratrie passed away in Garrett and the father-in-law of Clara Bolyard passed away after a long illness. Sincere sympathy is extended by Miriam Shrine in your bereavement and to all our sick and their kin we extend our very best wishes for health to return soon.

Miriam Shrine extends congratulations to sojourner Nellie Miller and her husband George J. who celebrated their golden wedding anniversary. The sojourners of our shrine and many other friends appreciated sharing their celebration and enjoyed the hospitality of their son and daughter-in-law Dr. and Mrs. Orville Miller who had "open house" for them.

Sojourner Hazel Dehler has moved recently into her new home on Beechwood Circle. Best of luck to you Hazel.

We have several sojourners traveling these days in Florida. Robert Quinn P.S.W. of S., Nellie Miller and her husband George J. and Florance Nahrwold and her husband Charles. Lena and Jonas Crisman have returned from Florida.

Lillian and her husband Howard Gocke are home from California, we have enjoyed your many cards.

Charlotte Beaty and Clara Bolyard, Chairman and co-chairman of Ways & Means appreciate the wonderful salesmanship among our sojourners, and our out of town members too are doing a splendid job for us and we are most grateful for your help.

Our cookie supply is stored at the home of Mable Schneid and you can feel free to buzz any one of the girls, A-3021, E-72004, or H-9448 to replenish your orders.

If you hear of any sorrow, please phone N. P. Mary Micu, E-1467 or our Worthy Scribe H-6254.

The Christ Child Festival will be held December 6, 7, 8, 9th, and Miriam Shrine will again have a booth for the 4th year.

Congratulations, Hilda Campbell, Aaron and Ruth Gearhart who have new grandchildren.

Addie Hite was hostess to the Cheer Committee November 13th, and a nice crowd turned out and a lovely evening was enjoyed.

We felt sorry to learn Bertha Cress suffered burns recently in an explosion.

W.H.P. Reulah Bixler, and W of S. Glenn Myers wish each and every sojourner of Miriam Shrine Seasons Greetings for 1956-1957 and to Gertrude Chalfant a very Happy Birthday on Christmas Day.

Fort Wayne Chapter Order of De Molay
Stated Meetings 2nd and 4th Tuesdays 7:30 P.M
Philip Owen Shriner, M.C.

Phillip Owen Shriner _____ M.C.
4709 Indiana Ave. ____ H-8924
Austin E. Brooks, Jr. _____ Scribe

This past month has been a month of expansion for DeMolay in our area. In addition to our Initatory Degree, we were fortunate to have new chapters started at Columbia City and Warsaw. The new members of the Columbia City Chapter received the Initiatory Degree, which was put on by the Huntington Chapter; and the Installation of Officers was also put on. The Warsaw Chapter is still in the preparation stage, but they hope to be in operation in time to receive the DeMolay Degree in Fort Wayne on December 20.

The meeting on December 20 is a called meeting; so be sure to mark it on your calendar. At that time the Fort Wayne Chapter will confer the DeMolay Degree on a hundred and fifteen candidates from our own chapter, candidates from the newly organized chapters at Warsaw and Columbia City, and additional candidates from other chapters in our area. This will make a class of about two hundred boys. At nine o'clock the public will also be admitted to see the Flower Talk which will also be held in the Scottish Rite Building. I would like to extend a special invitation to the parents of the members and candidates. The Flower Ceremony will be given by Past Master Councilar and Chevalier Jerry O'Brien. Jerry does a magnificient job, and the ceremony is very impressive.

On December 27, the Scottish Rite Building will be the scene of one of the most popular activities of our chapter, The White Christmas Formal. Members will be admitted by presenting their 1957 dues card or their Senior DeMolay card. Woody Neff's Band will furnish the music. It promises to be a wonderful evening, and I hope all of you can attend.

The Installation of Officers will take place on January 3 at 8:00 p.m. This will be open to the public, and parents and friends of the officers are cordially invited. The Mother's Circle will serve refreshments after the meeting.

January 8 will be the first meeting for the new officers and the deadline for petitions for the first Initiatory Degree of the second semester, which will be held on February 12. I hope that you will bring a couple petitions with you that evening and show the new Master Councilor that you are behind him.

That's about all the news from the East. Before closing, however, I would like to remind you that the second term is fast approaching: and it's up to you to bring in those petitions and keep our chapter on top.

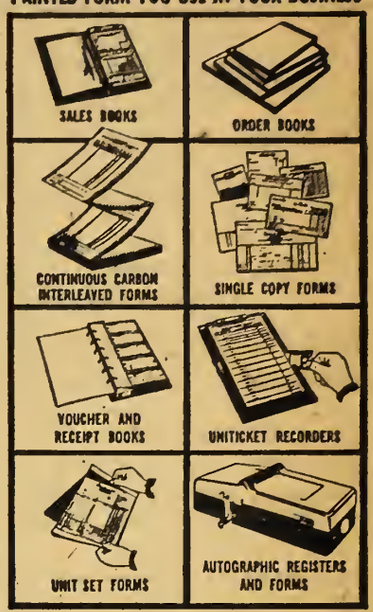
Brother BILL PIFER — Do you who are reading this article know who Bill Pifer is? — Well, Bill is our most couragious DeMolay full of faith and determination, he met with an accident in the spring of 1954, when he slipped on a pier at the lake and suffered a broken neck which has caused a paralized condition. He is a Senior of Central High School studying by inter-com system and we are told he is a fine outstanding student. He will graduate in June with high Honors and we wish he could graduate at the same time from his bed — however with the help of many of his DeMolay brothers under the chairmanship of Bob Passwater we are sure he will be walking before too many months have passed.

We NEED more boys or men who are 5 ft. 10 in. to 6 ft. to give just 15 minutes of their time at specified times to help Bill get on his feet for exercises — SO COME ON all who can and let's get Bill out in a hurry so he can enjoy the privileges we have. Call Bob Passwater, E-2821 or "Dad" Reithmiller, H-3689 and arrangements will be made for you to assist. ONLY a few minutes of your time will mean so much to Bill.

Also to the boys who are not tall enough to assist in this a personal call will help to cheer him and make a little more sunshine in his life— So go call on Bill. He lives at 2315 Pittsburg and tell him you are a Brother DeMolay. You will be a happier person for it.

To you Bill, we hope you had a nice birthday on December 8th and will have a fine Christmas. Lots of good luck to YOU.

DEMOLAY MOTHERS CIRCLE



Our annual Xmas Party brought to an end another very successful year for the DeMolay Mothers Circle under the leadership of our President Mrs. Schiebel and her very capable officers. We congratulate them and wish for the new officers a splendid year. Our party was held at Forrest Park Methodist Church with Mrs. Roger Stroble, chairman, assisted by Mrs. Guy Allread, Mrs. Ray Aughiinbaugh, Mrs. J. G. Beckstein, Mrs. Dale Beighley, Mrs. Ray Bobay, Mrs. T. H. Ewing, Mrs. William Hanselman, Mrs. Clarence Rhoda, Mrs. A. Rossetter, Mrs. Robert Schwartz, Mrs. Forest Somers, Geirge Spice, Mrs. Ralph Spitler, Mrs. Claude Simon, Mrs. Frank Smith, Mrs. Harold Smith, Mrs. Erwin Stephen, Mrs. James Stephenson, Mrs. R. J. Stritmatter, Mrs. A. F. Vanice, Mrs. R. N. Wickcliffe, Mrs. Lloyd Wilcoxson, and Mrs. William Young. The response to our collection of gifts for the State School was again very gratifying. Following a short business meeting, a very lovely musical was presented by several girls from North Side High School. The program was planned by Miss Sue Lehman.

We are a little late but at this time we would like to thank Jay Gould for a most entertaining evening when he showed slides on South America at our November meeting. We are much indebted to Mr. Gould and do hope that he will entertain us again at some future date. At this meeting we also honored all of the Past Presidents of the DeMolay Mothers Circle that have served since Mr. Riethmiller has been our Ft. Wayne "Dad."

Donuts and cokes were served to the boys following their November initiation by several members of the November committee.

Another year has gone. May we wish for each and everyone a VERY MERRY XMAS AND PROSPEROUS YEAR TO COME.

THIS CHRISTMAS DAY

Dear friends, who give so much to me
Of time and love and strength,
Of tender care, of sacrifice
Which goes to any length,
My empty hands can bear no gifts
To You this Christmas day,
Yet is my love not helpless, for
My grateful heart can pray;
Can pray, and by that prayer release
To you a precious store
Of God's griht treasures . . . Open Wide.
O heaven's windows, pour
Till blessing overflow, and may
Each heart receive, I pray
Gods Gift of gifts, His own dear Son,
Upon this Christmas Day!

Again the holiday season is upon us. By the time this reaches you Thanksgiving will have come and gone and we sincerely hope every one had an enjoyable time. And now we are on the brink of Christmas, may we all stop to think of the first Christmas and Gods gift to us. How thankful we can be that we live in a country where we can worship as we please and observe our Saviours birth openly and with love and adoration for all. Along with Christmas we have two important meetings coming up in our Chapter room; first of all your Officers will entertain you on December 6th and I know they have been putting some hard work into a program for you. Then on the 20th our Satellites are bringing us our Christmas program They too have been working hard on this and it sounds like a wonderful evening. I know this is a busy time for all but we hope to see you out on these occasions.

Joint Inspection by Sister Mary Louise Little, Worthy Grand Matron of Fort Wayne Chapter No. 432 and Shiloh Chapter No. 141 was held November3rd in the Auditorium. Preceding the meeting a lovely banquet was given in the dining room. The tables were beautifully decorated in pink roses. Then Baby Dedication services were conducted by Sister Mary Louise Little assisted by Bro. Kenneth Copes, Worthy Grand Patron and Sister Sonoma Woodruff, Past Worthy Grand Matron. Fourteen babies were dedicated and given gifts of necklaces for the girls and silver napkin rings for the boys. The East was beautifully decorated with a background representing a large Cathederal windows with candelabra and fernery in front, then the rest of the East was banked with pink roses and fernery. On either side was placed the Masonic Emblem and the Sword and Veil. Suspended from the ceiling over the East was lighted open Bible in which was inscribed the Mizpah prayer. Beauty vases of roses and greenery were placed behind each of the points chair. In the West was a Scroll on which was inscribed the first verse of the 23rd Psalm, on either side were vases of roses and fernery

Chapter was opened by Shiloh Officers and then declared at ease at which time Sister Mary Louise Little, Worthy Grand Matron, was escorted to the Alter, greeted by the Worthy Matron and in song by the choir, then escorted to the East through an escort of the points from both Chapters. Here she was presented a nosegay of roses and an honorary membership to both Chapters. Brother Kenneth Copes, Worthy Grand Patron, was escorted to the Alter, greeted by the Worthy Matron and in song by the choir, a parody to "Its in the Book." His escort to the East was formed by Brother Masons robed as Judges and carrying books of law. Sister Sonoma Woodruff, Past Worthy Grand Matron, was escorted to the East after which followed the following Grand Points, Sisters Maxine Fewell, Grand Adah, Opal Dawson, Grand Esther, Lucille Reeves, Grand Ruth and Florence Daniels, Grand Electa. After recognizing all Past Matrons and Patrons, Committee appointees, presiding Matron and Patrons, Chapter was declared back in order. The Shiloh officers relinquished their offices to the Fort Wayne officers and they gave the initatory work. It was a beautiful and inspiring evening for all.

November 1st was Non Pariel and Sideliners night. The Conductress and Associate Conductress escorted all the sideliners in a semi-circle around the Chapter room. Sister Vera greeted them and told them how important it was to have such wonderful sideliners. At this time special honor was also given to Sister Nellie and Brother Harry Emerson, who had just celebrated their 50th wedding anniversary. Everyone san "Happy Anniversary" to them and at this time I would like to say for all of Fort Wayne Chapter congratulations and we hope you have many happy years together.

November 15th was Past Martha night. The East was decorated with the Broken Column and a little lamb. All Past Marthas present were escorted in a semi-circle behind Esther chair, given gifts and then ask to tell a hi-light of their year in the chair. Initatory work was given and we say congratulations to the new members and we are looking forward to seeing you often in Chapter. Helen Helms also gave a talk on the meaning of the Marchs through the labyrinth. This was very interesting as well as educational.

To the members and families of Sol D. Bayless Lodge, your Worshful Master and Officers for the year of 1956 wish to thank each of you for the privilege of serving in our respective offices this past year. We thank you for your splendid cooperation and assistance, for without it nothing could have been accomplished. We feel that it has been a very successful and inspiring year.

For myself, I deeply appreciate the privilege of serving you as Worshipful Master. It has indeed been a rich experience for me and one for which I will always be thankful.

May I take this opportunity to congratulate and thank the officers for their fine cooperation and for a job well done in their ritual work; also to our hard working committee chairmen and their committee members, my sincere appreciation to each of you—and to all a great big THANK YOU.

Sol D. Bayless was indeed happy to have had the pleasure of having as our guest at our Past Master's night, November 26, Steven L. Miller, Grand Master of Free and Accepted Masons of Indiana. We were quite proud to have six of our members eligible to receive the 50 year award of gold, which were presented by the Grand Master to: Byron H. Somers, Past Master; Jesse B. Maurer, John J. Butler, Erwin A. Hoffman, Thomas D. Roberts, and Walter P. Hallstein. We were also glad to present 25 year awards to Harry R. Davis Robert A. Hattersley, Arthur W. Howard, Herbert R. Miller, and Leslie D. Yager. Congratulations to all. We are proud to have you as members of Sol D. Bayless.

We also want to welcome two members to our fraternity, Brothers Roy H. Stebling and John E. Myers. Plan to be with us as often as you can.

Memebers reported ill during November were Brothers Harold Houser, Joe Dunean, and John Collins. We wish a speedy recovery to these brothers and to all others who we may have missed.

Our sincerest sympathy is extended to the families of Brothers Frank Chalfant and Ralph Taylor who were called to their eternal home.

As we turn the pages on another year, and as I leave you as your Master, may we all make a renewed pledge to continue our work for Sol. D. Bayless. This only marks the end of a calendar year and nothing more. Our Masonic Fraternity is the greatest of its kind on the face of the earth and we should be so grateful and thankful, that we can say, this next year I will do more for my lodge and our fraternity than ever before.

Congratulations to our new Master-elect, Charles E. Fuchshuber, and his officers for 1957. Brother Charlie is planning a public installation on January 1, 1957, at 3:30 p.m. in the Corinthian Room of the Masonic Temple. Everyone is invited.

Mrs. Herrick joins me in expressing our gratitude to the other Fort Wayne Lodges for the many enjoyable evenings we have spent as their guests throughout the past two years. We feel that our lives have been greatly enriched by the fellowship we have enjoyed and the many friendships gained.

May we both extend our best wishes to all of you for the happiest of holidays and express our wish that the Spirit of Christmas remain with you and your families not only at this season of the year, but throughout the many years to come.

May I leave you with these thoughts. "It is nice to be important, but it's just as important to be nice. Let the principles of truth, righteousness, and integrity rule the day and the year will end a beter place in which to live."

May God Bless You Each and Every one.

Fraternally,

Hi:

Anyone who didn't come to Mom and Dad's night November 6, missed a lot of fun. I want to thank the officers and choir for their work on the "hill-billy" program. The costumes were a riot, the songs were fun and we're all so glad "Davey Crockett" could come. Thanks to the social committee for the lovely tables and delicious pie. I am sure the large crowd attending enjoyed the whole evening. I hope every "Maw" and "Paw" will come back again. Sorry Mrs. Burchard, our Guardian was ill and couldn't be there.

I was proud to have 100% officer attendance at Church Sunday, which

This My Brothers is the last article which I shall have the pleasure of addressing to you as Worshipful Master of Home Lodge No. 342. It could be lengthy should I attempt to say all that is in my mind to say, but instead it will be only a letter to you that somewhere within its contents will be the expressions of my thanks to you and the thoughts of a Worshipful Master about to step down from an honored office in favor of another Worthy Brother who is to succeed him.

We like to think that it has been a good year for the Lodge, and that the good which holds Masons so close together has not been weakened or broken, but has been strengthened by our decisions and actions while serving as Master.

We like to think that some event or some bit of action taken in the past year will be remembered after we are through.

We like to think that the Lodg has progressed to a little higher lev and that its members are to some e tent as pleased with our labors as w are Proud to have worn the purple o the fraternity, and we extend in a sincerety best wishes to those wh follow, and offer to them all assistanc possible whenever it be needed.

The last social event of the year i to be our annual Family Nite on Fri day Nov. 30. At this writing ther are some 600 reservations in for thi event and since you will receive thi copy after it is over may I say, I hop I saw you there and that you enjoye yourself. To our sick brothers I wis you God Speed on the road to recov ery and may it be our good fortune t see you soon in Lodge.

We come now to the time of the year when our hearts bear malice toward no one and are filled to over flowing with kindness toward all the world — Christmas — above all else it is the Day when we celebrate the Birthday of our Saviour, may we be humble and sincere in our thanks to God for this Day. Now may I extend to You and all of Yours best wishes for a Merry Christmas and a Happy New Year.

By way of closing I shall compare the past year with the Hour Glass, which is a symbol of time and say— Behold how swiftly the Sands run, and how rapidly the tiny particles contained in this machine pass away, almost imperceptably, yet to our astonishment within the short space of an hour (year) they are all exhausted, thus our Year is ended.

Fraternally,
Thos. E. Wallheiser
Worshipful Master.

Brothers: As we near the close of the Year 1956. Let us take Inventory of the good things that have come our way By the help of God and our own endeavors, we have a Masonic Lodge started in New Haven and have raised our first candidate. Brother Herbert A Ort.

We were very happy and appreciative to have Home Lodge No. 342 confer the second section of the Master Mason Degree. They did a fine job.

We were also pleased to have so many visitors, brothers from Hicksville, Harlan, Monroeville, and Ft. Wayne Lodges.

Brothers: we yet have a number of jobs to complete at the Temple. We could use a lot of help. If you will report on Monday evening we can get these jobs out of the way.

In this busy World there are many things to occupy our minds and time, but please set aside Wednesday evening to attend Lodge. You will feel much better for the experience. Make New Haven Lodge your (masonic Haven) on Wednesday evening.

I am deeply grateful for the opportunity of being the Worshipful Master of your lodge for the past year. Now that the year is nearly over I know that I will never forget it. It has been a great experience. I want to thank all who made it a memorable year.

At this time I want to wish all a very Merry Christmas and a Happy New Year, and remind you of the real true meaning of Christmas. Plan to take your family and worship together this Christmas. The Yuletide Season will mean so much more to you.

It was good to see so many at lodge for election on the 6th. My songratulations go to all the new officers and I hope you will all give them your support through the new year. I know they will appreciate it and we will all have better times together.

On November 16th we were honored by having our Grand Master, Steven L. Miller present 50 year awards of Gold to Brothers Geo. H. H. Squier and Isadore Kalver, we began this meeting with a dinner at 6:30 P.M. after which we opened lodge on the Master Mason Degree and conducted the two 50 year and four 25 year brothers to the Wardens stations and the Master to renew the Charge of each degree that these Brothers were given so many years ago. Your Master then presented the four 25 year Brothers with their awards and the Grand Master presented the two 50 year Brothers with their awards of Gold. The two 50 year Brothers were also presented with Masonic Bibles by Brother Ray L. Collins, Junior Warden. We had a good attendance for this occassion and I feel sure that every Brother present got an inspiration from the presentations and the inspiring address of our Grand Master.

December 11th will be Election of Officers for the coming year with our annual FISH FRY and we are hoping for a good attendance for this activity.

We are having two Master Masons at Big Master Mason night, beginning at 4:00 P.M., Saturday December 1st. and we will have to schedule another Master Mason Degree for one Brother who cannot be present for the December 1st meeting.

December 29th is tentatively scheduled for Installation of 1957 Officers, watch local papers for confirmation. This will be open to the public and we urge the Brothers to invite their friends, especially those that might be interested in Masonry.

This will be my last write up for the Square and Compass as the New Master will take over from here, so I want to take this opportunity to thank all my officers and the Brothers for the wonderful year we have had and for their very fine cooperation and it is with mixed emotion I see the year drawing to a close. Again Brithers I Thank You.

Watch local papers for coming activities and make it a point to attend as it is our sincere hope you will make the coming year bigger and better than 1956.

When you receive the December issue of the Suare and Compass, another successful year for South Gate Lodge will have come to a close; and the annual election will have gotten you your officers for the coming year.

I wish to take this opportunity to thank my officers for the excellent cooperation they have given me; not only in performing the duties of their office, but in giving me their loyal support in all our undertakings.

No lodge could function very long without the aid and support of a good Secretary. I think South Gate has the best. I have appreciated his assistance in this past year. Thanks, Frank, for a job well done.

The Fellowcraft club played a very important part in conferring the Master Mason Degree and I am happy to say that this year has seen the finest work ever presented in our lodge.

The Craft Kitchen Committee under the leadership of Paul Muller assisted by Glen Hoon have made South Gate a well known name in the Veterans Hospital. In recognition of their fine work, their picture will appear in the National Veterans Magainez. My congratulations and thanks for your support of this worthy cause.

My thanks to Mike Muha for his unique and timely "Southgater."

The Family Night supper was a whooping big success with plenty of chicken and noodles, along with the entertainment from the Berne Accordian band. This, like all the entertainments this this year was under the direction of Bros. Bob Morshall, our Jr. Warden, who did a fine job.

Brethren, last month we added two new Master Masons to our roster. They are Ralph C. Rodenbeck and Rhinehart Klingenstein.

During this busy season may we pause to reflect on the true meaning of Christmas and the Birth of Christ. Remember that the world began to change within that next few years; yet it all began with the Nativity. May we never lose sight of that Natal Star and keep the love for our fellowman always in our hearts.

May I wish all of you South Gate members and your families a very Merry Christmas and may the Light of His countenance shine upon you and bring you a Happy and Prosperous New Year.

Brethren:

It is again time to get out your log book for the year 1957 and list the dates of all meetings so that you will be present when degree work, especially your favorite degree will be exemplified and be sure to list the entertainments, lunches and dinners, when you receive your notice of these dates, thansfer them to your log book so that you will be on time.

Our Fort Wayne Scottish Rite Valley has enjoyed a very successful year. We ask every member to help keep this good work up for the year 1958.

We wish each and everyone a very Merry Christmas and a happy and prosperous new year.

So Companions from now on the stated meeting of Thos. R. Marshall will be on the 3rd Thursday of each month except July and August. Attend your Chapter stated and the other York Rite bodies at the same time, that is of course if you are a member of the higher orders.

As yet, the date for the spring conclave has not been announced, but Companions it is not too early to begin to think about those petitions from among your Blue Lodge brethren. Make a good resolution for this next year in planning to attend your Chapter stated meetings regularly.

As I write this, my last message in the Square and Compass, I have mixed emotions. The past seven years that I have been in the official line surely now seems to have been very short and there are some regrets that it is all over. On the other hand the responsibility and demand for regularity and extra duties as your Master makes it seem as a relief to lay down the gavel.

Throughout the years in line I want to say that I have had wonderful cooperation from the past officers and also the officers who are now in line and coming up. I wish to take this opportunity to thank every Brother of the Lodge for his help and assistance during the past year.

We have had a good year in 1956 and your officers have been quite busy. Since January 1, 1956 we have raised a total of 37 Brothers and voted 6 petitioners to membership by intiation at our December stated meeting which will make a total of 43 for the calendar year of 1956.

Our new rosters should now be in your hands which we hope will be helpful in knowing all the brethren and we list below those raised since March 1st. and who are not listed in this booklet.

Charles R. Fisher, James R. Davis, Don G. Clouse, Edward T. Dahlin, Robert A. Infanger, Clare L. Van Aman, Byron C. Richardson, Frank W. Brounwer, Richard B. Brouwner, Richard W. Chilcote, Everett C. Collins, Clyde N. Dever, John M. Kauffman, James D. Smith, Robert D. Pickerill, E. Paul Judy, Ralph V. Clark, Jr., Harold C. Somers, Charles O. Phelps, John Seimer, Richard Klinger, David O. McComb, David G. Diaz, Keith A. Darby, Clinton M. Haskin, Jack W. Stevenson, Roy F. Blessing, Llody C. Miller, James G. Morton and George M. Smith.

Brethren, the annual installation of our new officers, will be held Wednesday, January 2, 1957 and certainly every member should be on hand for this ceremony. Won't you please be in lodge at that time.

Brethren, another member has answered the call of the Grand Architect of the Universe. Brother William H. Oberkiser passed away on November 21, 1956 and he was laid to rest on Saturday, November 20th. Masonic services were held at Mungovan & Sons Friday evening November 23rd. at 8:00 p.m. with Brother Kenneth McGraw officiating.

As, I close this I want to say that your lodge in the future will be in good hands as those following after me are all good loyal brothers and will devote all necessary time to the lodge.

Again let me say thanks for the many favors and God bless you all.

Brethren: I wish everyone a Merry Christmas and a Happy New Year. The Prince of Peace, whose coming was heralded by the blazing Star, which appeared to guide the wise men of the East to the place of our Saviours Nativity, and at whose feet the Wise Men laid their gifts, has said, "In as much as ye have done it unto me." So let us give not only of our abundance but make real sacrifices, remembering the words of our Savior, "It is more blessed to give than to receive." Today we have numberless occasions to exercise the real spirit of Christmas. Let us take full advantage of these opportunities by putting into pracitice those useful and valuable Tenets of our institution which are Brotherly Love, Relief and Truth.

To the Masters, Wardens and Brethren of our Sister Lodges in behalf of my Wardens and wives, we have enjoyed the many invitations we have received to your social events this year. They will always be remembered and many thanks to you.

Degree Work: The officers and I are very grateful to all those who have attended Lodge and made our attendance as large as it has been this year. You have shown a lot of interest in your Lodge and hope you will continue.

Stated Meeting: December 11, will be the night to elect the officers of the Lodge for 1957. Those who are elected and appointed will be installed on Tuesday January 1, 1957 at a public installation at 8:00 p.m. in the Corinthian Room. Lodge for Master Masons will open at 7:30 p.m. To the new officers we wish a lot of success in your year. The Installing Officers will be Kendall C. Freck P.M., Homer H. Stevenson P.M. Marshal, Curtis K. Heston P.M. Chaplain.

Something to know from the Indiana News letter. The last 10 new Lodges to be organized in the state of Indiana, Allen County has been responsible for four. Namely South Gate Lodge No. 731; Three Rivers Lodge No. 733; Waynedale Lodge No. 739; and New Haven U. D.

During the past month (to Otober 17) the number of Lodges increasing their annual dues to provide additional funds needed to operate the Indiana Masonic Home was 153 Lodges raising their dues $2.00 or more and 29 only $1.00 raise. Your lodge is in the class of $2.00 or more which was a $5.00 raise.

To see where some of the money has been going at the Home, here is a report of the Relief Board. During the month of September they cleared five accounts at the Methodist Hospital, for guests at the Indiana Masonic Home, amounting to $2418.85, through the charity account at the Methodist Hospital. Since the first year they have cleared 40 hospital accounts for guests of the Indiana Masonic Home aggregating $11,182.04.

Visitation: At the Vets hospital October 29, were the following Brothers: Vernon Parr, chairman; Edward Miller; Homer Stevenson P.M.; Robert Dale Albert White, J.W.; F. S. Sterns of South Gate Lodge; Frank S. Hunt, chairman of Masonic Service and Lewis G. Davison, W.M. There will be one more night this year, December 17, for visitation at the Vets Hospital.

Social: By the many comments received, everyone seemed to enjoy our Family Night. Mrs. Fay Brennan, our cook served chiken and noodles "Supreme," and Mr. Plasterer, made those soap bubbles you never had dreamed of.

Sickness: Bro. Ivan Yingst is at home convalescing from surgery. Bro. John Clevenger is thinking of trying Florida for his health, Bro Arnett Bickle, P.M. underwent surgery also at the Lutheran Hospital and seems to be well on the mend.

Deaths: Father of Bro. Ward Bailey P.M., passed away on October 28, To Bro. Ward and his family we have extended our sympathy.

I wish to take this opportunity to thank you for the privilege of serving as your Worshipful Master this year of 1956.

Lewis G. Davison, W.M.

Samuel S. Geake ..... Secretary
Scottish Rite Cathedral . A-6495

Much too often we take many things for granted and forget to express our appreciation for things that some one has taken the time and expended the energy to accomplish. Reviewing the November Convocation, the above facts really strike home. Counting the members of the Casts in the degrees, the various committees and all that helped throughout the three days, the number runs over the four hundred mark. It would be highly interesting and no doubt amazing to know how many man-hours were used in the weeks of rehearsals, the conferring of degrees, the preparation and work of the committees, along with the preparation and serving of the meals and final banquet. Convocation is over and we go home filled with pleasant memories of important lessons taught and of good food and fraternal friendships. But the next morning that half acre of dry dirty dishes has to be washed, dryed and put away for the next time. The Cathedral has to be cleaned from the top to the bottom. To every single individual that had any part in this Convocation, the Officers of the Rite want to say a hearty and sincere "Thank You." Inside, outside and all around this giant operation of three full days of activity, is manifested the talent, energy and experience of our good and efficient Secretary. The Fort Wayne Valley is surely indebted to Samuel S. Geake and to him we say "Thanks, Sam."

To all of you, we wish for you a genuinely Merry Christmas and a Happy and Peaceful New Year.

Companions, This time of the year brings the thought of Christmas and we are all pondering over the idea of how to celebrate this Sacred season We will attend our Religious Services, spread all the Good Will toward man that is possible and present gifts of remembrance etc.

An everlasting and enjoyable gift to a Blue Lodge Brother would be a petition to the York Rite Degrees of Masonry or to those that are companions of the Chapter of Royal Arch and don't have any more of the York Rite. The York Rite Association, consisting of all the bodies of the York Rite, is making plans for another Convocation the later part of March, so petitions should be presented not later than February 21, 1957.

Our next Council Assembly will be on Thursday Recember 20, 1956. The officers are pleased to see so many of the Companions present at the last regular Assembly. The attendance should increase since all of the York Rite Bodies hold their regular meetings on the 3rd Thursday of every month.

To our Companions that are confined or are convalesing we pray for a speedy recovery.

The Officers extend their sympathy to the families and friends of our deceased Companions.

To all the officers and Companions of Fort Wayne Council No. 4 R. & S.M. I want to wish you a Merry Christmas and a Happy and Prosperous New Year.
